In addition to the planned schedule of sports activities, all the facilities of Pocono Mountain Inn will be open to those in attendance. Included in the indoor facilities are: jukebox, ping pong, pool tables, shuffleboard, pinball machines, dancing, piano, student common area, coffee shop, pool, myriads of table space, and a fireplace. A cafeteria and snack bar will be open most of the day with a varied menu.

For the physically fit, outdoor facilities include skiing (bring your own skis), skating (bring your own skates), “flying saucers,” footbal, basketball, volleyball, horse-shoes, deck shuffle, tennis, badminton, and archery.

Members of the entertainment committee from the state and all contest participants are expected to register at the contest site at least three minutes before starting time. Prizes and trophies will be awarded to winners at dance intermission.

Further information concerning the carnival, how to get there, food prices, etc., will be posted on bulletin boards in the near future. Persons who need transportation will be asked to sign a paper on the bulletin board. If enough wish it, bus transportation will be arranged to and from the inn.

The management of FMH has requested that no alcoholic beverages be brought there by Winter Carnival guests.

The committee responsible for the carnival are: Muslims, Alcatraz, Twin Peaks, Counting Club, Pat Bredenfield, refreshments; Sandra Siporin; tickets; Augusta Siporin; decorations; Sheila Williams; chaperone; Judy Wiltz; publicity; Jeanne Yurchak; print shop: Ethan Hall, cleanup: Fran Bishop; charity project, Beverly Butler.

Also, there will be a goodie bag for the participants, which will be donated to the March of Dimes. Miss Mary Hume, T.D.R. president, attended a coffee hour Wednesday night, sponsored by the Women of the March of Dimes.

At this meeting, plans for having the proceeds of the dance donated to a specific charity were discussed. At press time, no definite word had been received as to whether the dance committee, the T.D.R., or the student government would be the specific cause or to the local March of Dimes.

Should the March of Dimes receive the entire donation, the money would either be used to help the crippled or to do research on birth defects.

At this time, Miss Hume and Miss Stringham, head of the Welfare Department at the college, were discussing the possibility of placing the proceeds in a dance endowment fund, the income from which would be used to help the crippled and their families.

Attentive to the local March of Dimes, the Welfare Department received a large number of dollars last week from students and faculty.

Bob Morris

Citing the rapid growth of the College as the need for the new position, Dr. Farnie stated that the job will be mainly to help incoming students who are new to the college.

Morris is expected to handle the counseling and orientation of the incoming frosh, and will assist in counseling and scholarship investigations.

Frosty, IRC Join Forces To Give ‘Final Fling’
At Gym on January 30
by Connie Stolzko

Intending to prove the old proverb that two heads are better than one, the I.R.C. and freshman class will jointly sponsor a dance, appropriately entitled the Final Fling, on Friday, January 30, at the usual place the gym and the time is 7:30.

Originally the dance was scheduled to be sponsored by the Inter- national Relations Club. However, after repeated requests by the frosh to sponsor more activities, Victor Turoski, the class president, persuaded the I.R.C. to make the dance a joint affair. Thus, the dance is now being sponsored by the I.R.C. and the freshman class, with profits going to the I.R.C. for fifty-fifty basis.

The dance will commemorate a momentous event at Wilkes — the end of finals. Students will have an opportunity to forget past pitfalls while celebrating that achievement. Also this will be provided for the mere admission price of $1.25.

Each committee for the dance is composed of two students, one from original organization. Members of the dance committee are Carol Erne and Robert Goldsmith. Assisting them are Cynthia Dysleski and John Salva, decorations; Paul Levin and Stephen Heltzer, refreshments; Daniel Lewis and Shela Politis, tickets; Al Gordon and Don Wilkinson, publicity; and Elaine Stoltz and Lucy Ryan, editor of The Blue Notes.

Morris is appointed to Administration Post

by Connie Stolzko

Friday night’s Frosh-IRC ‘Final Fling’ was the most successful dance sponsored to date by the Josephine Club.

The dance, which was held in the gym at 7:30 p.m., was an outstanding success. The music was provided by the W.B.A. orchestra, Miss Conyngham, and Miss Morris.

As a result of the dance, the Josephine Club obtained a total of $1,300, which will be turned over to the Student Government Fund.

The dance was well attended, and the refreshments, which included a variety of soft drinks and refreshments, were also well received.

T.D.R. Charity Dance Will Be January 27

Crewnnaces to Sing; Group Planning Formal For Next Big Project

by Marilyn Knuckles

T.D.R. invites all Wilkes students to its annual Charity Dance to be held Tuesday, January 27, from 9 to midnight. Fifty cents, payable at the door, will admit everyone to an evening of music and fun.

The music will be at the expense of Bob Morris and the IVy Leaguers. The security has also planned a big intermission activities, none other than Wilkes’ very own Crewnnaces.

The dance is one of the many charity projects sponsored by T.D.R., and all proceeds from it will be donated to the March of Dimes. Miss Mary Hume, T.D.R. president, attended a coffee hour Wednesday night, sponsored by the Women of the March of Dimes.

At this meeting, plans for having the proceeds of the dance donated to a specific charity were discussed. At press time, no definite word had been received as to whether the dance committee, the T.D.R., or the Student Government would be the specific cause or to the local March of Dimes.

ATTENTION:
No books or papers will be allowed in the lobby of the gymnasium or in the gymnasium itself during examinations unless the instructor who is giving the examination requests the student to bring them to the examination.

T.R.M.
REGISTRATION

Rumor has reached us that a new system of registration will be used this year. All students, according to the unofficial word, will be allowed to fill in their own schedules before registration begins. As you enter the gym, you will be presented with your trial registration form which already has your subjects on it, and a schedule of class times and rooms. Each student will choose his own section of each class time from the sheet and then attempt to get the corresponding card from the rear of the gym.

This new system will give the student some leisure in planning his day and choosing his instructors. We think this may be the answer to the long debated question of schedule changing. With full student cooperation, the plan should work except for those freshmen who got trapped in the rush for that last, lonely History 102a card. —mj

SO THEY SAY

Gary Roberts

What do you think of an honor system, and do you think one could work?

ANSWERS:

Leona A. Haires

I don't think an honor system has an honor system at Wilkes because there must be implicit trust between the students. Each student should know what an honor system is and that it would be to his or her advantage and disadvantages.

An honor system would cause the student to feel that the action would be disapproved by the student body and that he would no longer be willing to attend Wilkes College. Does it really make any sense to have an honor system here, but if the honor system does not work, the student?

Gordon Roberts

I'm for an honor system. However, I think it is an ideal, and I believe that the vast majority of the students would have to subside in order to have one put it into adequate effect.
