Cinderella... Again

The Wilkes College Student Weekly

Vol. XXV, No. 26

WILKES COLLEGE, WILKES-BARRE, PENNSYLVANIA

ATHLETIC CON’C Coordinator for Second Consecutive Year

Marv Antinnes, the first Colonel athlete to gain national recognition for his prowess, was unanimously named the BEACON’s “Athlete of the Year,” TDR holding this week as membership of the newspaper’s sports staff. It marks the second consecutive year he has been so honored.

Antinnes’ name will be engraved on the permanent trophy that is kept in the lobby of the gym and he will be presented with a similar replica for his personal possession.

Antinnes was named Most Valuable Back of the Colonels this past season and was the recipient of the Gallagher’s Memorial Award for two consecutive years, the first time the latter award has been given the same man two years running.

Wrestling, however, partly because of the record of the team itself, turned out to be sport in which he seemed most outstanding. Entering into the season with the same enthusiasm he had exhibited on the gridiron, he won all of his nine dual matches. For his second consecutive year he was runner-up in the 175 pound class at the Wilkes Open and once again claimed first place in the “Rose Bowl” of wrestling and both times he was decimated by West Point’s Alinikoff.

To finish off the wrestling season he won his weight class at the MAC Tournament, despite the fact that he was wrestling with an infected, heavily bandaged elbow. It was the third MAC crown won by the good-looking “Mustang.” He won the 1960-61 title in his sophomore year and as a junior he came in first in the 177 competition. In March, 1960 he entered and won the 177 class in the small college division to finish off the highly successful 1960-61 campaign. Captain of the 1960-61 mat squad, he was also cited with the Howie W. Davis Trophy last year for all-around excellence.

As a finale, at the athletes’ banquet in March he was presented with the 1960-61 “Sportsman of the Year” award for superior and record-breaking performance in intercollegiate wrestling. His record in four-year competition includes 36 victories and only 10 losses. Of the 36 wins have been consecutive, 19 of which were in a single campaign. He also contributed 146 team points, breaking Jim Ward’s old record, to aid the Colonels in their current string of 29 consecutive victories.

Other winners of the Beacon awards in the past years are: George MeMahon, ’61, Paul A. Sage, ’60, Mike Dydo, ’60, Jerry Krasa, ’61, and Richard M. Basch, ’60.

Panel Group Discusses S.A. Views on Apartheid

S.A. views on apartheid were the subject of a recent panel discussion sponsored by the Student Assembly. The panel was composed of members of the Student Assembly and representatives of the African National Congress, the South African Students Union, and the United Nations.

The panel members were: Dr. A. R. M. Berridge, President of the South African Students Union; Mr. J. G. M. Nkomo, President of the African National Congress; and Mr. J. N. M. S. Nkomo, Secretary of the United Nations.

The panelists discussed the current political situation in South Africa and the role of the United Nations in promoting peace and understanding.

Letterman Slopp... To SHINE!

Get your shoes shined today for the Cinderella Ball! The Letterman’s Club is sponsoring a Shoe Shine Day today behind Chase Hall at 12 noon. Proceeds from the day’s work will go toward the scholarship which they award each year.

Chairman Broome Yeager and all the other Lettermen will personally polish and shine all shoes, regardless of their color or condition.

Ward, Carl Van Dyke, Jim Ferris, John Gavenas, Mike McFadden, and Parker Petralia.

Antinnes’ name will be engraved on the permanent trophy that is kept in the lobby of the gym and he will be presented with a similar replica for his personal possession.

Letters to the Editor

Dear Editor:

Certainly no one, after witnessing the showing of "Operation Abou

tine", could possibly come away from that discussion coerced one way or another.

Those who contend that Ameri
can society has lost its basic moral tone have misunderstood the basic idea behind the film. The film does not present a clear-cut answer. We may all find fault, and once we realize that there is no right or wrong in our society, we need not worry about what other people think. The film is a wake-up call that we must all face in order to help preserve our society.

At the same time, I think that the comparison between the films is a bit misleading. While both films deal with the same topic, they approach it from different perspectives. "Operation Abou	
tine" focuses on the individual's responsibility to society, while "The Bedford Incident" looks at society's responsibility to the individual. Both films are valuable in their own way, but they should not be viewed as direct comparisons.

I hope that the debate surrounding these films continues, for it is through discussion and open-mindedness that we can find solutions to the problems that face us.

Sincerely,

[Signature]

Jan Bronson, Busy Senior Cofd, Has Proud Record of Activities

by Jerry Shlianski

Vim, Vigor, and Vitality

That's how you get through school, according to Jan Bronson. After all, she has been a three-year president of the Student Government Association, and obviously those are not Jan's personification of this philosophy.

In the fall, Jan has come to be known as a spirited spark in the current campus society. This term has become as true as any other of the friendly label bestowed on her by her friends...

Jan is a member of the Delta Delta Rho Sorority, a member of the Education Club, and a major member of the Student Senate. She was elected vice-chairman of the Student Activities Committee and was the instigator in the formation of the "Best-Dressed" Section.

This year she is president of her sorority, and has been elected a member of the senior class executive board of the Student Senate. She also helped her cause considerably last year, when she was elected chairman of the Student Activities Committee.

In her free time, she enjoys reading, playing tennis, and attending parties with her friends. She also enjoys spending time with her family.

Jan has plans to continue her education at the University of Michigan, where she plans to major in Business Administration.

In conclusion, Jan Bronson is a true example of what it means to be a successful student. Her hard work and dedication have helped her achieve her goals, and she continues to set a good example for others to follow.

Many Activities Planned

For Senior Class Outing

The Intramural Softball cham-

pionship game between the women's and men's teams was held this afternoon when the Old Timers and Rowdies met in a "battle of the undefeated." Both squads kept their records intact this week by scoring impressive victories.

A home run in the eighth inning led the Rowdies to their 11-0 victory over Golfe. Glenn Johnson popped third baseman for the Row-
dies, and the ball got up Miller's head in right field to score the winning run. The game was a very close one, with the Rowdies winning 11-0. Golfe struck out 12 Birmi-
inners, but the Rowdies scored nothing in their final at-bat. The winning hitter also helped his cause by hitting a two-run single, which tied the score. The winning hitter also helped his cause by hitting a two-run single, which tied the score.

The first no-hitter of the season was won by Don Gooch as the Old Timers beat the Rowdies 5-0. Gooch, who pitched a two-hitter, got all the hits in the third inning. He struck out two, walked one, and allowed no runs. He also struck out two, walked one, and allowed no runs. He also struck out two, walked one, and allowed no runs. He also struck out two, walked one, and allowed no runs.

This year's edition of the Rowdies is led by Bill Smith, who was named the Most Valuable Player of the league. He also had a strong showing in the batting and fielding categories. The Rowdies are not ranked among the top teams in the league, but they are certainly one of the most talented teams in the league.

The next game of the season will be held on Saturday, September 15th, when the Rowdies travel to face the Scranton Yankees at 2 p.m.

Bisons Make If Third Straight; Colonels Place Tenth with 718 Score

Bucknell continued its dominance of the Middle Atlantic Golf Conference by capturing the MAC tournament championship crown for the third consecutive year in the twelfth annual tourney held Monday at Irem Temple Country Club in Dallas.

The Pinbusters clinched the touney championship. Their four-man team posted a 36-hole total of 487 to win by four strokes over Lehigh University which posted a 581.

Coach Farrar's four-man team found the going rough and ended the day's play with 718 to place four strokes below the 18 entries. Last year the Colonels ended in 16th place in a field of 18. The host Wilkes team consisted of Al Stralka, Dick Bolles, John Adams, and Bob Janusko with Stralka posting the best card with rounds of 86 and 71 for a total of 157. The Playboys, led by co-captain Bob Ettweiner and Curt Mull, shot well on the last nine holes to edge Lehigh and the University of Delaware for the title. At the midway point of the tourney the Bisons trailed Franklin and Marshall by a single stroke but the F & M golfers faltered on the rainy afternoon round to fall out of contention.

Michael Turlib of the University of Delaware won the Ron Stuart Memorial Award. The 36-hole low score of 152 with rounds of 77 and 75. Turlib putted well on the afternoon round and in spite of a steady drizzle shot 75, just three over par. Rob Goodman of Albright matched Turlib's performance but dropped a double bogey on the 16th hole in the morning round to end the day with 104. Mike Reynolds of F & M faltered in the afternoon and after leading the golfers at the 18-hole mark ended the day with 106 at third place.

Looking ahead, Januszko, an accomplished individual golfer, will lead the Colonels next season.

Cheerleaders Chosen by Gloria Zaidin

After weeks of spring training—jumping, screaming, running, twisting, and recuperating—six cords have arisen as newly elected cheerleaders to join the present squad.

The two girls chosen as regular members are Mary Ann Foley and Gail Roberts. The substitutes who will cheer at home soccer games are Pat Brady, Lorraine Dyers, Joyce Glavine, and Jane Woolbert. These girls will replace the senior cheerleader, Bonnie. The squad—Judy Alinikoff, Pat Capers, and Marina Jatiulitis

Returning to the cheerleading unit will be: Captain Ruth Boorom, co-captain Rachael Altavilla, An- Linda Paonessa, and Carol Thomas. Several organizational innovations are being considered for next year. The constitution is being re-written; the band will post a freshman flash card section in the offering; and the cheerleaders are hoping to get new navy pleated skirts.

Other fall plans include an early assembly and kick-off dance to introduce new members and to acquaint the freshmen with the cheerleaders.

Baseball, College Outing Fill Rest of Weekend Activities

The second annual Spring Weekend under the sponsorship of the School Spirit Committee will commence this evening with a punch party on Chase Lawn from 12:30 p.m. until 3 p.m. Arrangements for the punch party are being made by Theresa Dezel, with the help of John DiMascio.

This evening will be highlighted by the Student Government Cinderella Ball to be held from 6 p.m. to 1 a.m.in the gymnasium. The announcement of the card chosen to reign on Cinderella will be made at the stroke of twelve. The choice of Cinderella is the result of student voting which took place on campus several weeks ago.

On Saturday afternoon at 3:30 p.m., the Spring Weekend Carnival will begin in the Parrish Hall parking lot. Booths will be set up by many campus organizations and groups.

The Carnival committee is composed of Robert Hotlick, George Gavina, Jim Jones, Ted Begun, and Patricia Lota.

A car caravan will leave the Parrish Hall parking lot at 1 p.m. Maps indicating the route to Rummage's will be available at registration and at the carnival on Saturday.
