FRIDAY, NOVEMBER 6, 1959

Colonels Unhorse Crusaders, 12 - 7

VICTORIOUS UNDERDOGS — This is the undermanned Colonel grid team which last Saturday took on and defeated a highly-rated Susquehanna powerhouse in a surprise 12-7 upset.

First row, left to right: Paul Aquilino, Fred Williams, Ray Yanchus, Frank Spudis, Marv Antinnes, Al Dobrowski, Jim Brunza, Tom Krisulevicz, Joe Stralka, Don Eller and Barry O'Connell.

Second row: Coach Francis Pinkowski, Nick Alessandro, Ron Diamondstein, Glen Rittenhouse, Rick Rees, Tony Amato, Jerry Mohn, Tony Calore, Joe Krugel, and Line Coach George Lewis.

Third row: Bill Meneeley, Anthony Kretchko, Ed Gavel and Joseph Galli.

Absent when photo was taken: John Makaravitz, Jerry Loewen, Bill Schutter, Tony Korch.

Score Second Win As Marv Antinnes Tallies Two TD's

**Total Team Effort
Responsible for Upset
Of Heavy Favorites**

Wilkes put the damper on Susquehanna's Homecoming game as old man weather put a damper on the remainder of their Homecoming festivities. The Colonels rose on their toes and swung a mighty sabre to unseat the Crusaders in a 12-7 upset win.

Susquehanna had been riding the crest of a spectacular season, averaging 40 points per game offensively while holding the opposition to a total of 28, and had amassed a record of 3 wins against 1 loss.

Wilkes showed the signs of a truly tough competitor, though they dropped behind early in the contest, but came on strong late in the game when the chips were down.

The Crusaders jumped off to a quick lead when they scored in the first period on a run by halfback John Yanuklis around right end. The extra point was made by center Tom Samuel to make it 7-0.

The Colonels battled the rest of the first half as their offense sputtered along. Finally, with less than a minute remaining in the second stanza, Wilkes drove to the Susquehanna 18, but time ran out at that point.

The Tide Turns

The Blue and Gold defense unit really came alive in the third quarter as they pushed the Crusader attack back into their own territory where they remained for the rest of the contest.

An intercepted pass by halfback Tom Krisulevicz turned into the first Wilkes break of the game. Two plays later end Ray Marchakaitus grabbed a short pass thrown by Bill Schutter and broke away from a sure tackle going to the Crusader 6 yard line.

A penalty moved the ball to the 3 and fullback Marv Antinnes drove over for the score to make it 7-6. A pass for the extra point was knocked down in the end zone.

Wilkes came back again at the start of the final period when Antinnes grabbed off a Crusader pass and returned it to the Susquehanna 32. A series of ground plays, with Antinnes and Krisulevicz doing most of the heavy work, moved the ball to the 2. Antinnes dove into paydirt for what proved to be the winning score. Both TD's came within 5 minutes.

Defense Contains Foe

There was still 11 minutes remaining when Wilkes tallied their second touchdown, but the defensive play of the Colonels made the seconds tick off faster and faster as the Susquehanna offense bogged down deep in their own territory. The Crusaders were unable to get past their own 30 yard line in the fourth quarter, and were held to one first down during that time.

The Colonel secondary played heads up ball throughout the second half as they stifled the Susquehanna passing attack with 4 timely interceptions, three of them coming in the final frame.

The line play of the forward wall was slightly above tremendous all afternoon and the fast rushes put on by the "up front guys" made

Student Gov't Votes Scholarships; Winter Carnival Plans Discussed

by Fred Jacoby

Selection of the four students who received the Student Government partial scholarships was revealed at the Student Government meeting Tuesday evening.

The final selection of the winners was made by the Deans and approved by a unanimous vote of the Student Government. The money for these scholarships comes from the unused funds from last year's student activities budget, which totaled \$655.

The persons selected were:

Allyn Jones, a senior who is majoring in Commerce and Finance. Allyn is from LeRaysville, Pa., and is active in school activities. He is a member of the Inter-Dorm Council and the Jaycees.

James Neddoff is a graduate of Wilkes-Barre G.A.R. and resides in this city. He is a Secondary Education math major and is a member of the sophomore class.

Ronald Kryznewski is a resident of Nanticoke. He is majoring in Secondary Education and has the additional honor of having been chosen Editor-in-Chief of the Manuscript Association.

Albert Kishel was graduated from West Pittston High School. He is majoring in Commerce and Finance and has been elected president of the sophomore class.

Ideas for the Winter Carnival, which is yet in the planning stage, were also discussed. Enlarged facilities, program, and possible change of location were the principal topics discussed. Mount Airy and Pocono Manor were two of the possible locations, but other possibilities will be considered.

Last year's bad weather resulted in extremely crowded indoor facilities, since these were not intended to accommodate the huge crowd of people attending the Carnival. Hence, the prime consideration in selecting the site will be indoor

space. For people who prefer the outdoors, a larger ice-skating area and outdoor sports area will also be provided.

Blood Donor Day Friday the Thirteenth, Big Turnout Sought

by Cynthia Hagley

Friday the thirteenth, a black day for all superstitious people, will not present a gloomy face on campus this month. Instead it will give Wilkes students the opportunity to give blood to the regional Red Cross center.

The hours for donation will be from 9:45 a.m. till 2:45 p.m. Since the attendants give juice, a sandwich, and a cup of coffee to every donor, it is suggested that the students visit the center before lunch.

This Blood Donor Day will be the eighteenth since the campaign began on campus. The greatest turnout was in December of 1952 when 136 people were present. Compare this to last May's turnout of 31 students. In the past 17 collections Wilkes has given 1250 pints of blood. This averages up to approximately 73½ pints per Donor Day. The past two contributions have fallen far short of this average.

Blood can be given by any student under 21 with their parents' permission. Forms for this release can be obtained at Mr. Reese's office. Students over 21 have no such forms to fill out and may drop by at any time.

College Hosts S.E.A.P. Fall Business Parley, Plans Member Drives

by Steve Cooney

Wilkes was host recently to the Northeastern District of the Student Education Association of Pennsylvania at a regular fall business meeting.

Robert Kearns of Scranton University is president of the organization; Kathleen Purcell of Marywood, vice-president; Patricia Fushak of Wilkes, secretary-treasurer. Doris Gademan is the Wilkes SEAP Chapter president.

The agenda at last Saturday's meeting included planning arrangements for membership drives, both local and statewide; nominations of new officers, and a discussion about individual club activities.

The Northeast District of the SEAP, second largest in Pennsylvania, includes the following colleges and universities: Marywood, Scranton, East Stroudsburg State Teachers College, King's, Misericordia, Bloomsburg State Teachers College, and Wilkes.

I.C.G. Hears Brominski Discuss Youth, Politics; Plan to Go to Convention

by Mary Frances Barone

Judge Bernard C. Brominski was the guest speaker at a recent meeting held by the Intercollegiate Council on Government. The topic of Judge Brominski's speech was Youth in Politics. Representatives of I.C.G. Chapters from Scranton University, King's, Marywood, and Misericordia attended this meeting.

At the last meeting of I.C.G. the members debated Democratic and Republican issues concerning the current election.

Representatives were selected to attend the State Convention of I.C.G. chapters. This convention will be held in Harrisburg in April. State representatives will then be chosen for the national convention. I.C.G. members will sell candy at Christmas time to pay for the trip to the State Convention.

Tentative plans were also discussed concerning a three-day trip to Washington, D.C. Members will meet the Senators and Representatives on this trip.

Mrs. Farley, Enzo Liva Play Sunday Concert

**Piano-Cello Program
Second Town and Gown
Offering of Season**

by Doug Keating

The second program of the ninth annual Town and Gown series of the Wilkes College Music department will be held on Sunday, November 8, at 3:30 p.m. in the gym. The program will consist of a piano-cello recital with Mrs. Farley as pianist and Enzo Liva as cellist.

Mrs. Farley is well known in local musical circles, having served as accompanist for musical programs featuring singers, dancers, violinists, flutists, and choral groups. She has done solo performances on the piano and harpsichord with the Gies Symphonette of Wyoming Valley. Mrs. Farley also appeared in last year's Town and Gown programs.

Enzo Liva, a graduate of Juilliard School of Music, is first cellist with the string quartet. He was formerly first cellist in the San Antonio First Symphony Orchestra.

The program will be as follows:
Sonata in D minor by Arcangelo Corelli
Concerto in D major by Josef Haydn
Sonata in A major by Luigi Boccherini
Sonata in F major by Johannes Brahms
Prayer by Ernest Bloch
Apres un Reve by Gabriel Faure
Beau Soir by Claude Debussy
Sicillienne by Maria-Theresia V. Paradis

Blood Donor Day November 13

Blood Means Life

Yours Is Needed

If medical requirements for whole blood are to be met during the coming year, one out of every 20 people in the nation will be needed as a blood donor. The use of blood and blood fractions in medical practice will continue to grow as new discoveries are made. Every healthy man or woman can safely donate blood five times a year. Giving blood is safe and easy. Receiving blood means life to thousands each year. Make it a habit to donate blood regularly — give the ill and injured an extra chance for life.

Call your Red Cross chapter to learn when and where you can give blood.

Next Assembly Features Vocalists; Students Present Brilliant Program

by Bob Lutes

At Tuesday's Assembly Mrs. John Detroy and Mr. Richard Chapline will present a program of vocal music. It will consist entirely of theater music, covering the period from the 18th century to the West Side Story of 1959.

The few students who didn't attend this week's assembly missed a rare treat. Tom Hrynkiw, at the piano, and Alberta Barbini and Bob Rodham, dancing the ballet, alternated numbers.

Miss Barbini and Rodham opened the program with a classic act on a love theme. The music was Rachmaninoff's variations on a theme by Paganini.

Next, Mr. Hrynkiw played Brahms' Rhapsody in B minor. Mr. Hrynkiw's execution was so flawless that the irregularity of form characteristic of the rhapsody was hardly disturbing. The listener, with the performer and his instrument (or were they one?), ran the gamut of emotions from extreme agitation to peace.

Leaving the classical, the ballet dancers performed "La Joie de Vivre", from "Slaughter on Tenth Avenue", by Richard Rodgers. The audience enjoyed this turn more than the classical, if their applause was any indication.

Mr. Hrynkiw also tried something lighter — "Autumn Leaves". His touch on the silvery runs made the audience wonder whether it was the same song which was once so popular.

The piano music devotees enjoyed a well chosen program, and were never distracted by a wrong note. And if there was a balletomane in the audience, he was not disappointed.

Alaska is the largest of the fifty states, with an area of 586,400 square miles, but ranks fiftieth in population with 211,000 people. It was founded as a state on January 3, 1959.

Along Alumni Lines

by Marilyn Krackenfels

Bob Sutherland, '59, former letterman and swimmer, announced this week the birth of a son on October 30. He is married to the former Jean Nordstrom of Wilkes-Barre.

The couple resides in State College, Pa., where Sutherland teaches high school.

Gwen W. Evans, last year's most outstanding female graduate, was the recipient of a Fulbright Scholarship, a grant made under the International Exchange Program of the State Department. Miss Evans will serve as an English language assistant at Cours Complementaire de Filles Venelle-aux-Champs, Caen, France, probably for one academic year.

Ronald Rescigno, a 1958 graduate, is performing triple duties at East Islip High School, Long Island, New York; that of football coach of the junior high, Jayvee baseball coach at the high school, and citizenship instructor there.

Two other Wilkes graduates, B. Richard Rutkowski, and Stephen Poleskie, were among the artists who displayed their works at the American Council of Polish Culture Clubs, held at Wilkes last summer. Rutkowski graduated in 1951 with an A.B. Degree in English and received his M.A. Degree in Fine Arts and Fine Arts Education from Columbia University in 1954. Poleskie received his B.S. Degree in Commerce and Finance in 1958.

Letters To The Editor:

Mr. Editor:

As members of most campus organizations are well aware, sizable cuts had to be made in this year's budget requests because the amount of requests greatly exceeded the administration's grant.

After having attended the October 20th meeting, two questions came to mind concerning Student Government activities in this area. The first question is: Does the Student Government have power to appropriate funds specifically allocated to it for the purpose of maintaining student activities to a project that can hardly be conceived of as an extra-curricular activity?

The second question: Is there a reason why the balance of the 1958-1959 extra-curricular budget could not have been added to this year's grant, thus making available to students through their activities money taken from their tuition for that purpose?

Let us consider the first question. Does the Student Government have power to change the purpose for which funds were granted them? According to the Wilkes College Bulletin, included in the tuition fee of \$325 is a charge for maintaining student activities. This is made available to the Student Government through an annual grant.

According to the Constitution of the Student Government, Article II, Section 2, this body may draft a budget of appropriations for recognized activities. At the close of last year, a balance of \$655.88 remained in the Student Activities Fund. Evidently this money did not have to be returned to the general college fund, but remained in the hands of the Student Government, for at the beginning of the fall semester, this money was appropriated by the Student Government to form four scholarships.

While the motives of the Student Government are not questioned, the issue remains that money allotted for student activities from student tuition was used for an entirely different purpose. Nowhere in the Student Government Constitution is this authority granted.

This brings us to the second question: Why was not last year's balance of \$655.88 added to this year's grant to make all the money allotted from student tuition, past and present, available to students for their extra-curricular activities since the money is taken for that purpose? The size of the Extra-Curricular Activities grant for 1959-60 is \$13,600. The total request by organizations was \$14,919. Apparently cuts totaling \$1319.35 had to be made — and they were.

Had, however, the \$655.88 remaining from last year been used for its proper purpose, the difference might have been cut by more than one-half. This would not mean that Wilkes extracurricular activities are too big for the budget, but that maximum use is being made of available funds. This cannot be done if funds are allowed to be diverted to worthy, but not appropriate channels.

Respectfully,
Roberta Feinstein

To the Students:

As Executive Secretary of the Alumni Association, may I extend, on behalf of the Alumni Association, a heartfelt thanks for a job well done. In spite of the inclement weather, the spirit of Homecoming prevailed through both alumni and student activities and helped to make the week-end a success.

The members of the Judging Committee especially asked me to commend you for your exceptionally fine displays. The committee had a difficult time choosing the winners.

The attractiveness of your displays was borne out by the fact that traffic practically was at a standstill when I viewed the displays.

Campus Observer

GOOD TO THE LAST DROP

A coffee canteen for dormitory students will be established on an experimental basis. Coffee will be available from 9 to 11 a.m. in dormitory side of cafeteria. There are only three rules that must be observed. They are:

1. Students must remain on dormitory side when having coffee.
2. Students must remove dishes when they are finished.
3. Day students are not allowed this facility.

The purpose of this canteen is to provide coffee for dormitory students that miss breakfast. The student body must follow the above mentioned rules, or the canteen will be stopped.

PERSONAL OBSERVATIONS

Have you observed: Mr. Budd, proctor of Barre Hall, walking his dog on the River Common? . . . the maintenance men busy keeping the sidewalks clean? . . . the mid-semester reports? . . . Mr. Whitby putting anti-freeze in his car? . . . Dick Salus' nickname, "The Lover?" . . . and finally, the long, long walk from Parrish Hall to the gym?

We are happy to see that Joe Andrejko finally got a ROLO. Now maybe he will stay off our TV screens.

SCHOOL SPIRIT LIVES ON

School spirit is not dead. It is very much alive in some students. These students constitute the cheering section and other students who travel to the away games. Approximately two-hundred fifty students traveled to Selinsgrove, Pa., last Saturday. Wilkes was represented at the P.M.C. game by about two hundred students.

In these students, school spirit is a living, growing thing. But a small group cannot, and should not, represent the school spirit for this college. If the rest of the student body would only have a fraction of the spirit expressed by these few, we would not have need for a school spirit committee.

A committee can not arouse spirit where there is none. This is not to say that there is no school spirit here; rather, it is lying dormant. Let's remove ourselves from this stagnant pool of "do-nothingness."

Moral Re-Armament Seen By Student Columnists

by Michael Bianco and Gordon Roberts

THERE IS AN ANSWER

This is the first in a series of articles designed to present the issue facing the world today. This column is dedicated to presenting not who is right but what is right.

From a historical point of view many thousands of years ago there was an Ice Age, then a Stone Age, and then 5000 B.C. the world entered the Bronze Age and then the Iron Age. Only 180 years ago man harnessed steam-power and ushered in the Industrial Age. And now, today, we are in the Ideological Age. You'll only understand what is going on in the world when you understand an ideology.

An ideology is a faith which grips men and nations. It gives a philosophy, a passion, and a plan to change the world and it creates the force of people to do it. There are two ideologies bidding for the world today. One is Moral Re-Armament which believes that God's mind should control the world through human nature that has been changed; the other is communism which believes that man's mind should control the world through human nature which has been exploited. One or the other must win.

Admiral William H. Standley, former Chief of Naval Operations and United States Ambassador to Moscow, stated this point clearly when he said, "the choice for America is Moral Re-Armament or Communism." William Penn put the alternative of Moral Re-Armament or Communism explicitly when he said, "Men must choose to be governed by God or they condemn themselves to be ruled by tyrants."

A closer look at Communism will show that it is an ideology, an idea that dominates the whole of a person, his motive, his thinking, his living, and he fights with a strategy to get everyone else to live the same way. It cannot be met on the military or economic level alone but only by a superior ideology.

Moral Re-Armament is that superior ideology with a superior strategy because it meets the needs of the whole man and it is available for all men everywhere, non-communist and communist alike. It is for more than an answer to Communism.

Radio Moscow violently assailed this idea when it said, "Moral Re-Armament is a global ideology with bridge-heads in every nation in its final phase of total expansion throughout the world. It has the power to capture and change radical revolutionary minds. It is contaminating and upsetting the minds of the masses. It substitutes for the inevitable class struggle the eternal struggle of good and evil."

To bring an answer to the world's problems there are absolute standards one must apply in daily living. It is because we do not apply absolute honesty, absolute purity, absolute unselfishness, and absolute love in our daily lives that society is in danger of collapse. Why absolute? Because the world needs an authority to accept. A standard must be absolute or it is not a standard and who would want a parachute that almost opens?

To find an answer for the world the best place to start a change is within yourself. Remember — when you point your finger at your neighbor there are three more pointing back at you. The fact is that human nature can be changed, that is the root of the answer. National economy can be changed, that is the fruit of the answer. World history can be changed, that is the destiny of our age.

Absolute honesty, honest apology, is the high road to lasting peace; absolute purity, a great cleansing force through nations; absolute unselfishness, there is enough in the world for everyone's need but not enough for everyone's greed; absolute love, if everyone cared enough and everyone shared enough, everyone would have enough.

(Editor's Note: As in all cases of student opinion columns, the views expressed above are those of the individuals and not necessarily of the Beacon.)

ATHLETE OF THE WEEK

Antinnes Paces Wilkes Victory, Scores Two TD's in Big Upset

Marv "the Mustang" Antinnes' aggressive performance in leading the Wilkesmen to a stunning 12-7 victory over a heavily-favored Susquehanna squad has earned him his second "Athlete of the Week" award for the 1959 season.

The "bread and butter" man of the Colonel squad found touchdown land twice last Saturday afternoon. His bull-like charges kept Pinky's men in contention throughout the game and led the local gridders to their well-earned victory.

Although he is known primarily as an offensive threat, opposing ball carriers also respect Marv for his defensive tactics. Playing the important post of middle line backer, he leads the Colonels in their jarring line play and has proven to be deadly as a pass defender.

"Mustang's" Freshman year was spent as center but last season Coach Pinkowski realized that Marv's attributes could be utilized to a fuller extent in the backfield. This change proved to be fruitful as the Colonels received the line-backing, hard - running fullback they needed.

Football isn't Marv's only athletic prowess as he captured the 167-pound wrestling title of the Middle Atlantic Conference.

Marv is a junior secondary education major. A graduate of Forty Fort High School, he captured

district wrestling honors and also starred on the Flyers' football and track teams.

Marv Antinnes

Lewis Hits High Series To Lead Gutterdusters, Pinbusters in 2nd Spot

by John Nork

A 613 series turned in by Dan Lewis highlighted the events Sunday night as the Intramural bowlers again invaded the lanes at the J.C.C. Dan Lewis performed the almost impossible when he converted a 7-9-10 split. An uproar started as the bowlers congratulated the smiling Lewis.

This series helped the Gutterdusters move into sole possession of first place as they took a clean sweep from the Flatballs. In other contests the Blitzkriegs took three points from the Smashers, and the Pinbusters stopped the Kingpins, 3-1.

Lewis, with his 224-613 was aided by Dick Myers with his 170-467. Jerry Chisarick toppled a 192-530 for his Flatballs and was given help by Dick Barber with his 162-438.

Bill Watkins led the Blitzkriegs attack on the Smashers with a 203-566. Fred Jacoby rolled a 194-531 to aid his Blitzkriegs' victory drive. John Sapiego starred for his Smashers as he turned in a 204-531. Marshall Brooks helped with a 169-427.

The Pinbusters, being only two games behind the first place Gutterdusters, took three points from the Kingpins. Dave Sokira sparked the Pinbusters with a 192-541. Emil Petrsek helped with a 205-503. Adam Gajewski and Tom Dysleski turned in a 182-500 and 175-444 respectively for their Kingpins, but this was not enough to overcome the pinfall registered by the Pinbusters.

The scoring: Gutterdusters: Lewis 224-613, Myers 170-467, Lois Tremayne 167-449, Bernie Shupp 165-415, Carl Borr 140-401.

Flatballs: Chisarick 192-530, Barber 162-438, John Matthey 147-399, Estelle Manos 137-367, Ann Ligetti 114-316.

Blitzkriegs: Watkins 203-556, Jacoby 194-531. Bob Hewitt 194-508, Dave Godsiskowski 163-433, Ed Stofko 147-404.

Smashers: Sapiego 204-531, Brooks 169-427, Mark Adelson 137-402, Andy Benoska 167-291, Bob Licato 147-278, Bernie Radecki 132-245.

Pinbusters: Sokira 192-541, Petrsek 205-503, Roger Cease 175-472, Tony Doknovitch 154-402, Jim Bogdon 149-351.

Kingpins: Gajewski 182-500, Dysleski 175-444, Jerry Kulesa 152-410, Elva Chernow 149-379.

Sunday's games: Next Sunday the Pinbusters battle the Gutterdusters, the Flatballs meet the Smashers, and the Blitzkriegs clash with the Kingpins.

STANDINGS				
Team	W	L	Pct.	GB
Gutterdusters	9	3	.750	0
Pinbusters	7	5	.583	2
Blitzkriegs	7	5	.583	2
Kingpins	6	6	.500	3

Booters Face Gettysburg, F & M; Drop Close Contest to ESSTC

by Donald B. Hancock

Tomorrow afternoon the soccer team will travel to Gettysburg to take on the bullets in a Middle Atlantic Conference match.

The record of the Wilkes soccer men against Gettysburg over the four seasons of play between the two teams is two wins and two losses. Last year the Colonels shut out the Bullets, 5-0.

After the Gettysburg game, the team travels away to Franklin and Marshall at Lancaster to meet the Diplomats in the first match between the two teams.

In both games the Colonels will be out to eliminate their principal weakness, the inability to score. Both are MAC games and the Colonel booters will do their best to drag themselves up out of the doldrums of the bad season that is rapidly drawing to a close.

ESSTC 2, Wilkes 0

The soccer team met defeat Wednesday at the hands of a powerful East Stroudsburg State teachers outfit, 2-0.

The game was hard fought with ESSTC scoring a goal in the second period and again in the third frame, to gain the nod.

Goalie George Gacha was kept on the defense most of the contest and was credited with numerous saves as the warriors pressed the offensive attack throughout the tilt.

Elizabethtown 7, Wilkes 0

They suffered their fourth defeat of the season last Saturday when shut out by the Blue Jays of Elizabethtown by the crushing score of 7-0 on the victor's home field.

The Colonel defense managed to keep the jays at bay during the

first half of the contest allowing them only one goal. After the half-time respite, however, constant pounding by the Elizabethtown booters produced six more goals and kept the Colonel defense busy in ngning off many more.

Fullbacks Lou Davis and Bob Chew and center halfback Joe Morgan staved off many of the opposition's scoring attempts but goalie George Gacha was nevertheless kept busy with thirty saves.

This was one of the most crushing defeats handed the Colonel booters in several years. Elizabethtown won last year by a close score of 3-2. The Blue jays are having one of their unest seasons, having defeated tough Drexel Institute of Technology and is a top contender for honors in Middle Atlantic Conference play.

Wilkes 1, Munenberg 0

Last Wednesday afternoon the Wilkes College soccer team broke into the win column of the record book with a one to nothing shutout over Munenberg College on the home field in Kirby park.

The Colonel defense of Chew, Morgan, Davis, Weiss, and Zwiebel put a quick stop to the Munenberg offense, which did not give Gacha any real trouble until well into the third quarter. Goalie George Gacha played a fine defensive game as he registered his first shutout of the season. The one play was sparked by Davira, Roberts, Zwiebel, and Billings, but was frustrated in its attempts to score.

Shawneeites Rule Touch League; Human Beans Trounce Hollenback

The Shawneeites continued to rule the roost in the intramural football league by downing a strong Ashley-Butler squad, 14-0. Once again the tall men from Plymouth emerged from battle with their goal-line undented. Since Yale was upset, the Shawneeites are the only major team in the country left unscored upon.

Kenny Thomas crossed into touchdown territory first for the Indians when he took a pass from "Throwin' Tom" Pugh and crossed the goal line all by himself. "Walrus" Matthey fought off three defenders to catch a Pugh pass for the extra point. With 15 seconds left in the first half, "Rabbit" Polanowski scampered across the field three times while dodging Butler players to score the second TD. "Tosh" Karmilowicz took a pass from Walt Cielek for the extra point.

Eddie Kemps led the Ashley-Butler squad but couldn't complete with the aerial display by Tom Pugh. The Shawneeites lost several scoring opportunities in the second half when "Pumpkin" Stephens forgot his basket and had three possible TD's bounce off his fat frame.

Human Beans Score 31

The Human Beans ran all over a game, but outplayed, Hollenback team, 31-0. Running with the deftness of a professional star, "Doc" Gaito ran the Hollenback defense ragged while scoring two touchdowns. "Moose" Kosch, a standout throughout the season, intercepted a pass and resembled a gazelle for 65 yards and another Human Beans score.

Dorm Demons Win

In a closely manned game, the Dorm Demons upset the Moonshiners, 7-0, on a 70 yard run by

Len Yoblonski. Len took a short pass from Vince Capo and outlegged the Moonshiner secondary for the score.

Defense played an important part in the contest with Ken Coopey and Barnes standing out for the Demons and Bob Conway and Mike Bianco starring for the Moonshiners. The Moonshiner offense, led by Richard "Droopy" Pepe could not advance the ball and only three passes were completed.

Top contests of the season are bubbling to a head in the next two weeks as the Shawneeites, Honeymooners, and Human Beans will all knock heads.

Results:
Gore Hall 6, Honeymooners 0
Human Beans 31, Hollenback 0
Dorm Demons 7, Moonshiners 0
Shawneeites 14, Ashley-Butler 0
Standings:

	W	L	T
Shawneeites	4	0	0
Human Beans	3	0	1
Honeymooners	3	1	0
Gore Hall	2	1	1
Ashley-Butler	1	3	0
Dorm Demons	1	3	0
Moonshiners	1	3	0
Hollenback	0	4	0

Next Week's games:
Monday:
Hollenback vs. Shawneeites
Tuesday:
Dorm Demons vs. Ashley-Butler
Wednesday:
Honeymooners vs. Moonshiners
Thursday:
Human Beans vs. Shawneeites

GRIDDERS WIN
(continued from page 1)

it miserable for the Crusader runners and passers.

A final note of praise must be mentioned for the fine punting of defensive specialist Tony Amato. Tony got off one quick kick that traveled 55 yards and late in the last quarter bottled up the Crusaders with booming a 45-yarder to their 8 yard line.

Compliments
of a
Friend

They kept warning me this would happen if I didn't think of some super way to describe that absolutely unique good taste of Coca-Cola. So who's a Shakespeare? So no ad... that's bad! But, there's always Coke... and that's good!

LETTERS

(continued from page 2) plays at 7:00 p.m. on Friday. Each year, many people travel to central city to walk or drive around the campus to view the displays but, unfortunately, Mother Nature frowned on us before very many people were able to see them. In my opinion, the displays were the finest we have had.

To the queen and her princesses, go our congratulations — and our sorrow that more people were not able to see the pageantry that is so much a part of Homecoming week-end and so thrilling for the queen. We cannot help but feel that you were cheated of a wonderful experience.

To the men who worked so hard planning the Car Parade and the half-time ceremonies, go our thanks. The program was worked out so diligently and timed so carefully that it could not have been unsuccessful.

We, of the Alumni Association thank you once again for your interest and enthusiasm which made our Twelfth Annual Homecoming a complete success. I hope that next year Mother Nature will be a little more kind to us.

Sincerely, Russell R. Picton Executive Alumni Secretary

Court of Review Founded by I.D.C.

by Lee Baiera

Under the auspices of the Inter-Dormitory Council, a Court of Review will be put into operation in the next few weeks. This fact-finding board was instituted to solve problems occurring in the dormitories.

Allyn Jones, president of the Inter-Dormitory Council, has been instrumental in putting the court into operation. Skip Gladstone is the chairman of the court.

This court consists of two juniors and two seniors elected from the dormitories, the head of the women's dormitory and Dean of Women, Miss Beryl Cole, and the head of the men's dormitories, Mr. George Elliot.

The idea of the court of review was conceived in the second semester of last year and was passed by the administration last summer. Since then a charter has been drawn up.

Fund Drive Over, Gifts Still Taken

by Jean Shofranko

Although the United Fund Drive is officially over, contributions are still being accepted on campus.

In a final effort to reach the student goal of \$1500, campaign workers have placed containers at various places throughout the campus. Students are urged to give generously.

When Dr. Charles B. Reif, campus drive chairman, was questioned concerning the cause of the failure of the student campaign, he said that he was frankly puzzled. He commented that Wilkes reached its total goal of \$4000 but the success was achieved through the support of the faculty, administration, and maintenance crew.

Students are reminded that if sufficient funds are not raised, several important agencies will be unable to continue their services.

A final report of the United Fund Drive will be given in next week's Beacon.

Ed. Club Meets, Plans Film Thursday

by Steve Cooney

A panel discussion on various educational organizations was held by the Education Club recently in Conyngham Annex.

Moncey Miller and Connie Lewis presented the Pennsylvania State Education Association story, giving its aims, history, and other background information. Doris Gademian spoke on the Wilkes College Ed Club, Patricia Hemenway presented the information on the National Education Association, and Lynn Boyle introduced the Future Teachers of America Club.

The main purpose of the panel was to present pertinent background information on the functions of the various types of educational organizations.

The club has also started an FTA drive in the area high schools, and have been visiting different schools establishing Future Teachers of America Clubs.

Next on the agenda for the Ed Club is a movie which will be free and open to the entire student body. The title of the educational film is: "A Desk for Billie," and it will be presented in Stark Hall at 11 a.m. next Thursday.

Sophomore Soccer Swing Features Gorgeous Games

by Marilyn Krackenfels

Tonight in an autumn-arrayed gym the Sophomore Class will hold its first affair of the year, the "Sophomore Soccer Swing." The dance, honoring the soccer team, will run from nine until midnight, and feature the music of the Blue Notes. Admission will be fifty cents.

Joseph Shambe, general chairman, suggests that no one arrive later than intermission as the half-time activities promise to be well worth seeing. The "leg contest" planned will be open to any male volunteers, plus those entrants signed up in advance.

Prizes will be awarded for the best-looking, the ugliest, and the hairiest pairs of gams. The panel of judges will be female members of the sophomore class.

Refreshments available throughout the evening will include cider, coke, potato chips, and pretzels.

Assisting Shambe are the following committee heads: Cynthia Hagley, decorations; Thomas Kanas, music; Daniel Kowaleski, refreshments; Bob Chamberlain, clean-up; Pete Greenberg, tickets; Darius Thomas, publicity.

Miss Marita Zoolkowski and Mr. Salsburg will chaperone.

Sorority Girls Preparing For Busy Yule Season; View Make-up Exhibit

by Gloria Zaludek

A demonstration on the art of make-up application was presented at the third meeting of Theta Delta Rho held Monday evening, November 2. At this meeting plans were made for the various charity projects, and committees will soon be formed for the coming Christmas activities.

The sorority will offer its services to the Salvation Army and on December 10, from 6 to 9 p.m., will ring bells on the street corners in the shopping districts of Wilkes-Barre.

During the Christmas season the girls will present toys to the underprivileged children, and will sponsor an "Old Peoples Party" at McClintock Hall.

On December 7 a Christmas party will be held for all TDR members. The admission fee: a twenty-five cent wrapped gift. Also in December a TDR buffet is scheduled.

Manuscript Society Fills Two Vacancies

by Cynthia Hagley

The Manuscript Association filled in the two vacant positions on the editorial board at a meeting last month. Ania Symmons, freshman A.B. major, was elected Associate

Spirit Committee Plans Caravan To Boost Wilkes-Scranton Game

by Wayne Thomas

Plans for a car caravan to the University of Scranton football game on Saturday, November 14, were among several matters discussed at the meeting of the School Spirit Committee on Monday. The caravan is tentatively scheduled to leave the Parrish Hall parking lot at 8:30 a.m. All campus organizations are urged to enter at least one vehicle. A trophy will be awarded for the best decorated car.

The committee emphasized that cars need not be decorated, and anyone who wishes may join the caravan. Those who will have room in their cars for additional passengers are asked to sign the notice posted on the bulletin board. All those who need a ride to Scranton should come to the Parrish Hall parking lot at 8:30 on the morning of the game.

A police escort will accompany the caravan en route to the stadium. Proceeds from tickets sold by University of Scranton students will be placed in a fund designed to aid a hospitalized athlete. The School Spirit Committee also announced that cow bells for the Scranton game are on sale at the Student Government office for twenty-five cents.

The committee is now accepting applications for the esteemed position of Wilkes Colonel. The person chosen for this position will have the opportunity to represent school spirit at all Wilkes athletic events. The Colonel symbolizes the effort put forth by Wilkes' athletic teams. The Colonel costume will be provided by the Committee. Applications should be placed in the School Spirit mailbox in the basement of Chase Hall as soon as possible.

Jim Stephens, chairman of the School Spirit Committee, also announced that many organizations are not sending representatives to the Committee meetings. All campus organizations are urged to send at least one member to the meetings which are held every Monday afternoon at 4 p.m. in Pickering 203.

"It says here in the paper," observed the elderly gentleman, "that a man is run over in New York every half-hour." "Tsk! Tsk" murmured his wife, "poor fellow."

On viewing the ocean for the first time a little boy exclaimed, "Look, Ma, it keeps flushing and flushing."
