Last week the authors of this column discussed some of the political aspects of the American governing. This is in time it may be wise to consider the important role of non-political individuals like the business

Gutterdusters Retain Top Spot; Pinbusters Move Into Second; Petraske High with 605 Series

The Gutterdusters tightened their grip on first place in the Co-ed bowling league Sunday night, blasting the Smashers, 4-0. The Pinbusters, who went over former second place holders, the Blitzkriegs, who now hold third place.

First and sixth places remained unchanged as the last place Flatballs whipped the Kingspins, 3-1. The Smashers are now in fourth place, the Kingspins still hold fifth and the Flatballs are still entrenched in last place.

Gutterdusters, Smashers 9

Dan Lewis, Adam Christensen, John Myers, and Vlad Petraske, 1-533, led a come-from-behind win in the first game as they tripped the Smashers, 2-301.

The Smashers had led by nearly 80 pins going into the closing frames, but saw their lead dwindle as Lewis, Myers, and Carl Beer struck out in the last three frames to ice the win.

John Simpson and Bernie Radek spotted series of 191-560 and 190-553.

Pinbusters 3, Blitzkriegs 1

What appeared to be a 2-2 split turned into a 3-3 win as the Pinbusters as a scoring error of ten pins was discovered in the third game. The Gutterdusters rallied behind two other fine series, a 605 on games of 214, 208 and 192. Dave Sokirska aided with a good 191-541. Bill Watthins had 206-547 for the Blitzkriegs and Fred Jacob added 125-532 in the losing cause.

Dave Grottke started things off with a bang for the losers with a 232 game, but failed to keep up the pace the rest of the way, finishing with a 497 series.

Flatballs 3, Kingspins 1

Jerry Christensen led the Flatballs in a 3-1 upset over the Kingspins with 204-429 while the short-handed Flatballs had four 4-544. Tom O’Day scored 184-531.

Tom “Dewey” Evans his third game of 204 also helped the Flatballs.

Dick Bartram led the Kingspins with 193.

Pinbusters 3, Gutterdusters 1

Lewis Morris led the Flatballs in a 3-1 upset over the Gutterdusters with 202-429 while the short-handed Flatballs had four 4-544. Tom O’Day scored 184-531.

Tom “Dewey” Evans his third game of 204 also helped the Flatballs.

Dick Bartram led the Kingspins with 193.

Pinebusters 3, Kingspins 1

Roy Jacobs, John Smith, and Mike Barber of the Gutterdusters are up to the bat for the season against Hofstra two weeks ago.

Coach Farrar had hopes for an early Spring season so that he could lose six of his freshman candidates who have rep- orted for the season. As a result of the continued cold, however, Farrar will pin his hopes on his six returners and two fresh- men.

Jim talk, the team’s best scorer, will be expected to hold down the number one slot against rival Drexel. Ray O’Day, Al Straka, Pete Mc- Leish and Joe Hinz will appear in the two, three, four, five and six positions respectively.

Gutterdusters for good games for Perog, Olexy, and Hoffman. The Pinbusters, who have high expectations for the season, are well-prepared for the season.

by Jim Jackiewicz
Dixieland music, a jam session, and a performance by the Kitkline of the Intenational Council dance party, "Springtime in Dixieland," will be held tonight in the gymnasium from 9 p.m. to midnight.

Mr. Paul Baird and his Dixieland combo, a well-known group in Northeastern Pennsylvania, will provide music for the first dance of the Spring season. Anyone who is interested is invited to bring his instrument and join a jam session that will start following the evening's proceedings.

Dave Peters, general chairman, and his committee are in the "Springtime in Dixieland" theme because of the music being strictly Dixieland and this being the third Friday night activity this Spring. The decorations bear out the theme further. A huge, multi-colored jazzy backdrop will be erected behind the bandstand and street lamps decorated throughout the gym, will add to the Basin Street effect. The Willes Colonels will make its appearance in furthering the Southern flavor.
The Kitkline, led by Jan Brunson, will provide an interesting diver- sion at intermission. Since the Kitkline has its own combo, for accomplishment, there will be two musical groups performing at the affair.
