Class Elections
Set For Thursday;
Competition Close

By HELEN KRACHNENL
Russ Picton and Reese Jones became presidents of the senior and sophomore classes respectively in meetings this week. Although elections of class officers are not slated until Thursday, the two were by acclamation and were uncontested at the final poll at the nominations meetings. Other candidates for class offices include:

SENIORS: Vice-president, Harry Konicki and Bob Sabatino; treasurer, Ellen Louise Wind, Carl Smith and Al Jeter; secretary, Naomi Kistler, Jean Dearden, Jack Curtis, Pat Pan, and Dave Merrill.

JUNIORS: President, Cliff Braunigan; Jim Jones; vice-president, Dick Carpenter, Jeanette Perrino, and Pat Stout; secretary, Barbara Hughes and Joan Shoemaker; treasurer, Glenn Carey, Jim Ferris, Bob Lynch, Cht Miller, and Jessie Rodiick.

COLONELS' HOP
Slated Tonight
At College Gym

The Junior Class will present a dance and pre-opening football game pep rally tonight at the Wilkes Gym. The dance will go under the official tag of "The Colonels' Hop" with Bill Figart and his band providing music for dancing from 9 to 12.

Figart is reported to have a very fine outfit with music that is very danceable. A versatile fellow, he plays everything from the slow ones to the wild Dixieland sounds.

Tickets for the affair are priced at 35 cents and can be purchased from any class council chairman, the ticket committee or at the door, if you prefer. The cheerleaders will be on hand to help make the night a loud one and attendance is required for freshmen. Joan Shomaker and Cliff Braunigan, chairmen of the affair, have done everything possible to insure a good time for everyone.

Working with the chairman are Dick Carpenter, Jeanette Perrino, Bob Lynch, Emil Hugth, William Plates, and several others.

High School Brass Comes to Wilkes as Freshmen

The freshman class of Wilkes College is proud to number among its group 16 students who were presidents of their senior classes, student council presidents and, in the case of a few, hold both offices. Shown above, they are left to right, first row—James Marks, Laskville high school; Edward Kotala, Dupont; Mary West, Ashley; Germaine Astolfi, Plains; Bernard Zaboski, Wilkes-Barre Township; Paul Tracy, Pittston.

Second row—David Vann, Westmoreland; Robert Sobol, Coughlin; Larry Pugh, Shickshinny; Harald Harrington, Ashley; Francis Michael, Mifflinburg; Walter Foster, Lehighton.

Third row—Joseph Smith, Shamokin; William Plates, East Jackson; Andrew Davis, Dupont; Paul Tracy, Pittston, and Robert Jones.
WEST SIDE STUDENTS ENTERING WILKES TH IS FALL

From the West Side, 47 students began classes at Wilkes last week.

First row—Isaac Forster, Wyoming Seminary; Carl P. Karmilowicz, Wyoming; Wright Thomas, Forty Fort; Ronald Osbalski, Forty Fort; William T. Martin, Kingston; Jerome Stone, Hanover Township High School; James Marks, Larksville; John Moreno, Edwardsville; James Waltich, Larksville; James Costello, Forty Fort; John Koval, Forty Fort

Second row—Dorotheo Thomas, Plymouth; Eleanor S. Faust, Plymouth; Estelle H. Bonsler, Forty Fort; Marilyn Carl, Forty Fort; Marian Laine, Forty Fort; Virginia Brehm, Forty Fort; Henriette Olsenhorn, Forty Fort; Vera Wroble, Kingston; Neoma Krader, Kingston; Janet Jones, Kingston; Carol Bresnay, Luzerne.

BEACON PUBLISH THURSDAYS STARTING NEXT WEEK: NEW OFFICE

Starting next week, the Beacon will hit the Wilkes campus at noon on Thursdays. The switch was made because of the large student interest in the college student newspaper. The Beacon will now be available for students during the day to read while they are on campus. The newspaper will be published online each Thursday and will be available for students to read and submit letters to the editor. The newspaper will continue to cover local news, sports, and events on and off campus.

NASWILESKY EXPLORES POSSIBILITIES OF KEEPING NEW SNACK BAR OPEN TO SERVE RUSHED NITE STUDENTS

Stanley Wasielski, director of the Wilkes night school, announced today that the snack bar at the school will be open to all students who wish to stay late. This decision comes after reports of overcrowding during recent events.

Dean Cites Progress Of College, Shows Optimism for Future By CHUCK WHITE

With the first two weeks of the semester already gone by, university administrators expect that the college is on track to meet its goals for the year.

Speaker Says World Full of Dictators By T. R. PRICE

The world is full of dictators, Dr. George W. F. Petro, says in an exclusive interview with the Beacon. Dr. Petro, a well-known political scientist, has been studying the world's dictators for many years and has written extensively on the topic. Dr. Petro believes that the world is currently in a state of flux, with new dictators emerging in places where they were not previously established.
Dorms Sponsor Pre-Game Dance Tomorrow from 5-7

Saturday night will see what could be the start of some long needed school spirit spirit in regard to football games. The dormitories will sponsor a pre-game dance at McClintock Hall with the purpose of building school spirit.

It is hoped that the dance will be well received by the student body. If the encouragement is encouraging enough the dorms plan to make the pre-game dance a regular feature after all of the Comic Books have returned.

CORNER TO CORNER (Club Notes)

DELA HOMECOMING

The women of Wilkes held their first meeting of the school year on October 10. President Mary Krasnky, president of the society, spoke briefly to the members who showed up for the afternoon meeting. The meeting was informal and a lot of business was transacted.

The affair will be held at Bum's Grove in Drums on October 32. Nancy Batchelder was appointed director of publicity. The program will be presented by Connie Kamarras, Natalie Kivler, Bernice Thomas and Barbara Roers, refreshments.

BIOLOGY CLUB SETS DANCE DATE

The first meeting of the Biology Club was held September 22 at which time officers for the coming year were introduced to new members. They are: Dick Krey, president; Mary Krasnky, vice-president; Irene Schloegel, secretary; Bonnie Ondash, treasurer; Dean Batchelder, record keeper. The officers of the club are Dr. Charles Heff and Miss Rosemary Galli. The next dance will be a dance on October 8, next Friday.

CUR' N CURTAIN PLAN MUSICAL COMEDY

Paul Shifler presented the first meeting of the musical comedy group. The officers are Nancy Brown, vice-president; Pat Stout, secretary, treasurer; Jim Miller, historian.

The group decided that "Girl Crazy" will be the first production of the group. The group's first meeting will be held immediately after the dance on Saturday night. The show, at the auditorium of the new building, and the format will be in the vicinity.

Perhaps the best way to tell the vet in the way he carries himself. He talks with a military bearing, but is quite adept at making the unexpected. And so, guys, this is "Hoorah." The uniform of the day is steel helmets and shoulder slacks; fall out behind Chase Hall in a column of double lines of cloaked and uniformed vessels on the war road. There is too much of this column will be flexible. We will conform to every campus whim and inject a little of the classics to every show. The veterans is on the horizon and gainfully engaged. We are sure you would like to see, for it can offer advantages to the vet and the campus.

The vet often excludes himself from the vet and or the college. We are left with our break through this invisible barrier and make the final decision. We do not know how many veterans there are on campus. There is a statistic for later reference. We do know that there are plenty who are not active in campus life and we want to help and think we can, because we have the experience to understand the reason for isolation.

Well, that's kick-off on what should be interesting. How you like the idea, let us know. If you have any questions about the Chaplain. See us -- we've got connections. Uh huh?

MOBILE X-BAY UNIT HERE NEXT THURSDAY

Dean of Men George Rabine yesterday advised the student body that the X-Ray unit will visit Wilkes on October 7 -- next Thursday. The unit will be set up in Chase Theater and will be available to all students.

Card for each student will be filled out and copies taken. The film will be checked by the lab for the presence of lead to prevent any danger to the student.

Support The Lettermen

A number of lettermen have approached the editor complaining about the number of high school letter carriers being worn on campus. It is now a common sight to see the Wilkes Lettermen's annual raffle come to mind. One of the finest organizations on campus, the Lettermen's Club, deserves your support. It is an organization where you will find enthusiasm, spirit and a sense of pride and unity as you do when you see them dancing at the Christmas Formal -- a top contribution toward real college life each year. Whether you buy a couple of tickets or half a dozen, the purchase price is both fun bunch of fellows and to the school, which they support so avidly.

Freshman Hazing or Not?

The editor has nothing against freshmen and as a matter of fact, he has found most of them to be very welcome additions to the college. But he does have a bone to pick with those people who are openly running a freshmen orientation or hazing. Just what hazing has been done? Let's either get hopping on this thing or forget about it entirely. It has been a sad problem thus far and this is the last thing we need. I wonder if there is not a time of it that is right for the university or the classes that have come before them.

Maybe, as has been brought up on numerous occasions in the nation media, the students are not right. Those were the good old days -- and everyone enjoyed freshman hazing then -- well, almost everyone.

BEACON EDITORIALS

A Headache -- Campus Parking

Several matters of parking have been brought to the attention of the student body and the administration in this day of really serious developments in the world, yet they are important. The first concern parking behind the gymnasium. This area is being converted for other uses so that the gym could be used. Now, Mr. Hottle has a perfect right to ask us at the college not to park there. After all, it is important to his business -- his livelihood. To try to park there while the administration is trying to push the university out of there early and get spaces, they find themselves hemmed in by all day some late-comers who insist on completely log-jamming the area. Let's remember that we are trespassing when we try to park there.

Another source of woe stems from the fact that a number of off-dock cars are parked on the lot each day. This also must come to an end. More stringent restrictions must be enacted. For as it stands now, if you're a day student it doesn't pay to drive to school, and if you live in the dorms, it simply doesn't pay to own a car.

Snack Bar For Night School

The Beacon was instrumental in suggesting that the new snack bar be opened for night school. At almost every other institution this size some facilities of this sort will be found for the evening students.

Snack bars for night school students is a natural and could be very easily kept open until classes are out evenings. Students could be hired to run the snack bar at night or the students would have to do it. It's a matter of time whether we do it or not. It would probably do a lot for a closer feeling between the school and its so often forgotten children after dark.
WISDOM OF WILKES

By DICK GRIFFLE

The inspiring Photographer

Question: In your opinion, what can be done to improve the dances here at Wilkes?

ROLLIE BEARD, Wilkes-Barre

Thinking of the publicity angle, I would say that there is enough publicity but the students just don’t turn out for the affair. It seems that when the weather is held in the fall but then as winter and spring roll around the crowd gets smaller and smaller.

FRANK SMITH, Ashley Hall dormitory, a student from Long Branch, New Jersey—“I think that the fellows and girls who just stand around in the gym should get out on the floor and dance. I would favor more square dances, more slow dances and a little more sawdust on the floor for easier dancing.”

WILKES has for its proems but l sure hope that we can have a big name band for one of our big dances.

HELEN KRACENFELS, Forty Fort, Pennsylvania—“I think that there should be a varying type of entertainment such as comics, instrumentalists, vocalists, etc. I do not think that decorations are necessary at sport dances. The trouble does not lie in the dances themselves but in the students. Either they don’t dance when they attend the affair or they just don’t attend the dances at all, I would be in favor of a semi-formal in the fall instead of two semi-formals in the spring.”

THE person submitting the best question each week for use in Wisdom of Wilkes will receive two tickets to the Corner Theater, Wilkes-Barre. Playing this week is “The Raft” starring Van Heflin and Anne Bancroft.

For This Week

A Chuckle and a Smile

A friend took a scot to the zoo and pointed out the American mose to him. "How true," cried Angus MacDonald, "I hate to meet the American mose.

* * *

You know you’re getting old when the shoe in your feet is replaced by the lead in your pants.

* * *

The trouble with an American roulette is that there aren’t enough Russians playing it.

* * *

One thing about growing old is that you do not have to worry about your oats as much as you do your corns.

* * *

Satire—The song that made a big hit locally is really an old one. It’s got the right title—"I’m dancing with tears in my eyes ’cause the girl in my arms is a looter.

* * *

It was Dean Arran’s birthday last Monday and the sophomore ruling body was so药ited with after promotion kiting him about being of legal age—21. To round out his winning privilege, in a kidding manner, Arran said he’d have to go all the way back to Greece to vote anyway. "What’s the matter—the country not good enough for you anymore one of the boys. “What’s a Communist,” former South Korean officer, had kidded, Yooness Koo, been sitting quietly in the car until this last party was over, then men from three nations nearly died laughing as Koo drolly quipped, “Send this fellow to McCarthy.”

Then there was Instructor Joe Kanner’s remark last week in an evening was bored with something like—"You take a mother cat what has just given birth to kittens...

Gems of Wisdom—A recent survey shows that four out of five women women... Some cocktails make you see double and feel single... Some people that they’re merely uncomfortable... Some women say they’re married anyone they pleased. Evidently they never married anyone.

A woman seen through a man by intuition, yet the man always needs the sun to see through a woman.

Everyone likes to see a broad smile.

* * *

Move Gems—About all that’s necessary for a divorce now-a-days is a wedding... A husband who is busy as a bee may wake up and find his honey missing... Woman’s chief asset is man’s imagination... That’s why we have. Sometimes the pain extends down as far as the pant’s pockets and even lower.

Physicians and psychologists agree, concuss is a form of “I strain.”

That’s what Curtis said. “You’re doing a column and it’s going to be called “Social Whirl with Pearl.”

What do you think?

Sponsored by the Junior class.

We’re hoping to see each and every one of you there to honor the men who take to the field tomorrow night. For more details, I refer you to page 1.

Rumor has it that the seniors will sponsor a real, honest-to-goodness masquerade dance the end of this month. I hope the plans materialize and the seniors have the right idea. You can count on me just to say run-on-the-dance mill dances.

Dance “With Twist”

After a while the crowds diminish and the reason is very simple: if you got nothing to offer, people won’t buy, even if the people in question are loyal to the Blue and Gold. A suggestion to campus organizations: follow the lead of the seniors; throw a dance “with a twist.” Who knows? You might even make some money.

Guess that’s about it for now. Don’t forget the dance tomorrow and the game tomorrow.

THE WRATH OF JETER

A ROUGH ONE

Tomorrow ushers in a seventh annual Old Gold and Blue grid season that from pre-season reports may prove to be a good one. The instant clash will give us a chance to see Lebanon Valley in action for the first time in Wilkes' history. Last year's game, the start of the series between the schools, was played on a thriving ground. It left much to be desired as far as the Colonels were concerned. To begin with, it was a hot and muggy day down the river. Not only did the charges of Coach George Balfour not cut into playing afternoon games. No one, it seemed, felt like doing much except possibly sitting under the old shade tree. The game started off in a very slow fashion and for a time it seemed that the way it was to go for the whole afternoon. To sum it all up, the game was a very slow one, the Colonels walked away with the ball hedges and Lebanon Valley went back to the dressing room for revenge tomorrow.

This year it is a much-reenerched Blue and Gold team that will The Dutchmen this year will be out on a great high by the name of Leo Serrentino, who threw a shut out all over the ball park, connecting when they counted. According to scouting reports Serrentino is a fast ball and change, and the kind that you like to interupt, but it just wasn't that day.

A sharp bow will be dealt the soccer team this week when assistant coach Phil Jones reports to Texas to begin a stint Uncle Sam's Air Force. The announcement comes with the news that Lebanon Valley will be the scene of the first game of the field hockey season. So the Colonels are sure to be looking for revenge from last year.

A good crowd is expected to start off the big sports week-end at Wilkes and we are planning for an exhibition.

TUG OF WAR HIGHLIGHTS BIG FROST WEEKEND

By JOE JARLINSKI

Every freshman is required to wear his entire hazing attire this week-end, beginning with the Lebanon Valley College, a team which should be a good opponent for the Colonels. Last year's game was a good one for Wilkes winning 8-1, and the Jesters are sure to be looking for revenge of our personnel.

Each and every freshman will be required to wear the Frost Weekend clothes and the Freshmen will be frisked, unrolling all his regulations if they win the match.

The Colonels will be looking for revenge after losing to the Colonels last year. From a distance it looked like Rocky Marciano making a tour of the campus. For a minute we were not sure that he was real or if we had taken over and we rushed in for the kill not noticing something about ex.

"Hey Rocky," we began, and got no further. The character turned of the road and we knew from then on we were in too deep and the season was over.

The Colonels are a bit of a surprise. Coach Partridge, in his annual game, declared that they would be a tougher team this year with the name of Jim Ferris, which we can't possibly throw them.

Each of the newcomers will be turned over to the freshmen. The 7000-seat stand will be filled to its limits.

The usual balloting of the Packing House will be decided in the Frost Weekend and the Colonels will be able to start looking ahead to the Fall season and the new coach and the Grid Boss will be as follows.

Gambrell Left Guard

SPORTS SCRIBES SEE INJURY SEASON WIN; GIANTS DISAGREE

By IVY GELB

The sport scribes of the Beacon held their annual World Series meeting Monday and there was a noticeable division of opinion among the scribes as to who would be the top dog.

The usual crystal ball was replaced by a prism from the physics laboratory and the mystery scone was a series of minutes gazing into it before coming to the conclusion that it no longer appeared like suspended radar blips.

The newsmen to the sports staff were divided, with Joe Jablonski picturing the Giants in 7 and Roger Balfour the Indians in 5, while Carlกล่าว Steadman has the Cubs in 6 and the Indians in 5. While the pick of the Indians is still the chief predictors, Sports Editor Al Jeter, emphasized the overwhelming strength of the Indians to carry the New York Giants in 7 games.

So there you have it—the predictions of the Beacon writers.

MAGNIFICENT SIGHTS

By JERRY ELIAS

On Saturday night the Wilkes College gridmen will tangle with a strong Lebanon Valley team. The Colonels were handed a 15-6 setback. It was a hard, rough outing, when the Lebanon Valley team seemed always to take advantage of the breaks.

A stroke of luck for Lebanon Valley is the absence of several top line players for the Colonels, "At this date our team seems to be in excellent physical condition. The line is small, but we hope to make up for speed with the second string. We beginning of the year our hopes were bright for a good year, but those hopes were dimmed during the past three weeks because of injuries. We hope to make up for our losses in the line-up."

The game will prove that the Colonels, at least this year, are not a team we can overlook. We are not a team we can overlook. We are not a team we can overlook. We are not a team we can overlook. We are not a team we can overlook. We are not a team we can overlook. We are not a team we can overlook.
KAZIMI 1st 'BEACON ATHLETE OF WEEK'

Fine Defensive Play Gets Nod

The distinction of being the first man to win the BEACON "Player of the Week" goes to Ahmad Kazimi of the soccer squad. In last week's game with Elizabethtown, he turned in a performance that was nothing short of sensational.

To find Ahmad during the game, all one had to do was to glance in the direction where the most action was. Elizabethtown was admittedly one of the hardest charges that the charges of coach Bob Partridge had to handle. Kazimi kept the powerful invaders from down the river off balance throughout the entire game. He was one of the main reasons that Elizabethtown only had several clear shots the entire game at Colonel goalie, Parker Petrilak.

Nearly as fresh at the end of the game as when he was in the beginning, Ahmad was easily the best conditioned man on the field. He literally ran the legs off his opponents. Time after time he set up plays that enabled the Wilkesmen to penetrate deep into scoring territory.

In the second half when the Blue and Gold was starting to show signs of strain from a very fast game he was the bright spot that bolstered the team and brought them back up.

As head coach Partridge put it in an after the game interview, "Ahmad was a real game saver for us today. He played the sport as it should be played."

In the opinion of the sports staff, he was the best all-around player on the field and very impressive as he charged in with a beautiful sense of timing to break up plays that might well have led to payoff for the Elizabethtown club.

Ahmad comes to Wilkes by way of Trans-Jordan and is one of three players who add an international flavor to the squad. He is only a Sophomore and you can be sure that more will be heard from him.

If he keeps playing the way he did last Saturday, he should be a shoe-in for All-State honors and it is not above the realm of possibility that he could become an All-American before his playing days are over.

SPORTS SCRIBES TO PICK TOP ATHLETE EACH WEEK

Starting this week the Beacon will offer a new sports feature - "Player of the Week". The selection will be made in a round table discussion by sports editor Al Jeter and staff writers Jerry Elias, Austin Sherman, Irv Gelb, Roger Lewis, Joe Jablonski, and Jack Curtis.

Coaches of the teams that are in action at the time will be consulted on their opinions to help in the selection. The Beacon staff feels that this is an excellent way to keep a ready reference to aid in the selection of the "Athlete of the Year", a feature that has become a tradition in the past few years. A point system will be devised and each player under consideration will be rated according to it.

WHAT A BUY - CHESTERFIELD King Size
(at the New Low Price) and Regular

Like Ben and Perry you smoke for relaxation, comfort and satisfaction. In the whole wide world no cigarette satisfies like Chesterfield.

You smoke with the greatest possible pleasure when your cigarette is Chesterfield — because only Chesterfield has the right combination of the world's best tobaccos — highest in quality — low in nicotine.

In short, Chesterfields are best to smoke and best for you.

LARGEST SELLING CIGARETTE IN AMERICA'S COLLEGES

Soccermen Take Season's Opener

Coach Bob Partridge's booters got the 1954 soccer season off to a roaring start last Saturday as they defeated Elizabethtown College, 1-0, before several hundred fans at Kirby Park.

The international element of Wilkes sportmen spelled doom for the visitors as Dean Arvan, Corfu, Greece, crashed through with the winning goal from about 20 yards in front of the goal with about 10 minutes gone in the first period.

The Colonels cling to their slim lead tenaciously the rest of the way on the fine play of Trans-Jordan Ahmad Kazimi and South Korean Younus Koo. Wyoming Valley's Jim Ferris as well as the rest of the defensive alignment were instrumental in repelling what few enemy attacks materialized.

COMO AND HOGAN
