Mrs. Gertrude A. Doane, Dean of Women, will speak to the girls about the college courses at Wilkes and will try to give them an idea about campus life as a co-ed.

Decorations centered around the holiday, Washington’s Birthday, will consist of cherry, hollies, and a bust of George Washington. Refreshments including coffee, tea, coffee, mint, and nuts will be served.

At Moravian Tonight, E. Stroud Wednesday In Second Season Meets by Richard J. Myers

**LETTER to the EDITOR**

Dear Editor,

I am writing to express my concern about the recent events at Wilkes College. The atmosphere on campus has been quite tense, and I believe that we need to address some of the underlying issues that are contributing to this unrest.

Firstly, I would like to express my support for the students who are standing up against the administration. Their right to protest and to voice their concerns is a fundamental right, and it is important that we respect their decision to take action.

Secondly, I would like to urge the administration to listen to the concerns of the students and to work towards finding a solution that is fair and just. The administration has a responsibility to create a safe and supportive environment for all members of the Wilkes College community.

I believe that by working together, we can find a way to move forward, and I hope that the administration will take these concerns seriously.

Sincerely,

[Your Name]

PINBUSTERS back in loop lead: Teetotalers topple Bio Club

The Pinbusters fought their way back into sole possession of first place in the intramural bowling league, breaking the tie with the Playboys by whipping them, 3-1, last Sunday night.

The Teetotalers toppled the Bio Club from a third-place tie to fifth place, coming from behind for the second week in a row for a 3-1 victory.

Splitting a 3-3 match with the Tenpins, the Teetotalers, the Raiders lost ground to the idle Goldbricks who moved into third place on the tie.

Pinbusters 3, Playboys 1

Despite the night's best performance, 219, 210, and 164, by Warren Demmon, the Playboys were unable to take advantage of their opportunity to depose the yearlong leaders, who pounded out a great 335 series in the first game to go ahead by 127 pins.

The Playboys took the second match by 366-763, but were swamped in the finals, 656-744, and lost the point for total pins, 2037-3421. Individual scores:

Teetotalers 3, Bio Club 1

Dick Myers led the Teetotalers to their first sweep in many weeks with 197-472. The upset win was recorded when the Teetotalers defeated the Bio Club with a full squad for the first time since their last winning night.

Bill Hoffman sparked the losing cause with 183-332. The Bio Club took a 40-pin win in the opener, 707-718, but faded fast in the following games, 722-707 and 714-470, to fall ten pins short of the winning 2154 total hit by the Teetotalers.

Tenpins 2, Raiders 2

The Tenpins cooled off the sizzling Raiders in the first two games before Pete Maholik led his mates with a 197-483 for a third-game win, 241-689, and a ten-pin lead for total pins, 2044-2054.

John Kuhar led the short-handed Tenpins with 169-450. The Raiders thus slipped to fourth place, one game behind the Goldbricks.

Athlete of the Week

Toluba aids Colonels' victory; notches win at crucial point

Toluba father has been coaching him since he was "knee-high." All this training proved itself when Ted got to the semifinals of the Wilkes Open Wrestling Tournament before losing a close decision.

This result was significant to Colon wrestling followers as Ted's great showing in his inter-collegiate tournament wrestling debut proved the middle weights of the Blue and Gold squad are in good hands for the next four years.

Ted is a graduate of Lehman-Jackson High School where he starred in football and wrestling. He remained undefeated in league meets while capturing the Lakers' wrestling squad to the Rural-Urban League title during his senior year. He also captured the District 11 157-pound championship and was runner-up in his class at the P.I.A.A. regional finals.

Now a resident of Gore Hall, the back mountain native is in his second semester at Wilkes, majoring in Secondary Education.

The Warriors will be paced by Captain Barry Lewis who averaged 217 points for the team. The Colonels are also enjoying another fine campaign, and have captured the All-IDP 131 inch Bob Boeheim and 6 feet 8 inch John Middlebrooks.
