April Showers Ball
Tonight; Colonels’ Queen to be Picked

The Wilkes Lettermen hold their annual April Showers Ball this evening from 9 to 12 at the College gymnasium. Theme of the dance will be appropriately, “April in Paris,” and decorations will implement the theme with sketches and models, decorations chairman Howard Gross has revealed.

Lee Vincenti, popular bandleader, will be there with his aggregation for the music. Vincenti has been a frequent headliner at Wilkes events in the past. He is well known throughout many Eastern campuses as well as in the Valley, having played recently at Penn State and Cornwall.

Main attraction of the affair, however, will be the naming of the “Colonel’s Queen” by Dean George F. Ralston, Lettermen’s adviser after a vote by the Lettermen. Among other honors, the Queen will be presented with a Longines-Wittnauer watch through the co-operation of Tommy Van Sony, Jeweler.

In lieu of the Pastry Shawms, tables in the gym will be arranged after the manner of sidewalk cafes, with white-coated waiters.

Dresses for the dance will be semi-formal. Dance chairman Joe Trecko stated that this does not necessarily impugn clothes for the ladies.

Committee members include: Arrangements, Chairman Howard Gross, Joe Will, Moe Patterson, Glenn Shuster; Decoration, Chair- man Jack Curtis, Dale Polley, Bill Lloyd; tickets, Joe Zahnkoff, Dick Kachohnski; refreshments, Large “Skinny” Ennis; drawings, Molly Beard; waiters, Volunteers!

Nancy Hannye Gets Fellowship
At Cornell: Alumna of Wilkes

Nancy L. Hannye, Wilkes graduate, has received a teaching fellowship at Cornell University. While continuing study for her master’s degree, she will commence instruction of undergraduate calculus at the University this semester, it was recently announced by Thomas R. Richards, chairman of mathematics at the college.

This summer she will assist in an Air Force project in statistics at Harvard, working with a small electronic brain. If the results of certain theorems are attained, Miss Hannye will use this material in writing her thesis, completing her work toward her master’s degree in mathematics.

One of June’s graduates, she was consistently on the Dean’s List, second as student assistant in the Wilkes mathematics department. Active in Theta Delta Rho, the German and Education clubs, and the Student Council, Miss Hannye was recipient of both the James McKane Award and the Wilkes Faculty Women’s Award for scholarship.

CUPS, CLIPPINGS SHOW WC DEBATING POWERS

Debaters Journey
To West Point Meet

The Wilkes College debaters leave Wednesday to compete for the national debate championship. They will participate at the national invitational tournament held annually at West Point.

The Wilkes two-man team of J. Harold Flannery Jr., and James Neveras will argue both sides of the question, “Resolved: That the United States should recognize Communist China.”

The national debate will mark the debut of both boys’ debating careers. Seniors, they have a total of six years in intercollegiate debate circles; Flannery having two, and Neveras having served on the team during his entire four years at Wilkes.

The team is the same variety which earlier this year won the John Hopkins tournament. Earlier this month, they came home with the top twenty teams in the National Debate Tournament.

CHANGE OF FIELDS

Ralston, Partridge to Appear
In Next Stage Production

Football Coach George Ralston and his counterpart of the soccer field, Bob Partridge, will leave their respective athletic fields for new endeavors—the stage—next Friday and Saturday nights at the Wilkes gym.

Another Ralston-Partridge team of actors will be directed, ironically, by a Wilkes Letterman, Howard “Skinny” Ennis, in George Bernard Shaw’s “Androcles and the Lion,” presented by C.U.E. ’n Curtains.

Also featured in supporting roles is a crew of Lettermen, undoubtedly imported to lend moral (and perhaps physical) support to their two leaders.

“Androcles and the Lion” will be the only one half of a two-play bill which will include Eugene O’Neill’s “Empress Jones,” with Bill Crowder in the title role and directing Ennis, although directing, will play one of the title roles in “Howl” as Androcles. The fellow who will do the roaring is Ronnie Price, although the one who will be thrown on the mantel of the main hall in the Wilkes library are the cups won by the College debate team at the Notre Dame and Johns Hopkins tournaments last year. The trophy between the cups contains clippings of the national’s victories.

In conclusion, I should like to point out that this whole portion of Buchanan's argument is clearly not the best of the reasons either. As the Editor has observed, it is not only a misstatement of his position, but it also misplaces the emphasis where it

Why do more college men and women smoke Viceroy's than any other filter cigarette?

BECAUSE ONLY VICEROY GIVES YOU A PURE, NON-MINERAL, NON-TOXIC FILTER WITH 20,000 FILTER TRAPS IN EVERY FILTER TIP!

1. Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.
2. Besides being non-mineral and non-toxic, this cellulose-acetate filter never shreds or crumbles.
3. The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.
4. Smokers on en masse report that filtered Viceroy's have a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.
5. Viceroy draws so easily that you wouldn't know, without looking, that it even had a filter tip... and Viceroy costs only a penny or two more than cigarettes without filters!

That's why more college men and women smoke VICEROY'S than any other filter cigarette... that's why VICEROY is the largest-selling filter cigarette in the world!

IRC at Model Assembly

Wilkes College was represented at the annual Intercollegiate Model General Assembly, held early this month at the University of Pennsylvania. Lea Long, Richard Murray and Neil Turler were the College’s delegates.

In the mock assembly they represented the Caribbean Republic of Dominica.

At the conference the College delegates also served on committees which drafted bills for submission to the General Assembly. The only bill from the important political committee was Murray’s concerning arms reduction.

All three of the delegates were foremost committee spokesmen for the Latin-American bloc.
