Lynne Boyle Is Chosen '59 Homecoming Queen

Princesses Jean, Moncey Complete Court

Misses Jean Shofranko and Moncey Miller were chosen by the students to reign as Princesses of the royal court of Queen Lynne. The charming brown-haired beauties will accompany the Queen during her numerous visits throughout the week end of activities.

Addie more glory to the occasion, the princesses and Queen Lynne will lead the Homecoming Car Caravan in the latest model autos and at the football game they will be escorted in full military style. Glittering jewels, flowers, and gifts will complete the regal picture.

Princess Jean

Princess Jean, an attractive brown-eyed senior, is the daughter of Mr. and Mrs. John Shofranko, 141 Spring Street, Wilkes-Barre. She is majoring in secondary education, and plans to teach English and social studies following graduation.

Princess Jean is the Feature Editor on the Beacon and also the student Public Relations Assistant at the college. Her news coverage work also includes serving as Student Correspondent for WBRE — radio and television.

A member of her class council last year, Princess Jean also worked on the Anninola staff and is on the Executive Council of Theta Delta Rho.

During her days at Coughlin High School, Princess Jean was an active member of the editorial staff, the Latin Club, chorus and orchestra. She still found time to work part-time at the Osterhout Library in the city.

Princess Jean is very active in her church, where she has been teaching Sunday classes for four years. She also is a member of the church choir and a member of the church youth group, the Young People's Bureau.

Princess Moncey

Princess Moncey, lovely blue-eyed beauty, is the daughter of Mr. and Mrs. Chester H. Miller, 91 Charles Street, Wilkes-Barre. Princess Moncey is majoring in elementary education and has been an active member of her class throughout her four years at Wilkes. She was class secretary for the past three years, a council member of her class for four years, and a member of the college band during her sophomore year.

Presently she is correspondence secretary of the Education Club, treasurer of the Women's Chorus, chairman of the student assembly committee, and treasurer of Theta Delta Rho.

A graduate of Meyers High School, Princess Moncey was active in the Public Speaking Club of the school. A member of the Public Speaking Club of the college, she is currently a member of the Drama Club.

Blond Beauty Will Reign Over Two-Day Festivities; Coronation at Grid Halftime

The jeweled crown and ermine-trimmed cloak of royalty go to Miss Lynne Boyle — Miss Homecoming Queen of 1959 — who will reign over all activities during this celebrated weekend.

Members of her court will include Princesses Jean Shofranko and Moncey Miller.

Homecoming Activities Include Football Game, Soccer, Alumni Tour by Fred Jacoby

Before the Open House tonight at the Kingston Home, the alumni will tour the decorated buildings on campus. The alumni might also be interested to note the new buildings acquired recently.

Parish Hall, formerly the Glen Alden Building, and Chapman Hall are the most recent of the acquisitions. Hollenbach Hall, formerly the Placement Center, has been converted into a man's dormitory.

Plans today will include the Alumni Council meeting of the Alumni Association. A formal dinner will be held on Chase Lawn for the alumni, faculty and administrators.

A soccer game, Wilkes vs. Hofstra, will be held at 3 p.m. in Kirby Park. Later tomorrow afternoon Wilkes will meet Lansing in the Homecoming football game in Kingston Stadium.

Halftime activities will include the crowning of the Homecoming Queen and her Court. Later Saturday evening the classes of '46, '48, and '54 will hold Reunion Dinners. The times and places of these dinners were not available at press time.

The annual Homecoming Dance will be Saturday night at the Irem Temple Country Club. Dress will be informal. Seniors have been invited to this dance for a specific reason, that of becoming acquainted with the procedure of Homecoming.

Bulletin

Steve Robertson was elected president of the freshman class last night in a landslide race featuring a remarkable 85% turnout of voters who cast 327 votes.

Tom Saha was elected Robertson's vice-president. Other winners:

Treasurer, Conrad Wagner Secretary, William Hunt Student Government, Lorraine Bome, Jim Walters, Dick Barnes.

Queen Lynne, a senior elementary education major, will make her first official appearance at the bonfire pep rally tonight at 7:30 at the Hadley Township High School athletic field.

A busy weekend of activities will include parties, a parade, the football game, and several dances. A royal reception is expected for the Queen and her Court at each and every affair.

Homecoming Court ceremonies will take place during halftime of the Homecoming football game at Kingston Stadium, a parter, Dr. Eugene S. Farley doing the honors.

Queen Lynne and Princesses Jean and Moncey will receive gifts, memorable of this occasion, from the Beacon, the Alumni Association, the Board of Trustees, and Government, to mention a few.

Miss Boyle is the daughter of Mr. and Mrs. C. Wesley Boyle, and resides with her parents at 97 Park Place, Kingston. She is active in the college pep squad, Theta Delta Rho, as social chairman; a member of the Education Club, 4 years; she has been on her class council for the past 4 years; a member of the college band her first two years at Wilkes; and she was a member of the band in her first two years at the college.

A graduate of Kingston High School, Miss Lynne was president of the Future Teachers of America Club at her school during her junior year, and also a member of the National Honor Society. In 1956, she represented Kingston High School at the State Band held at Frackville, Pennsylvania.

During August of this year, the pretty blue-eyed, blonde coed was a member of the College Board established by Isaac Long's of Wilkes-Barre.

As homecoming queen this year at Wilkes, Queen Lynne was selected as the "Best Dressed Girl," and during that same year, she was nominated as a candidate for the coveted title of "Cinderella."

Though very active in campus activities, Queen Boyle still finds time to participate as unit leader in the Girl Scouts. For the past three years, she has been an associate member and waterfront director at the Girl Scout Camp.

Queen Lynne recently became engaged to Charles Austin, son of Mr. and Mrs. Kenneth Austin, 100 West Bennett Street, Kingston. No wedding date has been set; however, the immediate future for our Queen will be an engagement to Charles Austin.
Students have worked hard and long to do their part in making this weekend a success. It seems that everyone on campus has tried something to do with. From the food to the decorations, the football game to the Homecoming Committee, there is no shortage of people working hard. The Homecoming Committee has been working tirelessly throughout the past four weeks. We have done all in our power to honor these requests in order that all of the Homecoming affairs receive ample coverage. If, in some way, we have missed some coverage, blame it on the hectic times, not on intentional oversight.

Get Home Safely

Perhaps we should inject here a sober thought. We enjoy having our friends back; We must see them again, year after year. With the wide range of parties scheduled between now and Sunday evening, it is a good guess that a certain percentage of the Homecoming crowds will come from bottles. We neither condemn nor condone, we merely state a fact of Homecoming life.

For those of the celebrants who find themselves subjected to the rigors of too many liquid refreshments, may we sincerely express the belief that gasoline and alcohol form a lethal combination? A casual examination of past years shows that there have been many accidents involving Wilkes students at Homecoming time. The record looks good. We hope everyone takes special pains to keep it that way.

Hail to the Queen!

No Homecoming celebration is complete without its Queen, and the Beacon extends its heartiest congratulations to the three winners of a close, exciting ballot.

Queen Lynne adds her name to the list of five previous Homecoming Queens, and certainly none of those beauties was lessor. The tradition of beauty, personality and regal bearing is a high one to live up to.

Princess Monse and Jent complete the court and the electors have done well. Both are of rosy calibor, hardworking and sincere, perfect complements to the Queen of whom surely no one will fail to give her credit for Homecoming celebration ever held here.

We on the Beacon can't help injecting a note of personal sentiment here regarding the Miss America Pageant which was recently held. We are deeply pleased that the students recognize what we have always known, that Princess Jean is worthy of royal recognition.

Regrettably, in every election there are only so many winners. In this instance the three were chosen from a field of ten nominees. Perhaps it is best for the electors to subjects of such a difficult task; all of the runners up in the election were evenly matched. They were: Georganna Selbicka, Pat Fuehler, Lou Lou, J. H. S. H. Men, Norma Bechcraft, Beverly Butler, Jia Gore, and former princess Joan Llewellyn. When such are in a race, it is little wonder that our election was so close.

WELCOME ALUMNI!

THE BEACON SAYS HELLO AGAIN

We hope you will enjoy this Homecoming issue, and become a regular subscriber to the Beacon.

Boots Still Wireless, Test Flying Dutchmen; Havira Sparks Attack

by Donald B. Hatrock

Tomorrow the Wilkes soccermen play the first of a two-game home stand against the Flying Dutchmen from Hofstra College. The booters will be out to get their first win of the season against one tie and two defeats.

In soccer, Wilkes has a record of five wins and no defeats against Hofstra, winning the last time by a score of five to one.

In the commotion created by Homecoming, many are inclined to forget that the soccer team, too, as well as the football men, has a home game tomorrow. As far as timing is concerned, it couldn't have been arranged more conveniently; the soccer game against Hofstra goes on at Kirby Park at 10:00 a.m. and is over at about noon, leaving ample time to watch the football game in the afternoon.

The second and last game of the homestand is against Muhlenberg College on Wednesday afternoon at Kirby Park and will be the last opportunity for the student body to see the team in action.

Bucknell 5, Wilkes 2

Last Friday afternoon, the soccer team traveled to Bucknell University and was defeated 5-2, losing their first two games.

The Bucknell forwards played much farther toward midfield than is normally expected and their goals lured a good ten yards in front of the opposing teams. The defense was shaken somewhat as the Colonels outdistanced the Bison in the midfield.

Bucknell took a one to nothing halftime lead back in the third period to make it two to nothing. Carl Havira, Wilkes center forward, tied up the score with a 1-0 goal in the 30th minute.

In the last period the Bucknell team came to life and displayed their scoring ability, but the Colonels failed to utilize their first half of the game and pushed in three goals to clinch the victory.

Co-ed Bowling League Revamped; Sokira's 245-595 Leads Scorers

by John Nuck

The newly re-organized intramural bowling league opened its action Sunday night at the J.C.C. The pinball started with the Blitzkriegs taking three points from the Flatballs, the Kingpins knocking three points from the Gutterdusters, and the Smashers ending in a two-point deadlock.

Ed Stofko, with his 186-484, was high man for his Blitzkriegs with Bill Watkins helping with a 186-466. High man for the Flatballs was John Mathey with a 185-469. Jerry Chierich was stayed close behind with a 185-469.

Jerry Kulesa bowled a 188-507 for his Kingpins as they took three points from the Gutterdusters. Tules Heller aided the victory cause with a 170-450. Dick Myers, 170-515, and Dan Lewis, 310-490, were high men for the Gutterdusters.

The Kingpins' victory earned them a first-place tie with the Blitzkriegs.

Dave Sokira bowled the evening high of 245-595 for the Pinbusters with his 245-595. Petrokis added a 245-595 on his 245-595. High men for the Pinbusters were John Sapiene and Mark Adelson with a 176-513 and 181-456 respectively.

Interrumal Football League Gets Underway; Honeyeaters Win Two

The curtain opened on the 1959 Intramural football season with the Honeyeaters, Human Beans and defending champions Shawneetties as early favorites to rule the loop. A strong defensive-minded Gold Hall squad is the league's favorite.

Clint Gaveras led the Honeyeaters to victory in the season opener against a determined Hell's Yeah team, 17-0. "Jumbo John" Mathey and "Slim Ralph" Hendler played notably ends for the Honeyeaters (not "B.O." but a new, radical, offensive spread).

Berner Badocks caught the winning pass as passing wizard Gaveras threw the ball into the end zone and Badocks caught off two defenders to claim the score and victory.

The Honeyeaters' second victory came over the Demons 20-7. Once again the stern-wall defenses of "Jumbo," "Slim," and "Daddy" Badocks led the way for the win. Vince Capo started for the Demons but could not compete with the aerial antics of "Slingin' Bob" Sokira.

Colonels Meet Warriors, Seek Second Victory; Field Aggressive Line

Lycoming College provides the competition for the football team in the 12th annual Homecoming game at 3:00 p.m. tomorrow afternoon at the Kingston Stadium.

The Colonels, fresh from a victory over the Ursinus Bears last Saturday, will be out to bring their second consecutive win and have beaten Ursinus in 1958, 8-0.

Lycoming comes to town with a two win, two loss record. The Warriors have defeated Bucknell, 30-6; and American International College, 10-0; and have lost to Albright and Juniata on the past two Saturday.

For Dave Busey will present a squad of 56 players to the Wilkes fans including 12 lettermen and 38 freshmen.

"Pepperpot" guard Ed Rees, 108-second line, will lead the Warrior line again this year.

Other top performers Coach Busey depends upon are backt fruit Beniharrer, fullback Ouchkiewicz and Stanley Zebor. The latter is a native of Great Britain and has the ability to knock off sensational ball for the Warriors.

Two local products are also expected to contribute, Bill Almworth, ex-Kingston athlete, will be performing at an end position, and Joe Zoller, member of Kingstons' 1958 championship team, is winning the blocking role on the fullback side.

Last Saturday the Colonels registered an 8-7 victory over the Bisons in the present campaign, when they rallied in the final period for two touchdowns, 17-6, in the final two minutes.

The lineup for the present game was: Fred Williams, William Breshears, Dave Gozdiskowski, John Flanagan, John Hopper, Jim Freed, John Markowski, Ted Puglisi, Mike VanPatten, Dave Busey, and Frank Marcavitz.

The Colonels are expected to win the game, 18-10, for a 2-0 record.

At THELEME OF THE WEEK

"El Booto" Williams Earns Honors, Grabs Blocked Punt, Scores 6 Points

by George Tema

"Big Freddy" Williams is the recipient of this weeks' Beacon award. The 245-pound tackle was one of the major factors in the 25-15 Colonel victory over a tough DeSales University last Saturday.

One of the stalwarts of the Blue and Gold, the tackle, for three seasons, Fred was at his best on Saturday when he was the fifth man in the Bears' backfield all afternoon throwing ballcarriers for big losses and causing several fumbles.

The outstanding play of the game was Fred's in the last quarter when Fred blocked a punt, picked up the ball and raced 15 yards into the end zone for the Colonels' third touchdown.

It was his first score ever against the tackle in his college career.

Later in the game Fred again brought the fans to their feet with an outstretched throw that put Wilkes ahead at that time, 12-8.
