WILKES COLLEGE, WILKES-BARRE, PENNSYLVANIA

FRIDAY, MARCH 4, 1960

## ICG Plans Conference At Marywood College

Twelve members of the college chapter of the Intercollegiate Conference on Government will leave early Sunday morning to attend the nine-to-five session of the Northeastern Regional Conference at Marywood College, Scranton.

Representatives from ICG chapters of fifteen regional colleges will attend the convention. Steve Robertson will serve as chairman of the Committee on Foreign Affairs. Open sessions, executive meetings, and committee sessions will be held in the morning. After lunch a plenary will be held to be followed by mock presidential nominatin. This will help to acquaint the delegates with the procedures of a real political convention.

On April 7, 8, and 9 a State convention will be held at Harrisburg. Delegates will be chosen on the basis of their service to ICG. Members will gain additional information and experience in governmental affairs at this convention.

Two delegates of the CCUN attended last Monday night's meeting of the ICG to discuss tentative plans for a combined meeting involving both groups.

The ICG is still conducting its membership drive. Membership in the organization is open to all students and anyone interested in joining is invited to attend the meetings held on Monday at 5 p.m.

## String Quartet to Perform Sunday

Fifth Recital in Series  
Held by Music Department

by Ralph Price

The next event in the current Town and Gown Concert Series will be a performance by a philharmonic string quartet. This concert will be held on Sunday afternoon at 3:30 in the College gymnasium. The Wilkes College Department of Music wishes to extend a cordial invitation for all to attend the event. There will be no admission charge.

The quartet is made up of the following musicians: Martin Friedmann, violin; Robert Provell, violin; Eugene Brandstadter, viola; and Enzo Liva, cello.

Martin Friedmann is known to students here as a member of the music faculty and has performed in the student assembly on many occasions. Robert Provell is a Scranton doctor, and Eugene Brandstadter is a furrier in Wilkes-Barre. Enzo Liva is a member of the Wilkes-Barre Philharmonic Orchestra and is the brother of Ferdinand Liva, the conductor of that orchestra.

On the program for Sunday's concert are the following selections: Quartet in A, Opus 33, No. 6 by Boccherini; Quartet in F by Ravel; and Quartet in F (The American) by Dvorak.

# Faculty Meets Stars In Donkey Ball Clash

Al Dobrowalski

George Ralston

## Hilarious Contest Features Thrills, Spills; Trophies to Winners

by Pat Rossi

Next Wednesday evening the "Student Stars" will oppose the "Faculty Flashes" in one of the funniest basketball games on the court — Donkey Basketball, a combination of a rodeo, a circus, and a basketball game. The "Student Stars," the Wilkes athletes, will try to avenge their loss of last year to the "Faculty Flashes," members of the college faculty.

In this game, there are only four men on a team, two guards and two forwards. To start the game, each team gets set under a basket using the opposite basket as their goal. Players can retrieve the ball and pass it only if they are mounted or if they have the reins in their hands. A player can ride the length of the floor with the ball, but he cannot hold it more than 15 seconds. All of the baskets must be made while the player is mounted.

As a change from the regular basketball rules, the players can substitute anytime they wish merely by walking onto the floor and taking the other player's place. In this game just about anything goes because there are no out-of-bounds, time-outs, or fouls.

The "Faculty Flashes" will have as their player-coach, Dean of Men George F. Ralston. His fellow teammates will be: Dr. Francis Michellini, Dr. John Gaito, Francis Pinkowski, Russell R. Picton, Jr., John Reese, Richard Krutchkoff, and Robert Morris.

On the opposing team, Al Dobrowalski will be the captain and player-manager of the "Student Stars." Members of his team include: Joe Morgan, Bernie Radecki, Ray Marchakitus, Frank Spudis, Marv Antinnes, Fred Williams, George Gacha, and Carl Havira.

The starting lineup of each team is still a deep-guarded secret, but don't worry, you shouldn't have too much trouble distinguishing them from their four-footed accomplices. Jim McCarthy, local sportscaster, will be on hand to relate the description of the game.

Bill Hawke, general chairman, has announced that two trophies will be awarded — one trophy to the winning team and one trophy to the high scorer of the game. Donkey Basketball is being brought to Wilkes-Barre under the sponsorship of the Junior Class, and it will be played in the college gymnasium on Wednesday night beginning at 8 p.m. The price for this unusual night of entertainment is only 65 cents for adults and 35 cents for children under 12.

The various chairmen and their committees have worked hard to make this event a success. Ray Van Why and Jane Jablonski are co-chairmen of publicity; Al Dobrowalski, the riders; Dave Kline and Bob Ontko, the door; Edward Kemps, arrangements; Herb Kline and Phil White, tickets.

arrangements, Emile Roat, chairman, Bob Adams, Clarence Dennis, June Neddout, and Les Hymel.

## Three-Phase Space Lectures Sponsored by Biology Club

by Steve Cooney

An interesting three-phase lecture series on space flight is being planned for this month by the Biology Club. Each of the lectures will deal with a different problem of space flight, and the entire series will be free and open to all students and faculty members.

On March 17 at 11 a.m. in Room 116, Stark Hall, Mr. Cromwell Thomas will speak on the physical aspects of a space journey. He will discuss the problems and complications of man's first flight into the unknown, keeping his discussion strictly in the physical area.

Dr. Francis Michellini, member of the biology staff, will be the speaker on Thursday, March 24 also in Stark Hall. Dr. Michellini will discuss the physiological aspects and effects of space travel. The program will end on Thursday, March 31, with an explanation of the psychological effects by Dr. John Gaito, member of the psychology department.

Bill Raub, program chairman of the Biology Club, is in charge of this special lecture series.

Attend Conference

The Biology Club, along with the Chemistry Club, is also making preliminary preparations to attend the annual science conference of American college students, which will be held this year at Hunter College in New York City on April 21, 22, and 23. Bill Davis, Biology Club president and chairman of the science trip, has announced that nearly fifty science majors will be making the trip to Hunter College.

Wilkes Not Presenting Paper

It has always been a custom at past science conventions for a student of Wilkes to present a research paper based on his senior research work done at the college, but this year there are only a few senior biology majors and none has prepared papers for the convention.

Cromwell Thomas

## "Wild One" Tomorrow in Stark

by Doug Keating

The Wild One, a film starring Marlon Brando, will be presented as the second of a series of four films to be presented by the Manuscript Society.

The organization is now in the process of evaluating manuscripts for its Spring issue. The author of any material submitted is kept secret from those evaluating it to assure a fair opinion on the basis of merit. It is not too late for students to submit manuscripts for the Spring issue.

## Fund Drive Tops \$100,000; Campaign Ends March 14th

by Cynthia Hagley

As of the Third Report Meeting last Monday, the Three-Phase Development Fund had reached a total of \$104,572. This is approximately 38 per cent of the total goal.

The drive will conclude at a final meeting on March 14. Only 26 per cent of the prospects have been approached and those connected with the drive are very optimistic about reaching the goal of \$270,000 at this final report.

Three hundred people are working for the campaign. They are members of the community and alumni association. An intensive effort is being made on their part to bring in the reports on the various prospects.

At Monday's meeting pledges amounting to \$21,613 were reported. Included in this amount are: \$8,160 contributed from special gifts; \$7,245 from corporate gifts; \$5,585 from general gifts; and \$623 from alumni gifts.

Present at Monday's report meeting was David Vann, an alumnus of Wilkes, who spoke about the scholarship aid program. Mr. Vann received scholarship aid while at Wilkes and he stated that this aid not only enabled him to attend college, but also provided him with the opportunity to show leadership abilities which resulted in a Rotary Scholarship for one year of study at Rhodes University in South Africa.

Dr. Farley and Russell Picton are going to visit the various alumni chapters in places such as Binghamton, New York, New Jersey, Philadelphia, Bethlehem, Easton, Allentown, and Reading.

In this particular area a committee of 50 alumni has been established with Clayton Bloomburg as division leader. These people will visit the graduates of Wilkes living in the Valley to solicit their aid in the campaign.

Other divisions of the campaign are being led by: James P. Harris, Sr., special gifts chairman; Louis Shaffer, corporate gifts chairman; Dr. Joseph J. Kocyan and Dr. Samuel M. Davenport, general gifts co-chairmen; and Atty. Joseph J. Savitz, alumni gifts chairman.

During the first phase of the

campaign, other drives within the Valley were being conducted. Mr. Picton stated that he believed this to be the reason for slow response on the campaign pledges. Now that these drives have completed their appeals he feels that the development drive will gain momentum.

## Senior Dinner Dance Tonight at Legion; Music by Statesmen

by Lynne Dente

Today is the last day that tickets for the Senior Class Dinner Dance will be sold. Tickets may be purchased from the chairman of the ticket committee, or any other member of the committee: Bill Foose, Doris Gademan, Basil Smith, Bob Evans, Gordon Roberts, Dick Salus, Ken Evans, Pat Krall, Pat Shovlin, George Reynolds, Frank Steck, Mary Homan, Jim Stephens.

The dance will be held at the Wilkes-Barre American Legion Home on North River Street. Dinner will be served at 7, and afterward Mr. Robert G. Riley, instructor in the psychology department, will speak to the group on the subject of love and marriage.

Following the dinner, the comedy team of Nork and Cardone will entertain. There will be dancing until midnight to the music of the Statesmen.

Other committee members include: Roger Cease, general chairman; program committee, John Matthey, chairman, Kathy Brominski, Jim Bogden, and Allyn Jones; publicity, Jay Olexy, chairman, Tom Barrick and Steve Cooney.

## EDITORIAL

## School Spirit

Editing a college newspaper is challenging, educational, informative, interesting, frustrating, and hectic work. Perhaps we have enough to do without meddling in the affairs of campus organizations, but the following is meant as constructive criticism.

The School Spirit Committee was formed several years ago as a self-appointed guardian of student enthusiasm. Whenever any event concerning the entire student body was in the planning stages, this group made it its business to see that everyone was informed about the activity and encouraged to take active part, or at least give active support. At first the group performed cheerleader duties, to put it simply.

Since, however, the Committee has taken a broader interpretation of its function and is active in nearly every phase of campus life. Few organizations with worthwhile projects have operated without moral support from the Committee. The Amnicola, for example, has benefited greatly from the Committee's efforts to see that "booster" ads to aid publication are taken by individuals and clubs.

When the Committee was first formed, we felt that its existence was unnecessary, the result of a pessimistic view of campus spirit, even an insult to the active students who cheerfully supported every activity possible. We felt that the admission by the Committee that school spirit needed boosting was a negative attitude, but said nothing about it. Since, many people from many areas outside the College have commented on the good spirit of the Wilkes students, their pride in their College, and their participation in worthwhile community efforts.

We feel that these welcome comments are all the reward needed by those who render such community services. Whether these recent comments reflect an increased show of school spirit is debatable.

We have always insisted that Wilkes College has always had plenty of spirit and therein rests our argument. We feel that the need for a School Spirit Committee — if such need ever existed at all — is no more. There is need for what the Committee is doing, however.

Rather than concern itself with whipping up enthusiasm where enthusiasm is already sufficient, we are pleased to see that the Committee is taking upon itself such important duties as the conduct of the coming Spring Weekend. We are not advocating the abandonment of the Committee, but we do request it to consider a change of name.

It is an active group and an enthusiastic one. It deserves and gets, support from all phases of campus life. More important, however, is its need for a more appropriate title. An outsider would get the impression that all the school spirit at Wilkes is found in the committee of the same name and that the organizations it supports rely upon it for getting results. This is far from the truth. School spirit belongs to all the students and giving the title to one group is a negative reflection on every other group.

Finally, we feel that the group does itself a disservice with the title, since its work concerns itself with far more important things than mere "drum-beating." We feel it should take on a name with broader implications and let the term "school spirit" stay where it belongs — with every student and every group active on campus.

## Letter to the Editor . . .

February 16, 1960

Dear Editor:

The American College Poetry Society is pleased to announce that its third semesterly anthology of outstanding college poetry is now being compiled for publication this summer. We would be very grateful if you would alert interested students on your campus to this opportunity to have their work published.

Contributions must be the original work of the student (who shall retain literary rights to the material), submitted to the undersigned, care of the Society, with the entrant's name, address, and school on each page. Poems, which may deal with any subject, may not exceed 48 lines, nor may any individual submit more than five poems. Entries which are not accepted for publication will be returned if accompanied by a stamped, self-addressed envelope, but they cannot be otherwise acknowledged, nor can the Society compensate students for poetry which is published. All entries must be postmarked not later than midnight, March 30, 1960, to be considered, and the decisions of the Society judges are final.

We are very grateful for your kind cooperation without which the first two anthologies could not have succeeded as they did.

Yours truly,  
ALAN C. FOX  
Executive Secretary  
American College Poetry Society  
Box 24463, Los Angeles 24, Calif.

## Student Government Lists Formal Chairmen

by Wayne Thomas

The open calendar date of Friday, May 6, was awarded to the Wilkes Jaycees at a meeting of the Student Government held on Tuesday night in Harding Hall. Approval was also given to the Sophomore Class to hold a social affair on Saturday, May 7.

The appointment of committee chairmen for the Cinderella Ball was also announced. John Hosage and Dick Salus were named co-chairmen of the formal dance which will be held on Friday, May 13, at the gymnasium. Martha Menegus presented several examples of favors before the group. It was decided that further discussion concerning favors for the Cinderella Ball would be postponed until the next meeting of the Student Government.

Gordon Roberts reported that he, Michael Armstrong, and Dick Barnes visited Walter Fossa, manager of Pocono Mountain Inn and discussed the damage done to his property at the recent Winter Carnival. The Student Government requested that individual bills from each of the organizations engaged in making repairs to PMI be submitted to the Student Government. These bills have not been received as yet.

The Student Government also took action on the plan to conduct solicitation for the Wilkes College Development Drive.

Representatives from the King's College Student Government were unable to attend Tuesday's meeting and another invitation has been issued to them to attend the next meeting which will be held on March 15.

Constitutions of several campus organizations are also being considered by the group.

## Retailing Club Dinner by Dave Roebuck

The newly reorganized Retailing Club of Wilkes College recently held its first dinner meeting of the year at the Kingston House.

Following the dinner, Don Lewis, president of the club, introduced the speaker, Mr. Gale, Merchandise Manager of Lazarus Department Store. Mr. Gale gave a highly informative and interesting talk on "Retailing as a Career."

## Annual Concert For Symphonic Band To Be Held at Drexel

The 13th annual festival concert of symphonic band music will be held at the auditorium of Drexel Institute of Technology (32nd and Chestnut Streets, Philadelphia, next Saturday at 8 p.m.

There will be thirty-four colleges and universities in Pennsylvania represented, comprising 134 pieces. Richard Franko Goldman, son of the late Edwin Franko Goldman, will be guest conductor. Vincent Persichetti, Philadelphia composer, will conduct his "Symphony for Band".

Admission is \$1.00 and tickets by mail are available from: Band Festival, Dept of Music, Drexel Institute of Technology, Phila. 4, Pa.

Wilkes students participating in the concert will be: Jack Evans, trumpet; Edward Yadzinski, clarinet; Donald Jones, oboe; Robert Eike, bassoon; Harry Owens, percussion; and William Zaikowsky, trombone.

## 'Sham-Rock' Next Friday Sponsored by Engineers

by Leona A. Baiera

The Engineering Club will sponsor a dance, "The Sham-Rock", next Friday night in the gymnasium from nine to twelve.

The Rhythm Aces will provide the music for the affair. Nork and Cardone, new comedy act on campus, will provide the entertainment for intermission.

Decorations will be in accordance with the St. Patrick's Day theme. Tickets can be purchased from any member of the Engineering Club.

General chairman of the dance is Stefan Hellersperk. Assisting him are: tickets, Frank Machung; entertainment, Tom Schaffer; refreshments, Richard Bellas; decorations, Cynthia Dysleski; and publicity, Adam Gajewski.

## Yablonski Heads Art Club

by Gloria Zaludek

The club will now have a poster service available to all clubs and organizations on campus. Mr. Chester Colson is advisor for the group which will meet every Thursday at 11 a.m. in Conyngham Annex.

A tentative committee of officers, headed by Leonard Yablonski, school photographer, will hold office until the club elects permanent officers. The nominations will be

## Selective Service Exam Applications at VA Bldg.

Applications for the April 28 administration of the College Qualification Test are now available at the Selective Service Board office located in the Veterans Administration Building. The local board office also has a bulletin of information on the examination.

Following instructions in the bulletin, the student should fill out his application and mail it immediately in the envelope provided to the Selective Service Examining Section, Educational Testing Service, P.O. Box 586, Princeton, New Jersey. Applications for the test must be postmarked no later than midnight, April 7, 1960.

According to the testing service, which prepares and administers the College Qualification Test for the Selective Service System, it will be greatly to the student's advantage to file his application at once. The results will be reported to the student's local board of jurisdiction for use in considering his deferment as a student.

## STICKY TACTICS

(ACP) — A dean at Henderson State Teachers College (Ark.) has come up with a new system of getting students to attend class, says the Henderson Oracle.

The dean suggests that schools begin giving stamps for class attendance. Upon filling a book of these stamps, students would be awarded gifts from stores downtown.

The dean also suggested that stamps be given for grades.

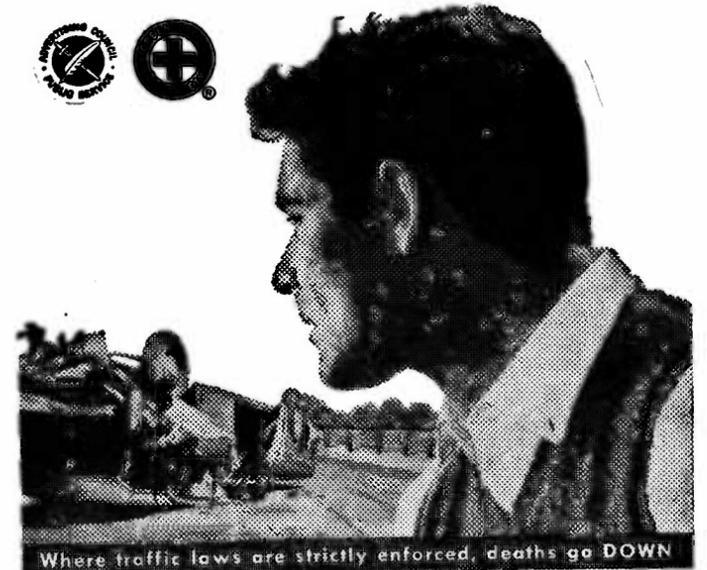

The Oracle comments: "While this seems very improbable at present, several schools have had certain systems in awarding special letters or awards to students with special scholastic ability. One school in the northern states (unidentified) used the same lettering system as the athletic department in all departments. If a student made top grades in math classes, he received a sweater and letter signifying that he had lettered in math."

held at the first meeting in May, and elections will take place the following week.

In the future, the members plan to set up an art exhibit displaying creative and artistic works in oils, pen and ink, water colors, and charcoal. They are also planning a field trip and a possible museum tour during the ensuing months.

"That horn-blower behind me got my goat . . ."

**Even good drivers can be forced into accidents!** A hill-climbing truck ahead and a parade of honkers behind can try your patience. A tailgater with blazing lights can make you boil. But don't let them push you into a rash move. Traffic accidents killed 37,000 people last year. Who knows how many died because some good driver let another pressure him into taking a foolish chance? Don't let anger force you to risk lives—yours or others!

Where traffic laws are strictly enforced, deaths go DOWN

Published in an effort to save lives, in cooperation with the National Safety Council and The Advertising Council.

**ATHLETE OF THE WEEK**

**Radecki Wins Award Third Time, Paces Colonels in Last Two Games**

Bernie Radecki, senior co-captain and second leading scorer of the basketball team, was named to receive this week's Beacon Award. This is the third time the 6'2" forward has received the weekly plaudit during the present campaign.

Radecki scored 44 points in two games last week to pace all Wilkes scorers. He also pulled down 13 rebounds in a good display of back-board work against tall opposition.

Radecki tallied 19 points in a losing cause in the Drexel game and led a late Wilkes rally when the Colonels pulled to within 8 points of the Jayhawks, who emerged as southern division champions of the MAC as a result of the victory.

In the East Stroudsburg game, Radecki proved to be the spark the Colonels needed as he scored 15 points in the second half of the game to bring the home team back from a 14 point deficit and a well-earned victory. At one point he scored six straight markers to bring Wilkes to within one point of East Stroudsburg at 77-76. He also made the clinching goal to make the score 82-79 for the Blue and Gold.

**Bernie Radecki**

first half of the East Stroudsburg game to make it a 25 point total for the night. He also grabbed off 8 rebounds to make his total 13 for the week.

entering the contest.

Paul Aquilino's accurate jump shots provided Gore Hall with the margin of victory over the Kookies. Barry Bryant led the Kookies in a hard fought game with eleven points.

The game wasn't close until the last quarter when the Kookies put on a desperation full court press. However, at this point Davis took charge and pulled the victory out of the fire.

**I-M. BASKETBALL**

by Dewey Evans

Gore Hall squelched a last-ditch rally by the Kookies and eked out a 38 to 35 win to take the American League title. Last night Gore Hall met the Rowdies in a contest to decide the final championship. The Rowdies were favored by ten points

**Cagers Close Season Tomorrow; Matmen, Mermen In Tourneys**

by George Tensa

The basketball team closes its 1959-60 campaign tomorrow night when it tests the Albright Lions in a Middle Atlantic Conference game at Reading. Game time is 8 p.m.

The Colonels' record for the season stands at 10 wins and 10 losses, the Albright game being the deciding factor whether the home forces finish with a winning or losing year.

Albright enters tomorrow's contest with a 16-8 record and has proven to be one of the better teams on the eastern seaboard this year. They are in third place in the Middle Atlantic Conference's northern division with a 9-3 slate.

The Lions are paced by freshman sensation Tommy Pearsall who has scored over 500 points in his initial year of college competition for an average of 22 points per game. Pearsall stands only 5'8" but is considered to be the fastest player on the squad.

Center Ken VanDine is next in scoring with a 13 point average, followed by Charley Smith with 10.1.

Wilkes has enjoyed good success against the Lions in the past two years as they came up with two hard-fought wins. Last year the Colonels won at home, 75-68.

**Edge East Stroudsburg**

Last Saturday the Colonels put on a thrilling second half comeback to beat East Stroudsburg in the final minute of play, 82-79.

Clem Gavenas scored the go-ahead goal on a mid-court interception and a layup shot. This put the Colonels ahead for the first time since early in the game.

Bernie Radecki paced the Wilkes second half attack with 15 points and finished as high scorer for the night with 25. George Gacha tallied 20 points to take runnerup scoring honors. Center Ron Roski threw in 13 points to round out the double figure scoring.

Coach John Reese and his Colonel matmen travel to Annville, home of the Flying Dutchmen of Lebanon Valley College, seeking their fourth consecutive Middle Atlantic Championship this weekend. A total of 21 schools have entered teams with the top contenders for the crown being Wilkes, Lycoming, Hofstra, and West Chester State College.

The large number of wrestlers insures keen competition, and to make matters rougher, there are six 1959 champions and one 1958 titlist among the more than 150 entries who will compete for eight division crowns.

Wilkes has three defending champions on its squad. Dick Stauffer, with an undefeated record, is last year's 123-lb. titlist who has moved up to the 130-lb. class. Ted Toluba is the defending 157-lb. title holder. He is back in top shape after a bad start this season because of injuries to his shoulder. Marv Antinnes, who has an unblemished record for the last two seasons, moves up to the 177-lb. class after capturing the laurels in the 167-lb. class last season.

Other champions entered include: Harry Romig, 137-lb. champ from Lycoming, who was outstanding wrestler in last year's meet; Mike Pacilio, Gettysburg heavyweight, who has a 10-0 record this season; and John Ayre, 130-lb. titlist from Bucknell.

**Down Gettysburg, 27-3**

The Wilkes wrestlers tuned up for the MAC tournament with an impressive 27-3 victory over the Gettysburg grapplers. The Colonel victory was the 18th for the Reesemen without a defeat in dual meet competition.

Marv Antinnes scored his twenty-third consecutive victory by pinning Gettysburg's Lindley with a crucifix hold in 4:04. The Colonel's 177-lb. grappler looked as impressive as always in extending his winning skein.

Wilkes' captain and 137-lb. wrestler, Joe Morgan, finished his collegiate wrestling career in dual-meets in fine style by registering a 4:44 fall over Norm Maisel.

Dick Stauffer also continued his winning ways by scoring a second period pin, via the cradle hold, over Jim Comas in the 130-lb. class. Freshman Brooke Yeager also looked very good in decisioning the Bullets' Tom Propst, 9-7, in the 123-lb. class.

MAC 157-lb. champ Ted Toluba scored his third win in a row with an impressive 6-0 decision at the expense of Jim White.

Mike Armstrong and Glenn Rittenhouse, 147 and 167-lb. Wilkes wrestlers, saw things pretty much the same way. They wrestled twin brothers and each won by a decision. Armstrong decisioned Norman Henry in a close bout, 5-4, while Rittenhouse widened the gap and decisioned brother Pat Henry, 8-1.

The lone Gettysburg win came in the heavyweight bout where MAC champion Mike Pacilio decisioned hard-working Colonel Bob Herman. This is the first time this season the Bullet heavyweight hasn't been able to score a fall.

by Donald B. Hancock

This weekend five members of the swimming team travel to Lewisburg, Pa., to participate in the Middle Atlantic Swimming Championship events at Bucknell University.

The Wilkes delegation will be led by Carl Havira who will swim in the 200 yard butterfly, 200 yard breaststroke, and the 200 yard individual medley events. Pat Shovlin will compete in the 200 yard butterfly and the 200 yard individual medley events with Havira.

Art Eckhart will be entered in the fifty and the 100 yard freestyle events. Dick Bender will participate in the freshman diving event.

**Wilkes versus**

**Pennsylvania Military College**  
Wednesday, February 24, the Colonel tankmen took advantage of Pennsylvania Military College's lack of depth to defeat them, 51 to 44, and bring home their first win of the season.

Despite the fact that they won seven of the eleven events, the weakness which PMC had displayed against Millersville State College again proved to be the reason for their defeat.

Leading by a slim margin of three points, Carl Havira withdrew from the 200 yard breaststroke to participate in the 400 yard freestyle relay, the last event of the meet. PMC tied the score, 44 to 44, in the breaststroke event but the Colonel team of Ed Gavel, Pat Shovlin, Carl Havira, and Art Eckhart won the relay to clinch the meet, 51 to 44.

**Blitzkriegs in First; Gutterdusters Fall As Pinbusters Gain**

by John Nork

First place has changed hands so many times in the second half of the season that onlookers are led to assume that equality was the essence when the bowlers were parcelled out to their respective teams. Each team, with the exception of the Pinbusters and the Kingpins, has claimed at least once to have possessed the coveted position.

The process was repeated once again Sunday as the Gutterdusters were forced out of first by the 3-1 victory of the Blitzkriegs. In other action, the Pinbusters flattened the Flatballs, 4-0, and the Smashers copped three points from the Kingpins.

Dave Gozdiskowski, 177-515 and Fred Jacoby, 178-511 led their Blitzkriegs in their victory upset of the Gutterdusters. For the first time in a long time, Dick Myers and Dan Lewis' efforts failed to formulate in victory for their Gutterdusters. Myers had a 203-556, Lewis a 186-512.

The Pinbusters finally snapped out of a slump, and in a big way, as they took a clean sweep victory from the Flatballs. Emil Petrask showed tremendous form rolling a 222-617. Dave Sokira, the No. 2 bowler of the league, chipped in with a 203-556. The Flatballs had Jerry Chisarick and Tom Evans roll a 199-504 and 169-487, but their

## Foreign Correspondent to Speak At Next Assembly Program

by Frances Olack

Next Tuesday the student assembly program will feature Dickey Chappelle, internationally renowned woman foreign correspondent, writer, and photographer. For nearly fifteen years, Dickey Chappelle has been a "Journalist's Journalist."

Author James Michener wrote of her in his best seller, *The Bride at Andau*, "A brave and daring photographer who would go anywhere." Prize-winning writer Donald Robinson called her "the most adventurous correspondent in many a decade." When Red secret police released her after 38 days' solitary confinement, columnist Irene Kuhn said she demonstrated anew the ability of the human spirit to triumph over pressures and pain."

Dickey Chappelle has "been there" on most of the bayonet borders of the world while they were in headlines. In the past two years, she covered four revolutions, working under fire with the Hungarians, the Algerians, the Lebanese and the Cubans. She also served overseas with the British paratroops, the Arab Legion, the Turkish infantry (who once offered her a lieutenantancy), and the Mediterranean operations of the U. S. Sixth Fleet and the U. S. Marines.

In 1942, fresh from a Midwest upbringing, she became the youngest accredited American war correspondent. She covered the battles for Iwo Jima and Okinawa, wrote post-war stories of refugees and reconciliation in 14 countries of Europe and told of U. S. technical assistance in Iraq, Iran, and India.

Dickey Chappelle

### Chem Society Holds Banquet

Members of the Intercollegiate Chemical Society of Northeastern Pennsylvania held their annual banquet at the Manfield Ballroom. The dinner was sponsored this year by the College Misericordia group.

Guest speaker for the evening was Father Driesch, professor of chemistry at St. Joseph's College, Pittsburgh, who spoke on "The Orientation of Dialkylolation of Benzene."

Representatives of the college Chemistry Club who attended the affair included Mr. F. J. Salley, adviser of the club; Jim Stephens, Bernard Shupp, Raye Thomas, Carole Lowecavage, David Lear, and Norma Wentz.

## Penn State Center Downs Wilkes Team; Rematch Anticipated

by Jerry Chisarick

The college bowling team suffered its second defeat in intercollegiate bowling Sunday at the hands of the Penn State Center group. The Penn State bowlers avenged a previous defeat, 2613-2461. The record now stands at 1-1 against Penn State and 3-2 in match game competition.

Dave Sokira and Dan Lewis were high men for the losers with 516 and 515. Other Wilkes scores were: Bill Watkins 185-491, Emil Petrask 212-486 and Fred Jacoby 167-453.

High scorers for Penn State were captain "Caz" Dylo with 211-572 and Andy Chervak, 232-530. Jim Thomas had 173-477, and Bob Harcharik 173-467.

Future matches with Penn State and Bloomsburg are planned and will be announced as they are scheduled.

The intercollegiate bowling team is composed of the men having the highest averages in the Co-ed Bowling League. Anyone interested in participating in the Co-ed League is welcome to join. The only requirements are a desire to bowl and a little competitive spirit.

### BLITZKRIEGS FIRST

(continued from page 3)  
attempts were in vain.

The Smashers held on to third place, defeating the Kingpins, 3-1. John Sapiego rolled a 181-529 for the victors. Bob Licato had an unusually good evening with a 173-462. The Kingpins slipped from fourth to fifth place because of the defeat. Adam Gajewski and Jerry Kulesa were high men with 189-540 and 172-419 respectively.

Blitzkriegs — Gozdskowski 177-515, Jacoby 178-511, Ed Stofko 141-404, Jim Stephens 213-334, Bill Watkins 161-295, Bob Hewitt 142-263.

Gutterdusters — Myers 203-556, Lewis 186-512, Bernie Shupp 168-478, Lois Myers 146-397, John Rent-schler 151-378.

Pinbusters — Petrask 222-617, Sokira 203-556, Roger Cease 171-473, Tony Doknovitch 174-310, Bob Barovich 157-302, Jim Bogden 138-272.

Flatballs — Chisarick 199-504, Evans 169-487, Dick Barber 167-406, John Matthey 166-391, Carl Havira 125-315.

Smashers — Sapiego 181-529, Licato 173-462, Bernie Radecki 161-440, Mark Adelson 165-318, Andy Benoska 163-287, Marshall Brooks 120-232.

Kingpins — Gajewski 189-540, Kulesa 172-479, Tom Dysleski 193-461, Jules Heller 160-422, Joe Drozdowski 122-319.

## TDR Needs Cooperation For Successful Bake Sale

by Mary Frances Barone

TDR members are making final preparations for their bake sale at Pennsylvania Power and Light Company on Tuesday, March 8. The girls will bake the cookies with the assistance of the home economist from the P.P.&L. The cookies will be sold from 8 a.m. to 5 p.m.

The girls will prepare pineapple and ranger cookies. The cookies will be priced at 45 cents a dozen. Pre-sale orders will be taken by chairman Jane Neddoff and her committee on first floor of the cafeteria on Monday from 12 to 1.

Any girl interested in working on Monday night or Tuesday for the bake sale should contact Jane Neddoff today or Monday. Workers are needed to prepare the mixture on Monday night and to bake and sell on Tuesday.

Members are reminded that cooperation and organization are needed to make the sale a success. There is the possibility that, if there is no co-operation from the members of TDR, the bake sale will be cancelled. Chairman Neddoff has stated that there has been little interest shown so far. Another reminder is that other organizations have held bake sales which have been successful.

## Science Departments Plan High School Exhibition

by Steve Cooney

The various science departments of the college are formulating plans for the annual high school science show which will be presented April 1 and 2 in Stark Science Hall.

The biology, chemistry, and physics departments will each make contributions to the show, with Dr. Charles Reif, chairman of the biology department, acting as coordinator and general chairman of the group.

Exact plans of what will be presented at the show have not been released yet.

One show will be given on Friday evening, April 1, and one each on the morning and afternoon of Saturday, April 2. Student chairman of the affair, Bill Davis, has announced that the two-day program will be free to the high school students and also interested members of the student body.

It is interesting to note that the science show had its beginning at a time when the college did not have adequate science facilities, but the recently constructed science hall provides perfect accommodations and atmosphere for the annual show.
