Krujer First WC Teacher
To Make 'Who's Who'

By Jankie Schuster

Out of every 10,000 prominent people throughout the country, 15 are chosen under carefully tested selective standards to represent the outstanding citizens of America in "Who's Who." Among the few selected distinguished persons was Dr. Arthur N. Krujer, who this year will join Wilkes' president, Dr. Eugene S. Farley, in the fifth edition of "Who's Who in the East" and "Who's Who in America," which will be published at a later date. Dr. Farley's name has appeared previously, but it is the first time for Krujer to be so honored.

Krujer, who was informed of his selection on October 29th, and Dr. Farley, College President, share the distinction of being the only two faculty members on campus who have been chosen for this honor. The purpose of this publication is to introduce American citizens with the prominent leaders of their country in various professions and for publicity references for newspapers and other communication media.

Krujer was chosen on the basis of being an outstanding educator and community leader. The data published on Krujer's distinguished educator, will include his biography, the schools he attended, and the organizations to which he belongs.

Some of the many organizations to which Krujer belongs include Phi Delta Kappa, Professional Education Fraternity, Speech Association of America, Speech Association of the Eastern States, and the College English Association.

Krujer, coach of the championship, Wilkes College team, has shown his versatility as a member of several boards and authorities of leading educational institutions. He had written for such publications as "The Kansas State University Journal", "The Gavel", and "The Speech Teacher".

In view of the developments which have occurred since the Freshmen Sponsor First Big Hop
With Square Dance at Gym Tonight

By Maryan Powell

The freshman class of Wilkes College will sponsor its first dance tonight in the Wilkes gym from 8 to 12. The initial frosh event will be a square dance. Chairman Cliff Bridges has announced. Harry Wilde, well known in square dance circles, will be the caller. Music will be by the Sharp Trio, who are famous western style music. Ticket sales are only 25 cents.

The purpose of the dance is to raise funds for the freshman class treasury. This will be the third fund raising project by the class. The other two projects—selling chrysanthemums at the Homecoming game and Christmas cards—were very successful. The class has high hopes that this undertaking will be as successful.

The president of the freshman class, David Vann, has appointed the following committee: General chairman, Cliff Bridges; publicity, Bruce Warshal; John Scandale; entertainment, Marian Laine; refreshments, Edmund Kotula; ticket, Jane Schuster; and finance, Mary Bortez, Larry Guninger.

David Vann, class proxy, and the chairman of the respective committee, requested unanimous operation in this freshman class event.

The on-again, off-again Winter Carnival is on-again, according to the Student Council and the announcement came just in time to mix a skiing trip to the slopes, which was in the planning stage.

Jim Neveros, who along with Dick Carpenito is serving as a student万多水冷流行, decided to make the trip after the announcement. He announced yesterday late at Pocono Mountain Inn, Cresco, that the trip will be held as planned on Thursday, January 27.

The Inn will be open to Wilkes students free of charge from 11 in the morning until 4 that afternoon. There will be skiing (there is a shortage of ski, but some have already been delivered), ice skating, and tobogganing (bring your own cushions), if you please. Otherwise, there will be such fine winter sports as tennis, outdoor games, and other fun for all, available.

The trip is expected to be a full day's activity, and will be a considerable amount of fun for all. The Inn is expected to be crowded, and the attraction will be Jack Melton's music, Jim Jones's ventriloquist, and an assortment of other fun and games.

The purpose of the FTA is to give its members a better idea of the career they might choose, to encourage those who might wish not to make the same mistakes they did in choosing the wrong majors. In addition, the FTA will also be interested in the social lives of the students. The fantasy will possibly provide a captivating feast of frolics for a period of some time. Wrestlers, Cagers See Action
In First Twin Bill of Season
Saturday Night at Home Base

Both the cagers and the grapplers will see action under the same roof Saturday night in the first twin bill of the season at the gym. The matmen will start off the evening's festivities at 6:30 when they lock horns with a powerful Cortland State Teachers outfit. Following the match, the cagers meet Rider College.

Coach John Fouls was anything but overjoyed at the prospects of Saturday's meet. He stated that Cortland is a powerhouse and just fresh from a win over nationally recognized Syn- 
cuse. He was pleased, however, with the showing that his badly damaged and almost scuttled crew made against a strong Bingham outfit. "They deserve a lot of credit," he said, "and did well under adverse circumstances of be- hinding.

There is a chance that Neil Da- durka, who recently rejoined the squad, will be available to take over the 167 pound chores, although Reece doesn't expect him to be in shape for the meet.

Hoosters Ready

The hoosters, on the other hand, should be operating at full strength for their tussle with Rider. Coach George Balsam feels that his charges are a drastically improved team from the one that started the season, and are capable of making the night a rough one for the invad- ers from New Jersey.

So far the Colonels have blown (continued on page 4)

Cage Crew Splits Even; 
Hammers Ithaca, 86-72; 
Losses at Easton, 104-63

The Colonels entertained Ithaca last Wednesday and gave the big- 
states a rough night beating them, 86 to 72. The Ithacans in this game looked as if they were going to hit their strides, hitting for better than a .500 average in the opening period. But in the second half of the game, the Colonels found their game and were further cut by men dropping from the roster for reasons better known to themselves.

But For One
No matter how you look at it, the fact remains that Reece was forced to take a badly under- manned squad to Ithaca. The boys came close, but there just weren't enough men to go around. If one more or wrestler had been available the Colonels may have come home with the victory scalp on their belt.

The matmen have eight meets left, and unless something is done, the prospects for the remainder of the season are not at the bright- side, to say the least. It would be a shame if the season ended up in a tailspin to go down as well as it might, unless something is done. Reece is a nice guy,—they don't come any better. And more people in this town need to know that he is a good wrestling coach who deserves the best of talent to work with.

What's Your Line?

There are names of former high school wrestlers from this area dot- ting the school roster. However, this column has noticed that these names are conspicuous by their absence on the wrestling roster. It would seem like an excellent time for these former grapplers to re- 
join the sport, as more than ever, it would be the perfect answer to the ills that are causing Reete steckbrough a sleepless night.

As a matter of fact, it might be helpful to note that some are looking for these men with experience. Only these are the teams of the future to look forward to. And anyone interested in the sport will be given plenty of chance to make the grade.

Jim Ferris Cops 'Player of Week'

In First Repeat Selection of Year

Because of the outstanding performance that he turned in during the past week's competition, Jim Ferris is the first repeater in the Beacon's 'Player of the Week' feature. The little speed- 
ster, as a basketball player, has un- der-scored his ability in the game of 

Though Ferris isn't an 'on-and-off' ball player, he has still had his moments in the past week, and is 

he is out to do his level best. No 

one can remember any time that the Colonels have lost on the job. His teammates and coach are quick to say that he is a real busi- 
ter all the time and never sets up, 

But he gathered up 17 points against a favored and much larger Hart- 
corn Freshman while playing an outstanding floor game. For a little guy who gets the best that he plays, on rebound, and is an apt ball 

staler as many of his opponents have found out to the dismay of the Colonels.

Double Threat

As a scoring threat, Ferris is the type of player that every coach 

wishes he had. His outside shots are deadly and if given an inch he 
can drive in for layups with amaz- 
ing speed and accuracy.

Now in his third season as a Wilkes cager and a starter, his peak and seems to improve with 
every game. It is fortunate in the fact that he will be on hand next year to see duty with the cagers.
CLADED BY MISERICORDIA M0B, 74 TO 17; BOMBED BY MARYWOOD MARAUDERS, 54 TO 21

By HELEN KRAHENBELFS

Dark clouds of doom settled over the Wilkes gym as the Colonellees suffered double defeat in their two most recent clashes this week.

On Saturday afternoon, before a capacity crowd (of screaming Scranton lassies), Marywood barely edged out the Women of Wilkes for a 54-21 victory. Naney Schonbar and Barbara Varvake were the Colonellees' tallying 10 and 9 points respectively. Murdock of Marywood had 12 points. Georgia Tomanetti and Phyllis Shraden each contributed 2 points to the Wilkes score.

Guards for the Kernelettes were Metrko, Davis, Morris, Thompson, Breit, and Venegas. The gals fought long and hard (as can be evidenced by the battle scars they bear proudly) but they just couldn't seem to get their hips operating fast enough—oops! I mean they couldn't seem to hang on to the ball.

Pull That Hair!

The Tuesday evening encounter with the Misericordia Mobsters was almost called because of "unnecessary roughness". (You thought that applied only to football? Man, you should see these women in action!) There was probably one advantageous aspect to the ref's warning; the Misery gals were obviously so upset that they failed to hit the big 100 mark even though they played their "four year" women against Wilkes' freshmen and sophomores.

The final score of the game() was 74-18. Phyllis Walsh, co-captain of the Colonellees chalked up 6 points to be high girl for the night, while Schonbar added 1, Breit and Sparks 2 each, and Vavrek 2. Misericordia's 7-foot (well, she looks that tall when you're tryin' to guard her) Lillian Malin paced the Dallas team with 10 points.

Caught in the Act

Again the guards for Wilkes did their best, which this time showed considerable improvement over last Saturday's game. Metrko played an especially good game, but unfortunately she got caught—a-ah, that is, well, she fouled out! Morris, Davis, Thompson, Menegus and Krahnenbels also aided their bit to hold down the miserble score.

TDR's Future Wives

Hold Bake Sale

Yesterday, TDR's future wives of America held a bake sale at Harding Hall. The goods, consisting of various pies, cakes, cookies, and bread, were bought by hungry students.

Doris Merrill, chairman of the sale, had the cooperation of Mrs. Brennan of Harding House fame, who gave the girls space to sell the mouth-watering baked goods. Other members of the committee were Pat Reese, Bernice Thomas, Mary Jones, Barbara Tanski, Justine Battisti, Jeanette Perrino, Ruth Willet, El Nora Metoko, Nora Kiwler, and Mary Pomicter.

"I started to," the parent declared, "but just as I got the rope around my neck, I got to thinking: 'Ran (that's my name), what you hangin' an innocent man?'"
