Miss Beverly Major Selected Homecoming Queen For 1960

Betsy Hoeschele, Janice Bronson Reign with Queen

Both Are Active In Campus Clubs

by Wayne Thomas

Miss Elizabeth Hoeschele and Janice Bronson have been chosen to reign as princesses of this year's Homecoming festivities. The two charming senior co-eds will reign along with Queen Beverly Major over the many activities scheduled for this weekend.

The princesses with Queen Beverly will lead the Homecoming car caravan to the Wilkes-Urnes football game on Saturday afternoon. In addition, they will make appearances at other Homecoming events including the Underclassman Dinner Dance on Saturday evening.

The princesses will also be presented with numerous gifts from the Alumni Association, the Student Government, and the Beacon.

Princess Betsy

Princess Elizabeth Hoeschele is the daughter of Mrs. Elizabeth Hoeschele, 346 Brookwood Street, Harrisburg. While on campus, she is a resident of Weiss Hall.

An active participant in many campus activities, the blue-eyed, bruntette is secretary of I.C.G in her sophomore year, Northeastern Pennsylvania Regional chairman in her junior year, and is now permanent chairman of that organization. She has also attended state and regional conventions and state conferences.

She has been a member of the Student Government and is a member of various committees of that organization. She was also chairman of the Goddess selection committee last year. A member of S.A.M. and C.C.U.N., Miss Hoeschele has also served as School spirit representative and social chairman of Weiss Hall. She was vice-chairman of the School Spirit Committee in her junior year and was a member of Delta Nu Society and her class executive council during her freshman year. She was also a member of the Beacon staff.

Princess Betsy is the current secretary of the Court of Review, a position which she also held in her junior year. She has been a member of the Student Assembly Committee for the past three years and served that group in the capacity of secretary in her junior year and president for the first semester of her senior year. As a member of the T.D.K., Bella Bronson was chairman of her Big Sister program in her freshman year. She has also been active in class activities having served on her class council throughout her four years at the college.

Miss Hoeschele also serves as Mr. Bidell's assistant in the library. She is seeking a bachelor of arts degree in English at Wilkes and plans to go on to graduate school.

Princess Janice

Miss Janice Bronson is a member of the faculty of her senior class council, won two varsity letters in sports, and was president of the Booster Club.

She attends St. Mary's Church in Wilkes-Barre, is a member of St. Catherine Laboure Church in Harrisburg and is a former member of its Society of St. Joan of Arc. She is also a former member of the Girl Scouts.

During the summer, she works as a playground instructor and also has been employed in the Catkills and the Poconos.

Senior English Major Serves On Three College Periodicals;
Shows Interest in Music, Sports

by Cynthia Hagley

Miss Beverly Major, bruntette, blue-eyed coed, will reign over this traditional weekend as "Homecoming Queen of 1960." Princesses Elizabeth Hoeschele and Janice Bronson will be members of Queen Beverly's court.

The Queen will receive the vestments of royalty at the coronation ceremonies before the Homecoming football game at 1:45 p.m. They will take place at Kingston Stadium, and Dr. Farley will officiate.

Bonfire, Dance, Soccer Begin Weekend Agenda;
Alumni Activities Set

by Jerry Shlanski

Homecoming, the college year's most spectacular weekend, begins tonight, climaxing weeks of eager anticipation and preparation.

The first activity on the agenda is the traditional bonfire and the burning in effigy of a rival Ursinus ball player. The first will blaze at 7 p.m. behind Baldwin's Electrical Company, Pierce Street in Kingston this evening.

Returning from the bonfire, the students' attention will be focused on the numerous Homecoming displays erected on campus by clubs and organizations. In past years these elaborate displays have gained renown throughout the community.

The judging committee, headed by Sander Yelen, will award trophies Saturday afternoon. The winners, in four categories, include sororities, dormitories and Theta Delta Phi Sorority; men's dormitories and Alpha Xi Delta; and the best overall display, which will be awarded Saturday night.

Immediately following the viewing and judging of the Homecoming displays, the "Warm-Up Party" will be held at which the alumni may renew old friendships.

The informal atmosphere of an open house will prevail when the alumni entertain at the Carousel Motel this evening. Leonard Mulroney, in charge of arrangements, has arranged for the new alumni theatre group to hold a brief meeting at this time.

Festivities continue bright and early Saturday morning, beginning with the 8:30 soccer match against Lycoming College at Athletic Park. During the half-time break a tug-of-war match will be held between freshmen and upperclassmen to determine the strength and unity of the male cheers.

An alumni executive council meeting is scheduled to be held at 10 o'clock in the College Commons. The members of this group will discuss plans for next year's activities.

The luncheon recess will consist of an alumni family picnic to be held on Chase Lawn.

The car carnival will begin its parade to the Kingston Stadium at approximately 1 p.m. Formation of the parade will begin at the Carousel Motel.

Activities

Queen Beverly and Princesses Elizabeth and Janice will give special attention to all Homecoming activities. The first occasion for their royal presence will be the bonfire, the popular event of this evening. They will accompany the car caravan to Baldwin's Electrical Company Motel and from there to the Warm-Up party at Alumni Motel. The Queen will reappear on the field to lead the Homecoming court as it parades onto the Stadium.

Queen and the two Princesses will receive gifts from the Alumni Association at 9:30 p.m. They will also be present at the annual "Undergraduate Dinner," which is held in honor of the Junior Class. At the Alumni Dinner-Dance at the Irem Club this evening, Miss Major and the two Princesses will be hostesses to the alumni.

Miss Major is editor-in-chief of the Irem Club and was editor in her junior year. She has also represented the Student Government for two years, a member of the Mixed Chorus and Madrigal Singers for her junior and senior years.

Member of the basketball team for three years, Queen Beverly was also a member of her class executive council for two years, and a member of the Girls' Chorus in her senior year.

She was named "Come and Meet Up" during Freshman Orientation Week this September and has joined the Manuscript Association.

Queen Beverly is a member of the Lehman Methodist Church where she is a choir member and president of the Youth Fellowship group.

Miss Major is a graduate of Lehman's Honesdale High School. She served as class treasurer for three years, and was president of the band and chorus in her senior year.

She will begin student teaching next semester, and plans to attend graduate school upon receiving her degree. Queen Beverly and her court are looking forward to a weekend packed with activities.
We are extremely proud of the students' choice for this year's Homecoming Queen and her lovely court. In our estimation, it is ideal representative of a growing, young college attempting to achieve the peak of excellence. For her, herself, with her sparkling personality, fine qualities of leadership, and a burning desire to do well in any she attempts, presents an outstanding impression of herself and of Wilkes College.

We were delighted as well with all of the other nominations. Several of the Outstanding Students would have been ideal representatives for this occasion, as all possess royal qualities.

Welcome Back!

Once again it is the Beacon's pleasure to welcome back to our campus our alumni and to wish them a very enjoyable Homecoming weekend.

We hope that by this time you have had a chance to see the unique and original displays erected by the students. If not, be sure to take a tour of the campus, and we are sure that you will find not only the exhibits, but also will revel in the beauty of a rapidly expanding campus.

All of the clubs, classes, organizations, faculty, and administrators have been putting out their best for the Student Foundation Fund. If you have not obtained a copy, the "Alumnus" is bound by two colorful reproductions—Kathy Hall and the McClintock Hall lounge. The contents contain faculty glimpses, alumni news, and the latest happenings brought into effect this year as well as some proposals for the near future. The centerpiece contains some beautiful— and we might say difficult—artwork, which I am sure you will find delightful.

The whole job is certainly a credit to those responsible for its appearance. It is a near certainty that the college is to gain much from it, perhaps some new friendships because of the impression of growth—scholastically and socially—"which the Alumnus" gives.

A Statement of Policy

It has been brought to our attention that an explanation may be in order concerning our plans for presentation for the current political series, "Presenting the Issues." We are coming up with this wish ONLY to fairness to the parties concerned with the writing of the column.

As we announced in the first issue, it was originally decided to run the series alternately, alternating deals with some of the fine issues which seem to attract most of the attention of the two major political parties. This plan has now been changed with the presentation of the presidential election.

The Republican side will wind up its discussion of foreign policy this week. Next week, the Democrats will finish the discussion of foreign policy. For the final issues preceding the election on November 8th, the two articles in opposition on one topic of discussion will appear side by side. The final two topics for discussion will be selected by the opposing parties.

Presenting the Issues

This is the third in a series of articles concerning some of the issues prevalent in the current presidential campaign.

by Steve Robertson and Glen Beebe

Editorial—A Deserving Trio

Dear Editor:

As of today the student participation in the United Fund Drive has passed the 50 per cent of the cent of the goal of $1200.00. This is an excellent start. However, I would like to tell the Wilkes students have another half day to work toward their goal. This, too, can be accomplished.

Thus far certain clubs, dormitories, and other student groups have made significant contributions, in part, as they consider the possibilities of their plans. All other dormitories, classes, and clubs are urged to make their United Fund contributions. It is received so that a daily progress report can be sent to the Commons can be accurate.

Awards will be made to the leading unit in each class as explained in a previous issue of the Beacon.

Presidents of dormitories, clubs, and classes are responsible for organizing their students to respond to this annual appeal for funds.

Freshmen, especially, have been brought to my attention as being a little uncertain of their plans. At the last dance, held last Friday, promises were received for the seniors to return to the $127.70 already reported. Such contributions are completed.

The United Fund appeal has been sparked by a real awareness of the needs of others, of 36 United States, and the world. This is a humanitarian work that they are now asked to bring into a local, individual, is contacted, want you respond with a one dollar contribution to the United Fund. This agency for one year. It isn’t much, but it’s a big check when someone “pitches in.” Such response an individual can be proud of. Hope you will do your part. I am your brother’s keeper? Sincerely,

Robert E. Gordon
Executive Secretary

Dear Editor:

I would extend my sincere appreciation to the student body and to those of the Junior Class who signed, and also to those who signed for the first time in the recent election for Student Government Representatives.

With greatest regard for those who elected me, I wish to serve all students, not only those who approached me in person, to the extent as a member of the Student Government.

I am sure my colleague, Rick Kee, joins me in expressing his this week, I wish to continue to serve the student body.

Sincerely,

Michael Biscoe
Representative

Student Government

Dear Editor:

Once again as the school season gets underway, we have the foot steps from the door, the ringing of phones and inquiries by any of the other buildings which are most familiar to all students.

Very few of the participants enjoy those daily jaunts at express because of the tolerance to the different times that the individuals have set.

By the time one gets from one end of the campus to the other, not much has changed since the first bell is set. By the time one gets from one end of the campus to the other, not much has changed since the first bell is set.

The writer realizes that it would be hard to allow more than ten minutes for these jaunts, because others could dismiss the students at the same time, and all the bells required to ring at this hour. Then instead of having to be changed four times between periods, everyone would be able to attend one minute before the other and would have ample time to make his daily roles.

Respectfully yours,

Ronald Davidson

Letters to the Editor...
LETTERS TO THE EDITOR
(continued from page 2)
October 6, 1960
Dear Editor:
A major point in Mr. Nixon's campaign is about the issue of the country and the other party. There is a certain amount of truth in this, but the partit
consequences. The facts of the situation are just as he says, and the distinguished people who are interested in national and local politics have
revised this error.
Mrs. Nixon is the close personal assistant to Mr. Nixon in his work, and she was personally responsible for the campaign.
Mr. Nixon, who is a free-lance artist, recently returned to this area after working for some time in Europe. He is currently living in Florida, Paleishek had the opport
Southeastern states, especially the Bahamas and to Cuba, where he viewed first hand the effects of the Cuban Missile Crisis.
Paleishek's prints are currently included in shows in Miami Beach, Florida, and by the Morris Gallery of New York City. Paleishek's work was selected for the 1960 art show at the Metropolitan Museum of Art and was exhibited in the show.
The jury for the exhibition consisted of Mr. Robert Trust, Mr. Nelson, Director of the Museum of Modern Art, and Mr. Robert Bamberger, Assistant Director of the Metzler Gallery, New York City.

Kanner to Address Psy-Cha. Soc. Club
by Mary Frances Berre
The Psychology - Sociology Club held its second meeting on Tuesday evening, October 11, in the 204 Student Building. Mrs. Kanner, chairman, called the meeting to order. The program for the evening was announced. The program was approved and the club was adjourned.

One-Third of Campus United Fund Goal Met; Only One Week Remains
by Ros Detrichen
The Homecoming Drive and campus has already netted the sum of $8400. This surpasses the amount collected last year. The Campus Board of Directors, in a good indication that the college is meeting its goals for the United Fund.
The clubs, dorms, and classes are separated into divisions and there will be prizes awarded to the dorm and class who has contributed the greatest amount. Contributions should be brought to the second floor of Chase Hall as they are given to the student representatives of each division.

Mr. Nixon is an accomplished artist and is also a versatile talent. He has contributed to the art department and is also an accomplished exhibitor in the show.

The Junior Boys' debate will be on the theme of "The future of student government." They will be asked to make a speech for and against the statement: "Student government should be abolished by the college and replaced with a student body council." The debate will be held in the Commons, Friday, October 14, at 8 p.m.

Boaters At Home Against Lycoming

Bowling League Opens; Gutterdusters and Pinbusters Start Strong

The bowling league went into full swing Sunday night and the Pinborders and Gutterdusters emerged victorious and appear to the be the two teams to beat. Emil Petrowski took individual honors with a big 294-750 for the Pinborders while Paul Bankovich turned in a 230-450 for the Gutterdusters. Some fine split conversions were turned in by Dave Guz, Ed Stoffo and Chuck Kirchner.

Good scores are beginning to appear, but a few of the veteran bowlers are having difficulties maintaining last year's averages. Sam Book, a newcomer to the league, took over high average from veteran Bill Watkins by one pin, 1087 to 1066, for the first six games.

Pinborders — Petrowski 284-575 and Harvey Stambler's 167-461 led the way in the 4-0 victory of the Pinborders over the Boaters. Pat Shevlin with 167-461 and Regina Nettie with 116-242 were high for the Boaters.

Boaters — Shevlin 167-461, Stambler 167-461, Chuck Kirchner 146-422, Howard Williams 150-395, Jim Walters 130-300.

Gutterdusters, Tornado — Paul Bankovich with 203-489 and Dave Guz with 197-461 led the Gutterdusters to a 4-0 victory over Jerry Chiararoli's Tornado. John Helle was high for the Tornado's with 169-435 and Chiararoli was next with a 163-435.

Playboys, Screwhails — Bill Watkins and Tom Dyslelski led the Playboys to their 3-1 victory over the Screwhails with Watkins scoring 184-503. lvor Mose with 151-503 was high mark for the Screwhails.

Jerry bowlers: dusters.
be full swing Sunday.

Soccer Captain Zwiebel Earns Award; Scores Goal, Sparkles Line

For his stellar performance in leading WILKES RIVER STATE 2-0 victory over Lycoming College, Zwiebel was chosen recipient of the Beacon's 'Athlete of the Week' laurel. The speedy center-forward scored one goal, set up another and led the Colonel offense throughout the contest.

As this season is considered a year of rebuilding for the soccer squad, coach Jim Ferris has placed the bulk of the attack on the shoulders of Zwiebel. He responded in good fashion and the senior captain has been the leader of the team's offensive wall throughout the early part of the season.

In his most recent contest against Lycoming, he displayed his soccer ability by dribbling and passing the ball through the Lycoming backfield with little opposition. In the third quarter he took a pass from Jim Nedoff, carried it around the fullback and drove home the score with left foot boot into the opposite corner of the net. In the final stanza he carried the ball through the entire Lycoming backfield and set up Clyde Roberts for the winning goal.

The ball displayed by Zwiebel on the field cannot be fully appreciated until one stops to think that he never played the sport before coming to Wilkes. He has won letters in soccer the past two years and last season led the team in individual scoring.

As a graduate of Meyers High School, he is majoring in Business Administration, is active in campus activities and is President of the Letterman's Club.

Defense Excels as Ferrismen Defeat Lafayette, 3-2

by I. M. Tyred

When League athletic activities will start early tomorrow morning when the Lycoming Warriors invade the Kirby Park soccer field to meet the Colonel squadmen. Game time for the match has been moved forward to 9:30 from 10:30, the time originally scheduled.

Game against the Wilkes boaters to a 1-1 deadlock last year. This season the Warriors have essentially the same team back and a good game is anticipated. The only changes in the Wilkes team are having their initial victory of the season last Saturday afternoon when they downed a strong Lafayette College team, 3-2. The Blue and Gold legs scored early in the contest when inside front Frank Lepeck netted the point on a pass from Pete Eckert. This goal stood up throughout the first half as top defensive play by fullback Chuck Weiss and Irwin Gueze and goalie Bob Onistro kept Lafayette attempts to score.

The Colonel boaters scored against Tom Triby in the third period when halfback Jim Nedoff stole a pass from the Lafayette line and set up Zwiebel for the second Wilkes goal. The Leopards came charging back in the last minutes of the contest, but Joe Bookman scored on a top-yard penalty kick.

Throughout the remainder of the third quarter the defensive play of Bob Chornesky and Tom Triby kept the ball deep in Lafayette territory but the Ferrismen were unable to score.

The fourth quarter was evenly divided with both teams of Wilkes and Zwiebel dribbled the ball through the Leopard backfield and set up Jim Chornesky for the 3rd goal. The Leopards charged back with and with three minutes remaining in the contest, Braden scored the last Lafayette goal. Lafayette tried to recover the ball again in the last minute of the third period but the aggressive play of the Colonel backfield and inside front Dick Duffy, Walt Frankowski, Ed Stoffo, Zwiebel, Jim Ferris and Colonel Ed Stoffo kept the ball in Leopard territory.

The Colonel boaters scored against Tom Triby in the third period when halfback Jim Nedoff stole a pass from the Lafayette line and set up Zwiebel for the second Wilkes goal. The Leopards came charging back in the last minutes of the contest, but Joe Bookman scored on a top-yard penalty kick.

Gridders After Third Straight Against Ursinus

Blocked Punt, Intercepted Pass Hurt In 12-0 Home Opener Loss to P.M.C.

Tomorrow the football team takes on Ursinus College in the intercollegiate game to be played Monday, October 14, at 7 p.m. in Kingston Stadium. The Colonels defeated Ursinus in last year's game by a score of 25 to 12 and in 1958, 6 to 0, and will be out for their first win of the season in order to get their record over the Northern Division of the Middle Atlantic Conference.

The Colonels rank behind Upsala College and Scranton University after having been defeated by Penn- sylvania Military College last Saturday in their home opener, 12-0. Ursinus was defeated, 20-12, by Johns Hopkins last Saturday and also has yet to post a victory in MAC competition.

The Ursinus Bears are a young team, with four or five freshmen on the starting line and, like Mor-avian, is building with an eye to the future. Their quarterback, Emmert, can throw accurately for 50 to 65 yards. The Wilkes gridiron will be without Marv Anthinnes for the third consecutive game. Anthinnes is still recovering from a knee injury. Linebacker Antinnes suffered another blow Saturday when halfback Jim Brun- zan twisted his knee in the P.M.C. game. The extent of the injury has not been determined. Brunz in- treatment for subduing the swelling. It has not yet been determined how long Brunz will be able to play in tomorrow's game.

Last Saturday afternoon the gridiron were thronged with Cadets of Penn Military College, 125. A blocked punt and a pass interception by P.M.C. Dick Dundeus proved to be the game's turning point, as the Cadets were no match for the home-openers. Dundeus's pass in- terception and subsequent runback of 25 yards to score for P.M.C. brought him ECAC recognition and he was named a guard on the ECAC All-East team of October 8.

The Colonels threatened early in the game as they took the Cadets' opening kickoff and drove it to Cadet 51-yard line before they were forced to punt. At Dobrowolski's punt was blocked and was recovered by Bob Thomas picked up the loose ball and carried it to the Wilkes 35 before being bailed down from behind the line. The Wilkes line held the attack for three downs, restricting P.M.C. to an eight-yard gain to the 27. The Cadets' fourth down with two yards to go for a first, Cadet quar- terback Bob McFarren completed a pass to his left halfback Allen Brewster for the Wilkes eight, where he was brought down. Two plays right halfback Wait Crates plowed through the line from the one for the touchdown. The remainder of the points was after touch.

Intramural Football Starts; Paid Officials Are Still Needed

The 1960 intramural touch foot- ball season got underway this past Tuesday with the remaining games listed below. All games start promptly at 4:15 on the first saturday. Each game should last approximately an hour and a half, considering a number of time outs and a halftime smoking break.

John Reese has announced that umpires are needed for the games. A fee of $1.00 will be paid for each game. Anyone interested has been asked to contact Mr. Reese as soon as possible.

View from the Sidelines

Another semester is upon us and the fall sports program has al- ready swung into high gear before this column could make its first appearance. Football coach Francis Pinkowski and his assistant, Mike Dyo, have been working the team hard, developing a series of forma- tions and plays all of which Pinkowski says the opposition has not seen yet.

The Colonels have been hit hard by Marv Anthinnes' injury. His absence has forced Pinkowski to shift players about in an effort to mount a strong offensive while maintaining the strong defensive line. The injury to halfback Jim Brunz's knee labels him a question mark as far as tomorrow's game is concerned.

A testament to the gridiron's line came from Moravian quarterback "Jaybo" Williams. In private conversation following the "Rounde victo- ry over Wilkes, he stated that the Colonels have a very strong line and that Moravian had not expected such spirited resistance. The key to a successful season now seems to be in the avoidance of injuries and in Pinkowski's ability to develop a strong offensive attack out of the available material.

Incidently, as an added incentive to the gridders in tomorrow's game, Tom McHale of the Bostonian Shoe Department of The Hub has announced that he will give a pair of Bostonian shoes to the member of the team who makes the longest run against Ursinus.

Soccer coach Jim Ferris has admitted that in soccer, 1960 will be a year of rebuilding. The boosters were hit by graduation last spring with the loss of Carl Haviar, Joe Morgan, Lou Davis, George Gacha, Charles Billings, and Ron Simms. However, the team has come a long way since the start of the season and has greatly improved.

We had our first opportunity to see the Ferrismen in action last week during the Stevens game. The principal weakness of the team appears to be a lack of cooperative teamwork. An overeagerness to get to the ball regardless of where it was and a failure to effectively cover the Tech linemen were the weak points of the Colonels.

The sports doubleheader which highlights tomorrow's Homecoming activities will provide the student body with chances to see both teams in action. Soccer gets underway at 9:30 and football at 2:00 p.m. One might be inclined to shrug off soccer on the grounds that he doesn't understand the game.

It is simple, much simpler than football and its incessant biddies, time-out periods, and accompanying headgear and armor. The object is to kick the ball as far as possible. The key to winning is to get the head, foot, knee, chin, kicking it, but without deliberately picking up the ball and throwing it, the goalie being the only member of the team who may handle the ball.

We hope that as many as possible will attend the games tomorrow. Athletics at Wilkes needs a definite boost from the student body. There can be no incentive to win unless the teams feel that the student body is interested in them and can be assured of its support.

agreement of both team captains. Makeup dates for postponed games will be November 15, 16, and 17, at the team chosen by the championship on November 21 between the top team in each league. In the schedule listed above the "late entry" will be filled by a team composed of the residents of two men's dorms.

This is the B-52. Advanced as it may be, this airplane has one thing in common with the first war-galleys of ancient Egypt—and with the air and space vehicles of the future. Someone must chart its progress. 

For certain young men this presents a career of real executive opportunity. Here, perhaps you will have the chance to master a profession full of meaning, excitement and reward...as a Navigator in the U.S. Air Force.

To qualify for Navigator training as an Airman Cadet you must be an American citizen between 19 and 26\(\frac{1}{2}\) years of age, healthy and intelligent. A high school diploma is required, but some college is highly desirable. The successful completion of the training program leads to a commission as a Second Lieutenant and your Navigator wings.

If you think you have what it takes to measure up to the Airman Cadet Program for Navigator training, see your local Air Force Recruiter. Or clip and mail this coupon.

There's a place for tomorrow's leaders on the Aerospace Team.
