Wilkes Holds Sport Dance To-Night
College Outing To Be Held Tuesday
Council Stages Outing Tuesday

An outing will be held by the Student Council of Wilkes College on Tuesday, July 22, at Andy's Grove, Mountain Top.

Andy's Grove, a private park, will be taken by many who have students for a complete day of swimming, volleyball, baseball, and dancing. Music for dancing will be provided by students.

Lunch will be served from five to six-thirty, but there will be plenty of activity to warrant continuing, and spending all of the day. The park opens at eight in the morning.

Buses will be provided for those students who are unable to go by automobile. Students who wish to go by automobile must meet in front of Chase Hall at 1:30, 3:30, and 5:30. For those students who are going by private car, the following instructions will help you find the park:

To go to Andy's Grove, take the Wilkes-Barre-Hazleton Highway to Mountain Top (approximately 8 miles). At the triangle, turn right and follow the road for two miles. Andy's Grove is on the right side. Students can pick up their tickets for the outing at the Coolidge book store.

Plans Continue For Puerto Rico Christmas Jaunt

Although five months away, the air trip to Puerto Rico will be a reality for Wilkes students by the time Christmas vacation comes. It is a vacation that has already aroused considerable interest.

"Mas O Menos", the Spanish Club, has received payment from two students for the eight-day trip to San Juan, Puerto Rico, in December. Several other students have indicated a desire to make the trip. Students who are interested in the trip should contact Miss Helen Street, who will advance five months to get $225 together to cover the entire cost of the trip, including tips.

Miss Silsbe, head of the Wilkes Spanish Department, announced that if all arrangements are completed by the trip to San Juan, a private plane could be secured. At present, Miss Shirley Roberson and Miss Joan Broocks are the two who have paid in full for the trip. More students are expressing their desire to go daily.

The trip is open to all Wilkes College students. The flight will start at Wilkes-Barre and two more meals will be served aboard the plane going to San Juan and returning. Private cars and registered lecturers and guides will be waiting at all stops to escort the students around. In San Juan students can go on their own, or with a group. The trip will last 10 days, with eight nights spent in the Spanish capital.

The College Holds Language Clubs, a Great Success

The language department again set a precedent for college activities, with its Fiesta held on the campus lawn recently. The French, German, and Spanish Clubs always ready to try something new, attempted an outdoor entertainment including moving pictures, songs, and refreshments. An indication of the success of their attempts is found in the large number of students who attended, filling the seating area to overflowing.

The program, which was held on the lawn beside the Chase Theatre, opened with greetings from the audience of students of each of the language sections. This was followed by a skit in which Morris Joseph, Joseph Savitz, Mark Jameson, and Gildy Gildy displayed their best conversational skills.

The moving pictures, operated by George Noyes, began with a short feature on the French national anthem, the Marceilles and the French film, Seeing Paris Again. Next, the pictures taken on the Cuban trip last spring were shown. Everyone enjoyed this colorful collection, especially the students who appeared in the picture.

Following the showing of "Wings Over Latin America", a technicolor travelogue, refreshments were served in the Chase reception room. After intermission, the German portion of the program featured the Berlin symphony and chorus in excerpts from Verdi's opera "Aida." Finally, Bob Hope in "Swing Spanish" showed our Mexican neighbors in a frivolous mood. The program was closed with the Star Spangled Banner.

Because of the success of the garden festival, the language department is planning to repeat it, with a series of shows to be held on Friday evenings beginning August 1. This will include foreign films as well as some of our American classics.

Bucknellians Add Three Men to Band

During the past few weeks the Bucknell dance band composed almost exclusively of Wilkes College students, has been enlarged as part of its progressive move to go to the top of the collegiate orchestra circles. Robbie Peaston, leader and arranger for the orchestra, has announced the return of Charles Gittens to the trumpet section and the addition of third trumpet, fourth sax, and string bass players.

This new thirteen-piece orchestra played its first engagement on July 4th at Burr Park, West Nantucket, Pa. On that afternoon the orchestra gave a sunset concert in the band shell of the park before a huge crowd. Included on the program was an introduction of a new novelty, "Birth of a Band." A contract with the park calls for a series of Friday concerts and dances. Among other contracts signed recently was one for a series of dances sponsored by the Lake Nantanal Association to be held at Bucknell University.
A Musical Tour With Bloomburg

A STICK, A BOX, AND A BOARD

One of the finest musical organizations in the Hamstown Valley is Bill Stoffle and his trio. The trio consists of Leo Kaminski on marlin on guitar (the box), and Bill Stoffle on piano (the board).

Each of these musicians is a master in his own right. Roy was a professional musician and a composer. His music is found in the library in concert keys. His call was seconded by Mr. Konchuba. As this motion was seconded by Mr. Pringle, and unanimously carried. A report was made by Mr. Evans and was adopted. The motion was carried. The same motion was carried by Mr. Maylock, and unanimously seconded.
ALUMNI NEWS

The following people who attended, graduated, or did undergraduate work at Bucknell University were graduated in June from Bucknell University: John H. Jones (A. B., Mathematics); Sheryl Snook (B. S. in Education); Robert F. Smith (A. B. in Sociology); Thomas H. Stanley (B. S. in Business); Elizabeth Marlin (B. S. in Commerce and Finance); Alberto Nevicki (B. S. in Engineering); Raymond A. Novick (A. B. in Spanish); Jean Stefel (B. S. in Biology); and Thomas P. T. Wang (B. S. in Social Science). Harvey Tracy (A. B. in Social Science), Josephine T. T. Wang (A. B. in Mechanical Engineering), Ruth Douglass (B. S. in Biology), Mildred Dervinna (B. S. in Biology), Albert Boros (B. S. in Civil Engineering).

Doris Smith, who was graduated from Bucknell College in 1945, is employed as a laboratory technician at the New Albert Memorial Hospital, Kingston.

In February 1947 Robert Shriver received the degree of Master of Science in Mechanical Engineering from Bucknell University.

Morris Altman graduated in February 1947 from Bucknell University with an A. B. degree in Sociology. Professor Altman was active in the International Relations Club, Sociology Club, and intramural sports.

Ellen Bagder of Jeromy, Pa., was graduated from Bucknell University in June from Bucknell University. She was a member of the Phi Delta Theta Society. In August she is living in Bucknell village with her husband, Charles D., and their daughter, Beverly Seaman, and their daughter.

Edward Myers, Stewart Hetting, and Doris Raub are all attending Bucknell University for the summer term.

Baron Brown, Jean Lampert, Virginia O'Keefe, and Mildred Greene are all attending Bucknell University in August. They are all continuing their studies in the fall at Bucknell University.

Both Charles and Betty Martin, graduates of Bucknell University, are both employed in the office at the Planters Bank.

Edythe Prince, graduate of Bucknell University, is a student at the Philadelphia Medical College for Women in Philadelphia. In the fall after completing graduate work she plans to return to Bucknell to complete a master's degree.

Caryl Galow, Marion Burkett, and Carl Shonk have returned to Wilkes-Barre to work during the summer session.

Young Mr. Young will enter the University of Pennsylvania Medical School in the fall. She was graduated from Bucknell University in June 1947.

Richard Watson is attending summer courses at Bucknell University.

Robert Wenzl is spending the summer in Wilkes-Barre and is attending his Senior year at Bucknell University.

Both Paul Halleck and Bernard Flaherty are attending Bucknell University.

Mrs. Nelson Jones, the former Robert Wenzl, is spending the summer in Philadelphia where her husband is attending Temple University summer school.

Beatrice Onder, who attended Bucknell University for one year, is in the summer at her home in Wilkes-Barre.

At the annual meeting of the Alumni Association the following officers were elected:

President, Louise Rummer; Vice-President, Christine Whitman; Corresponding Secretary, Josephine T. Wang; Treasurer, Floyd A. Siegfried, Jr.; and Secretary, Naomi Hans of Shavertown, and Joseph Fringle of Wilkes-Barre, were accepted into the Alumni Association at its last meeting.

Ralstonen Face Tough Eight Game Grid Schedule

Although the fall and the sharp, biting football weather are still two months away, the Wilkes College Athletic Department, under the direction of George F. Ralston, last week set up the schedule for the 1947 grid team. The announcement lists three new teams on the schedule of opponents for the local institution.

The first game of the season, and more than likely one of the toughest on the agenda, is scheduled for Saturday, September 28, when the Wilkes eleven will journey to West Point to meet the powerful Army Junior varsity squad representing the U. S. Military Academy. The second game of the year will find the local squad meeting Pitts- ton Vocational on Friday, October 4, at West Pittston Stadium. On Saturday, October 12, Wilkes will make its debut before the home crowd when it engages Keystone College at Kingston Stadium. October 19, Wilkes will meet Dickinson Junior College from Williamsport. This contest at Lebanon is likely one of the games played at Kingston Stadium.

After an open week, the Wilkes eleven will journey to Doylestown on Saturday, November 9, where National Junior College will play host to this institution's squad. The home season concludes with the third game of the season in a contest with the nationally famous Juniata College at Kingston Stadium.

Student Council Provides For Flower Fund

A motion to establish a flower fund to be used for deaths in the immediate families of Wilkes students was passed at a recent meeting of the Student Council.

Beacon Meeting Friday at 12

There will be a meeting of the BEACON staff on Friday, July 18 at 12 noon in the Beacon room.

Intramural Softball League Gets Underway

An Intramural Softball League has been formed at Wilkes College. The 12 team league is comprised of freshmen, sophomores, juniors, seniors, and faculty who have registered to participate.

The league consists of two divisions, each with six teams. Each team will play two games per week, with the season beginning on Wednesday, August 28. The league will feature a best-of-three series format for all games. The winners of each division will face off in a championship series to determine the overall league champion.

The league is open to all Wilkes students and faculty members who meet the eligibility requirements. Participants are encouraged to sign up early to secure a spot on a team.
