Model State Legislature To Meet Here

Music Department Features Abato in Clinic and Concert

by Bob Bomboy

Mr. Vincent Abato, one of this generation's foremost reed virtuosos, will appear as the guest of the Music Department on Thursday. The program, "A Day With Vincent Abato", will include a saxophone clinic and concert.

The clinic, at 3:30 p.m. in the gymnasium, will give students of the saxophone an opportunity to meet with an accomplished virtuoso and discuss problems of technique and performance.

In the evening, Abato will be featured in a concert at the Irem Temple at 8:30 p.m.

Works by Creston, Glazounov, Bonnar ("Caprice En Forme De Valise"), Bach ("Vivace from Fifth Sonata"), Vellones, Bozza, Ibert, Saint-Saens ("The Swan"), and "The Flight of the Bumblebee", some of the most difficult music composed for the saxophone and works that were first performed and recorded by Abato will be included in the program.

Born in Wilmerding, Pennsylvania, Abato received his early training at the Peabody Conservatory of Music and completed his studies at Julliard School of Music where he is now a member of the faculty. Abato is one of the few artists in history to achieve an eminent reputation on three instruments—saxophone, clarinet, and bass clarinet.

His recordings of the Ibert and Glazounov Concertos for saxophone and orchestra have won him the highest praise from the world's critics and reviewers.

Appearing with the finest symphony orchestras, Abato has been directed by such distinguished conductors as Leopold Stokowski, Howard Barlow, and Percy Faith.

In addition to his activities as a concert saxophonist and record artist, Abato is deeply interested in music instruction and presents clinics and instructional concerts throughout the United States.

Assisting the maestro in his performance will be Lalan Parrott, one of the most outstanding interpreters of contemporary music for the piano. Miss Parrott, a scholarship student of Rosina Lhevinne, also studied at the Julliard School of Music. In addition to her concert recitals, she has made many first performances of new music, notably at Yale, Harvard, and Princeton University.

Tickets for the concert can be obtained the night of the performance at the Irem Temple ticket office for 50 cents.

JAZZ CONCERT APPROACHES

The sophomore class will sponsor a jazz concert featuring the Dave Brubeck Quartet on Saturday, April 8, in the gymnasium. The doors will open at 7:00 p.m., and the concert will start at 8:30 p.m.

Also featured in this concert will be Paul Desmond, alto saxophone player. General admission price is \$2.00 per person, and reserved seats are priced at \$3.50 per person. A list containing the names of those people from each class who are selling tickets will be posted on the bulletin board. Tickets may be obtained and returns made every Friday at noon in Pickering 101.

General chairman of the concert is Brent O'Connell, sophomore class president. Assisting him are the following: publicity, Mark Levy and Ron Sebolka; tickets, Conrad Wagner; arrangements, Ted Begun and Owen Hunsicker.

Manuscript Fine Stands; Student Govt. Upholds Activities Regulations

by J. L. Shilanski

After considering an appeal made by Kurt Roberts, president of the Manuscript Society, the Student Government voted to uphold its previous verdict. The Society will be fined twenty dollars for failing to comply with the Student Government's policy on the submission of an activities form for all open functions held on campus and for not obtaining permission from the organization which had been awarded that particular calendar date.

The Manuscript Film Society neglected to file the proper forms for the showing of *The Idiot*, which was held February 24, the same evening as the Lettermen's Cherry Tree Chop. However, no definite date has been set for final payment of the fine and the society still has the prerogative to refer this decision to the Court of Appeals.

At Monday's meeting plans for the forthcoming Spring Weekend and the Cinderella Ball were also discussed. The Weekend of May 12-14 has been chosen and will begin with the Cinderella Ball on Friday evening. After much discussion a motion to make the attire for this dance formal was carried by a 9-4 majority.

Herbie Green has been engaged to provide music. Price of the tickets will be \$2.00 per couple.

It was announced that a Student Leaders Conference will be held on March 13 in the cafeteria beginning at 6:30 p.m. All student leaders are asked to attend this meeting, at which will be discussed topics of interest to all.

Two new committees were appointed. Mike Bianco will head a committee to be known as the Student Organization Evaluation Committee. Plans are being made to conduct a survey on student leadership here on campus, and it is expected that this survey will continue into next semester.

The other committee formed Monday night was a Committee to study the parking facilities and to see what can be done to alleviate the parking problem. Betsy Hoeschele was appointed chairman of this committee.

Plans for a joint meeting or seminar of the Wilkes and King's College Student Governments to be held in the near future were also discussed. It was decided that topics of mutual concern should be considered.

It was noted that the Student Government Office has recently been redecorated and a suggestion to send a letter of appreciation to members of the crew will be enacted.

Betsy Hoeschele reported that arrangements for Student Government Pins had been made. This year's pins will be engraved with the words Student Government rather than Student Council.

Jim Walters, treasurer of the organization, moved to transfer the necessary funds from the Student Government treasury to the treasury of the Collegiate Council for the United Nations so that the club might attend the Model General Assembly, to be held in New York later this month. On Sunday the Northeastern Regional Intercollegiate Conference on Government Model State Legislature will convene on campus. Arrangements for the conference have been made under the direction of Miss Betsy Hoeschele, permanent chairman. Miss Hoeschele and Michael Bianco, Northeast Regional Director, are shown above.

Similar conferences will be held in each of the other districts of the state including southeastern, center, southwestern and northwestern parts.

Schools sending delegates to the northeastern assembly are: East Stroudsburg, Bloomsburg, Hazleton campus of Penn State, Keystone Junior, King's, Kutztown, Lafayette, Lehigh, Lycoming, Mansfield, Marywood, Misericordia, Moravian, Scranton, and Wilkes.

Delegates numbering 125 to 200 are expected to attend. Those planning to arrive on Saturday will be greeted by a reception at Chapman Hall, under the name of "Hillbilly Party" and will be housed on campus overnight.

The conference itself will begin on Sunday morning with registration at 9 a.m. in Stark Hall. Coffee and donuts will be served to delegates at this time.

From 9:45 to 10:15 the Executive Committee will be in session. This meeting will include the nomination and election of Regional Speaker, Clerk and Parliamentarian. Mike Bianco, junior political science major, is a candidate for the office of Regional Speaker with a large bloc of votes pledged to Wilkes.

The Speaker's main job is to preside at the general assembly. Also at the Executive session, the proposed Constitution for the region will be discussed and voted on.

Syracuse University were also made available.

Immediately preceding the business meeting Bill Davis, parliamentarian of the Student Government, led the group in a workshop on parliamentary procedures.

Activity forms accepted this month were as follows: Manuscript Film Society, showing of *Little Fugitive* to be held in Stark Hall March 17; Senior Class Sham Rock Dance, March 17 in the gymnasium; Chapman-Ashley Dormitory to be held in Chapman Hall on March 11; and the Sterling-Barre Dormitory, April 28.

After the Executive session the Legislature will meet. For this session, each delegate will be assigned to one of five committees. These committees will be: Labor and Industry; Health, Education and Welfare; Highways, Transportation, Agriculture, and Natural Resources; Judicial and Congressional Reapportionment; and Taxation and Finance.

Each committee usually introduces and debates three bills concerning its particular area. All of the bills have been written by the students themselves. Bills are then sent to the General Assembly for discussion and vote.

Dinner will be served to the delegates in the cafeteria after adjournment of the Legislative session.

At 1:30 the General Assembly will meet to debate and vote on the bills returned from the Legislative Committees. Dean George Ralston, Mayor Frank Slattery, and representatives from the Democratic and Republican caucuses were invited to address the General Assembly by Mike Bianco, Northeastern Regional Director.

This conference is being held in preparation for the State Convention of the I.C.G. in Harrisburg, to be held on April 13-15. The purpose of the organization is for the students to learn government by participation.

Members present at this month's meeting were: Betsy Hoeschele, Beverly Major, Bill Davis, Mike Bianco, John Hosage, Rich Rees, Carol Thomas, Ted Begun, Lorraine Rome, Jim Walters, Tom Schaffer, Lou Coopey, and Fred Smithson.

As an added touch just to show that the Student Government is not made up of a bunch of "dead heads" who lack humor, Mike Bianco moved that a sympathy card be sent to President John Hosage in consideration for his administrative problems. The motion was unanimously carried.

Sophomore Class to Kick Off Jazz Concert; Shubert Gives Album

by Mary Frances Barone

"Koncert Kickoff", sponsored by the sophomore class, will be held tonight from 9 to 12 p.m. Mary Regalis, chairman of the affair, announced that the dance will be a campaign kickoff for the forthcoming Dave Brubeck Concert.

One of the highlights of the dance will be the appearance of Bill Shubert, disc jockey of the popular show, "Shubert's Alley". He will emcee the intermission activities of the affair, including the awarding of a Dave Brubeck album. The award will be made by drawing from the ticket stubs.

Following the presentation of the album to the winner, Bobby Baird and his combo, who are providing the music for the evening, will present a jazz session. The musical program will feature dixieland and jazz selections.

Assisting Miss Regalis on the committees of the dance are the following: Elaine Adams, tickets; Rosalie Kackauskas, band; Phyllis Cackowski, June Patrylak, and Mary Jane Prischak, general arrangements; Myrna Fischman, publicity; and Mary Frances Barone, refreshments.

The price of admission is the usual fifty cents.

Junior Class Launches Dinner Dance as First Social Function

The Junior Class will sponsor a dinner dance on Saturday, March 18, in the Rose Room of the American Legion Home, Post 132, 45 N. River St., Wilkes-Barre.

The tickets are \$3.50 per couple and can be obtained from Rachael Altavilla, Judy Butchko, Louise Gatto, Pat Riviello, Carol Thomas, Wayne Thomas, and Joe Shambe.

A turkey dinner will be served at 7:30 p.m. Music for dancing will be provided by Frank Reynolds and his band from 9 p.m. until 1 a.m.

All juniors are urged to attend. All ticket returns should be made to Joe Shambe, junior class president, on Monday, March 12.

Wilson Fellowships Awarded To Future College Professors

PRINCETON, N.J., March 10—The Woodrow Wilson National Fellowship Foundation today named 1,333 students from 381 colleges and universities throughout the United States and Canada as Woodrow Wilson Fellows for 1961-62, the largest number ever elected by the Foundation in its 15-year search for prospective college teachers.

In announcing the 1961-62 winners, Sir Hugh Taylor, President of the Foundation, estimated the total value of this year's awards at \$3,000,000.

The fellowships cover the first year of graduate study and are meant to encourage the newly-elected fellows to consider college teaching as a possible career. Nominations for these highly-competitive awards are made by the students' professors. Screening of candidates also is done by 15 regional committees drawn from the academic profession.

Winners were chosen from 10,453 nominees, representing a 21 per cent increase over last year and a five-fold increase since the program was expanded in 1957 by a \$24,500,000 grant from the Ford Foundation.

"The unprecedented increase in the number of nominees," Sir Hugh said, "has enabled us, after the keenest of competitions, to recruit young people who possess the highest qualities of intellect and character, and particularly those who had never thought of a professional career, or at least were undecided about it."

More than 23 fields of study, nearly all in the humanities and social sciences, are represented by this year's winners. Those in mathematics and natural sciences represent 15.9 per cent of the total. The winners, of whom 28.2 per cent are women, will be enrolled in 90 different graduate schools in this country and Canada.

The Foundation accorded Honorable Mention to 1,614 others. A list of their names, fields of study, and their undergraduate colleges has been sent to the deans of all graduate schools in the United States and Canada and to the Foundation's faculty representatives on 1,126 campuses. On the basis of past experience, the Foundation anticipates that most of those winning Honorable Mention will receive alternate awards either directly from universities or from other organizations.

Dr. Hans Rosenhaupt, National Director of the Foundation, noted the following points about this year's competition:

1. Larger numbers are turning to college teaching as a "prestige" career despite opportunities to earn more in other fields.
2. More students of outstanding ability are being recruited from hundreds of colleges indicating the high quality of education in many lesser-known schools.
3. Candidates are choosing their graduate schools on the basis of their own needs rather than the general prestige of the institution. In consequence, their choices of graduate school represent a larger list than ever before.

In addition to the awards for first-year graduate study, the Foundation annually makes subvention payments totalling nearly \$2,000,000 to the various graduate schools where Woodrow Wilson Fellows enroll. Three-fourths of the fund must be used for second-year awards to graduate students regardless of whether they are Wilson Fellows. The remainder may be used at the discretion of the graduate schools to improve library facilities, raise faculty salaries, provide counseling services, or otherwise to improve their program of study.

Since the Fellowships program began, the Foundation has elected a total of 5,608 Woodrow Wilson Fellows, including those announced today.

'Manuscript' Sets Dates For Literary, Art Work Deadline

At the recent meeting of the Manuscript Association, the membership considered the possibility of extending the deadlines for the acceptance of manuscripts and art work. It was decided that the deadline for art work will be extended until March 31 and the deadline for manuscripts until April 8.

These deadlines must be met if the publication is to be ready for distribution on campus during the third week of May.

Students wishing to submit manuscripts may give their work to any member of the Manuscript Association or may drop their entries into the Manuscript mailbox near the back door of the Library.

Students interested in having their art work published may either give their contributions to the Manuscript members or submit them to the art department where they will be kept until the judging of art work to be held in Conyngnam Annex on Tuesday, March 21.

The election of works to be published will be left to the discretion of the editorial board.

Students are reminded that prizes will be awarded at the Awards Assembly to the students who have submitted the most outstanding contributions in the fields of poetry, the short story, the essay, and art.

Manuscripts already submitted are presently on file in the Library where members may read and evaluate them at their leisure upon presenting the librarian with proper credentials as bona fide members of the Manuscript.

ART CLUB PLANS TRIP

Campus art enthusiasts will visit several of New York City's art museums to discover what Emerson meant when he said: "Every genuine work of art has as much reason for being as the earth and the sun."

Approximately forty-one students, including members of the Art Club in search of great masterpieces, will tour the Guggenheim Museum, the Frick Collection, and the Metropolitan Museum of Art.

At 5 a.m. Saturday, March 25, they will embark for New York where they will spend the day viewing the various exhibits, and will leave from Port Authority Terminal at 11 p.m. the same evening.

Chaperones for this Art Club trip will be Mr. Frederick Krohle and Mr. James Eidam, both of the library staff. The club is a newly formed campus organization which has created attractive posters publicizing affairs for campus clubs and organizations, among other activities.

Notice to all people making the New York trip: the deadline for the dollar deposit is today, and the balance of the transportation fee is due next Friday. All returns are to be paid to Jerry Zezza.

ACCOUNTING CLUB VISITS WISE POTATO CHIP PLANT

Members of the Accounting Club were guests of the Wise Potato Chip Company last Friday. The students, led by Leonard Reese, toured the Berwick plant and business offices.

The tour began in the conference rooms of the firm with a showing of a film on the actual production of potato chips. The students then proceeded to the general offices where they observed the various procedures and techniques used by the business offices. The most interesting aspect of the tour was the operation of the IBM "Ramac" computer which analyzes and retains production data with its electronic memory.

A visit to the Internal Revenue's district office in Scranton in the near future is the next field trip on the agenda for the Accounting Club members and their guests.

STUDENT SKETCHES

Percussion Virtuoso Plans to Further Education in Music

by J. L. Shilanski

While rambling about the campus this week, looking for a likely subject, who we could immortalize in the annals of the Beacon, we came across a percussion virtuoso, lurking in the gables of Gies Hall. He is none other than Harry S. Owens, a senior music education major, who as rumor has it can play anything you can hit and get quite a bang out of life doing it.

Owens, a resident of Forty Fort, Pennsylvania, has been beating the drums for more than ten years, and is the winner of the DeWitt Music Award, presented annually by the Forty Fort High School to its outstanding music student. He is the son of Mr. and Mrs. Evan Owens and the eldest of their three children. He has a brother who is a freshman at Wesleyan University in Connecticut and a younger sister.

Immediately after graduating from high school in 1957 Harry entered the Music Education curriculum at Susquehanna University. He transferred to Wilkes after his first semester and has since become a valuable asset to the growing Music Department here on campus.

He is president of the Concert Band; Secretary of the Collegians; Secretary of the local chapter of the Student Music Educators National Conference; a member of the Mixed Chorus; Percussion Ensemble; and the Wind Ensemble. He also participated in both the Wilkes-Barre and Scranton Philharmonic Orchestras and last year he was one of six Wilkes students who performed with the Pennsylvania Intercollegiate Band at Drexel Institute of Technology in Philadelphia.

Early in April Owens will give a lecture-recital with the Percussion Ensemble. He plans to enter graduate school next year, but is presently undecided whether it will be the Eastman School of Music or the Pennsylvania State University School of Music. He eventually hopes to teach instrumental music at secondary education level.

When asked if he would again consider Wilkes for undergraduate training he replied that he would, and has enjoyed his years spent here. He observed that many improvements and changes have taken place, particularly in the Music Department, since he came to Wilkes. He commented that a new building would be beneficial to the department and that better facilities would help to attract more

Harry Owens

music students to the college.

Harry has been a member of the Musicians Union for more than four years and has helped to finance a large portion of his education by playing with various local bands. Last summer he and five other Wilkes students along with one "outsider" organized a band and played at a well known resort in the Poconos for the entire season. He described this as a "vacation with pay".

In reply to questions about his likes and dislikes and his personal thoughts on music, he stated that he preferred Contemporary Classical and Jazz stylings. He feels that the future trend in popular music will be away from "rock and roll" and back to big bands. He also believes that there will always be some form of popular or dance music, but that these forms will be distinctly separated from the classical types.

It is of his opinion that the college music department has greatly enhanced the cultural growth of the community with its student recitals and Town and Gown Concerts.

Community Art Events Scheduled For Students' Participation

by Robert S. Evans

During the Spring semester Wilkes and the Wyoming Valley community will experience a sudden burst of activity that can be referred to as "cultural". Because of the many events that will be taking place, a list and summary of the activities will be found every week in this paper.

Scheduled for this evening, March 10 is College Misericordia's Theatre 3 presentation of the Boston Opera Company in their production of "La Boheme". Curtain goes up at 8:30 at the Irem Temple.

Lightweight Takes Class Crown, "Outstanding Wrestler" Award

123-Pounder Defeats Defending MAC Champ In Finals at Moravian

In the wrestling tournament at Moravian last weekend Brooke Yeager emerged not only as champion of the 123 pound weight class but as the outstanding wrestler of the tourney. He was awarded this honor in a poll of the coaches of the 18 teams entered. This marks the second time he has been named Beacon "Athlete of the Week", having gained it earlier in the wrestling season.

A 1959 graduate of Meyers High School, he was regional wrestling champion twice and while at Wyoming Seminary won his weight class championship at the annual prep school tournament held at Lehigh University. A sophomore biology major, Brooke can be looked to in the future to provide the same outstanding performances he has turned in this season.

Playboys Ice Down Lead; Bankovich Narrowly Misses League High

In intramural bowling competition Sunday evening, the Playboys cooled off the red-hot Boozers as they administered a 4-0 whitewash on the team which last week established one of the highest team totals in the league's competition. The Playboys' record now stands at 14 wins and two losses for a .875 percentage and a lead of 5½ games. Bill Watkins maintained his league-leading average as he bowled a 176-521. Butch Kaplan led the Boozers with 165-483.

Playboys: Watkins 165-521, Tom Dysleski 186-518, Mary Fox 149-412, and Jim Pace 140-370.

Boozers: Kaplan 165-483, Ed Roos 168-447, Bob Smith 173-405, Howie Williams 136-382, Regina Ritzie 137-379.

Screwballs 4, Alley Cats 0

The Alley Cats had to forfeit four points to the Screwballs because of a shortage of bowlers. The bowling which the teams did do affected only the players' averages and not the team scores.

Screwballs: Bob Hudock 189-496, Jerry Kulesa 140-391, and Barry Shevchuk 149-384.

Alley Cats: Jerry Zeller 161-440, Al Johnson 134-381.

Tornados 2½, Pinbusters 1½

The Tornados went into a second place tie with the Pinbusters as they won the first and last games but had to settle for a tie for total pins. Jerry Chisarick rolled a 204-513 for the Tornados and Jack Turner was high man for the Pinbusters with 212-515.

Tornados: Chisarick 204-513, Bob Hewitt 184-452, Frank Machung 140-382, Bev Gillette 133-322, and Joan Balutus 110-292.

Pinbusters: Turner 212-515, Emil Petrsek 172-452, Ed Stofko 138-388, Pat Capers 111-222.

Ebonites 2, Gutterdusters 2

Dave Sokira fired a big 210-574 for the Ebonites as they split with the Gutterdusters. Paul Bankovich recorded a 225-552 for the 'dusters. A miss in the final frame kept Paul from establishing a new league high game.

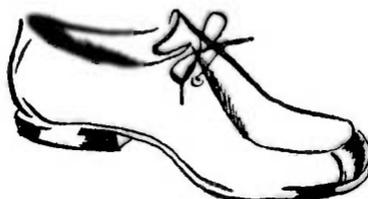

Ebonites: Sokira 210-574, Bob Schechter 150-432, and Roger Rymer 168-432.

Pinbusters: Bankovich 225 - 552, Dave Guss 168-451, John Niznik 173-445, Jerry Walters 156-422, and Judy Powell 117-320.

Yeager, Strayer, Antinnes Take Titles in Fifth Straight Win

The wrestling team clinched its fifth consecutive Middle Atlantic Conference championship last weekend in the annual tournament which this year was held at Moravian College in Bethlehem. The team won the title by a slim margin of three points, scoring 78 to Lycoming College's 75. Coach Reese's wrestlers went into the finals with the three point edge and kept it to take the title.

Three men came off with the championships in their particular weight classes: Brooke Yeager in the 123 pound class, Marty Strayer in 157, and Marv Antinnes in the 177 pound class. Brooke Yeager not only won in his division but came away from the tourney with the Outstanding Wrestler award.

The squad started off strong, each man except Bob Herman surviving the preliminaries and the quarter-finals. Herman lost a 3-2 decision to Bill Abele of Ursinus in the preliminary round. Abele went on to take second place, losing in the finals to defending MAC champion Mike Pacilio of Gettysburg. Mike Armstrong, Harry Vogt, and Ted Toluba were all eliminated in the semi-finals. Armstrong and Vogt were defeated in the consolation bouts and thereby took fourth place in their weight classes while Toluba won his consolation bout to gain a third place berth.

Marv Antinnes, hampered by a sore bandaged elbow, was extended somewhat by Charles Kuntzelman of Muhlenburg before emerging with a 4-2 decision to clinch the title for the second year in the 177 pound class. Marv was 167 pound champion in his sophomore year.

Dick Stauffer, the other Colonel defending champion, was defeated by Kehrig of Lycoming in the finals, 2-0. Kehrig worked a reverse on Stauffer in the second period to gain the winning margin. Last year Stauffer had defeated Kehrig in the finals to win the championship in the same 130 pound class.

Marty Strayer, displaying his outstanding form and consistency, defeated Turner of Moravian in the final bout, 5-4. Strayer thus finished the season unbeaten in eleven trips to the mat, having only a draw in the Moravian meet to mar his record. The most pleasant fact about Strayer's performance this year is the knowledge that he is only a freshman, and it is hoped that his fine wrestling will continue on the same scale in the future as it has this year.

In taking the 123 pound championship, Brooke Yeager not only had the satisfaction of winning, but of wreaking revenge on his opponent for having defeated him in last year's tournament. Don Hannon of Hofstra was the defending champion and Brooke had beaten him in regular dual meet competition during the season and was looking forward to defeating him in the tournament. His honor as outstanding wrestler came as a result of the voting of the coaches of the 18 teams entered in the tourney.

Gavenas, Roski Lead Cagers in Finale 83-68 Win Over Rider

The basketball team finished its 7-14 season on a good note as it defeated Rider College, 83-68, at Rider last Saturday night. Team co-captains Clem Gavenas and Ron Roski were playing their final games and came through in fine fashion. They accounted for 47 points between them and Roski hauled in 18 rebounds, just three short of the Middle Atlantic Conference record in that department.

Harvey Rosen, leading foul shooter in the nation, continued his torrid scoring as he scored 24 points. He completed 12 of 13 fouls as the Colonels enjoyed a good night in that department. Rider had the edge in the field goal shooting and actually lost the game at the foul line as they made only ten out of 33.

Three of the Davismen hit the 20 mark in scoring: Ron Roski had 26, Rosen 24 and Clem Gavenas 21. Tom Pugh had eight and Steve Gerko four to round out the Colonels' scoring for the evening.

Collegians Sing for Students In Thursday's "Happy Hour"

A program of varied musical selections will be presented by the Collegians at Thursday's assembly program at 11 a.m. in the gymnasium. The male chorus, under the direction of Robert Eike, junior music major, has performed on numerous occasions for various college and community groups.

Thursday's program will include "Brothers Sing On" by Grieg, "The Creation" by Richter, a Fred Waring arrangement of "O Brother Man", York's "Once to Every Man and Nation", a medley from Rodgers and Hammerstein's "The Sound of Music", and "Blow the Wind Southerly" by Arnold.

In addition to these, three numbers featuring soloists from the group will also appear on the program. These include: "Russian Picnic" by Enders with solo by Ray Nutaitis, "Songs of the Sea" by Stanford featuring Dick Probert as soloist, and Wagner's "Shenandoah" in which Don Jones will have the solo part.

Walter Umla, a junior music major, will accompany the group.

The officers of the Collegians are Mickey Wheeler, president; Robert Evans, vice-president; Harry Owens, secretary; Dave Meinster, treasurer; and Dave Lear and Robert Kundreskas, librarians.

EYEGLASS DRIVE PROGRESS

The Economics Club's annual eyeglass collection campaign is proceeding on schedule and collections have been good. Jim Allen, chairman of this year's drive, reports that students on campus and the public in general are contributing generously.

According to Allen every type of spectacles has been received from monacles to the fanciest bi-focals of today. Contributions have been made in boxes especially provided for that purpose; the containers last week were placed on campus and members of the Eyeglasses Committee personally manned pick-up stations on Public Square.

The eyeglasses contributions were spurred last week by a display on Public Square by the American Optometrics Society.

Students who wish to contribute discarded spectacles will find containers in conspicuous places on campus next week.

EXCHANGE WEEKEND

All students who are interested in attending the exchange weekend at Hampton Institute, April 21-23, please sign the list posted on the main bulletin board.

Hillbillies, Country Customs Featured at Back-woods Dance

(Photo by Hancock)

Break out the jugs and come a-runnin'; the still is operating in Chapman Hall tomorrow night! Word comes to us that this illegal operation will be accompanied by refreshments and by plenty of stomping to a real live band at the Hillbilly Party sponsored jointly by Chapman and Ashley Halls.

The party will shake the rafters of Chapman Saturday night from 9 to 12. Everyone is invited to the gala affair and is, of course, expected to dress in the proper Hillbilly attire. A donation of 35 cents will be collected at the door. Ashley Hall will enliven the brawl with a surprise entertainment to be presented at intermission. Modesty forbids us to speculate on what this might be.

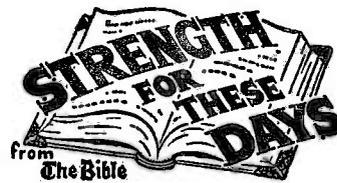

Students from neighboring colleges, on campus for the regional convention of the Interdormitory Councils, and numbering around 200, are expected to attend the affair.

Shown above are a group of lost hillbillies who stumbled into the 'Beacon' office on Tuesday night on their way to Chapman Hall. We took this picture to show you what to expect.

PERSONALS

Miss Linda Renner of Massapequa, New York, student at Wilkes, has announced her engagement to Mr. Louis Ferrair, student at Notre Dame, of Rockville Center, Long Island, New York. The couple plans to be married on August 26 of this year.

Mr. Jay Olexy, Editor of the Beacon, is at home recuperating from a recent illness. We all wish him well.

When we want to learn about agriculture, architecture or any other subject, we turn to someone with special knowledge in that field. How much more important is it, then, that we turn in prayer and study to the Creator to learn how to live in His universe.
