Inter-Dormitory Council Drive To Aid Foreign Student

The Inter-Dormitory Council is sponsoring a clothing drive in order to aid foreign students. One of the facets of this organization is selecting needy children from abroad for sponsorship by individuals and organizations all over the world.

From this federation, the I.D.C. received the name of Polyzoa O. Micromonotita, a child from Greece, whom they "adopted." Zeno, as he is called for short, is the object of this particular clothing drive which will be held for a two week period. This twelve year old girl is "an example of any kind with particular emphasis on shoes, socks, shirts, and trousers. Her sizes are: shoes, 5; socks, 9; shirt, 14; trouser waist, 24 inches, trouser length, 24 inches. The clothing needed most is shoes and socks, and secondly, anything for outerwear. Any other size of clothing will be forwarded to the federation for use by other children.

Collecting the clothes now will insure its arrival at Athens before Christmas. All donations of supplies are in fact appreciated. All members of the Polyzoa student body are invited to participate in this project.

As for Zeno, a future generation of Wilkes students will probably know her, as she is the foster daughter of a couple who has agreed to award a full-tuition scholarship in the Department of Physical Education when Zeno arrives to Wilkes. In due time, Roberta will receive his Bachelor of Science degree in commerce and finance.

Eller is the son of Mr. and Mrs. Robert C. Golden, who is president of the Letterman's Club and an active member of the editorial staff of the student newspaper. He is also a member of the Economics and the Accounting Club. In June, Roberta will receive his Bachelor of Science degree in commerce and finance.

These awards which are made possible by the Sordoni Foundation are presented to students "in recognition of unusual promise and ability.

L-M-C Committee Gets New Field Manager

Mr. Roger Opdahl has been appointed a field manager of the Labor-Mangement -Citizens Committee of Greater Wilkes-Barre. This announcement was made by Dr. Samuel A. Rosenberg, chairman of the Department of Economics and executive director of LMC.

Mr. Opdahl comes to Wilkes-Barre after a two-year tenure of teaching at Geneva College. He received his Bachelor of Arts degree in economics at Hofstra College and his Master's degree in the economics at Columbia University. One of his first duties for LMC will be to contact both industry representatives and union locals of the labor-management group.

Ed Club Plans Projects

For a project as American Education Week, the Ed Club has undertaken to display posters on campus, and in certain stores and offices and to sponsor a dinner to be held by Mrs. Anna Kishel, 215. This complimentary luncheon, complimentary luncheon will be held on Tuesday, November 17, in the Wilkes College Dining Hall. The group of approximately thirty-five members will leave from Sturdevant Hall at 9:15 a.m. This event will be open to all students until next Tuesday.

Membership in the club is open to students of six years, and in the Greater Wilkes-Barre area. The only requirement is that the new member give a written endorsement of the club's activities. No membership dues or fees are charged with LMC obtaining part of its funds from grants.

Calendar Committee Cases Occupy Time Of Student Meeting

Due to the problems facing the Calendar Committee, President, presiding, president of the Student Government, dispensed with the agenda. This was done to make room for a number of slette issues facing the Calendar Committee.

Sordoni Foundation Awards Scholarships to Roberts and Eller

By Sandy Papatya

Robert L. Roberts, an administrative assistant to the President, has announced the presentation of two Sordoni Foundation Scholarships. The awards are being made to two students, Clyde Boll-
tort and Donald Eller. Roberts is the son of Mr. and Mrs. Clyde Roberts of Kingston. He is president of the Wilkes University Junior Chamber of Commerce and a member of the Letterman's Club. He is also a member of the Economics and the Accounting Club. In June, Roberta will receive his Bachelor of Science degree in commerce and finance.

Eller is the son of Mr. and Mrs. Robert Golden, who is president of the Letterman's Club and an active member of the editorial staff of the student newspaper. He is also a member of the Economics and the Accounting Club. In June, Roberta will receive his Bachelor of Science degree in commerce and finance.

These awards which are made possible by the Sordoni Foundation are presented to students "in recognition of unusual promise and ability.

Coed Organization

The Associated Women Students, the largest co-educational group on the campus, has announced that it will have the draft of its constitution presented Tuesday.

The draft constitution will be presented to the students for approval at the 2:15 p.m. meeting in Pickering.

At the meeting of the AWS held last Tuesday, further plans were made for the breakfast which will be held in honor of Dr. Eugene Farley. The breakfast will begin at 10:00 a.m. at the Hotel Sterling. Estelle Manos, general chairman of this affair, will be in charge of committee publicity. Tickets, on sale today at a nominal price of $1.25, can be purchased from Cynthia Hagley, Estelle Ma-

Dr. Eugene Farley to be Honored On Twenty-fifth Anniversary

by Mary DiGiuseppe and Barbara Lore

Twenty-five years ago — on April 1, 1946 to be exact — Dr. Eugene Farley, President of Wilkes College, from that day to this, he has been making history, not only for the college, but for the community.

This week's editorial was sent to professional and business men and women, representing all facets of the community, announcing the forthcoming testimonial dinner honoring Dr. Eugene S. Farley, Wilkes College, on October 27.

During his twenty-five years of tenure, Wilkes College has grown from an educational and physical assets and in enroll-

The dinner, which is scheduled for Friday, November 13, at 6:30 p.m. at the Wilkes College Gymnasium, will climax the events planned for the day in honor of the College presi-

The Student Obligation

With the publication of this issue, we are once again reminding the student body of its obligation to the college. We must be constantly aware of the fact that we are Wilkes College students and will be recognized as such no matter where we may be.

The reputation gained by the college is one which is developed not only by the faculty or the alumni but also by members of the student body. The actions of a group of students are immediately attributed to the college and to the students themselves. Therefore, we must all realize that we are aware of our responsibility and conduct ourselves in a manner which will bring respect and dignity rather than contribute to a poor image of the college.

We are all aware of the tremendous growth manifested by Wilkes since its comparatively recent beginning. We should also be aware of the fact that this growth is to continue, and we must maintain the high standard of conduct set by our predecessors.

Another phase of our responsibility to the college may be the opportunity to begin to provide financial assistance to the school spirit. Parallel to the academic growth of the college has been a growth in the area of student activities. If our program activity is to grow and prosper, we must also realize our responsibility to our fellow students and to campus organizations.

We should all possess a sense of pride and obligation toward the school which will encourage us to join in these activities. We should at least own a sense of loyalty which will not permit us to in any way oppose or detract from anything which will benefit our Wilkes-Barre since this will bring about a situation which will be detrimental to our interests.

Remember, we are all recognized as Wilkes College students. The college is what we make it. Let’s do our part to maintain the good reputation gained by it in the past.

United Fund Help Needed

At the conclusion of two weeks, the student phase of the campus United Fund drive has still not reached its goal of $1200. The campus has thus far reached only $50 of the goal. There have been those who have been unable to give during the past two weeks to do so in the coming week.

As the chairman began making personal contacts several days ago and will continue this program through the next week. All students are urged to respond to this effort and to aid those less fortunate.

Student Government Lauded

The quick thinking and fast action carried out by the Student Government members last Saturday evening at the Homecoming dance which group sponsored was certainly a credit to that body. This was the first time a series of setbacks in a program which had been established for the evening, the Student Government was still able to make that affair a success.

Dean George Ralston, Mr. Robert Morris, and the members of Student Government are to be commended for a job well done, despite the unforeseen obstacles in the path of success.

ATHLETE OF THE WEEK

Erwin Guetig Gains Athlete Nod For Outstanding Defensive Play

This week the Beacon sports staff returns to the soccer team to select the Athlete of the Week, and the honor goes to one Erwin F. "Gator" Guetig.

Erwin, a junior Business Administration major, has played an excellent brand of soccer throughout the season. The P17, 168 pound left fullback has displayed great defensive prowess and skill in each of the games to date.

A native of Union, New Jersey, he won the varsity letter in soccer and baseball at Union High School. He has lettered in each of his first two years at Wilkes. Because of his evident leadership abilities, Erwin has been elected president of Butler Hall. He is also a member of the Wilkes Chapter of the Jay- cent.

The fact that Erwin plays hard, rough ball has been attested by many of his opponents in post-game comments. Gettysburg College's Zeke Johnson, who scored three against Wilkes two weeks ago, stated that Erwin is the best fullback that he had ever played against. His battle on the field has earned him nomination to the ECAC Team of the Week.

Gridders Drop Homecoming Game; Miscues Costly Against Lycoming

by Dale Jones

Fagged by several units untied during the fourth consecutive decision of the season to a Lycoming contingent by a 25-2 gathering at Wilkes Athletic Field.

A Pinch Drive stopped early in the opening period when a roughing-the-kicker penalty gave the visitors new life. Minutes later Dots dove over for the initial score on a one-yard plunge. Wilkes threatened after the kickoff when Paul Aquilina carried the ball to the Lycoming nine on a 45-yard scamper but a fumble ended the threat.

The Warrior scored again in the second period, a 48-yard drive that intercepted a Colonial pass and carried to the four. Fullback Jim Whitehill carried it over from there.

Irwin Guetig

WRESTLING NOTICE

Wrestling coach John Rios has requested that all candidates for the wrestling team be present at the gym today, between 4:30 p.m. to receive their equipment. Training will start on Monday.

Warriors Play Host To Wilkes Booters; Colonels Halt Mules

Tomorrow the soccer team journeys to Williamsport, Pennsylvania to meet the Warriors of Lycoming College in a game commencing at 1:30 in the afternoon. The Ferris are eager to reverse a 4-0 defeat by the Warriors last season. Again this year, Lycoming is fielding a fast, strong squad.

Last Saturday's sparse Homecoming crowd saw the Colonial booters drop a 3-0 decision to Hofstra College. The Flying Dutchmen out-hustled the Wilkesmen throughout the contest and, as the score indicates, played a fine defensive game. Buzz Wehn led the way to victory by kicking two goals. This past Wednesday the soccer team defeated a rugged Muhlenberg College club, 2-1, in a bruising match. In the second quarter, Bebrin took a pass from Kletter and slammed it into the net for the Colonels' score and a 1-0 halftime lead.

Coach Ferris' charges stormed back in the second half. Early in the third period, outside right Frank Lepore wacked the ball off field and crossed it to the opposite wing position. Pete Eckert tapped the ball back and Clyde Roberts drove it home to tie the game. In the home contest, after spirited exchanges of offensive thrusts, left fullback "Gator" Guetig stole the ball, dribbled it past the midfield stripe, and boomed it over the goalie for a 2-1 Lycoming backfield. Pete Eckert then out-raced the defensive backs to score the decisive goal.

Goalie John Adams was credited with nineteen saves, as the Wilkes defense was again superb. The Muhlenberg eleven wasn't allowed a really good shot.

Colonelettes Tie Misericordia; Oppose G.A.R. Girls on Tuesday

Out of the seemingly dismal Fall sports scene came a bright ray of light on Tuesday as the Colonelettes field hockey team tied a strong Misericordia eleven, 1-1. The Colonelettes traveled to the Dallas college as "easy prey" for the much-heralded Misericordia squad but, when the dust had settled on the battle field, the Colonettes had outplayed and out-hustled their opponents to notch a moral victory in their initial outing.

The first half of play was scoreless with the defensive prowess of the Blue and Gold halves keeping the hockey ball deep in Misericordia territory with the hard-driving line threatening to score many times.

Misericordia scored the answering deadlock midway in the second half when a defensive lapse in the Colenette backfield put the ball in scoring position. Not to be outdone, the Colonelettes thundered back to tie the score minutes later when Jo Signorelli knocked the ball into the corner of the net with a hard shot. The remainder of the contest found both teams threatening but too many go to play by both backfields keeping the ball out of scoring position.

The Davis girls were standouts for the Colonelettes from their backfield posts. Marilyn Davis sparked the whole Wilkes attack with her sharp passes and alert ball-hawking. Joanne Davis and Heather Danielle proved to be just as effective from the wing halfback posts. The Colonnelette line of Janet Altmann, Marion Linga, Judy Banyer, Jo Signorelli, and Mary Lee Vannoy showed hustle and drive throughout the game as they kept the ball in scoring position most of the afternoon. Fullbacks Carol Plenio and Regina Ritze and goalie Carol Rhines were stalwarts on defense.

The next outing for the Colonnelettes will be on Tuesday when they travel to the Heights to meet the G.A.R. girls at 4 o'clock. The first home contest will be next Friday when the Blue and Gold hockey squad will face Misericordia in return contest.

Scranton University's FM Radio Will Feature Local College Activities
WUSV-FM, the University of Scranton's Voice, will begin a new program the first week of November. It is called "Inter-Collegiate News" and will feature all the important news and sporting events of Lackawanna and Wyoming Valley Colleges.

The program simultaneously offers the college a unique opportunity to receive free publicity and at the same time improve college-to-college relations.

In a letter sent to both the Public Relations Department and the Beacon, the following new requirements were listed:

A news item must be mailed so that it will reach WUSV-FM in time to be read during the daily 2:30 p.m. WUSV transmits on a frequency of 92.9 megacycles on the FM band.

National Teachers Exams Coming: New Requirements for Teaching
The National Teacher Examinations, prepared and administered annually by Educational Testing Service, will be held at 200 testing centers throughout the United States on Saturday, February 27, 1965.

At the one-day testing session a candidate will take seven examinations, which include tests in Professional Information, General Science, English, and Reading, and Non-Verbal Reasoning; and one or two of thirteen Optional Examinations designed to demonstrate mastery of subject matter to be taught.

Incomplete Class Rosters Cause Untied Fund Delay
The Campus Untied Fund Committee has extended, for one week, Lou Coopay, chairman of this year's drive, has set the new fund goal at $78,000.

The reason for this extension was the fact that the class rosters were not turned in on time and the beginning of the drive.

Because of this, class chairs were hamperead in their efforts at persuasion.

Personal solicitation began in earnest this week. All students, except those who have signed letters in their dormitories, will be asked to "Give their fair share to the class" and wait until they are received before January 12, 1962.

Producers of "Amazing But True" Scheduled to Speak Next Thursday
"Doug Storer has been all over the world, in the true tradition of those genuinely interested in the omission of the exotic, the unusual, the unperceived. That is why he alone has been able to produce Amazing But True."

That is the way Bob Considene describes Doug Storer, the speaker scheduled for Thursday's assembly. Mr. Storer, a native New Yorker, was graduated from Dartmouth College with a B.S. degree and also attended medical school for a year.

At the inception of commercial radio he helped inaugurate the radio department for the Curtis Advertising Agency, through which he also handled "Cook's" program. Thomas Cook and Son became a weekly color on the home of radio listeners. Later, as vice-president and general manager of two radio stations, he was responsible for six television programs every day.

In 1939, he in charge of radio advertising for the Black- man Co., he was in charge of radio programs for a number of large firms, such as the United States Rubber Company, Procter and Gamble.

Storer opened his present office in 1945. He is a member of the representative and a creator and producer of radio programs. He was the exclusive representative of Robert L. Rifeley and "Believe It Or Not" program in the United States.

Storer has travelled extensively in North and South America, Europe, Africa, and the Orient. He has hosted a number of foreign programs for broadcasting from his hotel in New York.

It has been a radio program for over 30 years, broadcast every day and every evening on NBC networks.

"Amazing But True" is also the title of a book by Mr. Storer. This book contains a number of items of transcriptions of "Believe It Or Not" programs in Spanish and Portuguese for broadcasting in Latin America. At the same time he conducted "Believe It Or Not" program in the United States.
