"Out with Winter Carnival!" Student Government Recommends

Student Government's meeting Tuesday night exploded into controversy when Gordon Roberts, president, cast a tie-breaking vote to put the body on record as recommending to next year's Student Government and the Administration that the Winter Carnival be removed from the social calendar.

CCUN Members Attend Canadian MGA; Group Represents Ghana

by Wayne Thomas

Five members of the Wilkes Chapter of CCUN are attending the Canadian and Northern States Model General Assembly of the United Nations being held this week at Montreal. Evelyn Godleski, head of the delegation, Peggy Churchill, Gary DeHope, Hedy Horbaczewski, and Richard Lewin left by car Tuesday morning and will return on Sunday night.

The Wilkes delegates will represent Ghana at the assembly which will be held at three universities in the Montreal area. The admission of Red China to the United Nations, disarmament, and economic and sociological problems will be discussed. Ghana, a tiny country in North Africa, is in favor of having the question of Red China's admission brought before the UN and the Wilkes delegates will take this stand.

Donald Murray, president of the Wilkes CCUN, has announced that this is one of the finest model assemblies conducted for college students. It will be attended by many
(continued on page 4)

The vote was 8-7 after Roberts exercised his tie-breaking privilege in the torrid discussion. Action was prompted by the incidents which caused this year's bill for breakage at the Carnival site to exceed that of any other year.

Voting went as follows: Moved by Bob Washburn, seconded by Gwen Gould to discontinue. Affirmative: Bob Washburn, senior; Gwen Gould, sophomore; Jim Walters, freshman; John Hosage, sophomore; Jim Stephens, senior; Paul Klein, senior; Judy Butchko, sophomore; and Gordon Roberts, senior.

Negative: Beverly Major, junior; Bill Davis, junior; Martha Menegus, junior; Dick Salus, senior; Rhea Politis, sophomore; Lorraine Rome, freshman; and Mike Armstrong, junior.

In other action, the Government penalized the I.C.G. for procedure violations concerning their January 8th dance, the "Merry Mixup." The group failed to file chaperon forms and no chaperons were present at the dance. By a 6-4 vote, two abstaining, the Government denied money from the Intercollegiate Conference Fund to the club for the remainder of the year.

On February 14, the body will dine with the visitors forming the evaluation team from the Middle States Association of Colleges and Secondary Schools. They will also host the King's College Student Government on March 1.

TDR Sweetheart Formal To Be Held Next Week; Bake Sale in March

Monday evening's TDR meeting was dominated by final plans for the "Sweetheart Formal" to be held at the gymnasium February 12. Dancing will be from 9 p.m. to midnight to the music of Herbie Green's orchestra, and tickets are \$3.00 per couple.

Other important items on the agenda were the bake sale held Saturday at Pomeroy's and the bake sale to be held March 15 at the Gas Company, North Main Street. Claire Handler, chairman of Saturday's bake sale reported that it was a financial success. A note of thanks was extended to the Women of Wilkes, who graciously aided in the project, and to the manager of Pomeroy's.

Since funds are still needed to replenish the club treasury another bake sale will be held March 15 at the Gas Company. Jane Neddoff, chairman of the affair, announced that cooperation from all members will be needed to make this affair a success. Since the baked goods will be concocted at the Company, preparation will be required in measuring ingredients, baking and selling the cookies.

Although TDR enrollment figures include a large percentage of Wilkes coeds, attendance at monthly meetings is poor. Beverly Ann Butler, president of the sorority, asked for suggestions which might remedy the situation. The result of discussion was that the next meeting will be held at the Commons. Members are urged to ACTIVELY participate in sorority

Jaycees Boosting City as Site For State's 1961 Convention

Four Wilkesmen are taking to their duties like a duck to water, as they are at this moment on their way to the Board Meeting of the Pennsylvania Junior Chamber of Commerce at Altoona. The four, Dick Salus, John Matthey, Ira Himmel and Jim Stephens, are going to the meeting to help the Greater Wilkes-Barre Chapter of the Jaycees in getting this city for the 1961 State convention.

Eyeglass Drive Ends; College and Community Cooperate in Campaign

by Steve Cooney

Today is the final day of the Second Annual "New Eyes for the Needy" campaign sponsored by the Economics Club.

For the past month members of the club have been collecting used eyeglasses, including sunglasses and frames, regardless of their condition. Collection boxes were placed in various locations on campus for students to deposit the used glasses.

These glasses will be sent to the "New Eyes for the Needy" organization in Shorthills, New Jersey, where they will be repaired, re-ground and donated to needy individuals.

This campaign has not been confined to the campus. Regional TV and radio stations and newspapers

activities.

A discussion of the sport dance to be held in cooperation with the Annicola March 18 concluded the meeting.

The four "drum-beaters" will literally do just that, taking with them drums, bugles, hats and other paraphernalia in an effort to sell the virtues of the Wyoming Valley to the delegates.

The Altoona meeting, in addition to settling the issue of the 1961 convention site, has been called to honor the State's ten "Outstanding Young Men."

Accompanying the Wilkes representatives will be local Jaycee executives Hugh Carr, George Russett, Len Mulcahy, Al Alberts and Bill Zdancewicz. They also will have in their possession materials publicizing the city and the valley.

Campaigning for the securing of the convention will be taking place all day today and tomorrow. Pressing hard for their cities will be delegates from Pittsburgh, Scranton and Reading. Early indications are that the real competition to Wilkes-Barre will come from Scranton and Pittsburgh. When the last convention was held at Scranton, delegates report that they had the time of their lives.

The former "Smoky City" has undergone a great transformation in recent years and its businessmen are offering the attractions of the new "Golden Triangle" as bait to the delegates at Altoona when they vote tomorrow night.

Local hotels and motels have made special price considerations to counter these efforts and the ten Wilkes-Barre votes are expected to receive the support of the smaller cities at the Board meeting.

The Wilkes students are attending the meeting by virtue of the campus chapter's status as the first collegiate unit of the Jaycees ever formed. Since the group was formed, its members have taken active and effective part in community projects, including the annual drive for gifts for patients at the Retreat State Hospital. They have received national recognition for their "first" as well as for their activities.

Chez de Paree Tonight; Herbie Green, Paris Theme in Spotlight

by Marilyn Krackenfels

Chez de Paree, the first dance of the second semester, will be held tonight from nine to twelve in the gymnasium. The sophomores, who are sponsoring the dance, have engaged Herbie Green to do the music-making and are charging the regular admission price of fifty cents.

The gym will be transformed into a French cabaret atmosphere through the magic of wine bottles atop red and white checkered tablecloths and candlelight. Everyone is urged to come in appropriate costume or at least to bring his beret.

The co-chairmen for the affair are Rick Reese and Ted Toluba. The committee heads are: band, Rhea Politis; decorations, Carol Thomas; tickets, Doug Learn; refreshments, Bob Chamberlain; publicity, Darius Thomas.

Heart Fund Dance To Be Held Tomorrow

CHARITY BALL — All College Heart Fund Dance, to be held tomorrow night in the College gym, will be sponsored by the five Wyoming Valley Colleges. Those colleges participating are: King's, Wilkes-Barre Business College, Misericordia, and Penn State Center. Dancing will be from 8:30 to 12, and admission will be 75 cents.

Committee aides are, left to right, seated: Nicholas Alexander, King's; Janet LaCoe, Wilkes-Barre Business

College; Rochelle McGuire, College Misericordia; and Gordon E. Roberts, Wilkes. Standing: Ray Chesney, G.A.R. High School faculty member and chairman of the Heart Fund campaign in the regional schools and colleges; Frederick Pensworth, Penn State Technical Institute; and Prof. Thomas Tobin, King's College. Mr. Joseph Kanner is the Wilkes faculty representative for the project.

EDITORIAL

Carnival Threatens Reputation

When Tuesday's stormy session of Student Government resulted in recommending the discontinuance of the Winter Carnival, the students were spared the embarrassment of futile efforts to find a site in the future for the annual between-semester event. While we realize that such recommendations are not binding upon next year's governing body, we feel that sober thought between now and then may reveal to the opponents of the measure that the demise of the Carnival has been a long time coming.

Each year the behavior of just a few succeeds in creating animosity where only good will should exist. The College has taken 27 years to build up that good will; it is inexcusable to allow it to be destroyed in one day. Further, it is regrettable that the trite cliché that "it only takes one rotten apple" must be resurrected, but this excuse can no longer be considered valid. We know that the inconsiderate ones may be few in number, but the outsider only sees one thing — disorderly conduct. No line is drawn between individual and group; what one does is considered to be a reflection on the whole. Next year's governors would do well to take this recommendation under advisement and give it most careful consideration before taking action. More is at stake than a good time.

English, German Cultures Stressed At British, Austrian Summer Schools

Four British and two Austrian summer schools are offering American students six weeks of liberal arts study this July and August. Applications may be obtained by writing to:

Institute of International Education
1 East 67th Street
New York 21, New York

Applications to the British Summer School programs must be received before March 1 for scholarships, and March 31 for admission applications. Austrian scholarship requests must be returned by March 1, admission applications by May 1.

British Program

Under the British University Summer Schools program, students can apply for study at one of four schools, each concentrating on a particular subject and period. At Stratford-on-Avon the subject will be Elizabethan drama; at the University of London the course will be the study of English literature, art and music of the 17th and 18th centuries using materials preserved in London's buildings, galleries and records; at Oxford the subject will be English history, literature and the arts from 1870 to the present. The theme of the Edinburgh School will be the political and economic history, philosophy and literature of Britain from 1559 to 1789. Although the courses are designed for graduate students, undergraduates in their last two years at a university will be considered.

The Summer School fees, including full room, board and tuition, range between L80-L90 (approximately \$245-254). A few scholarships which partially cover univer-

sity fees of well-qualified undergraduate students and a few full scholarships to graduate students are available.

Austrian Program

Both Austrian summer schools include in their programs the opportunity to attend performances at Salzburg's famed music festival. The Salzburg Summer School, sponsored by the Austro-American Society, emphasizes German language study, but courses in art and music and on foreign policy are taught in English. Also included, in addition to attendance at the music festival, are a variety of conducted tours of Salzburg. The fee for the entire program is \$190, with an optional three-day trip to Vienna costing \$25. Applicants must be between the ages of 18 and 40, and must have completed at least one year of college work. A few full scholarships are available.

The University of Vienna, offering summer courses at its St. Wolfgang Campus near Salzburg, combines study with outdoor life at a mountain lake. Its aim is to enable English-speaking students to become acquainted with Austrian educational and social values. Courses being offered include German language, law and political science, education, arts and history. Students who have completed at least two years of college are eligible to apply for either a three or six-week program. The fee for the full six-week program, including tuition, maintenance, tours and excursions, and attendance at the Salzburg Festival is \$250, with an optional four-day trip to Vienna costing \$30. A few scholarships covering partial or full fees are available to six-week students.

Collegians Present Concert February 15 At First Presbyterian

by Gloria Zaludek

The Collegians will present two full concerts — one on February 15 at the First Presbyterian Church, the other on February 24 at the First Reformed Church of Wilkes-Barre.

They will also perform at Exeter High School on Lincoln's Birthday, and on Friday evening, February 19, will entertain at the Westmoreland Club for the Peabody Award Dinner of the Wilkes-Barre Advertising Club.

At the present, members of the male chorus are rehearsing selections from "Oklahoma," and Bali Hai from "South Pacific," which they will present at their assembly program on March 15. The program will open with "Gloria in Excelsis" from Mozart's twelfth Mass.

One feature of the assembly will be the introduction of the student who will become the conductor of the Collegians for the next two years.

Another innovation will be the use of two pianos, which will be played simultaneously by accompanists Tom Hrynkiw and Walter Umla.

While touring southern New York state on April 1, the Collegians will sing in the Oxford, Norwich, and Greene High Schools.

The male chorus, combined with the Women's Chorus, will enter the annual Eistedfodd competition in Edwardsville on March 12. They will compete against other outstanding local choruses. This year the choral group has selected "Glory of the Lord" from Handel's "The Messiah." Last year the combined groups won accolades for their first prize performance.

By early spring, the Collegians, under the direction of Bill Peters, plan to make a recording which will be sold on campus. The songs to be recorded will be chosen from their standard repertoire.

C'n'C MUSICAL

Wilkes-Barre Kiwanis Club has offered to sponsor Cue 'n' Curtain if they will perform a musical at the Irem Temple. The offer was taken to a vote by members of the club who voted, with one exception, unanimously to accept the offer. Cue 'n' Curtain has submitted the offer to the administration for approval.

At a later meeting, however, a compromise appeared to solve the question of having another musical. It was finally decided that the dramatists would make the attempt . . . but not until September. The plan seems to be that casting will be done at the end of the Spring semester and that rehearsals will go through the Summer, possibly at one of the Pocono Mountain summer stock theaters, where professionals abound and much practical experience can be gained. The Observer hopes that the financial problems to cast members will be overcome easily. Otherwise, it looks like an excellent idea.

ABSENT-MINDED PROFESSOR

The Observer wasn't alone in noticing a glaring misfortune in the progress of final exams. Over a hundred bitterly disappointed students had to leave the gym when their instructor failed to show up with their exam. It seems that the "absent-minded professor" stereotype still exists, for the prof got his calendar mixed up, thinking he had the exam on Wednesday. While at first blush this would seem to be a huge faux pas, later reflection seems to have accepted the incident as just another one of those things. The Observer extends his deepest sympathy to those poor people who spent the whole night cramming for the final that never was.

CARNIVAL A "SMASHING" SUCCESS

Did you observe the incident at Pocono Mountain Inn during the recent Winter Carnival? One of the students, anti-rock 'n' roll, no doubt, managed somehow to get his fist through the glass of the jukebox. Could it have been an accident? Was it done in anger? Or did old John Barleycorn have some influence on his actions? At any rate, it's a good way to insure having the "No Vacancy" sign hung out whenever Wilkes is in town again.

THE BOSS'S NEIGHBORS

Beacon boss Dick Myers and his bride of one month have new neighbors since John Wozniak and Grace Schneider got married last Thursday and moved in next door. John was formerly dorm proctor at Warner Hall, Grace a resident of Sterling Hall. May all their problems be as simple. The Observer hopes they both like cats, as the Editor has an animal in his apartment that thinks it is the landlord of that property.

Vacation in Hawaiian Islands Offered as Lure for Study

Wrestlers Win Over ESSC, 29-5

by George Tensa

Coach Reese's wrestlers continued their winning ways by downing the East Stroudsburg grapplers, 29-5. Coach John Reese's matmen registered five falls while overpowering the game, but outclassed Warriors.

Brooke Yeager started the Colonels on the victory path by pinning Gleason in 8:25. Brooke was ahead 10-4 when he got the Stroudsburg wrestler in a "cradle" hold to score five points for the Blue and Gold matmen.

Some unorthodox leg wrestling was the feature of the 130-lb. class when Dick Stauffer registered an 8-2 decision over Woods.

The home team registered its lone victory of the day when Al Deibler scored a fall in 8:50 over Girard Senick. Senick suffered a leg injury during the bout and couldn't overcome the physical handicap.

Mike Armstrong's 3-0 victory over Jones was one of the outstanding bouts of the match. Mike reversed Jones in the third period and rode him to score the victory.

The 157-lb. class bout found Ted Toluba back in top form as he pinned Zarbatany in 7 minutes. The effects of the shoulder injury which has slowed down Ted seem to be past and the Colonel grappler is ready for heavy action.

The closest bout found Glen Ritzenhouse emerging victorious over

Lawrence. The big 167-lb. griddler used two escapes and a takedown to register a 4-3 win.

Marv Antinnes continued the Colonel romp by making short order of "Bucko" Williams. Marv used a half-nelson to register a fall in 1:04.

Bob Sislian closed the match with a very impressive 8:40 fall over Wilgard. The Colonel heavyweight was leading at the time of the fall, 4-1.

Last week-end the Colonel grapplers traveled to West Point where they engaged the Plebes and Cadet J.V.'s in exhibition matches. Although no results were kept, the Colonels scored more victories over the Cadets than they had reverses. Marv Antinnes again shone for the Colonels.

This week-end the matmen will again take the exhibition trail when they engage the U. of Pennsylvania's grapplers in an exhibition match at Philadelphia. A long time between matches made these exhibitions a "must" as the Colonels get ready to defend their winning skein against a tough Lycoming College squad.

Smashers Gain Summit In Forcing Pinbusters' Decline and Fall

Marshall Brooks and John Sapiego teamed up to lead the Smashers to a stunning upset victory over the Pinbusters in Sunday's intramural Coed Bowling League. The 4-0 win in the first night of action in the second half gave the Smashers a first place slot while pushing the mighty Pinbusters into the cellar. The Smashers had spent most of the first half in last place, while the Pinbusters enjoyed the league lead most of the season.

In other action, Dick Myers led the Gutterdusters to a 3-1 win over the Kingpins with 209-550. Adam Gajewski was high man for the losers on 202-552.

Also 3-1 winners, the Blitzkriegs tied for second place with the Gutterdusters as Fred Jacoby was top man in the win with 194-515. Jerry Chisarick led the Flatballs on 190-522.

Taking over the lead, the Smashers had a balanced attack, with all five men in the high 400's. Besides Brooks' 186-499 and Sapiego's 197-493, Bernie Radecki contributed 471, Mark Adelson 463, and Andy Benoska 459, including a game of 190.

Emil Petrsek, 193-533, and Bob Barovich, 175-515, were top men for the Pinbusters, who start the second half in an unaccustomed last place spot.

Half Ends April 8

The second half will end on April 8. Whichever team is then in first place will meet the Pinbusters for the championship of the Coed League. The loser in the post-season playoff will receive second place trophies.

Should the Pinbusters repeat in first place, then the second place team for the second half will meet the Gutterdusters for the runnerup trophies. Should the Pinbusters and Gutterdusters finish one-two again, each will receive the proper trophies and no playoff will be necessary. The league tentatively plans a handicap tournament for the final two or three weeks of the year.

Cagers Meet Rutgers at Camden Score Impressive Win Over Royals

The Colonels hit the road again tomorrow when they go to Camden, N.J., to play Rutgers College of South Jersey. Game-time is scheduled for 2 p.m. in the Camden Convention Hall.

The Pioneers are reported to have a better-than-average squad this season and are in the running for the Delaware Valley Conference crown in the South Jersey area.

In a comparison of the only common foe that the schools have faced, Wilkes lost to Philadelphia Textile by 10 points while Rutgers was beaten by the same team by 4 points.

The Pioneers will be without their top scorer of the past few seasons, Joe Bretschneider, who rewrote the record books in his stint at the South Jersey college. Bretschneider graduated last June.

Coach Albert Carino will present a team composed of three upperclassmen and a scattering of underclassmen in important roles. Leading the Pioneers will be senior co-captains Frank Del Rossi and Fred Setzler with Gar Miller giving the only other upperclassman support.

The first five is rounded out by two juniors, 6'-3" Fran Dick and 5'-11" guard Jerry McCullough, both of whom saw plenty of action last year as sophomores.

Wilkes triumphed over the Pioneers last season at home, 96-73.

Scranton Results

Coach Eddie Davis' charges came through with a long-awaited victory over the Scranton Royals Wednesday night, 87-76. The Colonels started fast early in the game

and went on to a well-earned win. Guard George Gacha led the Wilkes scoring attack with 30 points. Eddie Kemps scored 13, Ron Roski registered 15 (all in the first half), and Bernie Radecki added 14.

Vacation Results

The Colonels experienced rough going over the examination period as they lost three straight road games. On January 16, Hofstra dumped the Colonels, 81-52. Another defeat came at the hands of Hartwick, 85-59, with the Scranton Royals handing them the third loss last Wednesday, 96-87.

Wilkes then broke back into the win column at Rider last Friday with a rousing 86-76 win over one of the highly rated teams in eastern coast basketball circles.

Monday night the cagers returned to the friendly confines of the Wilkes gym and proceeded to give Lafayette College a rough time before bowing, 70-65.

The Colonels couldn't control the scoring of the Lafayette ace, Charley Ross, and this one factor spelled defeat for the home five as Ross scored 37 points thus accounting for over half of the entire Leopard total.

Guard George Gacha was high for Wilkes on 10 field goals and 4 fouls for 24 points. Ed Kemps scored 13 to take second honors.

ATHLETE OF THE WEEK

Bernie Kosch Scores Heavily, Plays Big Role in Upset Win

by John Nork

Towering 6 ft. - 6 in., 210-lb. Bernie Kosch receives this week's Athlete Award for his sparkling performances in the past week. Scoring 51 points in three games, Kosch turned in some of his best performances of his college career.

Normally an average performer, Kosch suddenly burst forth with a surge of shooting accuracy, enabling him to score 22 points against Scranton, 20 points against

Rider, and nine points against Lafayette.

Although defeat was in the making for Wilkes against Scranton, Kosch drove on, keeping the team's morale high by never giving up. An interesting point concerning this game is that he started the evening on the bench. Called in to do a job, he did it to the best of his ability.

Rider College saw Kosch combine shooting accuracy with good board action as he hit the net for 20 points, 11 of this total coming in the first half. He also was responsible for a good number of rebounds that evening.

Although his game against Lafayette was not as rewarding as his previous two, scorewise, he continued his successful feats as an all-around player.

Kosch, a mild-mannered senior political science major from Nanticoke, has intentions of attending graduate school after leaving Wilkes. He shows signs of repeating again and again his scintillating performances on the court as the season progresses and should be an important factor in Coach Eddie Davis' future plans.

Pinbusters Win by Five Lengths; Gutterdusters Place, Blitzkriegs Show

Intramural bowling closed out its first half just before final exams with the Pinbusters copping the pennant by five games. The Gutterdusters finished second, followed closely by the Blitzkriegs, who were seven games off the pace.

Dave Sokira led the Pinbusters with a 203-561 as they swept four from the Flatballs, 2329-2279. Tom Evans was high for the losers with 178-522.

Bill Watkins hit the night's high series with a 603 on games of 194, 213 and 196, but in a losing cause as his Blitzkriegs lost three to the Gutterdusters in the battle for second place. Dan Lewis with 203-562 and Bernie Shupp, 194-525, paced the victors.

The Smashers dropped three to an undermanned Kingpin squad, who were sparked by Tom Dysleski's 177-508. John Sapiego managed 169-443 for the Smashers, who ended the first half in the cellar, tied with the Flatballs.

Debate Team Departs For Johns Hopkins; Riofski New Member

by Ralph Price

Roberta Feinstein and Francis Riofski will represent Wilkes in the Johns Hopkins University Debating Tournament this weekend. The two debaters left yesterday and will be competing today and tomorrow in the tournament.

Roberta Feinstein has not debated previously this year, but she has had experience in past years. Last year she and Fred Roberts placed seventh in the Johns Hopkins tournament with a 4-2 record.

Francis Riofski is new to debating this year. He took part in the Temple Novice Tournament with Brent O'Connell. Debating on the question of whether Congress should have power to reverse Supreme Court decisions, Riofski and O'Connell posted a 4-0 record.

The Johns Hopkins Tournament attracts some of the nation's top debating teams. Wilkes teams have compiled a very impressive record in this event and have one of the highest averages of all the teams which have competed.

In 1955 Wilkes won the tournament by defeating Princeton in the final round. That year Wilkes was unbeaten and had seven wins. In 1954, 1956, and 1957, Wilkes debaters placed third with 5-1 records each time.

This year the team of Feinstein and Riofski will debate six rounds, three affirmative and three negative. After the second round competition gets rougher because winners are pitted against winners and losers against losers.

Following this event the Wilkes debaters will participate in a tournament sponsored by King's College. This is a four-man tournament and Wilkes will be represented by Barry O'Connell, Brent O'Connell, Jerry Krasa, and Francis Riofski. This will take place next Saturday.

John Hotson, Mrs. Herbert Bernstein, and Mrs. Margaret Barber, Chapman housemother.

Mrs. Paul Werner is this year's president of the organization. Other officers are Mrs. James Langdon, vice-president; Mrs. Sheldon Curtis, treasurer; and Mrs. James Parmenter, secretary.

Future plans for the Faculty Women include a covered dish supper February 27, and a card party March 18. Both of these affairs will take place in the college Commons.

Maturity Discussed In Address by Riley

by Cynthia Hagley

Robert Riley, chairman of the psychology department, presented a topic on adulthood and maturity in last Tuesday's assembly program. Mr. Riley's address was received with enthusiasm by the students and faculty members present.

Mr. Riley began his presentation by informing the audience of part of the results found in last year's study made by the psychology department. In this report a majority of the students tested said they were in college to prepare for a vocation, a legitimate motive, Mr. Riley concluded. Second in the aim of the students was a desire to know themselves and others better.

From this point Mr. Riley went into a discussion on how to achieve maturity. The degree to which a person is capable of being independent and responsible for his own failures, as well as successes, are signs of maturity or immaturity, Mr. Riley stated.

Doing one's best while not claiming to be the best or constantly right is also an indication of maturity. Accordingly, Mr. Riley suggested that frustration and worries should not be thought of as evils to avoid because they are a very constant part of an adult's

Manuscript to Present Films; Tickets Available To Students, Faculty

by Cynthia Hagley

Plans for film showings have reached the final stage, Kurt Roberts, chairman of the Manuscript Film Society, announced before the end of last semester. The dates for the films have also been set up by the executive council of the Manuscript Association.

The films for this season's showing have been selected for their educational and entertaining aspects. Dates for the films are February 19, March 3, March 18, and April 8. The particular film to be shown on a certain date will be announced in the Beacon the week previous and posted on all bulletin boards.

Birth of A Nation is a silent film made in the early twenties. It is an epic in film-making and an essential part in all programs designed to demonstrate the history of the film industry. The camera and story techniques are far in advance of other films made at the time.

Three other films to be shown are: Death of a Salesman, from the Broadway hit by Arthur Miller with Frederic March in the leading role; Cyrano de Bergerac, starring Jose Ferrer and based on the drama by Edmond Rostand; and finally, The Wild One, a film that started Marlon Brando on the road to film success.

Season tickets are priced at \$2.00 and can be purchased from any member of the film society. At some future time, a ticket sale will be held in the cafeteria.

Mr. Chapline, in his second year as a member of the faculty, has prepared a varied four-part program. First, he will play a series of four solos for the lute. This music dates back to the fifteenth and sixteenth centuries when the lute enjoyed its greatest popularity before the invention of the harpsichord. The lute is similar to a guitar in design and was actually a forerunner of the latter instrument. Mr. Chapline plays a bass lute consisting of eighteen strings.

For the second part of the program, Mr. Chapline will sing four love songs, each in a different language, English, Italian, French and German.

The third part will include five vocal selections based on the contemporary writings of Fletcher and Hausmann which were put to music.

In the last part of the program, Mr. Chapline will present five ballads native to the Hebrides Islands, where he lived for six months. This music will be sung in the traditional Gaelic and old English language.

Mr. Chapline is a native of Philadelphia. His musical background includes a degree from the Juillard School of Music and piano study with Leo Ornstein of Philadelphia. Mr. Ornstein was a former instructor of Mrs. Eleanor Farley.

Mr. Chapline also spent two years of study in Europe upon receiving a fellowship from the Fulbright Foundation. He presented concerts in Germany, Denmark, Austria, Belgium, and other countries of northern and eastern Europe.

He took part in the recent television series, "Omnibus," when he participated in a program with Leonard Bernstein, impresario and conductor of the New York Philharmonic. Mr. Chapline is also pictured with a singing group in Mr. Bernstein's recently published book, "The Sound of Music."

In addition to his teaching duties, Mr. Chapline directs the Madrigal Singers and the Mixed Chorus. He is soloist at the First Presbyterian Church in Wilkes-Barre.

He is an active member of the English Country Dance and Folk Song Society, and the Country Dance Society of America.
