Music Department Program Features Martin Friedmann at Next Assembly

Mr. John Detroy, head of the college music department, recently announced that the faculty members of his department will present a recital for one of the students assemblies again this year.

The date for the recital has been set for December 2, the first day of the Yuletide season.

The program this year is under the direction of Mr. Martin Friedmann, instructor of string instruments here at the college. He has been performing as a known soloist on the violin. Accompanying him on the piano will be Mrs. Eugene S. Farley, wife of the college professor.

The three violin selections chosen by Mr. Friedmann for his recital are: G. P. Handel's "Sonata No. 4 in D Major," Ernest Chausson's "Prelude, Chaconne, and Polonaise in Old American Folk Dances" of Bela Bartok.

Mr. Friedmann has been with the Wilkes music department for the past three years. During this time he has also gained local recognition through his work with the Wilkes-Barre Philharmonic Orchestra and its institute concertmaster of the Philharmonic.

In addition to being a member of the college music faculty, Mr. Friedmann is affiliated with the faculty of College Misericordia, and the Juilliard School of Music in New York City.

He began his violin training at the age of eight in his native city of Wilkes-Barre. After coming to America he continued his musical work and upon graduation from high school he received a scholarship to the famous Juilliard School of Music in New York City.

This Carnegie Hall performance preceded Miss Tourel's appearance as soloist with the Boston and New York Philharmonic under Leonard Bernstein. Seniors: Notice! Mr. Zawadski and Mr. Whitby announce the following:

The first two women's assemblies to be held this year took place Tuesday, November 1, and was sponsored by Theta Delta Rho. Janice Broone opened the assembly by welcoming the women to the first meeting of this kind on the campus. She then introduced Mary Jean Sackhale, supram, and Pat Iota, also, who sang the dacty from Tchaikovsky's opera "Queen of Spades" accompanied by Carol Ann Zor.

Phil Carole, president of Theta Delta Rho, introduced Dean Cole. Miss Cole spoke first on the qualities and ideals women students in the Wilkes should hold highest.

She then related her hopes for the future which include several changes in the organization to the campus. One would be a chapter of the Associated Women Students' organization, another an international organization dedicated to the education of women.

After the college has a Phi Beta Kappa chapter, it might also be organized a Mexican Women's Society. This is an honor society for foreign women and membership is on a basis of scholarship and contribution to the college through leadership.

The next women's assembly will be held March 21.

Members of the faculty and students are shown, above, enjoying the festivities at last year's "Near Bier Brawl." The event proved to be such a success that plans are to hold it on an annual basis.

Letters to the Editor...

Dear Sir:

Today we read a very appalling letter, published in the bulletin. The letter concerned the Sophomore Class meeting. The purpose of our letter is to answer a few of Miss Anta Symmon’s questions raised at that meeting. We probably puzzling others at this time.

Firstly, if Miss Symmon would have us understand that the group attending the class meeting, were over 100 students in attendance, 120 to be exact (not “50 or less” as you stated). Approximately 50 per cent of our class attended, which is a very respectable attendance at a non-required class meeting.

Miss Symmon’s second question is, “Do we try to benefit the college in any way?” This is to be interpreted as meaning that the activities of the organization would be more beneficial to the school, again allow us to correct the impression that students spend the majority of their time, which could not be more missed, and our membership in the organization is only to carry the burden of carrying out the organization’s purpose.

Finally, if Miss Symmon would understand that the club is a good, well planned concert. Presenting the best possible acts for the benefit of the entire school, and not just the college. If the Sophomore Class wished to plan a band, she would have no more difficulty in accomplishing this as well.

Your sincerely,

Eddie Wilk
Chairman

Dear Editor:

We have a beautiful campus. Each year, as our campus grows, we add more tables, benches, and flower beds. This year, we have planned yet another expansion of our campus. We would like to see a dance, which, in our opinion, would be a much better activity than the usual dance. We hope the Sophomore Class considers this proposal, and that the Student Council will approve it.

Yours sincerely,

Eddie Wilk
Chairman

Regarding the television debate, he stated that only the first debate had been televising influence on the campaign. Students Travel to Aid Negroes Who Sacrifice Food, Clothing for Vote

At 2 p.m., Monday, October 31, a truck laden with food left the University of Chicago. At 6 p.m., November 1, it arrived in Somerville, Massachusetts, the home of Fayette County.

An independent group of students traveled to Fayette County to deliver the food to Negro citizens, block listed by Fayette County. The trip to Somerville was part of the planned vote in the 1960 elections, and to gather information and films on the situation there for presentation to the nation's students.

During the trip, they stopped by the Fayette County Courthouse in Somerville, forgot the food they had been given, and were met by the local sheriff.

"John McFerrin, head of the Fayette County Civic Action League of Somerville, is storing food for what he foresees as 'difficult days ahead.' He has set up tents as temporary food banks, and has removed homes and "still have enough food for equipment."

McFerrin hopes they will all have enough food to fight to the right.

Basketball Home Opener Dec. 1 Against Albright, Roski and Gavenas Named Co-Captains of Squad

With time running out on the fall sports activities, the resounding thumping of basketballs on the hardwood floors of the gymnasium gives ample notice to Colonel Fans that the basketball team is preparing to assume its reign over the sports arena.

The '90-'91 edition of the Wilkes basketball squad has been drilling for the past three weeks under the watchful eyes of coaches Ed Davis and Al Goldberg for the season's home opener against Albright on December 1. With the loss of Ray Yanchus, George Gacha, and Bernie Badeck through graduation, the Colonels will have to depend upon better ball handling to offset the loss of scoring power.

Leading the hoopsters into the campaign will be co-captains Ron Roski and Glen Gavenas. Roski has been an outstanding performer for the Davemans for the past three seasons and will be called upon to lead the offense. Gavenas is a 6'1" guard who specializes in the set shot and will be counted on to provide the Colonels with a seasoned ball handler.

Bernie Kosch, John Salisbury, and Ed Kempes are the other senior members of the squad. Kosch, a 6'-4" center, has been very impressive in practice with his hook shots and rebounding. Salisbury is a hustling forward and is a leading candidate for the vacant center position on the strength of his rebounding abilities and "aquat" offense. The "road runner" of the team is Ed Kempes, a 5'9" guard. Kempes is one of top ball handlers and possesses a deadly jump shot.

Tom Pugh and Phil Russo are the top candidates to battle the seniors for starting berths. Pugh has put on a few extra pounds which he uses to his advantage under the boards. Russo, although only six feet tall, gives Bernie Kosch a run for dunking honors.

Other returning veterans slated to see a lot of action are John Adams, George Tenna, Conrad Wagner, and Harvey Rose. Adams and Tenna have just joined the squad after competing in the soccer wars and are rounding into tip shape very fast.

Wagner, after getting a slow start because of a leg injury, has picked up speed and is battling Harvey Rosen for the number one reserve guard role. Rosen is hitting with very accurate shots but lacks the teamwork necessary to break into the starting five.

The biggest blow to the team has been an ankle injury to forward Bob Fleming. The ex-Valley Forge cager sprained his ankle during a practice scrimmage last week and may be lost for the season. Other top candidates for the team are freshman Sam Cooper, Steve Gris- lon, Jim Phister, Dick Morgan, Al Donner, and Dave Tawil. Replacing graduated Tom Evans as manager is freshman John Tenna, Jr. of Allentown.

Coaches Davis and Goldberg have not made any forecasts regarding the team's chances for the coming season but did comment that the crowd will be fighting for every game and that they will put forth their supreme efforts.

BISON'S HEAT TOWN, 4-3

Bucknell defeated Elizabethtown, 4-3, on Wednesday, breaking the Bluejays' 23 game winning streak which had extended over three years.

The Colonels had been defeated by the Bluejays this season, 6-0, and the latest match between Bucknell and Wilkes was last year with the Bluejays winning, 66-59.

The curtain fell on the Wilkes 1990 soccer season Saturday as Frank Kontak scored the Colonels' first goal in the Bluejays' 2-0 victory.

The Colonels were scoreless with the Bluejays threatening constantly but always lacking the weapon to put the ball into scoring territory. Several shots that hit the crossbar and gold liepans bounced off the goal post and eluded the net.

The first break in the contest came late in the third period when a magical kick of the ball by the backfield man put the ball into scoring position. Captain right wing Don Galliard took advantage of the advantage and most perfect setup and shot the ball past goalie Bob Ontko into the net. The Colonels came roaring back and appeared to have a sure goal on a left foot shot by Frank Lepore but the F & M goalie made an outstanding save to keep Wilkes from taking the lead.

The Diplomats got their second goal on a play that saw them an indirect kick at the Wilkes goal. Center halfback Kemps tapped the ball backward to Kemps who drove the ball into the net on a very hard, straight shot. Play ended with the Colonels threatening but unable to mount the offensive strength to score.

Playboys, Ebonites Tie For Lead; Williams' 233-524 Sets Record

Three 4-0 victories were registered in Sunday night's intramural bowling with the Playboys and Ebonites defeating the Alley Cats and Tornadoes respectively, thereby gaining a tie for first place.

The Playboys whitewashed the Gut- terdusters in the other half of the season, dropping the Dusters into third place from the league lead.

The other contest saw the Boozers and Screwballs split, 2-2. Howie Williams set a new league high game record with a 233 and a personal high series with a 324. Playboys, Alley Cats 0

Bill Watkins with a 208 and Joe Schenandoa with a 191-511 powered the Playboys to their third sweep in two weeks. Ron Boz rolled a high of 193-444 for the undermanned Alley Cats.

Ebonites, 4, Tornadoes 0

Captain Dave Sokola fired a 189-357 and again proved to be the man for his team as the Ebonites rolled over the last place Tornadoes, 4-0. Jerry Harvey led the losers with 172-472.

Kanner to Present Three Lectures on E.S.P. Phenomena

by Bob Bosbey

"Exploring Extra-Sensory Perception" will be the title of a lecture series beginning Tuesday at 11 o'clock.

Mr. Joseph Kanner, psychology professor, will delve into the realm of the "world beyond our senses" in a series of three Stark Hall lectures.

Parapsychology, the study of phenomena which cannot be explained by our sense faculties, is a specialized field employing every scientific principle known to man. Including the Extra-Sensory Perception Positiv- ist," Mr. Kanner will explore the probability of the existence of true extra-sensory perception.

Three full-length lectures, based on facts, and through the mathematical process of statistical error, Kanner will objectively define and seek out true E.S.P.

In his second lecture, on November 29, Kanner will present evidence of and against extra-sensory perception.

Kanner's December 13 lecture will deal with the possible implications of true E.S.P.

All lectures will be held in Stark Hall at 11 o'clock.

Pinbusters, Gutterdusters 0

E.S.P. Team 170-496 provided the winning mark as the Pin- buzet swept all four from the Colonels.

Boozers, Screwballs 2

Howie Williams' 233-524 gave the Boozers a win in the second game and a large enough bulge to take the series. Irv Mossen with 171-460 was high man for the Screwballs.

Antinnes Repeats as "Athlete", Named to E.C.A.C. All-East Team
First Colonel Athlete to Gain Honor

Back Gains 175 Yards, Scores 2 TD's in 33-12 Romp Over Haverford

For the second consecutive week, Mary Antinnes, senior fullback of Coach Pickowski's gridiron, has been named the Beacon "Athlete of the Week" for his outstanding performance on the gridiron. "Mustang" Mary continued his workhorse role as he carried the ball 30 times for 175 yards, an average of 5.9 yards per carry, and scored two touchdowns. His ground-gaining and scoring feats against Haverford won him the nod of the press attending the game, whose nomination of him to the Eastern Collegiate Athletic Conference (ECAC) All-East Team of the Week gained him that honor.

Mary is the first Colonel to have earned this honor of being named to the ECAC team. This honor is of particular significance when one considers that he beat out Al Ru-shals of Army, Wally Pagan of undefeated Wagner, Sam Sobocik of Penn State, and Jim Cunningham of Pitt.

If his ground-gaining of the past several weeks continues tomorrow against Scranton, he should make things difficult for Royal coach Pete Carlessimo's charges.

When a donor is a member of several clubs, each club and or- ganization will receive points for its member's contribution. The Biology Club will award a trophy to the campus club or organization with the highest per cent donation.

Student donors under twenty-one years of age will receive parental release forms at the December 1 assembly. All blood donations are insured, that is, the college guarantees that blood will be available to any college student or a member of his family whenever it is needed.
