Student Council Makes Apportionment of Money

Provision Made for Book-keeping System and Annual Audit

FAINT IS TRUSTEE

By joint action of the Student Council and the Faculty Committee on Student Activities, the allocation to the several extra-curricular activities of the Junior College of the moneys paid into the Student Activities Fund has recently been completed, and the fund was created by the payment by each student of five dollars. The distribution, made on the basis of the contribution of each student during the semester, is as follows:

<table>
<thead>
<tr>
<th>Activity</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Student publications</td>
<td>$1,500.00</td>
</tr>
<tr>
<td>Motion Pictures</td>
<td>$1,650.00</td>
</tr>
<tr>
<td>Debating</td>
<td>$400.00</td>
</tr>
<tr>
<td>Athletics</td>
<td>$915.00</td>
</tr>
<tr>
<td>Contingent Fund</td>
<td>$150.00</td>
</tr>
</tbody>
</table>

The principle on which the distribution was made was that the pecuniary need of each activity, recognition being given to the fact that some activities are more costly than others. The special contingent fund was established to take care of extraordinary expenditures.

Each student who has paid the five-dollar fee is automatically entitled to vote on the distribution of the fund and to charge his own contributions to the fund at any time without the necessity of reference to the student treasurer or any other individual.

At the end of the school year a complete audit will be made of the receipts and expenditures, as requested by Professor John B. Gold, chairman of the Faculty Committee on Student Activities. Professor Keller has been authorized to establish a system of bookkeeping and to supervise the audit.

The Student Activities Fund is an important new feature in the educational program of the College.

Varied Sports Program Attracts Men Students

There is unusual interest in the athletic program of the Junior College, as demonstrated by the fact that a large number of men students have already signed up to participate in one or more sports. Basketball practice is now under way, and it is expected that swimming, wrestling, boxing, and baseball teams will soon be organized. The interest shown by the men students is expected to increase in the near future. The names of those students who have already signed up for the various athletic groups are as follows:

- Swimming: John Bone, John Galeo, Harvey Harrison, Thomas Kniff, Thomas Maxey, Kenett Miller, Victor Narkoff, John O'Donnell.

Variety of Clubs Available to Members

Glee Clubs to Sing Carol

More Women Singers Are Desired

The Glee Club of the Junior College will present a program of Christmas carols at an assembly in December.

A recent meeting of the club was attended by Mrs. Ruth Gibbons, Mrs. M. O. D'Arcy, and Mr. John Rogers, students, and officers of the club. Besides these officers, the membership of the two clubs is as follows:

- Mrs. Ruth Gibbons, Director
- Mrs. M. O. D'Arcy, Vice-President
- Mr. John Rogers, Secretary

Economics Club Elects Officers

Lawyer Speaks At P. S. Club Dinner

William Valentine Tells Of Functions Of State Courts

Twenty persons attended the dinner meeting of the Political Science Club at the Van Ty Fair last Wednesday night and heard an address delivered by William Valentine, Wilkes-Barre, a practicing lawyer in Luzerne County.

Mr. Valentine was described in brief outline the routine of court procedure with special reference to the problems of the lawyer in connection with cases involving criminal or civil matters. This is the only dinner meeting the club has had so far for the present semester. At least one such meeting will be held during the second semester. For the present, it is the desire of the club to profit from the experience gained at the first meeting.

The club is planning a trip to Harrisburg in February, and it is expected that the group will be able to arrange with the Department of State to devote several hours to the study of the various branches of Government.

Saricks Chosen President

Varied Program Planned

More than thirty students attended the organizational meeting of the Economics Club, held on November 23. A majority of those present were members of the Economics Club at the junior college, and it was decided to extend membership to the junior college.

Dr. Valentine described the functions of the state courts as follows:

- The state courts are the courts of record.
- The state courts are the courts of appeal.
- The state courts are the courts of last resort.
- The state courts are the courts of final appeal.
- The state courts are the courts of final decision.

The activities of the club are planned to be varied, with a view to increasing the interest of the members in the subject matter. It is proposed to have guest speakers, and to arrange for lectures and discussions on the various branches of the subject.

College Plans For Physical Education

Y. M. C. A. And Y. W. C. A. Will Be Available For Students

Plans which have been under consideration for several weeks by the Bucknell University administration for giving adequate instruction in physical education to both men and women enrolled in the Junior College are virtually complete. According to Professor John B. Gold, chairman of the department, the women will receive instruction in basketball and in swimming at the Y. W. C. A. in Wilkes-Barre. In general, the plan adopted for the coming year for giving physical education to the women will be the same as that for the past years.

The program of physical education for the men, however, is more comprehensive than that of last year.

“Our new program of physical education for the men rests upon agreement made by Bucknell University with the local Y. M. C. A. and with St. Stephen’s Episcopal Church,” says Dr. Egier. “Such arrangements were necessary because the University has no gymnasium in Wilkes-Barre.”

The basketball and baseball teams will be given for 45 hours of physical exercise. In order to receive the degree, men students must appear in groups at the Y. M. C. A. at the appointed hours. At these hours competent persons will be on hand to give instruction. We have made no plans for individual instruction.

The activities for which credit in physical education will be given include basketball, swimming, boxing, and wrestling. These activities will provide ample facilities for every man in school to receive proper instruction in his chosen field. It is our purpose to promote good physical development for all the men rather than to specialize in championship teams.

The basketball squad will be organized by Mr. H. H. Peters, who plans to work out a schedule of intercollegiate contests. Between 2:30 and 4:30 on Wednesday afternoons the basketball squad will practice at the Y. M. C. A., and on one afternoon of each week the football squad will practice.

The Girls Glee Clubs plan to present a program of music on December 5.

The committee on physical education will meet regularly during the week of November 30.

Soprano from Jean D’Arcy

I. Beethoven Overture to the Creatures of Prometheus

II. Haydn Symphony in D Major No. 104 (London)

Intermission

III. Tchaikovsky Aria for Soprano from Jean D’Arcy

IV. Tchaikovsky ‘Usk, 1812’ Overture

Concerning Thanksgiving

Contrary to popular belief, Governor Bradner was not the first person to set aside a day for thanksgiving. The ancient Hebrews celebrated a similar festival, called the Feast of Tabernacles—though called because everyone lived in tents during the harvest season—which lasted seven years when the nation had no settled home. Jehovah was the recipient of the thanksgiving, and the festival was therefore held in honor of the deity, a goddess of fertility.

The Romans held a similar celebration in honor of Ceres on the fourth of every October. The men were allowed to join in the feasting and amusements however, and their participation changed the nature of the holiday. It was beginning to develop a decidedly secular character.

On the fourth of the time of Egyptians celebrated the gathering of the harvest with songs, dancing and drinking bouts, lasting often for several days. In the ancient Roman this was known as the Cere; all the festivities were held in honor of the goddess of corn. The festival was held in honor of the deity, a goddess of fertility.

Basketball Team Starts Practice

O'Donnell Chosen Manager; Difficult Schedule Is Arranged

Believing that an early start has much to do with a suc- cessful basketball team, Coach J. Henry Peterson, the new call for practice. About twenty-five candidates reported. John O'Donnell, "Varsity" forward of last year's team, was appointed assistant manager.

Boarding students, Letts, Saltsburg, O'Donnell, and Harrington of last year's team, were two of several freshmen who are expected to add strength to the team.

Practices will be held regularly on Mondays and Wednesdays in St. Stephen's Club Gymnasium, and on Tuesdays and Fridays at the Y. M. C. A.

The following schedule has been arran-

December 15 McCann School
January 5 McCann School
January 12 Home, Tupeau Univ. Fresh.
January 18 Colgate Fresh.
February 2 Pennsylvania Prep (Home)
February 10 Dickinson Seminar (Away)
February 22 Wyoming Seminar (Away)
March 2 Hun School
March 8 Wyoming Seminar
March 15 Rider College Jr. Varsity
Two games, one with Dickinson and one with the Bucknell Fresh at Lewisburg, are to be arranged. Probably both of these games will be played in Wilkes-Barre. All home games will be played in one or another of the Wilkes-Barre high school gymnasiums. Students who have paid the Students' Association fee will be admitted without further charge to all home games.

Little Theatre Man Speaks

Mr. Clinton Long, a member of the technical staff of the Little Theatre, addressed the Dramatics Society on Wednesday, November 21. The subject of his address was "Stagecraft." The speaker told of the technical difficulties which were met during the staging of "The Boyfriend," the Dramatics Society's last play. Mr. Long headed the technical staff which worked on the production of the "Queen's House" when it was presented a few years ago by the Little Theatre.

Attends Open House Program

Professor and Mrs. Norman Hamilton Stewart and their son, Eric, came from Lewistown on November 16 to attend the opening program of the Junior College "open house." During their stay in Wilkes-Barre, they were the guests of President and Mrs. B. C. Tasker.

Dr. Tasker Addresses Chemists

Dr. Tasker, professor of biology at Bucknell University Junior College, addressed the Luzerne County Chemical Society last Monday evening at Kirby Health Center. His subject was "The Radiation Problem." Dr. John Giffen, assistant in the biology department, is president of the society.

Will Publish Holiday Number

The next number of The Bison Stampede, which will appear on December 11, will contain special holiday features.

Tell our advertisers that you saw their advertisements in The Bison Stampede.

COLLEGE PLANS (Continued from Page 3)

work the gymnasium at St. Stephen's will be available for team practice. "In the spring we expect to make suitable arrangements for tennis and, perhaps, also for track work."

"Our program of physical education involves a considerable expenditure by the University. This is in keeping with our determination to give to freshmen and sophomores enrolled in the Wilkes-Barre branch of the University instruction comparable in every way to the instruction given to freshmen and sophomores at various other campuses throughout the year, the University of Pennsylvania included."

Plays Maturing For Debates

In order to expedite the choice of a subject for a debate, as well as to complete a schedule of contexts, Dr. Irving H. Churchill, coach of debates, has appointed a committee on arrangements consisting of Maxwell Edwards, Jean Blackshey, and Tom Myockey. Two popular subjects under consideration are: "Which event in the history of the world shall agree to present the international, national, ship of arms and munitions; and: 'Resolved: That the United States should adopt a system of socialized medicine.'"

The committee is arranging a tentative program for the first few meetings. The first general meeting of the group will be held on December 6, at 7:30, in the Johnson buildings early in December.

Open House Draws
Thousand Visitors

Play, Glee Club Program, Science Exhibits, Outstanding

Approximately a thousand persons visited the Junior College during the week when Open House was held. Over four hundred attended the performance Thursday night, and the Glee Club on Friday evening. November 17, 1933, was open to inspection on that night.

On the first night of Open House, the program was narrated by Mr. Donald G. Stillman, and the Dramatics Society had as its director Professor Forrest E. Keller, performed.

The Men's Glee Club offered as the first selection "Stars of the Summer Night," with Gregory Cale as soloist. The vocal band blended Glee Clubs sang "Swing Low, Sweet Chariot" and "Hail, All Hall, Bucknell!" All the selections were very much appreciated in the auditorium and in others present.

During this part of the program, the assembly was called to order and an elegant model, Mrs. Elliott, was introduced to the audience. She performed a song and dance with Miss Ellen Davis, and a vocal selection, "The Men's Glee Club offered an additional performance, "Roll Call," with Gregory Cale as soloist.

William Beiswenger, Ripple Shumaker, Ben Roski, Marion Y. Salsburg, Charles Burns, Helen Klem, Mary Edna, and Francine Walsh, Helen Nash, Josephine Lord, and Eleanor Schumaker.

The Dramatics Society presented as its first program "The Magic Flute," with Tom Beiswenger as the composer, German Schoen as the dramatist, and Fred Semmer, Mirko Tully, Bill Jordan, Josephine Coozie, William Buev, Ralph Ford, Madeleine Bragg, Robert Pyka, and William Bovey as part of the cast.

The Glee Club offered the second selection "The Herbal Symphony," with Joseph Lord as soloist. The vocal band blended Glee Clubs sang "Swing Low, Sweet Chariot" and "Hail, All Hall, Bucknell!"

The students were also exhibited in the second floor of the college building. William Charles, Donald Roselle, Charles Bliss, and Thomas Martin were among these.

The Glee Club has an annual program which is enjoyed by the entire student body. The Glee Club offers a variety of musical performances, including choral and instrumental music, as well as a variety of dance routines and theatrical productions.

"PITTSBURGH'S ISLAND" is the third book in the 1934-1935 trip literature. The book has been well-received and is a must-read for those interested in the history of the city and its people.

Bucknell University
At Wilkes-Barre, Penna.

The Bucknell University Junior College at Wilkes-Barre is a branch of Bucknell University. The admission requirements at the Junior College are the same as those for the main campus in Lewisburg. Credits earned at the Junior College are Bucknell University credits; they will be accepted wherever Bucknell University is recognized.

Bucknell University has widened its campus to include the Wyoming Valley. Two full years of college work may be taken at the Junior College. The courses offered at the Junior College are duplicated at Wilkes-Barre. The University has equipped experimental, modern laboratories at the Junior College in order that satisfying courses in science may be given. No other institution offers such facilities in Wilkes-Barre. The Junior College is rapidly building up a library of its own under the direction of a professionally trained librarian.

Bucknell University also offers a wide variety of late afternoon and evening courses at the Junior College Building in Wilkes-Barre. Such courses are offered for both undergraduate and graduate credits.

The Bucknell University Junior College has an exceptional faculty. Every member of the staff has had at least a bachelor's degree, several have received doctors' degrees from the leading universities of America. The faculty includes men who have come from the graduate schools of Harvard, Yale, Columbia, Chicago, Cornell, Stanford, Duke, Virginia, and Michigan.

For further information, consult the Registrar, George F. Faint, 29 W. Northampton Street, Wilkes-Barre, Penna. (Telephone W.3-6630)

A catalogue or special bulletins will be mailed upon application to the Registrar.
