CHARNECKI, NOVAK ON TV PANEL SHOW

Martin Novak and Phyllis Charnecki, sophomore engineering students, recently represented the college on a WLRA-TV panel program entitled "Operation Public Schools." The program was held in conjunction with the National Engineering Week. The show was forty-five minutes and dealt with many interesting phases of the engineering profession. Mr. Vorts B. Hall, head of the engineering department, gave an informative talk on the subject. Miss Charnecki and Mr. Novak then answered several questions concerning their choice of profession.

Miss Charnecki, a chemical engineering student, is the only female member of the Wilkes engineering school and is a debutant. She has been an active member of the chemistry and engineering clubs.

Mr. Martin, an electrical engineering student, is an army veteran and has served in the Korean conflict. He is a member of the engineering club.

Chairman Mary West urges cooperation of Students, Faculty

The collegiate Council of the University is making arrangements for the three-week project known as "Books for Asian Students." The project was started by the chairman of the foreign-speaking woman "Babies" in the organization, Miss Ginger West, who sent out one hundred and eight letters to the Wyoming Valley Council of P.E.O. asking their help. In the Assembly, Gordon Roberson announced that the organization, asked Wilkes students to donate any books they may not be using. The type of books requested are all college-level textbooks published since 1945, including the humanities such as sociology, English, and psychology, as well as any books by standard authors such as Hawthorne, Hemingway, and Shakespeare.

Mrs. Nada Vujcic and Miss Millie Gittins have announced that the library and the bookstores, respectively, will collaborate with the CCUN on this project. Books will be placed in the bookstores, in the library, and in all dormitories.

Mary West, vice president of the organization, is chairman of the project on which N. C. N. N. M. is responsible for assorting the books. After the books are packed, they will be shipped to California from where they will be sent overseas.

Jim Ward breaks Mat Record, Finishes Season Without Loss

His Forty-one Points Establish New Mark In Wilkes Wrestling

Jim Ward created a new mark in Wilkes wrestling records last week without lifting a finger. The 130-pound grappler was deprived of a chance to show his mat superiority, when the Muhlenberg squad forfeited their 130-pound bout in last Saturday night's action.

The five points credited to Jim for that default brought his season's total points to 41, to break the record of 39 held formerly by Bob Mansfield.

More important than this point figure, however, is the fact that Jim is the first wrestler in the history of the sport at Wilkes to go through an entire season, wrestling in every meet, without a defeat.

His record now stands at three pins, seven decisions, and the one forfeit.

Coach John Rose is counting heavily on Jim to help the Colonels in their first entry into the Middle Atlantic States tournament being held tonight and tomorrow at Gettysburg.

The ex-Navy man is an old hand at tournament wrestling, having held several senior titles. His speed, stamina, and endurance should serve him well in the tournament as it has throughout the successful campaign he led for the Colonels.

The past record of this 23-year-old junior is an indication of the adequate preparation he received for intercollegiate wrestling. He was an outstanding grappler for the (continued on page 5)

DADURKA, REYNOLDS, SMITH END WITH WINS

Two Graduate in June, Smith Plans Transfer To Study Engineering

Coach John Reene is going to miss three grapplers from his '57-58 edition of the Colman mat. Neil Dadurka, heavyweight and 177-pounder, will receive his diploma in June. Joining Neil in the graduation exercise will be "Tiger" Don Reynolds. Terry Smith will be leaving Wilkes after a two-year A.B. course with a major in chemistry. Terry hopes to become an engineer and will transfer after he completes this semester.

Dadurka has shown a tremendous amount of team spirit, being used as a "lamb to the slaughter" on many occasions. With Dadurka to be "lambed", Coach Reynolds has often sent Neil into the heavyweight class in weigh-weight opponents who have entered big, strong, and heavy men. In many cases Neil has come out on top of sharing of winning against these big men.

The East Stroudsburg match, Neil had not even had enough training or practice to be in shape and accompanied the team on the trip as a favor to Mr. Reene. This was decided as he should get the "feel" of competition again in the heavyweight class, and the decision proved to be a wise one. Neil pinned his man in that meet, and the coach was not about to give the Colonels a 10-15 win. He finished the season in the same manner, closing out his intercollegiate athletic career with a thrilling pin over a heavier man, of course) in the Muhlenberg contest. Don Reynolds need no introduction. The popular Student Council chieftain has also been a leader of the mat squad. He holds the title of co-captain with Neil Dadurka, and has turned in some fine performances in the past season. His quick, alert tactics have rightfully earned him the title of "Tiger."

The win registered by Terry Smith in the Muhlenberg meet brought his season's total to a fine 30 points. His opponent in that match, a 232-pounder, turned the bout out to Saturday night, and the bout was decided by Smith's close match in that it was necessary to check the "riding" time to determine the winner of the event.

The Colonels were once again plagued by ineffective foul shooting, converting 20 out of 27 charity shots, while Susquehanna hit for 15 out of 22. The Colonels had 32 field goals to the Crusaders' 20. Harpur Next Home Attraction

The Harpur College outdistanced Colgate 92 to 34. It was enough to make the Wilkes gym tomorrow night. The Colonels hope to regain their winning ways in this meeting, for there is every reason to believe that they are due for a victory.

From that point on, the game developed into a rough and battle, until Bob Turley tied the score in the final round.

In the opening contest, the wrestlers brought their fantastic season to a successful completion, losing only one bout.

Keith Williams won his fourth straight crown at the 1952-53 season. The Mules forfeited the 130- and 137-pound classes for a class of 4.5 points over Pierce Landing.

Terry Smith, at 147, surprised previously unbeaten Don Simpson with a fall back the Muhlenberg Bulldogs by 2-3 score, and the cagers turned out to be a threat in an effort to avert a 2-0 Red Devils from Dickinson, 22-20.

Next Assembly to Feature Collegians

Concert Announcement
By Director Sam Lowe
Lists Thirteen Songs

The Collegians will present their annual spring assembly concert on Tuesday. The choral group, entirely controlled by students, appeared last in assembly for the Christmas program. They have performed at many college social functions and have made numerous appearances at local high schools and before community organizations. The Collegians were well-received in those events.

Sam Lowe, director of the group, announced that some of the old numbers, as well as a few new additions, will be offered on Tuesday. The program will begin with Brothers Sing On which will be followed by a group of love songs such as My Romance and Black is the Color of My True Love's Hair.

Two college songs, Stein Song of the University of Maine and the Wilkes Drinking Song, will change the mood of the program. The Students' Marching Song from Rosemont's Student Prince and Oklahoma and Farewell from Rodgers and Hammerstein's musical Oklahoma, will add variety.

A group of traditional folk songs, Left Lisa Jane, Grandfather's Clock, and Dry Bones, will be featured before the musical assembly is concluded with the Collegians singing two religious hymns, Eternal Father, the official U.S. Navy hymn, and Rimsky's World One.

HOTEL NEW YORKER
STUDENT REGISTER

Located in the Hotel New Yorker lobby, the Collegiate Register offersenhanced services never before seen or heard from their friends while in New York.

The Register, a large volume resting on a podium, is divided into two sections. The first lists most of the colleges and universities located in the Eastern United States. Each school has its own page on which students can register and leave messages. The second section is alphabetized for the use of the students whose school is not yet listed in the first section.

The Register facilitates locating friends from nearby schools who happen to be in the city and solves the problem of leaving them personal notes. Registration is for the use of all collegians. There is no obligation to be a guest of the hotel in order to use it.
