Gordon Roberts Appointed to Lead Evaluation; Survey Held Among Wilkes Student Leaders

by Connie Stakowski

On Thursday afternoon, September 28th, at the Student Leaders' conference held in Picking Hall, the possibility and desirability of an honor system at Wilkes College was evaluated.

The meeting was attended by forty-three leaders, was presided over by Bob Morris, Student Council president. Morris announced that the Student Council had appointed Gordon Roberts to make the evaluation.

During the meeting the student leaders were given questionnaires containing the following questions:

1. In your opinion constitutes an honor system?
2. According to your definition (or idea of an honor system) do you as a student desire an honor system at Wilkes?
3. If you do not desire an honor system, would you support one if an honor system was established at Wilkes?
4. In your opinion is an honor system more compatible with individual moral responsibility or dictatorial moral responsibility?
5. Recently a nation-wide college survey was made to determine the desirability of honor systems in the colleges of the United States. The results have not yet been revealed. What do you think the poll will reveal?
   a. Approval?
   b. Disapproval?

This survey will give the Student Council an indication of the student leaders’ opinion in regard to an honor system. The question is, however, how do you, the student of Wilkes College, feel about an honor system?

**NOTICE**

Dr. Thatcher, chairman of the History department, will speak at the International Relations Club on October 8th. The meeting will be held in Stark 109 at noon.

Dr. Thatcher will speak on the present situation in the Far East. All students are invited.

Raffle Proceeds Swell Lettermen’s Scholarship

by Loretta Shutta

The Annual Raffle sponsored by the Wilkes College Letterman’s Club is now in full swing. This event, conducted each year by the club, is their primary source of income. Money acquired from this event is used to defray expenses incurred during the year, but the major portion of the returns each year goes to some deserving young freshman in the form of a scholarship.

This is the third year that the scholarship is being awarded. Previous awards were made to Marvin Antines and Girard Senick.

The raffle is the only chance allowed on campus throughout the year, and it gives the student body its only opportunity to see if their luck is still active.

Co-chairmen of the raffle, as announced by Mike Gochen, President of the club, are George Clark and Gil Gregory. Tickets can be obtained from any letterman, but if you don’t know who they are, have no fear, they’re sure to seek you out.

Pricing is as follows: First Prize, a choice of two tickets to the current annual Broadway musical, “Mistletoe” starring Robert Preston, or two tickets to the Army-Navy football game to be held in Philadelphia this season.

Transportation will be provided for two to either New York or Philadelphia via Martz Bus Lines for the winner. Second prize will be the remaining tickets not chosen by the first prize winner. Third, fourth and fifth prizes are a turkey each.

The winners will be announced on Homecoming Day, October 18, during halftime of the Wilkes vs. Ursinus game.

Members of the student body of Wilkes College will elect their class officers, student government members, and will decide whether or not the constitutional revisions go into effect at elections Wednesday. Chase Theatre will be the scene of the voting activity from 9 a.m. to 3 p.m.

Since the freshman did not nominate their slate of officers with the upperclassmen, they held a special meeting in the gym Monday afternoon for nominations. Freshman advisors along with student council members Barbara Pedder, George Reynolds, and Frank Steck, attended the meeting in an advisory capacity.

Freshmen met Monday evening to hear various explanations of duties of class and student council officers. The freshman class is entitled to three representatives on student council.

Upperclassmen nominated recently met to discuss publicity restrictions for the coming elections. To make everything completely "fair and square", candidates for the various offices drew for their positions on the ballots.

At Tuesday’s assembly, all candidates for class presidents will speak in their behalf to the student body. Freshmen will be introduced to candidates for their remaining offices at a future noon meeting.

One of the biggest contents in the election may well develop in the senior class, where no less than eight persons are running for president, including Regional Mattioli, president of the class of ’59 for the past two years. On the other hand, the juniors have virtually re-elected John Mullin, as he was unopposed in nominations last week.

New officers will conduct class meetings next Thursday, and the freshmen plan to announce their candidates at the meeting of the PMC this Monday night.
State Candidate
To Speak at 12:30

David Lawrence, four-time mayor of Pittsburgh, a nd Democratic gubernatorial candidate of Pennsylvania, will be the speaker at the annual luncheon meeting of the Wilkes-Barre Rotary Club. The luncheon will be held at 12:30 at the Hotel Wilkes-Barre. Lawrence will speak on his platform.

If you are interested in attending, please RSVP to the Rotary Club by phone at 823-2222.

The ROVING CHIMERA
by Fred Roberts

The United States, as of September 30, finds herself at the very questionable mercies of the Red Chinese and of her own allies, the Nationalists, in the Formosa Straits. If Dulles' gamble is not successful, the Chinese communists could paradoxically be a good thing.

At least our basic Far Eastern alliance with the Nationalists will be re-established. The development of mutual defense with Formosa, or Taiwan, may be the necessary first step in bringing the Chinese communists to the negotiating table.

Chiang Kai-shek would like to show that his army can win against the communists in Taiwan. The communists have taken over the island and are now pressing in from the south. Chiang hopes that by showing that he is able to defend Taiwan, he can re-establish his authority over the mainland.

We should not accept, at any price, the idea that the communists can be defeated by the Nationalists. If we do not accept, at any price, the idea that the communists can be defeated by the Nationalists, we may be forced into a war with China.

Our policy should be to support the Nationalists, but not to accept their defeat.

If we accept the communists' victory, we may be forced into a war with China. If we do not accept the communists' victory, we may be forced into a war with China.

Activity Forms Rules
Discussed by Leaders
In Conference Thursday
by Florence Gallagher

At the recent student leaders'
conference a report was made by
Barbara Federer about the rule re-
quiring activity forms to be filled
out by clubs planning various af-
fairs and submitted to the Student Government.

Miss Fedeler told the conference that the lack of information about these forms was the cause of the
frequent violations of these rules.

These rules were made by the student body, but were handed down by the administration. Until now there
have been penalties imposed for failure to comply with them. However, this year the penalties retained from last
year were not considered fair and were dropped.

No definite action can be taken by the Student Government until it is certain that everyone is familiar with
the rules. The purpose of these rules is to prevent any event being planned must be submitted two weeks prior
to the time of the event which it is to take place.

Instructions are that a report will be made to Student Government in approximately one month, after
which a similar report will be made to representatives of every club on campus to comment on the rules and penalties decided upon.

THE BEACON
SPECTACULAR PUNTING BY BILL MICHAELS EARNS HIM 'ATHLETE OF THE WEEK' TITLE

The award for Athlete of the Week goes to Bill Michaels for outstanding action in the Lebanon Valley game. Bill's tremendous average of 50.4 yards per punt plus strong line blocking play pulled the Colonels out of at least five very serious situations.

Three of these punts were of the quick-kick variety and his total kicking average for the year now rests at the much more than adequate yardage of 39.04 per try. His defensive actions resulted in Lebanon Valley running most of their plays to the other side of the Colonial line.

He unleashed one quick kick of 47 yards while being pressed closely by the Dutchmen's four yard wall. The kick was timed perfectly and arched into the end zone clear of opposing backfield men.

Bill gained much of his basic football background while playing fullback on the offensive and tackle on defense for Swoyersville High School. He graduated from the Lebanon Military Academy in 1953 and went to the University of Delaware where his football ability was also recognized.

Michaels is a senior Commerce and Finance student this year. He played football for two years, and recovered punt, and returned kickoffs for his team.

TWO IF BY LAND

Members of three relatively new sports on the campus were given recognition by the Lettermen's Club last year. The swimming team was first to break the ice after they performed in a thrill-packed and closely contested home meet at the Y.M.C.A. We are interested in having the Colonel splashes compete in another fine year of the sports and urge all paddlers, paddlers and belly-flopers to contact last year's stalwarts, Carl Havir and Pat Shovin.

The tennis and golf teams will also be looking for new blood soon, so contain your enthusiasm.

PARK IT!

Never let it be said that we discourage soccer spectators, but when you thousands of fans flock to Kirby Park tomorrow the gracious city fathers of Wilkes-Barre would appreciate your parking your vehicles on the side of the road furthest from the soccer field.

Mud-bespattered Gridders Travel To Test 'Hounds

by Richard J. Myers

Tomorrow afternoon the gridders will seek once more the elusive first win of the year when they travel to Bethlehem to take on the tough Moravian Greyhounds.

After their determined showing last week under the worst imaginable conditions, the Colonels may be able to shape the 'Hounds hair to make up for the past two seasons of coming out second-best.

In last year's Steel City eleven trimmed the locals at Kingston by a 19-7 count, after winning at home the previous year by a topsided 45-12 score.

Although the Greyhounds have several experienced returners, the loss of injured first-string quarterback Tony Matz may go a long way toward equalizing the teams somewhat. Matty was a key factor in four of the Colonels' five wins over the Greyhounds.

Boofer are George Hollender, however, will be back and is expected to be in top shape, promising the Pinkowski crew a rough afternoon.

Last season, Moravian lost only two games, 34-13 at the hands of powerful Loyoming, and a 6-0 squeaker to the rough and rugged soldiers of Penn. Military College.

Mud and Guts

In last week's contest at Lebanon Valley, the Blue and Gold were submerged in a sea of mud as the Dutchmen turned in a 12-0 win in the midst of a torrid, day-long deluge.

There was plenty of courage shown both by off the field and the Colonels fared rugged playing conditions, while three ultra-loyal fans stood behind them in the driving rain and cheered them on.

The game, reflecting the impossible conditions, was marred by a total of twenty-four fumbles of the season pigskin. Thirteen of these were recovered; six by Wilkes and seven by Valley. Korners were tackled repeatedly because they were unable to get going on the muddy surface, and line play was slow and sluggish.

The Colonels had a touchdown called back when a Spudin-blocked punt was grabbed and carried into the end zone by Mike Dyll, halfback, and with that there was a penalty against Wilkes, nullifying the score.

Later in the game, the Colonels lost a heart-breaking scoring opportunity when they fumbled on first down, knocking on the touchdown door on the Valley three-yard stripe.

Rugged line play by Spudin, who blocked two punts and recovered two fumbles, in addition to some fine backfield work by Tom Kradio, Jay Kubicki, Ray Yavich, Marv Antalmo, and Bill Michaels kept the Colonels in the game.

Of particular value was the uncanny punting of Bill Michaels, this week's winner of the Beacon Athlete of the Week award.

Golfers lose heart-breaker, edged in sudden death meet

Last Friday the Wilkes golf team, playing a postponed match from last year, was defeated by Mansfield State Teachers 10-3, in a sudden death playoff. The lead-off men of both teams began the playoff with the understanding that the first man who reached a hole one stroke in front of his competitor would win the meet for his team. John Rudy, the Berwick County Club champ, edged out his Wilkes opponent on the first hole to claim the meet.

In regular play Bob Januszkowicz, low medalist from Wilkes, shot a 76 to beat the Kercey Country Club champ, 3 to 0. Ed Mikolaitis was then shut out by a score of 3 to 0.

Pete McLaughlin took the back nine for one point and Pete Perig halved his match to bring a point and a half to Wilkes. Joe Flavira brought two more points to the team by taking the back nine and total holes. The newest member of the team, Jay O'Neal, took the back nine and halved the total holes to make the score Wilkes 9, Mansfield State Teachers 9.

The game proved to be a heart-breaker for the Wilkes team who played an evenly matched game until the final stroke of bad luck in the playoff. Last year Wilkes lost another close match to their Mansfield opponents by a score of 9 to 18 at the Iron Temple Country Club. This year’s event was played at the Kercey Country Club near Mansfield.

Ferris’ Charges Ready With a Strong Attack
To Meet Powerful Foe
by Don Hancock

At two o’clock tomorrow afternoon the Wilkes soccer team will open the 1958 season with a home game at Kirby Park against a strong Elizabethtown team. In the weeks since practice began, Coach Jim Ferris has worked the team hard and is highly optimistic about tomorrow’s game.

The afternoons. scrimmages and practice sessions have produced a very fast and powerful forward line consisting of Carl Havira, Seth Annah, Nick Giordano, Lou Zwiebel, and Evan Pappachian. The backfield, which up to now has been the big question mark of the team, has been strengthened considerably by a steady coalitions of promising newcomers and improved veterans.

Below is the probable lineup for tomorrow’s game:

Outside left 1. Pappachian
Center forward 2. Giordano
Right midfielder 3. Zwiebel
Outside right 4. Havira
Left halfback 5. Annach
Right halfback 6. McLaughlin
Goalie 7. Perig

Elizabethtown, which finished last season with a record of nine wins and two losses, defeated the Wilkes booters last year in the final minutes of the game by a score of 2-1.

Unlike most colleges, Elizabethtown doesn’t have a football team and the time and energy which would otherwise be put into a grid team is concentrated in the formation of a strong soccer team. The Colonels intend to unseat a strong, well-coached team against the Elizabethtown eleven and needless to say, the game should be a very good one.

The football will be played on the new field and there should be a sizable crowd at Kirby Park to support the booters. After this home game they take to the road for three consecutive games, the first at Stevens Tech in Hoboken, New Jersey.

Because past methods of compiling the Senior Index have not been met by full cooperation on the part of the seniors, Miss Helen Miller, editor of the Anaconda, has devised new methods for setting up a more complete index.

Senior Index forms will be passed out at a forthcoming meeting of the Senior Class which will be held on Tuesday, November 29, at 11; o'clock in Pickering 203. Evening students and students not attending this meeting will be mailed forms. For the benefit of freshman students and some upperclassmen, the Senior Index is a compilation of each student's activities during his college term. This index appears at the end of the yearbook and is important because immediate access of each senior's activities can be obtained.
