Valentine Queen to be Crowned During Intermission Program; Herbie Green to Provide Music

Plans that were once on paper became a reality last night when Thien Delto Eho, with the co-operation of the Lettermen's Club, provided the finishing touches to the decorations for the annual Sweetheart Dance. The dancing floor, with a red and white interior, will be the scene of dancing from 9 to 10 o'clock. 

Herbie Green will provide the music at the traditional affair which will feature the selection of a Valentine Queen. The queen will be chosen during the intermission program and will be crowned by TDR president Peggy Stevens.

Local merchants have donated gifts for the lucky girl, they include a leather writing case, a cosmetics kit, four passes to a local movie, a bracelet and two dinner tickets to Perugino's restaurant. The baskets which are designed by Mary Homan and her committee, will be one of the most unusual seen on campus in recent years. It will be in the form of three satin hearts. The center heart will be 15 feet high and the smaller two will be 7 feet high. The three hearts will have a lace effect around the edges.

Since this is a 'girls ask boys affair,' the fellows will receive the favors that are traditional at semi-formals. This year's favors will be butternuters.

Linda Pascarella is in charge of selling small valentines with couples' names on them. These novelties will be used as part of the decorations but can be taken as souvenirs at the end of the dance. The price of these small hearts is only 15 cents, and they can still be ordered from Limin.

The receiving line at the dance will be composed of Dr. and Mrs. Dunne, Dr. and Mrs. Malley, Judy Menegus and Dick Willo, and Peggy Stevens and Art Richards.

Judy Menegus and co-chairman Assim Dobah have appointed the following committee chairs: band, Fran Bishop, backdrop, Mary Ho- man; ceiling, Marion Laines; refreshments, Mary Homan and Linda Pascarella; tables, Marty Wagner; lobby, Marilyn Davids; gifts, Glady Hughes and Marion Powell; invitations and choreographers, Mary McCallant, ticket in program, Betsy Gable; publicity, Mary Frances Swigert; hearts, Linda Pascarella; favors, Jean Broad; decorations, all chairmen.

Tickets to the dance are on sale for three dollars and can be obtained from any TDR member.

Campaign Goal Near Reality

The Wilkes College Development Program is nearing the end with only three days remaining, in order to raise approximately $50,000 to meet its goal of $500,000.

The students of Wilkes, can meet this goal. The college has set a campaign total and maybe even go over the top. Many students have already subscribed pledges of a dollar a month for a total of $50. Several students have pledged two dollars a month, for $50.

Pledges of any amount, big or small, will be accepted. Any bank account of a pledge can be made according to the wishes of the student. Also, students, clubs, classes, and other groups on campus are welcomed to hold pledge drives of their own.

The first contribution by a campus organization was taken by the male chorus, The Collegians. At their meeting yesterday evening a group of pledges amounting to $50, greatly after the first meeting, members of the Wilkes Band met and likewise voted and submitted their pledges.

The balance to be raised, 43,000, may well be expected to be the students to meet, but, if only half of the students of Wilkes subscribe ($100 can be reached. With participation from campus organizations will be further added to this figure. Since returns were made at last night's meeting, a total of $100 can be raised may actually be less than $100.

Mr. Moran said, "Student support in the development campaign really represents a need of love and service to the fame of our colleges."

The challenge before the student body is big, but, with a realization of its importance and cooperation from the students, we can succeed in reaching our goal.

T.D.A. TEA NEXT FRIDAY

T.D.A. will hold its annual Washington Day Tea next Friday afternoon from 3 to 5 in McClintock Hall. This will be the first in a series of teas held by the sorority for the local high school girls.

Individual invitations have been sent to all high school girls who have applied for admission to Wilkes for the coming year. General invitations have also been sent to the local high schools and a representation is expected from each.

This annual affair, in conjunction with the St. Patrick's Day Tea, is held to acquaint high school girls with the Wilkes College campus.

Co-chairmen of the affair are Judy Richardson and Marion Christopher.

Prof: "I will not begin today's lecture until the room settles down."

Sam Mines Earns Award Given by Ciba Products For Research at Wilkes

Sam Mines, senior biology major, is the recipient of the first Fellowship to be awarded at Wilkes College. The competition was made earlier this week by the president of Wilkes, Dr. Eugene S. Farley.

Participation Urged In Asian Book Drive

The second annual Books for Asian Students Drive will begin next week on campus. The campaign, sponsored by the Wilkes Colleague of the College Council for the United Nations, is one of the organization's many projects to promote international understanding.

A concentrated effort will be made to obtain books for Asian students during the period April 17 to February 28. The books most needed are university and college level books in good condition, published after 1945, and works by standard authors (Herrick, Hawthorne, Hemingway, Plato, etc.) published before 1945.

In the past two years more than half a million books and eighty thousand journals have been collected from the campuses, colleges, schools, publishers, and librarians. These books and journals supplied much valuable technical information as well as being helpful in advancing the understanding of life in non-Asian areas of the world.

Students wishing to contribute to this worthy cause can bring the books to the college library or to the bookstore during the above period.

KESSMAN ACCEPTED TO DENTAL SCHOOL

Matthew Kessman, son of Mr. and Mrs. Samuel Kessman of Flushing, New York, was notified recently of his acceptance to the University of Buffalo, School of Dentistry.

Kessman is a senior terminal student in Dentistry.

While at Wilkes, he was active in the Biology Club and in currently serving as treasurer of this organization. He is also working research work under the auspices of Dr. Sheldon Cohen, in an attempt to find new effects which clear fillings of teeth might have on microscopic animals.

Kessman has been an active participant in various intramural sports and is a member of the Wilkes College basketball and tennis teams.

Sam Mines, the allergic reactions of blood vessels, through the immunization of rabbits, followed by experimental injections of serum to relieve allergy. His research work has been published in several journals, including Nature, Science, and the Journal of Immunology.

Formerly of Nashville, Tennessee, Sam resides with his parents, Mr. and Mrs. Louis Mines, 225 S. Franklin St, city. He has completed his requirements for a bachelor's degree in biology and will receive his diploma from Wilkes in June.

At the present, Sam is conducting an independent research project on Sam Mines
EDITORIAL

Now It's Our Turn

For the first time since we have been at Wilkes the college has asked for our monetary support—and only on the basis that we feel we want to contribute because of sincere loyalty and love for the college.

For the past twenty-five years the Board of Trustees, friends of Wilkes, and the community have supported the college, making possible the many developments that have taken place on campus; now we students are given the opportunity to help the college in its expansion program.

ONLY 3.3 CENTS A DAY

At Tuesday's assembly Mr. Koch, who is in charge of the campaign, asked if we could possibly afford to pitch in a dollar a month for thirty-five month periods to the program. In other words, Mr. Koch asked us if we felt we could afford about 3.3 cents a day. We doubt if there is one student at the college who cannot afford or give such a small amount of money to the college that has served us so fully.

We've supported the Red Cross in the past by giving them blood from our bodies; why can't we support our college by giving it mineral from the earth—3.3 cents worth of copper a day for the next twenty-five months?

—Jan

ENGAGEMENTS

Mr. and Mrs. Albert L. Fink of 386 East Main Street, Nanticoke, announce the engagement of their daughter, Joyce, to Ronald Tremayne, son of Mr. and Mrs. Howard Tremayne of 135 East Main Street, Nanticoke.

Miss Fink is a graduate of the Wilkes-Barre General Hospital School of X-Ray Technology and is employed as a registered X-Ray technologist for Dr. P. E. Ringa, Nanticoke.

Tremayne is a senior business administration student and is president of his class. He has also served on the Student Council for two years and is currently in the editorial-ment of that organization.

A summer wedding is planned.

Wagner-Wagner

Mr. and Mrs. Arthur J. Wagner, Harrisburg, announce the engagement of their daughter, Donna Lee, to Ronald B. Wagner, son of Mr. and Mrs. Frank E. Wagner, East Dallas.

Miss Wagner is employed by the Commonwealth Telephone Company of Dallas. Mr. Wagner is a freshman majoring in business education.

WILKES COLLEGE BEACON

A newspaper published each week of the regular school year by and for the students of Wilkes College, Wilkes-Barre, Pa. Subscription: $1.00 per year.

LITTLE MAN ON CAMPUS

by Dick Bibler

PAY FEES HERE

NOW I KNOW WHAT THEY MEAN BY HIGHER EDUCATION

-PERSONALS-

Gwen Evans, junior English major, is one of the new members this semester and Bob Jacobs, senior secondary education major, is another. Steve Poleckie and Paul Abrams, junior fine arts students, visited Philadelphia yesterday.

Mike Lewis and Jesse Cooper, former members of the Wilkes debaters' team, are now present team on tournaments to serve as judges. Lewis, now a law student, judged the Harvard tournament; and Jesuppen judged the University of Pennsylvania Law School and Boston tournament.

Francis Gallis, senior Biology major, will spend the weekend in Indiana, as he is now a student at the University of Pennsylvania Medical School.

The Biology Club held its first formal dinner last week for the Veteran's Hospital. Approximately fifty students, including the members of the bacteriology and histology classes visited the patients and entertained those in that institution.

Monty Ehrlich is presiding over the weekly assembly of the biology society.

Peter Galey, senior mathematics major, has been added to the mathematics department and is an instructor in algebra and trigonometry.

-ENGAGEMENT-

Flossie-Schwindt

Mr. and Mrs. Philip Schwindt, 152 Oakley Road, Upper Darby, announce the engagement of their daughter, Joy, to Frank B. Fossil, 135 West Carey Street, Philadelphia.

Miss Schwindt is a third grade teacher in the Upper Darby schools. Fossil is a senior at La Salle College and student and plays with the Forest Hills Grade School baseball team.

An August wedding is planned.

-GLAMOUR BALLOONING-

The name of the co-ed who won the $50 in our contest "Who is the Best Dressed College Girl?" Contest will be announced this week. Two co-eds were nominated last week by the editorial staff of the Beacon.

The title will be held this past Wednesday and Thursday because of the large number of students who will be off campus student teaching beginning next week.

The contest is sponsored annually by the Beacon in conjunction with Glamour magazine. Glamour is searching for the ten best dressed girls on the nation's campuses. Three pictures of the Wilkes winners will be printed in Glamour and the contest will be judged where the select the ten national winners. One of the girls will be devoted entirely to college fashions, two to the feature the ten national winners.

Candidates were: seniors, Carolyne Guisinger, Gail MacMillan, Ginny Rehm, Mary Powell, and Jackie Oliver; sophomores, Roberta K. Masters and Ann Dixon; and juniors, Mary Homan, Pat Student, at Columbus Law School.

MED. COLLEGE ADMISSION TEST DATES ANNOUNCED

Announcement of the dates of the Medical College Admission Tests has been given. The tests will be given on Saturday, May 7, and on Tuesday, October 28, at more than three hundred local centers.

The Association of American Medical Colleges forecasts that two cents for every minute for ads.

MEDICAL COLLEGE ADMISSION TESTS

Drunk: "Say, Ossifer, what's this lookin' for?"

Cop: "We're looking for a drowned man."

Drunk: "Say, ossifer, what's that guy down there want for?"

"Who you shootin' at?"

There They Go!

Monday of next week will be the long awaited "red letter" day for many Wilkes seniors, because, after this week passes, ever so quickly, our senior education majors will begin promoting their program of our student teaching. This eight-week tour of duty will provide prospective teachers with the best of all the things they will have the opportunity to test their theoretical ideas and techniques (which they have compiled so neatly on paper).

Their only hope is that their ideas work.

Will it be peril or heaven? Surely they will be greeted with open arms by the students. Something is going to happen and whether it is good or bad, it is an interested group of followers.

We do want to wish our student teachers the best of luck during their eight-week tour. We feel certain that they will do a good job. (Suggested Motto: Always Be Cheerful — Don't Forget Everything!)

No Hurry

Two psychology students watching another student reading his textbook.

1st student: "That reminds me of our psychology course.

How many chapters did you read?

2nd student: "None. How many did you read?"

1st student: "I didn't even buy the book yet!"

Film Schedule

The P.D.Q. film service which is being offered by the college bookstore will be conducted on the following schedule: Thursday afternoon will be the deadline, each week, to submit film orders/requests. The finished product will be ready by the following afternoon.

Remember Now!

Professor: "Er—May I ask what the meaning of this vase of flowers on the table today?"

Wife: "Meaning? Why, today is your wedding anniversary!"

Professor: "Indeed! Well, well, do let me know when yours is so I may do the same for you."

Last week we announced that the 1958 Summer Placement Directory has been published and that students interested in placing themselves for summer positions on campus should contact the Beckon staff. The response was terrific! We are happy to say that the Wilkes Placement Office has received a number of copies of the Directory indicating that there is much interest in students placing themselves for employment. In fact, the deadline is next Monday. It would be wise for them to order The finished product will be ready by the following afternoon.

Photo Time

ATTENTION! ... Sophomores and their individual portraits taken for the Annalsco, Monday, Feb. 17 thru Friday, Feb. 21, between the hours of 10 a.m. and 2 p.m., in the Presentation Room of the Drill Hall. The name is required of each student, so re-save the time slot now by signing the paper attached to the rear door of Chase. (The price... only one dollar.)

An Hour of Color

The musical program scheduled for next Tuesday's assembly will feature the delightful singing of Eleanor DeVinny and Shirley Leboucq. Solos and duets of varied types of music will be performed which should make for pleasant listening. Both performers will sing in operatic aria and several songs from Gershwin's "Porgy and Bess." Mr. Jacobson will sing a group of folk songs and several light opera duets may be presented. Accompanist for the program will be John DeVinny.

Could Happen

Mr. Riley illustrating a point in his psychology classes: "Take the case of the Greek Philosopher. What was his name? — silence for several minutes — I guess I reexpressed it!"

Colleage and Community

The Wilkes Collegians, directed by Sum Lowell, performed at the 9th Annual YMCA Annual meeting in Wilkes-Barre, on Monday of this week.

Doodler's Dilemma

A Junior tried his luck at a miniature shooting gallery. He rolled two dimes into the machine, was issued two tickets, started in the fall take the test in May.

Cop of the Bulletin of Information, which gives details of registration and administration, are available from pre-medical advisors or directly from the Education Office, 50 East Market Street, Wilkes-Barre, Pa.

Drunk: "Say, Ossifer, whatchu' lookin' for?"

Cop: "We're lookin' for a drowned man."

Drunk: "Say, Ossifer, whatchu' want for?"

"Who you shootin' at?"

"Who you shootin' at?"
Cherry Tree Chop Friday

The Letterman’s Club will present its annual Cherry Tree Chop next Friday evening in the gym. Dancing will be held from 9 to 12. Free cherry pie will be given to everyone attending the dance which will feature a log-sawing contest at intermission.

Dr. Farley and George Falston have challenged two lettermen in the contest. Music will be supplied by big band groups, on request.

Bruce Warshal Named Second-Best Speaker
Out of Field of Seventy-nine Individuals;
Team Prepares to Defend State Championship

For the second weekend in succession, varsity debaters Bruce Warshal and Fred Roberts received honors at a major debate tournament last weekend. The two-man team participated in the Harvard Invitational Forensic Tournament at Cambridge, Massachusetts, last weekend, and placed third among 33 entries from colleges and universities throughout the country.

Tied for third place with Wilkes were Northwestern and Dartmouth. Winner of the tournament was University of Pennsylvania, who won the first place title.

Wilkes defeated Maine, Providence, Northeastern of Oklahoma, Washburn of Kansas, and North- western to achieve the third place position. They dropped a close decision on the negative to Harvard, whom they had defeated earlier this season at the Brown tourney.

Additional honors came to the team as Warshal was the second speaker out of 76 in individual scoring. He was edged out of the first place position by the narrow margin of 252 to 251. Roberts achieved the position of third speaker.

The Wilkes team now has the best record ever achieved at this point of the season. Their record is 23 wins against three losses, while the overall varsity record stands at 31 wins against seven losses.

Wilkes and Roberts will next appear at the Boston National Invitational Tournament, which will be held the weekend of February 8-11. The four-man varsity team is now making preparations to defend its state championship title at the state tournament to be held at Grove City, March 15-16.

"Darling, I missed you," she said as she fired the gun again.

R. J. Reynolds Tobacco Co., Winston-Salem, N. C.
Carl Havira's brilliant pool performance at Lycoming earned him this week's award in another hotly-contested poll of the Beacon sports staff. Last week's activity produced many outstanding performances by athletes in all three varsity sports, but for sheer superiority in the face of overwhelming demands, Havira emerged as top choice in the voting.

Carl earned his first "Athlete of the Week" award for the first time swimming against Dickinson, when he scored 162-437; Joe Ackourey, 156-437; and Mike Mattioli, 124-344; for Bucknell.

For the victors, Lewis led with his 800 series. Others: John Spalge, 171-488; Bob Morris, 176-466; Emil Pethrus, 181-454; and Don Wilkinson, 173-392.

For the victors, Lewis led with his 800 series. Others: John Spalge, 171-488; Bob Morris, 176-466; Emil Pethrus, 181-454; and Don Wilkinson, 173-392.

SWIMMERS LOSE CLOSE MEET AT LYCOMING, BEATEN AT BUCKNELL; HOME TOMORROW by Bob Sutherland

Operating in their second and third contests, the swimmers found the going easy, then tough. In the Lycoming meet last Saturday, they lost a close meet by a 47-38 score, then journeyed to Bucknell on Tuesday where they suffered a severe defeat, 70-18.

In Williamsport last Saturday, they swam a score into the Lycoming team, taking six out of ten first places. There were many Colonels in the swimmers who hampered by lack of depth. They went into the final event, the 400-yard relay, with four tired men trailing the Warriors by a bare, two-point margin. Each man had swam in two events prior to the relay and Lycoming picked up the win for seven more team points and the contests.

The Colonels were led by Carl Havrítka, who took three first places, and by student coach Cleve Miller, who grabbed two firsts and a second.

Bucknell too Powerful
Although the team suffered a record defeat, the Colonels were able to salvage some prestige when Havrítka broke two Bucknell records and missed two more by margins of one, and one-tenth seconds. The Colonels scored first in the 220-yard free-style and 200-yard butterfly in his record - smashing performances, then took third place in the 200-yard breaststroke for a total of eleven points out of the team's 16.

Pat Shovlin grabbed third place in the 220-yard backstroke, and Phil Lear came in third in the 100-yard freestyle. Morgan Davis was third place finisher in the 100-yard freestyle event, and Cleve Miller represented the Colonels third-place man in the diving contests.

Bernie Wahalla completed the scoring for the Colonels squad with a third place in the 440-yard freestyle.

First Home Appearance
Tomorrow afternoon, the Colonels will appear before the home fans at the local YMCA when they meet the Scranton Royals. Scrantonians have had similar manpower problems, and though they have several strong men, the lack of depth has given the Colonels squad some cause for optimism.

Next week, the swimmers find themselves at home in the first part of what can be termed an athletic hoopla. They will "kick off the Local Sports Calendar" with a match at the YMCA at 2:00 P.M. At 7:00 P.M., the wrestlers will meet Fairleigh-Dickinson to close their successful season, and the runners will follow that even with their final home appearance against Philadelphia Textile.

Colonels to Meet Non-League Foes In Next 4 Games
Seeking their sixth straight win, the Colonels cagers journey to Newark tomorrow to test Rutger's team, then get closer to home in a re-match with the East Stroudsburg squad Wednesday night.

With Morgan and Gacha once again finding the range, hopes are high that the "bugaboo" of wireless road trips has gone into history. The Colonels sport an 11-4 record this season and seem headed for an improvement over last year's satisfactory 12-8 record.

Both Rutgers and Stroudsburg are non-conference teams. The Daviense have one more league game, at Allright on March 8 to end the season. Wilkes has an 8-2 record, and are in second place behind the Scranton club which has won eight while losing only one.

The March 1 game with Philadelphia Textile has been rescheduled for next Saturday and will be the second part of a final wrestling-basketball doubleheader.

Exciting Meet Won On Last Bout Pin; Ward Wins No. 29

Millersville proved to be a continued team of the Colonels as a crowd of the Colonels met on Wednesday night when they overcame a 9-0Mo to sweep a 23-meet win in the Colonial "triple-header" of the home men will score points this year.

CAGERS GRAB 2 WINS; "BIG GEORGE" HITS 33

Some 400 hardy and loyal Colonels basketball fans braved the worst snow storm of the season on Friday night to watch their boys swale the Warriors from East Stroudsburg, 106-84.

George Morgan put on a display of scoring that has been long overdue as he averaged field goals and nine of ten foul shots for a game-leading total of 33 points.

Eddie Bierbaum played a superb game on the warriors for the Colonels. Charlie German and help him to one goal, three fouls, for points.

Road Jix Overcome
On Monday night the Colonels travelled to Selinsgrove and picked up an 87-77 win over the Crusaders of Moravian. The Colonels led the way with 33 counters, to end a famine on the road which goes back to the fateful December, 18 game at Rider where they lost, 85-83. The Colonels are more competitive with the Crusaders in recent season contests before returning home to embark on their present five-game winning streak.

Six Hix for Double Figures
Six different Daviense have hit double figures in the Stroudsburg game with Lopriore's 25. George Gacha had 15, Bob Turley and Fran Mikolits each 14, Bernie Rybas 10 and Rich Kantil 10.

The Colonels jumped to a fast, 10-3, lead,扩大 lead, which they held through the final period. They will meet the Crusaders in the eight round on Wednesday in Warm-tip.

Skeet" Joe Morgan took a fine job a 147-pounder Bill Graham, but prevented Walt Kottmeier and fell victim to a pin in 4:21. The final score was 23-14. Joe Dombek moved down to take on the hard defense Walt Kottmeier and fell victim to a pin in 4:21. The final score was 23-14. Joe Dombek moved down to take on the hard defense Walt Kottmeier, who won the match in 1:00. When the Colonels met the Crusaders on Monday night, the Colonels and Crusaders were defeated Steve Miao, long a Millersville standout. Neither team could make the Crusaders in the first draft of the season.

WRESTLERS STOPPED
(continued from page 3)

The Inter-Dormitory Council will sponsor a wrestling party Monday evening, Friday night, at the Jewish Community Center. The party is open to all students living in the dormitory.

Joe Dombek met a former teammate from Cosghin High School, Otto Behrens, in the heavyweight class. Dombek showed he is improving with practice and gaining more confidence in himself by winning, 4-1, plans for this date at their weekly meetings.

He: You look like Helen Green.
She: Yes, but I look worse in pink.

You're never going to get your money back...

You're lucky we even got a paper.
