S. A. M. GETS MEMBERSHIP AWARD

Wilkes Chapter 10th in Nation, Pictured in National Magazine; Citation and Wristband Given

I'm so happy to be able to advise you that Wilkes College Chapter of S.A.M. was No. 1 in the nation in the Hamilton Watch Award Competition for percentage increase. This statement was received in a recent letter from Professor Harold Fischer, the Director of the University Chapter Division of the Society for Advancement of Management.

The Hamilton Watch Award Competition is a method by which the University Chapter Division of S.A.M. stimulates the growth of the additional chapters, to increase in absolute membership increases, and to provide an additional incentive to each chapter to be cited and to get a Hamilton electric watch. The watch is given to the president of the chapter who have contributed most to the membership increase of the chapter. Pictures of the presentations are published in Advanced Management Magazine, and each chapter is national circulation among college advisors, membership supervisors and management personnel.

Since its reorganization in January, Wilkes Chapter of S.A.M. has been persistent in the assumption that a dynamic chapter with a broad program of activities and expansion of services to its members will experience a significant increase in membership. As a result of its numerous and varied activities the chapter has experienced a phenomenal growth. At present the membership total 147, and we are confident that within the next year, thus making the Wilkes S.A.M. Chapter one of the 151 chapters in the nation.

The Wilkes S.A.M. Chapter has worked towards the goal of being elected into the "100 Club." A select group including only those chapters that have 100 members or more in membership enrollment.

In addition to the activities the chapter has sponsored are: forums on campus, study groups, discussions on management training on both college and plant levels, a lecture on what S.A.M. means to college graduates, an enlightening view of medical compensation insurance, and field trips to local industries.

A surprising number of people have come up to us during the last few weeks and press time and called us to "blast" the election officers for their lack of foresight in getting only one machine. In the first place, I don't agree with you in your accusations, because you are not the officers. The election officers are perfectly aware that one machine was not enough and we have been told, by the president of the election committee, that the officers of the idea of the officials in the Court House — not the election officers.

The people who bothered to go to the trouble of getting a machine here should be on their own. The problem is what to do with it. As for those who couldn't vote, we would like to point out that when we went into Chase Theater at 4 o'clock Thursday afternoon there was no one using the machine. If you had to, or had a ride home or had nine hours of class on Thursday, then perhaps you have a gripe. We have the feeling however, that anyone who really wanted to vote, could have done so.

On the brighter side of the election picture was the amazing job done by someone in cleaning up all the posters. To the person or persons responsible for the quick work — nice going.

Moving back to the dimmer side of the story, we find that several ambitious candidates took advantage of the rather liberal political policy in the college in having flyers mimeographed free of charge. From Mr. Whitby's office comes the justified decree that the office will no longer run off flyers announcing club meetings, political views and the like. We hope that the people who over-used their privileges realize the effect their actions will have on innocent students who will suffer.

Letter to the Editor

Dear Madame Editor:
The idea of compulsory gym classes is disliked among many members of the student body. There are many students, particularly those who are mentally retarded, who find the oft-times ill-conceived gym classes a real bore. Still it is necessary to parade around the gym floors for four sessions a day. I will agree that many students, particularly those who enjoy taking gym, but consideration should be given also to the minority of students who have little or no interest in the sport.

As for those who don't vote, I am convinced that the administration should look into the possibility of an alternate course to be substituted for the one course. I am sure that just as taking gym, and I can think of no better course than one in first aid.

First aid instruction is offered at two of the leading colleges and universities throughout the country. I am sure that such a course would be a worthwhile undertaking. No one ever knows when such training may be necessary.

I have submitted this letter in the hope that it will come to the attention of the administration, and that they will look into the matter.

Respectfully,

STEVIE COONEY

From: The Student Government Subject: Conflicts on the Activities Calendar

In June of 1958, representatives of the Student Government, at the suggestion of the aid of Dean Ralston, prepared an activities calendar for the 1958-59 school year. A part of the calendar, they awarded to the Student Council, the Student Government, and the Alpha Tau Omega fraternity. On October 31, 1958 and April 17, 1959, Unknown to the Student Government, or the Administration one of the dates, the CCUN, at some time, scheduled the MGA for April 17-18-19. By the time the conflict was discovered it was too late to rearrange the dates, and the Student Government, at the aid of Dean Ralston, felt that the Student Council and the Alpha Tau Omega had to make arrangement for the other four activities days. On April 1, the CCUN submitted a formal letter of apology to the Student Government, explaining the situation.

The Student Government feels that this is not an unusual situation and that the issue still remains. It still remains that the CCUN irresponsibly scheduled the dates for the MGA. It has been previously reserved for the President's Banquet and has no time for miscellaneous scheduling by any organization can not be tolerated. Were it not for the large number of organizations any organization could hold any event it wishes at any date they desire. This would lead to uncontrolled competition and eventually result in a breakdown of activities and the community would be split and eventually the meeting will not be able to afford to any social affairs

NO ORGANIZATION IS PREEMPTING THE MGA

In view of the circumstances, the Student Government feels that CCUN make a public apology to the Freshman Class.

PUBLIC INVITED TO SUNDAY CONCERT

The printed music will be presented by the chorus at the following time during the next day afternoon as the final offering of the music department. The Student Government, students, parents, and the general public have been invited to attend. There will be no tour of duty and the program will be representative of the students on various departmental dances.

Barre Hall Men Re-elect Stickler

The men of Barre Hall elected dormitory council president on Sunday last year Monday. Gene Stickler, re-elected as president, will continue his duties as dormitory council president. The council will meet weekly to discuss dormitory problems with the president of the Student Government. The council is made up of freshmen and seniors.

Marvin S. D. L. Student Government election on "Student Employee of the Year" will be held. The Student Government will have an election on "Employer Employee of the Year." The election will be held on the last day of the year. Students, parents, and the general public will be invited to attend. The event will be a fundraiser and will be held on the first floor of Barre Hall.

All SEACON reporters are requested to report to the Barre Hall Men's meeting for an important meeting. An announcement will be made of those who are unable to attend, and those who are unable to attend who are interested in Barre Hall Men's activities should contact the dormitory council president, Bruce Stickler, or the dormitory council vice-president, Tim Roper. The meeting will be held on the first floor of Barre Hall on Tuesday, December 13th, at 7:00 p.m. All SEACON reporters are requested to attend. Next Week’s Sr. Spectacle to Be Strictly for Laughs

The Senior class announces their approaching Senior Spectacle and dance to be held one week from today. The evening will start at 9 in the gym.

Scott Trehawee and Thomas Ruggerio will act as emcees for the evening, which will begin at 8:30 p.m. and continue until midnight. There will be music by the school orchestra, and a variety of performances, including dance, skits, and songs.

Tickets are available at the school office and will cost $1.00 per person. All students are encouraged to attend.

Be prepared for a fun-filled night!
Ray’s Recruits Break Deadlock, Down Snafus by Thin Margin, 5-4; Blivets Maintain Lead in American League

The National League tie for first place was broken Wednesday as Ray’s Recruits downed the Snafus in one of the most hotly contested games so far this season. Clem Goervax pitched an excellent game for the Recruits in their 5 to 4 victory over the Snafus.

The victory was the third in succession for the Recruits and sets the pace for the game next week between them and an oncoming Phonies team. A victory for the Phonies next Tuesday would throw the National League into a three-way tie between the Phonies, Snafus, and Recruits.

In Wednesday’s game the Recruits showed everything balanced hitting power as Selody, Yancho, Kammerow, Harvis, Kubashi, and Lewis all had one hit apiece. The Partying Snafus were bolstered by a triple and a single from Holmgren and hits by Norm Chasen and Bill Michaels. Mary Antinova, Bill Antinova, and Perky Perkowski.

The Blivets are still top dogs in the American League and should succeed in their pennant drive as their one remaining game is with a comparatively weak Financeer team.

LOOKING BETTER

TELEGRAPH TEAM DOWNED BY LYCOMING, 8-1;
HALPERIN, WOLL COP FIRST TEAM POINT

CLAY COURT COLONELS — Pictured above are the men who carry the Blue and Gold banner into combat on the tennis courts. Only in its third year of competition, the team has had very limited success, but enthusiasm is high. Most of the players are new to intercollegiate play and experience will provide for a better outlook next year. First row, left to right: Carl Jeris, John Thomas, Paul Bleifer, William Wolf, Michael Samberg, Jim Swabach. Second row: Mike Armstrong, Peter Back, Ira Himmell, Dirk Dunlap, Bernard Shupp, Mark Halperin, George Gavales.

The 1950 baseball team was one of Wilkes’ most successful. It won the Eastern Pennsylvania vs. North Carolina game and played John Zigmund the club with a 6-1 record.

Saturday the Lycoming Warriors to journeyed thisbranch of the Susquehanna and proceeded to down the Blue and Gold tennis team, 8 to 1.

The doubles team that cracked the barrier for the first Wilkes team point of the year was composed of Mark Halperin and Bill Woll.

Their single point was the last possible tally of the meet and offered no real serious threat to the eight point lead built up by the Warriors.

Lycoming refused to give any ground the easy way as they contested the single tally in a closely-fought event, 6-2, 8-6, and 6-2.

In the singles, the leadoff man for the Colonies, Jim Swabach, got the team off to a bad start as he went down, 0-6 and 3-6.

Ira Himmell showed a lot of fight and one of the most closely contested games of the meet as he went under, 5-7, 6-2, and 2-6.

In the third single, Dirk Dunlap dropped the first game, 0-6 and 4-6.

Paul Bleifer played another tight game and showed a ray of hope for the team as he continued to improve, but drew a loss with 5-7, 8-6, and 4-6.

Mark Halperin suffered the next defeat at the hands of the experienced men from Lycoming, 4-6 and 6-6.

Bill Wolf also showed a much improved game as he offered a maximum of resistance but failed to gain the point by 6-4, 5-7, 4-6.

The doubles say the Colonels team of Dunlap and Swabach edged by Pollitt and Eney of Lycoming, 6-4 and 6-6.

In Himmell and Paul Bleifer the next Wilkiesmen to go down the boards as they dropped, 6-4 and 6-6.

Then the team of Halperin and Woll capped the single point from Crockett and Good with a 6-2, 3-6 and 6-2.

Colonels at Susquehanna Tomorrow

Diamondmen Seek Wins on Road; Colonels Continue Winning Ways, Hendershot, Dydo, Ontko Star

Bad weather and wet grounds forced a one-day postponement of Wednesday's scheduled game with the Susquehanna Crusaders. The game was re-scheduled for late yesterday afternoon at Artillery Park. Results were unavailable at Beacon press time.

Golfers Split at Home, Defeat Lycoming, 12-6, Bow to Scranton, 13-5

by Dan Lewis

Scranton

Hampered by a downpour, the golfers were defeated by Scranton University, 13 to 5, last Tuesday at the Tren lines.

Pete McLaughlin turned in the only individual win for the team with 5 to 1 victory, while Al Straka and Jay Olexy tied their opponents, receiving 1½ points each.

Bob Janusko, Pete Perog, and Ed Miskolates had a disappointing day as they fought their way over the dendritic grounds only to lose by the shouted round, 5 to 0.

Lycoming

The Blue and Gold golfers broke into the win column a week ago at home with Lycoming College.

Playing under blue skies and ample sunshine, the linksmen showed off their skills, carrying the tournament to a performance date, a 12 to 8 winning score.

Individual wins were turned in by Ed Miskolates, Bob Janusko, Pete Perog, and Pete McLaughlin, while Al Straka broke even with his opponents.

Jay Olexy fought hard scoring birdies on the eighth and ninth holes, but in vain, as he was shot out in the point department.

The individual novices, Bob Janusko, W. over Stan Okula, tuewicz, 2½ to 1½; Ed Miskolates over Tom Kowal, 2 to 1; Pete Perog, W. over Bill Engler, 2 to 0; Pete McLaughlin, W. over Grant Jones, 3 to 0; Al Straka, W. and Clem Palony played to a tie of 1½ to 1½; Dan Cruain, L. 1½ to 3½, over Jay Olexy, 3 to 0.

Yesterday, the Colonels were scheduled to play Mansfield at home, but at press time, it was uncertain whether the match would be played. The results, if any, were too late to make the deadline for this edition.

Two away ties feature the baseball team's activities for the coming week:

Coach Pinkowski's nine travels to Sewage, Pa., tomorrow where they meet the Susquehanna Crusaders for the second time this season.

Wednesday the Colonels go against the Lycoming Warriors at Williamsport, Pa.

Wilken edged Lycoming with a late rally last week at Artillery Park, 5-4.

Saturday's Results

Hits rained to all parts of Artillery Park last Saturday, as the Colonels pounded out a 10-5 victory over Susquehanna.

Led by the extra base hits of centerfielder Ralph Hendershot and third baseman Bobby Ontko, Wilkes tumbled home three runs after being relieved by Hendershot in the ninth.

Dydo also chipped in for the Blue and Gold and garnered a third win of the campaign as an 8-0 Dydo, 8-2 righty, cut and walking one man, before being relieved by Hendershot in the ninth.

ATHLETE OF THE WEEK

HENDERSHOT'S HITS AID WILKES VICTORIES; BOOMING BAT EXPLODES EXTRA BASE BLOWS

Ralph Hendershot, one of the best long-ball hitters to wear the Blue and Gold spikes in some years, earned the Beacon's "Athlete of the Week" title for his performances in the Colonels' two recent diamond victories.

With his explosive bat, he provided the winning blow in the 5-4 squeaker over the Lycoming Warriors last week; then, before the Saturday home crowd, led the parade of extra base hits in the Susquehanna tilt.

In the Lycoming game, he singled sharply to move John Har- vey home with the winning run to climax a two-run rally for the 5-4 win.

Prior to Saturday, however, the big outfielder had to settle mostly for singles. In the game against the Crusaders he found the range and his bat began to boom again to the tune of a searing, 327-foot round-trip blast and a fence-rat- ting double to account for three hits.

Not content to lead the 14-hit barrage against the hapless Sus- quehanna nine, he even answered an SOE by Coach Pinkowski to re- live another converted outfielder, Mike Dydo, on the mound.

Although he was treated not too kindly by the Crusaders, he did a creditable job in the unfamiliar role, and showed promise of easing Pinkowski's pitching headaches.

A two-letter man, Ralph also puts in a busy season in indoor competition on Eddie Davis' basketball team. He has been a member of the team for three years and the fans still bring his name up when speaking of long shots, re- membering his 60-foot thriller in the 1958 season.

Hendershot gained his high school experience in both basketball and baseball at Lackville. He is a junior, working towards a B.S. in Secondary Education, majoring in history.

SCHETEER TO FURTHER STUDY AT NEW YORK U. LAW SCHOOL
by Art Ropiege

Paul Schecter, son of Mr. and Mrs. Sam Schecter, 281 Washington Avenue, Cederhurst, New York, has been accepted to New York University School of Law. He will begin his studies in the fall of 1959.

He is a senior accounting major and resides in Ashley Hall. During his four years at Wilkes, Schecter has participated in numerous activities on campus. He is presently serving on the Senior Class council and has been active in the Inter-Dormitory Council, Junior Chamber Commerce of Wilkes, Economics Club, and Intramural sports. Schecter also served as treasurer of the Twelfth Annual Eastern Colleges Science Conference, as well as being named to the Dean's List.

In addition to his activities at Wilkes, Schecter is currently employed by Abraham Marcus, a local CPA.

Upon completing his studies at N.Y.U., Schecter plans to sit for the New York State C.P.A. and Bar exams. These will enable him to achieve his ambition of practicing law and accounting in New York City.

Election Results Show Decrease in Voters

The posters have been taken down, the voting machine has been transported to the Court House, and the new class offices have been installed.

The amount of students voting this year was a slight decrease from last year's figure, 541 compared to 414, but president of elections R. T. Mattioli mentioned that the long lines around the election booths discouraged many students who did not wish to wait in line for an hour to vote.

But the voting was steady all day, reported Mattioli, and it was necessary to keep the polls open until five o'clock, instead of the scheduled three o'clock closing, to accommodate the overflow of students.

This is the first time in four years that the classes used a voting machine to conduct elections, and the novelty of the plan did encourage many students to cast their vote.

Mattioli pointed out that two election machines should have been used to accommodate the overflow crowd, and that if the election machines are used again more than one machine will be needed.

HAMPDEN INSTITUTE GROUP HERE IN EXCHANGE PROGRAM
by Elizabeth Coburn

For several years Wilkes, through the Inter-Dormitory Council and Student Government, has sponsored exchange students with other institutions. The purpose of this exchange program is to meet students from other schools and share ideas and experiences with them.

A group of students representing Wilkes visited Hampton Institute last year. This year, the students were sponsored by the Hampton Institute in Virginia, and each student was paired with a representative from each school, making it an eventful and rewarding weekend for all who went.

This weekend the Hampton students are coming to Wilkes. The entire student body is invited to attend any or all of the activities planned. Friday night, Hampton students will be guests at the dance at the gym. Saturday morning at 11:00, a coffee hour will be held in Weiss Hall, where faculty and students will have the opportunity to meet the Hampton group.

Dr. Fairley has graciously invited the Hampton students, as well as the Wilkes student body, to an outing at his farm at 2:00 Saturday afternoon. McGillister farm is giving a party at 9:00 in honor of the Hampton students. All Saturday's activities are free of charge.

DALE WAGNER NEW I.R.C. HEAD

The members of the International Relations Club held their annual election of officers last Tuesday. The new elected officers are Dale Wagner, president; John Phillips, vice-president; Daniel Lewis, treasurer; and Paul Levin, secretary.

- PERSONALS -

Mr. and Mrs. Jerry Lott, former Wilkes students, recently became the parents of a baby girl, Diana Marie. She is the couple's first child. Mr. and Mrs. Lott reside in Phillipsburg, N.J.

Miss Judy Ruggero, George Schaefer, and Steve Polsinelli will be in the wedding party of Mr. Pete Kozik and Miss Anne Amey, planned for July 15 in Harrisburg. Mr. Kozik is a former Wilkes student.

Members of Joe n' Curley journed to New York recently where they saw a production of The Drowsy Chaperone at the Clearing House. Several persons attended a performance of Redhead, others visited the Whitney Museum and other points of interest.

John Mulhall and Dick Salin will represent Wilkes at the Junior Chamber of Commerce State Convention at Harrisburg.

Bety Hoscheke, sophomore resident, from Weiss Hall, was elected secretary of the Northeast Region of the I.C.G. at their recent convention in Harrisburg.

Miss B. L. Kozik, junior art education major, assisted in activities at the NSPTA Autorama held at Kingston Armory last weekend.

A number of students entertained friends recently at a "Boring Twenty" party.

Mr. George Tartterfield, Trinity College, Hartford, Conn., spent the weekend as guest of Miss Judy Richardson, junior commerce and finance major.

Art and art history classes of Mr. W. B. O'Doole and Mr. Chester Celeno have toured the Whitney Art Museum display at Oerestine Library. The exhibit is sponsored by the Wyoming Valley Art League.

Miss Jozi Mieczkowski spent last weekend in New York City, where she participated in the annual Choreographer's Ball.
