Former Disarmament Consultant Will Speak at Plenary Session
At 2:45 Tomorrow in Gymnasium

by Bill Zdzienicz

Harold E. Stassen, former governor of Minnesota, will be the guest speaker at the first plenary session of the Model General Assembly to be held at Wilkes, on Friday evening, March 28. He will speak to the 500 college student representatives on the topic of disarmament.

Stassen will also speak this afternoon in the lecture hall in Stark Hall as part of the special session. Stassen will discuss his political views. This speech will be open to the public.

The former president of the University of Pennsylvania, and former governor of Minnesota, Stassen has recently been in the news after announcing his intention to seek the GOP gubernatorial nomination in this state. He recently resigned from his special advisorship to President Eisenhower on disarmament, a position often referred to as "Secretary of Peace."

In 1953 Stassen was appointed by Eisenhower to direct the entire U.S. Mutual Security and Technical Assistance program in Europe. He is currently Chairman of the Foreign Operations Administration. Born and reared in Minnesota, Stassen received a number of honorary degrees from colleges and universities throughout the state.

Stassen is the former governor of Minnesota for three terms, 1939 to 1943. He also served on the staff of Adm. William D. Leahy, Chief of the U.S. Naval Fleet, in the Pacific Theatre from 1942 to the end of World War II. He was awarded the Legion of Merit, the Bronze Star, and six battle stars during his tour of duty.

Stassen has delivered the God King Lecture Series on Human Rights at Harvard University, was national chairman of brotherhood week, national chairman of the Foreign Operations Administration. Born and reared in Minnesota, Stassen received a number of honorary degrees from colleges and universities throughout the state.

Stassen will be met at the airport by Dave Vann, Charles Jones, and Larry Grenning.

LATE NEWS FLASH!
This announcement is of importance to all students of Wilkes College. The Administration hopes that this news will not upset any person connected with the college.

There will be no classes during Easter Vacation. Plan your vacation accordingly — A.H.T.

Radio TV Coverage Worldwide;
Dance Saturday to Feature Moran;
Entire Session Open to Public
by Marion J. Klawon, Asst. Editor

This most publicized ever to take place at Wilkes College will begin at 1 o'clock this afternoon when some 415 delegates register for the thirty-first annual Model General Assembly. Fifty colleges and universities from the Middle Atlantic States will be represented at the three-day sessions which will include committee meetings and meetings of the entire assembly.

Don Stevens, prominent local newcomer, will announce and tape-record ten minutes of Friday's sessions for broadcast on the Voice of America program in the near future.

WILK radio will broadcast the entire morning and afternoon sessions Friday night. This live broadcast will start at 7:30 and continue until 9, and will conclude with Stassen's speech of Harold E. Stassen. Dave Vann and Larry Grenning will narrate the sessions for the station.

The Pauline Frederics Show will also give coverage to the Assembly on Wednesday.

Flood Unable to Attend
Representative David Flood has sent word to Dave Vann that he will be unable to speak at the plenary session today. Flood was unexpectedly called to Cape Canaveral, Florida, on official business. Mr. Harold E. Stassen will be the only guest speaker at this session (see story in column one).

Wilkes to Represent Ghana
As host college, Wilkes will represent state of Ghana at the assembly. With the help of Seth Armah, a native of Ghana, the delegation is having gathering information about the nation's role in West Africa. The representatives on the Wilkes delegation have studied literature and policies of the nation in an effort to represent the country properly.

Princeton will represent the United States, Harvard will represent Hungary and St. Peter's will take the floor for the USSR. These are but a few of the countries that will be represented at the plenary sessions to be held during the entire weekend.

The Continuations Committee this year will consist of the following members: Don DeLeo, St. Peter's; Mrs. Mentor, faculty advisor; Waynesburg; this year's president of the Committee, Philip Eyerich, Albright; last year's Secretary-General, Dr. Heilman, Prince- ton; Dave Vann, Wilkes Secretary-General for this year; and Executive Chairman, Jerome Langan, Loyola of the East.

The Continuations Committee of the MGA has several responsibilities in seeing that the MGA is a success. The Committee sets up the program, decides upon the host college, and controls the assembly. It is a busy job.
Welcome Delegates

Welcome to the delegates, distinguished speakers and other representatives of the American Model General Assembly which begins this afternoon at the college gymnasium. We are proud to have been selected host college for this occasion.

This has been a historical year in the lifespan of our college, the Twenty-Fifth Anniversary Expansion Year of Wilkes. Beginning a whirl of activities early last semester we witnessed the formal opening of the new W. Scott Sharp Science Hall. This event began a new era in our development.

Among a number of other important activities we welcomed formal visits from first lady to the White House, Mrs. Rose Kennedy to Wilkes this week. Today, we are again privileged for we will see and hear Harold E. Stassen, who has earned a distinguished place for himself in political and world affairs.

Acknowledgments

We are unable to mention a number of these important activities without mentioning David Vann who has been instrumental in bringing the American Model General Assembly to Wilkes.

The Beacon salutes Vann, Don Murray and members of the CCUN who made most of the necessary arrangements for this Model General Assembly.

Personalals

Pvt. Allan Rosenberg, Wilkes ‘56, while in basic training at the U.S. Army Fort at Jackson, South Carolina, was promoted to a commissioned officer. Mr. Rosenberg is headed of the economics department.

Mrs. Rosenberg will entertain Saturday afternoon, March 22 in honor of her son's fiancée, Miss Stenography, a graduate of the Commercial Education major at the college.

Michael Jay Perlman, Wilkes ’56, has become engaged to Mrs. Ruth Perlmutter, a native of Long Beach, L.I. The engagement was announced by Mrs. Perlmutter’s parents, Mr. and Mrs. Herman Perlmutter.

Mr. Perlman received a bachelor of science degree from Wilkes College in 1955. He is a son of Mr. and Mrs. Adolph Perlmuter of 249 Taft Street, city, has become engaged to Frank Cackowski, son of Mr. and Mrs. Frank Cackowski of 520 Fellows Avenue, city.

Miss Pietroski, received her terminal in medical technology Wilkes in 1956 and attended the General Hospital School of Medical Technology. She is employed by the City Hospital.

Mr. Cackowski was graduated from the Pennsylvania State University in 1956 and is employed by Dorr-Oliver.

The wedding will take place on May 3.

Miss Jean Marie Vallo, daughter of Mr. and Mrs. John A. Valko of 547 Franklin Street, Wilkes-Barre, was married recently to John H. Gill, son of Mr. and Mrs. Armin F. Gill of 300 Ridgler Street, Wilkes- Barre.

Mrs. Gill is employed by the St. Vincent-Treinayne Conventary. Mrs. Gill is a junior at the college.

P poorer Cooperation

Wife: "Jim, I’m ashamed of how we live. Pork pays our rent, milk gives us clothes money. I'm certainly sorry we can't do better than that."

Husband: "You ought to be. You got two uncles that don't send us a nickel."

WILKES COLLEGE BEACON

Three Top Scientists to Speak at ECSC

Psychologist, Physicist and Chemist
To Address Large Group of Delegates
Next Month at Science Conference

Announcement has been made of three additional speakers scheduled to appear at the Eastern Colleges Science Conference, which will be held at Wilkes on April 17, 18, and 19. The three speakers, prominent scientists, are Dr. William Courtney Hamilton Prentice, a psychologist; Dr. Glenn W. Giddings, a physicist; and Dr. Charles C. Price, a chemist.

Dr. Prentice received his B.A. degree at Swarthmore College, graduating with high honors. He furthered his education at Harvard University, where he received his M.A. and Ph.D. He has been a Rhodes scholar, having studied at Oxford University.

Dr. Giddings received his B.A. degree from Cornell, and furthered his education at the University of Wisconsin, where he received his M.A. and Ph.D.

Dr. Price, like Dr. Prentice, received his B.A. from Swarthmore, and later received his M.A. and Ph.D. from Harvard.

Dr. Prentice has served on the faculties of Harvard, Radcliffe College, College of William and Mary, University of Vermont, Swarthmore, and Johns Hopkins University. At present, he is serving as the Dean of Men at Swarthmore.

At one time a member of the University of Illinois faculty, Dr. Price is Blanchard Professor of Chemistry and director of the department at the University of Pennsylvania. He has also served as the head of the chemistry department at the University of Notre Dame.

Currently in industry, Dr. Giddings also has a notable record in educational circles. The Manager of Research Personnel for the General Electric Research Laboratory, he has served as a physics professor at DePauw University, and also served there as the Assistant Dean of Men. He has also been a technical aide to the director of the Radiation Laboratory at Massachusetts Institute of Technology.

The three men are active scientific workers, Dr. Prentice is a contributing editor of the American Journal of Psychology; Dr. Price has been an editor of several scientific periodicals, including Chemical Reviews and The Journal of Organic Chemistry; Dr. Giddings has recently published an article in the American Journal of Physics, entitled "The Tool for Trained Intelligence."

Dr. Prentice has been a Guggenheim Fellow at the University of California. A prominent member of the American and Eastern Psychological Associations, he is a Phi Beta Kappa and a member of Sigma Xi.

Dr. Giddings is a member of Phi Beta Kappa, Sigma Xi, the American Association of Physics Teachers, and the American Physical Society.

Chairman of the American Chemical Society Advisory Committee to the Medical Corps, Dr. Price has also received the American Chemical Society award in Pure Chemistry and an honorary D.Sc. from Swarthmore College.

A new idea in smoking...

Salem refreshes your taste

- menthol fresh
- rich tobacco taste
- most modern filter

Smoking was never like this before! Salem refreshes your taste just as a glorious Spring morning refreshes you. To rich tobacco taste, Salem adds a surprise softness that gives smoking new ease and comfort. Through Salem's pure-white, modern filter flows the freshest taste in cigarettes. Smoke refreshed...smoke Salem!

Take a Puff. It's Springtime

Required Reading
A Wilkes student recently went into a local bookstore and casually asked, "Have you a book called Man: The Master of Woman?" The result? "No, but we have one called Woman: The Master of Man." crest to the left, sir"

WALKING CHAMPION?

WHAT IS THE BEST PRESENT
YOU CAN GIVE A FRIEND
WHO’S GOING TO EUROPE?
(SEE PICTURE AT RIGHT)

BON VOYAGE presents you? You might give a substantial checking account in the Left Bank of Paris. A deck of cards for playing London Bridge. Or walking shoes in which to Rome Italy. Better yet, give Luckies—and make your present a Partin’ Carton! A Lucky, after all, is the best-taking cigarette anywhere. In Paris you hear, “Un Luckee? C’est merveilleux!” (That’s French!) Roughly translated, it means: it’s all fine, light, good-tasting tobacco, toasted to taste even better. (That’s advertising!) Just light up a Lucky and see for yourself! (Now, that’s smart!)

**Colonel Bowling Team Set for EBC Tourney, Five Hope to Qualify**

Five men have been selected to represent Wilkes in the 8th annual Eastern Intercollegiate Bowling Match Games to be held May 30 through June 1 in New York City on April 26, 1958. The five are all active players in the Wilkes Intramural League and are the leading scorers of the league. Ken Lewis will cap his senior year with no loss or major setback on some 150 bowlers from approximately 30 Eastern universities and colleges. Lewis is currently the holder of the intramural league's high series mark, 61,6, bowled against Moore and high average, 186. Pete Maholik, Emil Petraszk, H. W. Kalb, and Joe Schrader complete the rest of the squad. They will attend the championship in New York City on April 27 at 1:00 p.m. or 4:00 p.m. The tournament is sponsored each year by the Eastern Intercollegiate Bowling Conference and it is composed of 23 universities and colleges in the New York area. Each year the EIBC holds its invitational tourney for the purpose of naming the Champion Intercollegiate.

**Racquetees Open Season**

The tennis team, working hard under the handicap of poor weather and cold, is still trying to pre-paring for its opening match with the Flying Dutchmen of Hafstra. The match will be held home on Thursday, April 10th. If the weather is nice and the Kirby Park courts are in playable condition, the Colonels will start their way for their first conference crown.

The schedule shows that eight of the ten intramural schools, quite a few of whom have only recently organized their tennis courts, will play. The competition for the season is expected to be rough, but the coach is optimistic about several good men out for the daily workouts at the Court House.

In addition to Himmel, Seth An-sah, Jim Hennigan, Paul Riefber, and Otto Randall, the members of the tennis team are looking forward to a season of good tennis. We find that it is not just the bowlers who suffer, but the College's reputation as well.

**Golfing Begins INTRA-SQUAD WORK**

Begun at practice on April 15th, the golf team is being trained by Coach Welton Tomkevitz. Each day the team is on the course, putting and practicing their swings. Practice on the links will be conducted on meda- l Grand Tour teams, standards, with handicap arrangement.

The blue squad will consist of Bob Grencher, Jack Farrar, John Rentchler, Bob Morris, and Francis Stash. The green team will be Ed Mikolaitis, Joe Hinzey, Bob Barron, Bill Worrill, and Ed Sherbert.

The golfing team is already in fine form and will be one of the teams to watch this season. The Colonels will have to handle the upcoming Esse Will mass and the Keglers on even terms. They will work hard on this season's schedule which was set up to test the Colonels and to get them ready for the forthcoming season, and to prepare them for the next season in the history of the College.

**Drought tours held at the Yale Gymnastics to test the weather allows for outdoor work**

At that time, coach Farves will split his men into two squads. Blue and Gold, who will engage in weekly intersquad matches which will be conducted on medal Grand Tour teams, standards, with handicap arrangement.

**Golfers**

- John Reese, head coach of the Colonels, is looking forward to a season of good golf. He has been working with the boys for a long time and he feels that they can give a good account of themselves in the regular intercollegiate season and has high hopes that he can send a strong squad to take part in the Middle Atlantic Conference's best in the East. At last word, the winter damages may not be repaired in time for a scheduled match on April 10th.

Coach Farrar states that the boys have been working hard and they look as though they will have some good matches. He feels that they will give a good account of themselves in the regular intercollegiate season and has high hopes that they can send a strong squad to take part in the Middle Atlantic Conference's best in the East. At last word, the winter damages may not be repaired in time for a scheduled match on April 10th.

* Coffeetime! says Coach Tomkevitz.

**SOFTBALL GROUPS TOLD TO ORGANIZE**

John Reese, Director of Intramural sports, notified the Colonels that softball players get started to form their rosters. No definite time for play has been set, but inasmuch as wishes to get things organized quickly, a deadline for season can be started promptly.

Last year there were two softball leagues with 12 members of each team. Reese hopes that the same enthusiasm will be shown again this year, and that the leagues can be formed on the same basis. Each team will be limited to fifteen men. All games will be played on the softball diamond in Kampus Field on weekdays, beginning at 4:00 or 6:30 p.m.

Anyone interested in acting as umpires are also asked to make themselves available. And team leaders will be notified to handle the scheduling of their teams. Any interested parties should see Mr. Reese as soon as possible.

Deadline for the submission of rosters will be announced in the Colonels' intramural announcement.
OPERATION PRESENTED AT MANUSCRIPT MEETING

The Manuscript held its regular monthly social meeting last Thursday evening in Barre Hall. Featured at the meeting was a tape-recording of "Man and the Storm," an original one-act opera by Al Grob and William Crowder. The libretto for the opera was written by Al Grob, a member of the English department. Bill Crowder, Wilkes alumnus and original director of the Collegians, wrote the musical score. Mr. Crowder is now teaching music at the GAR Memorial High School.

The opera was written especially for the 50th anniversary of Wilkes College and was presented at the faculty Christmas dinner.

Members of the cast were students, alumni, and faculty members of Wilkes. Basia Basista, member of the music department shared the major female roles. Wilkes students Wayne Watson and George Richards sung the lead male roles. Bob Morgan, senior, also played in the production. The chorus consisted of Judy War

JAYCEES CELEBRATE 1950'S STYLE AT their final event of the year, the Jaycees will host a 1950's style party in the ballroom at the Inn at the Green. The event is open to the public and will feature live music, a 1950's style dance floor, and a buffet-style dinner. The event is a great opportunity for Jaycee members to come together and enjoy the fun-filled atmosphere of the 1950's era.

LETTERMAN PLANNING FOR APRIL SHOWERS

The lettermen will sponsor their annual April Showers Ball on Friday, April 3. The affair will be the first semi-formal of the spring season held on campus. Rodger Lewis, chairman of publicity, requested that the announcement be made before the Easter vacation so that the men of Wilkes can prepare to save funds for the occasion.

Mike Gooch and Bernie Radecki will serve as co-chairmen for the popular prom this year. The theme of the dance is "ilie Ice" and the gym will be decorated in a corresponding motif. Decorations chairman Sam Puma and Ray Yankus will plan to center the decorations around a spring garden scene which will include several blue hydrangeas and a fountain.

Herbie Green's orchestra will provide music for dancing. This orchestra has played at several important Wilkes College functions this semester including the Theta Delta Rho Valentine Prom and the senior class Beard Dance.

The cost of the tickets is $2.00 per couple and the lettermen wish that the students note this is a strict reduction from last year's price.
