WILKES COLLEGE, WILKES-BARRE, PENNSYLVANIA

FRIDAY, OCTOBER 27, 1961

Inter-Dormitory Council Drive To Aid Foreign Student

The Inter-Dormitory Council is sponsoring a clothing drive in connection with the Save the Children Federation. One of the facets of this organization is selecting needy children from abroad for sponsorship by individuals and organizations all over the world.

From this federation, the I.D.C. received the name of Poly-zoes O. Marrommatis, a child from Athens, Greece, whom they "adopted" last spring.

"Zoes", as he is called for short, is the object of this particular clothing drive which will be held for a two week period. This twelve year old boy can use clothes of any kind with particular emphasis on shoes, socks, shirts, and trousers.

His sizes are: shoes, 6; socks, 9; shirt, 14; trouser waist, 24 inches; trouser length, 24 inches. The clothing will be collected at the Bookstore. Any other size of clothing will be forwarded to the federation for use by other children.

Collecting the clothes now will insure its arrival at Athens before Christmas. School supplies are also acceptable. All members of the student body are invited to participate in this project.

As for Zoes, a future generation of Wilkes students will probably know him personally. Dr. Farley has agreed to award a full-tuition scholarship including room and board to Zoes when he reaches college age.

Nancy Palazzolo is chairman of the drive and is assisted by Carol Thomas. These coeds are ready to answer any questions on Zoes and his background.

The Inter-Dormitory Council has appointed a committee to develop a list of suggested changes in women's dormitory hours. This list will be presented to the Administrative Council for approval at their November 7 meeting.

Code Classes Conducted By Amateur Radio Club; Open House Planned

The Radio Club has announced an active membership of approximately thirty with Dr. Daniel Detwiler as its faculty advisor.

The club, located on the first floor of Pickering Hall, owns four high-powered receivers, two transmitters and a variable frequency oscillator, which enables the club to operate twenty-four hours a day.

The club has contacted radio enthusiasts in distant places such as Arizona, Florida, Nova Scotia, and Quebec. The members are all capable of operating and maintaining the complicated apparatus.

Dick Emmel, president of the club, informed the Beacon that the Radio Club will hold an open house on the first Friday in December for all interested in observing the radios in action.

Furthermore, the club will hold code classes for interested students who wish to obtain their ham licenses. These classes will be held on Thursdays, with theory classes on Mondays, Wednesdays, and Fridays at noon in Pickering.

An interesting note about club functions is that the club belongs to a national ham organization in which all members daily occupy the same frequency at the same time.

Other officers of the club are: William Shukis, vice-president; John Biga, secretary; Jerry Berk, treasurer.

Sordoni Foundation Awards Scholarships to Roberts and Eller

by Sandy Potapczyk

Robert B. Morris, administrative assistant to the President, has announced the presentation of two Sordoni Foundation Scholarship awards. The awards are being made to two Wilkes seniors, Clyde Roberts and Donald Eller.

Roberts is the son of Mr. and Mrs. Clyde Roberts of Kingston. He is president of the Wilkes College Junior Chamber of Commerce, and an active member of the Lettermen's Club. He is also a member of the Economics Club and treasurer of the Accounting Club. In June, Roberts will receive his Bachelor of Science degree in commerce and finance.

Eller is the son of Mr. and Mrs. Thomas Eller of Wilkes-Barre. He is president of the Lettermen's Club and an active member of intramural sports. In addition, Eller is co-captain of the football team. He is married and the father of two children. Eller will also receive his Bachelor of Science degree in commerce and finance.

These awards which are made possible through the Sordoni Foundation are presented to assist students of unusual promise and ability.

L-M-C Committee Gets New Field Manager

Mr. Roger Opdahl has been appointed a field manager of the Labor-Management-Citizens Committee of Greater Wilkes-Barre. This announcement was made by Dr. Samuel A. Rosenberg, chairman of the Department of Economics and executive director of LMC.

Mr. Opdahl comes to Wilkes-Barre after a two-year tenure of teaching at Geneva College. He received his Bachelor of Arts degree in economics at Hofstra College and his Master's degree in the same subject at Columbia University. One of his first duties for LMC will be to contact both industry representatives and union locals of the labor-management group.

The Labor-Management-Citizens Committee is composed of 30 members, ten members representing each of the three broad areas of interest involved in labor-management disputes. Since its inception in 1956, the Committee has been of assistance in many disputes.

Membership in the Committee is open to any company or union within the Greater Wilkes-Barre area. The only requirement is that the new member give a written endorsement of the Articles of Constitution. No membership dues or fees are charged with LMC obtaining part of its funds from a grant provided by the Ford Foundation.

Calendar Committee Cases Occupy Time Of Student Meeting

Due to the problems facing the Calendar Committee, Al Kishel, president of the Student Government, dispensed with the agenda Monday night and undertook to settle issues facing the Calendar Committee.

The first issue was the conflict about which class — the class of 1962 or the class of 1964 — was in accordance with the proper procedures and policies and should be given the date for Donkey Basketball. After lengthy debate given by Joe Shambe, president of the senior class, and Jim Jones, president of the sophomore class, a motion made to grant the senior class the date was defeated. A motion was then made and passed for postponement of the consideration of the sophomore class activities form. This was referred to the Calendar Committee.

Dave Edwards, president of the Chemistry Club, requested that the Student Government remunerate the club for losses incurred at the "Alumni Swing", a dance held last Friday night at the gymnasium. This was referred to the Policies Committee for further consideration.

Due to unexpected events, Cue 'n' Curtain requested that production of "Blithe Spirit" be held on November 15-18. The November 17 performance is to begin at 7:30 p.m. This will be done to avoid conflict with the Psychology-Sociology Club dance, the "Beatnik Bop" scheduled for November 17. Since the annual "Near Bier Brawl", sponsored by Catlin and Gore dormitories, was also planned for this weekend, their date was changed to Friday, November 10.

Due to a vacancy on the Court of Appeals for a representative from the administration, Dean George Ralston was elected to fill this post.

Since problems facing the Calendar Committee were of utmost importance, a special Student Government meeting will be held this Monday night to complete its agenda.

Coed Organization Obtains Constitution

The Associated Women Students, a campus affiliate of a group organized nationally to broaden the cultural outlook of college women, will have the first draft of its constitution presented Tuesday.

The draft constitution will be presented to the coeds for approval at the 2:15 p.m. meeting in Pickering 203.

At the meeting of the AWS held last Tuesday, further plans were made for the breakfast which will be held in honor of Dr. and Mrs. Farley. The breakfast will begin at 9 a.m. on November 11 at the Hotel Sterling. Estelle Manos, general chairman of this affair, will also be in charge of campus publicity. Tickets, on sale today at a cost of \$2.00, may be purchased from Cynthia Hagley, Estelle Manos, or Myrna Fischman. Everyone is cordially invited to attend.

Coeds who are interested in A.W.S. may contact Miss Hagley or Miss Manos for membership information.

Dr. Eugene Farley to Be Honored On Twenty-fifth Anniversary

by Mary DiGiuseppe and Barbara Lore

"Twenty-five years ago — on April 1, 1936, to be exact — Dr. Eugene S. Farley took over the reins of Wilkes College. From that day to this, he has been making history, not only for the college, but for the community."

This is an excerpt from a letter sent to professional and business men and women, representing all facets of the community, announcing the forthcoming testimonial dinner honoring Dr. Eugene S. Farley, Wilkes College President.

Dr. Eugene S. Farley

During his twenty-five years of tenure, Wilkes College has grown to ten times its original size, both in physical assets and in enrollment. While the testimonial will emphasize these facts, it will also bring to the fore the important part the Wilkes College President has played in the development of the community, socially, economically, and culturally.

The dinner, which is scheduled for Saturday, November 11, 6:30 p.m. at the Wilkes College Gymnasium on South Franklin Street, will climax the events planned for the day in honor of the College president and his wife. The first of these, at 9 a.m., will be an Honorary Breakfast, held in the Adams Room of the Hotel Sterling, at which the Associated Women Students of Wilkes will be host. Estelle Manos and Merle Benesch are co-chairmen of the breakfast. Cynthia Hagley, president of AWS, announced that the affair is open to the entire student body. Tickets are two dollars and may be obtained from her or the co-chairmen on Friday, October 27.

Later in the morning, the Wilkes College Band, under the direction of Larry Weed, will play a medley of songs in front of Dr. Farley's home on South River Street. At this time, Ed Rogalski will present Dr. Farley with a scroll containing the signatures of the students on campus.

In the evening, the band will be stationed outside the gym and will play several selections as the guests are arriving for the testimonial dinner.

Jesse Choper, an outstanding alumnus of Wilkes, and one-time law clerk for Chief Justice Earl Warren, has been asked to act as toastmaster for the dinner. Among the distinguished guests attending who will sit at the head table with Dr. Farley and his wife are Mayor Slattery, Admiral Stark, Armand C. Marts, and K. Roald Bergethon, president of Lafayette College, who is guest speaker for the evening. Al Kishel, president of Student Government, will also sit at the head table.

Members of the Lettermen's Club will check hats and coats at the gym, and members of Theta Delta Rho will serve as ushers.

Mrs. Jessie Guthrie Conyngham, outstanding civic leader, and William O. Sword, president, Greater Wilkes-Barre Industrial Fund, who are co-chairmen of the Citizens Committee spearheading the affair, have emphasized that the dinner is not by invitation, but is open to the public. All students on campus are invited to attend. Tickets are five dollars and can be purchased from Mr. John Chwalek at the Placement Office.

education block travelled to Falls-ington, Pa., near Philadelphia, to observe in the Pennsbury School District. This district is well known for its unit and dual progress program. They were cordially received and thoroughly enjoyed their

Debate Society Schedules Five Forensic Tournaments

Five tournaments are scheduled for the Debate Club before mid-December, the first lap of an ambitious program proposed for the debating team. On the agenda are two varsity tournaments, one at St. Joseph's on November 10, 11, and another at Villanova on December 9, and three novice debates, at Lehigh on October 28, at Harpur on November 18, and at Temple on December 9.

This year there was a record turnout of 15 active members for the team, 11 of these being novices or members of the club who have never before debated on the inter-collegiate level. Under the direction of Dr. Kruger, the club is planning an extensive schedule for the novices to prepare them for future varsity work. Due to the increased membership of the Debate Club, demands on the time of the individual debater will not be as great this year as in previous years.

Ed Club Plans Projects

As a project for American Education Week, the Education Club has undertaken to display posters on campus, and in certain stores around the city. This will be handled by Rena Lewine, Mary Ann Foley and Pat Rossi.

On Tuesday, the club is conducting a field trip to the Pennsylvania State Oral School in Scranton. The group of approximately thirty-five will leave from Sturdevant Hall at 9 a.m.

Membership in the club will be open to all students until next Tuesday. Officers are Ted Toluba, president; Mary Ann Foley, vice-president; Carol Thompson, secretary; Pat Rossi, corresponding secretary; Rena Lewine, treasurer. Miss Jessie Roderick is advisor to the club.

Monday, the so-called

EDITORIALS—

The Student Obligation

With the publication of this issue, we are once again reminding the student body of its obligation to the college. We must be constantly aware of the fact that we are Wilkes College students and will be recognized as such no matter where we may be.

The reputation gained by the college is one which is developed not only by members of the administration or faculty, but also by members of the student body. The actions of a group of students are immediately attributed to the college and to the student body in general. For this reason, we must constantly be aware of our responsibility and conduct ourselves in a manner which will bring respect and dignity rather than contribute to a poor reputation for the college.

We are all aware of the tremendous growth manifested by Wilkes since its comparatively recent beginning. We should also be aware that if this growth is to continue, we must maintain the high standard of conduct set by our predecessors.

Another phase of our responsibility to the college may be titled our responsibility toward maintaining school spirit. Parallel to the academic growth of the college has been a growth in the area of student activities. If our activity program is to grow and to prosper, we must also realize our responsibility to our fellow students and to campus organizations.

We should all be possessed with a sense of loyalty and obligation to the school which will encourage us to join in its activities. We should at least own a sense of loyalty which will not permit us to in any way oppose or threaten to defeat anything which is affiliated with our college.

Remember, we are all recognized as Wilkes College students. The college is what we make it. Let's do our part to maintain the good reputation gained by it in the past.

United Fund Help Needed

At the conclusion of two weeks, the student phase of the campus United Fund drive has still not reached its goal of \$1200. The drive has been extended one more week to enable those who have been unable to give during the past two weeks to do so in the coming week.

The individual class chairmen began making personal contacts several days ago and will continue this program through next week. All students are urged to respond to this effort and to aid those less fortunate.

Student Government Lauded

The quick thinking and fast action carried out by the Student Government members last Saturday evening at the Homecoming dinner-dance which that group sponsored was certainly a credit to that organization. Hampered by a series of setbacks in the program which had been established for the evening, the Student Government was still able to make that affair a success.

The crowd which attended was exceptionally large and approximately one hundred persons were in attendance who had not purchased tickets in advance. This meant that the sponsoring group had to make last minute provision for these people.

Dean George Ralston, Mr. Robert Morris, and the members of Student Government are to be commended for a job well done, despite the unforeseen obstacles in the path of success.

Letters to the Editor . . .

Dear Editor:

The following is the text of a letter which I.D.C. received from St. Stanislaus Institute upon their receipt of 150 toys, donated by the Class of '65 during the orientation program.

We as members of the I.D.C. would like to thank again the freshman class for donating these toys for such a worthwhile cause.

Nancy Palazzolo
 Jerry Berk

"Your recent visit to Saint Stanislaus was indeed gratifying. Due to unavoidable circumstances, I failed to meet you; but, whenever you are in our area please stop in and I shall be happy to reciprocate.

"The youngsters' joy far surpassed mine when they were presented with your varied selection of lovely toys, and you can't imagine how elated they were.

"You can never fully realize, my dear friends, how much your thoughtfulness means to us here. Our burden is heavy — but it is consoling to know that we are not alone. Through the generosity of kind friends like you, the burden is surely minimized.

"Only the Good Lord can reward this noble gesture on your part. Please be assured of a remembrance in our prayers.

"In behalf of all the youngsters — our sincerest gratitude, and may God bless you — one and all!

Sincerely yours in Christ,
 Rt. Rev. Msgr. Roman L. Gizara
 President and Director
 * * *

Dear Editor:

I would like to take this opportunity to thank all those who gave of their time and effort to make this year's Homecoming and Bonfire a success.

There were many students, too numerous to mention, who worked untiringly on decorations, the torchlight parade, the car caravan, and the bonfire arrangements.

A special word of appreciation goes to a number of local citizens who generously donated their services to the college. In particular, I would like to thank the Wilkes-Barre Transit Company for providing their convertible bus for the car caravan; the 109th Field Artillery for the lights and power unit used at the bonfire; Nardy's Sound Service for the public address system; and the Wilkes-Barre Police, Fire, and Park Departments for their assistance and cooperation.

Sincerely yours,
 Jerry Shilanski
 School Spirit Committee

Dear Editor:

After enjoying a very pleasant Homecoming weekend, we, the co-chairmen of TDR's Homecoming display, returned to school on Monday with plans of taking down our display on the roof of the Bookstore. However, we found that the job didn't entail nearly as much work as we had expected — mainly because the two dummies had been "borrowed". If the football uniforms and helmets which they had been wearing had belonged to members of TDR, we would not have been overly concerned with the incident. But since they had been borrowed from local schools, we were, and still are, responsible for returning them.

We hope that whoever has the dummies now will read this article and care enough about the reputation of the school's sorority and our predicament to return the uniforms. They can be left on the back porch of the Bookstore anytime during the day. We are not concerned with the identity of the "borrowers", just with our uniforms.

We sincerely ask your co-operation.

Judy Pickering
 Andrea Ciebien

Dear Mr. Editor:

I would like at this time to thank everyone who co-operated in organizing Homecoming Weekend this

NEW BOOKS

Display Highlights Library Observance of United Nations Day

On display in the lobby of the library is a colorful arrangement of national flags, pamphlets, and books in observance of United Nations Day (Oct. 24) and in memory of Dag Hammarskjold.

The library features many new books this year including, **The Enemy Within**, a report of the work of the McClellan Committee by Robert F. Kennedy, committee counsel.

REMINISCENCES OF AUTUMN ON CAMPUS

by Lynne Dente

The multi-colored leaves gently swirling to the ground. . . the melodious strains of the Mixed Chorus near Gies Hall. . . dorm students ambling to the Commons. . . the familiar 'Caf' appropriately decorated with pumpkins, cornstalks, black cats, and witches. . . Chase Lawn, beautiful in all seasons, hushed and peaceful waiting for the approach of winter. . . the majestic ivy-covered library. . . trees ablaze with color. . . the animated between-class chatter of groups of students. . . the 5 o'clock traffic and the continuous hum of noise. . . the old mansion-like dorms, symbolic of the college itself. . . the remnants of Homecoming displays, colorful and gay. . . notices, displays, and posters. . . a private home, blending with the surrounding buildings, and yet out of place. . . the smile of friends. . . the crisp chillness of the air. . . a professor's friendly greeting. . . pride in a new dorm, the 28th addition to the campus family. . . the book store. . . a Wilkesman slowly walking his date back to her dorm. . . a feeling for the beauty of nature, set off by the sights and sounds of autumn. . . the feeling that this is a day to walk more briskly, smile more often. . . a glad, vibrant feeling. . . the pride of being part of the school and the ideals for which it stands. . . This is Autumn on Campus.

TRES CHIC

Women—

Be Gracious, Be Serene

by Nancy Tinklepaugh
 and Maryann Wilson

The beauty of repose: the word itself is beautiful. Repose is one of a woman's most attractive qualities. Not by any means to be confused with lack of animation.

Some of the world's busiest women have repose. You can, if you eliminate erratic, nervous motion; a pounding or jerky walk; chair-edge perching; rushing at projects, people, street crossings; a shrill, high voice; jewelry that jangles forcibly; heels that clatter; clothes that need constant adjusting.

Repose possessed is very fine for the possessor. She is not likely to have taut nerves or an uneasy digestion or searing headaches. She is not likely to be told by her doctor that she must relax.

year. The exuberance and attendance at the bonfire on Friday night can be attributed to the efforts of Jerry Shilanski and the preparation of all campus organizations.

The spirit at the game on Saturday showed that School Spirit, the cheerleaders, the band, the kickline, and the twirling squad had effectively represented Wilkes. The Undergraduate Dinner-Dance under the direction of Ed Rogalski was a huge success as was the Alumni Dance in the Dorian Room at the Host Motel.

I would like to extend a special thanks to Fred Smithson, Homecoming chairman, for the superb job in organizing the activities, and to Wayne Thomas and the Beacon staff for their warm support throughout the weekend.

I was proud to play a part in Homecoming Weekend this year, and I will cherish the memory of it for many years to come.

Sincerely,
 Leona A. Baiero

The Freudian Ethic is an analysis of the changing psychology of the American people by Richard La Piere. This book shows how and why Americans may be losing the very qualities that until now have made our society dynamic.

The Lean Years by Irving Bernstein is a history of the American worker during the years 1920-1933.

Some Of The Boys is a collection of nearly one hundred letters written about the Civil War by Isaac Jackson, a Union soldier.

The Art Of Travel by Henry James, the 19th century philosopher, contains a vivid description of famous places and also a record of James' progressive maturity with an understanding of himself as an American in Europe.

Modern French Theatre is a theater of exploration and revolt. This book is written with extraordinary sensitivity and insight, and everyone who is vitally concerned with the theater will find this book, by Jacques Guicharnaud, of compelling interest.

ART CLUB TRIP POSTPONED

The scheduled Art Club trip for November 4 and 5 to New York City has been postponed. The club will decide on another date in the near future, possibly a weekend in December. The new date will be announced in the **Beacon**.

"Freud, Football And Marching Virgins" Subject of Article

How would football have looked to the late Dr. Sigmund Freud? What the father of psychoanalysis might have said is presented in "Freud, Football and the Marching Virgins," a November **Reader's Digest** article by Thomas Hornsby Ferril, Denver poet-editor-publisher.

"Obviously," he writes, "football is a syndrome of religious rites symbolizing the struggle to preserve the egg of life through the rigors of impending winter. The rites begin at the autumnal equinox and culminate on the first day of the New Year with great festivals identified with bowls of plenty; the festivals are associated with flowers such as roses, fruits such as oranges, farm crops such as cotton, and even sun worship and appeasement of great reptiles such as alligators. . .

"The egg of life is symbolized by what is called 'the oval,' an inflated bladder. The convention is repeated in the architectural oval-shaped design of the vast outdoor churches in which the services are held. . . Literally millions attend. . . in anticipation of violent masochism and sadism about to be enacted by a highly trained priesthood of young men. . .

"The ceremony begins with colorful processions of musicians and semi-nude virgins who move in and out of ritualized patterns. This excites the worshippers to rise from their seats, shout frenzied poetry in unison and chant ecstatic anthems."

Dr. Freud's only visit to the United States was to lecture at Clark University, Worcester, Mass., as part of the school's 20th anniversary celebration in September of 1909. He also visited New Haven, Boston, and Niagara Falls and saw New York's Chinatown, Central Park and Metropolitan Museum, but nobody took him to a football game.

ATHLETE OF THE WEEK

Erwin Guetig Gains Athlete Nod For Outstanding Defensive Play

This week the Beacon sports staff returns to the soccer team to select the Athlete of the Week, and the honor goes to one Erwin F. "Gator" Guetig.

Erwin, a junior Business Administration major, has played an excellent brand of soccer throughout the season. The 5'11", 168 pound left fullback has displayed great defensive prowess and skill in each of the games to date.

A native of Union, New Jersey, he won the varsity letter in soccer and baseball at Union High School. He has lettered in each of his first two years at Wilkes. Because of his evident leadership abilities, Erwin has been elected president of Butler Hall. He is also a member of the Wilkes Chapter of the Jaycees.

The fact that Erwin plays hard, rough ball has been attested by many of his opponents in post-game comments. Gettysburg College's Zeke Johnson, who scored three against Wilkes two weeks ago, stated that Erwin is the best fullback that he had ever played against. His hustle on the field has earned him nomination to the EC-AC Team of the Week.

Irwin Guetig

WRESTLING NOTICE

Wrestling coach John Reese has requested that all candidates for the wrestling team be present at the gym today, between 4-5:30 p.m., to receive their equipment. Training will start on Monday.

Gridders Drop Homecoming Game; Miscues Costly Against Lycoming

by Dale Jones

Plagued by several untimely miscues, the Colonel football team dropped its fourth consecutive decision of the season to a machine-like Lycoming contingent by a 25-2 count before a large Homecoming gathering at Wilkes Athletic Field last Saturday.

A Warrior drive seemed stopped early in the opening period when a roughing-the-kicker penalty gave the visitors new life. Minutes later Lutz dove over for the initial score on a one-yard plunge. Wilkes threatened after the kickoff when Paul Aquilino carried the ball to the Lycoming nine on a 45-yard scamper but a fumble ended the threat.

The Warrior scored again in the second period when Bill Ainsworth intercepted a Colonel pass and carried to the four. Fullback Jim Whitehill carried it over from there.

Early in the third period a 46-yard run by Whitehill set up a touchdown for the visitors. A pass to Stauffer from the one-yard line sent the six points up on the scoreboard.

In the fourth period another pass interception set up the last Lycoming score. A short run by Whitehill scored the TD. The Colonels got on the scoreboard in the closing minutes when the snap from center on a punt attempt went over the kicker's head and out of the end zone.

The team will be idle until the fourth of November when they meet Dickinson at home.

Warriors Play Host To Wilkes Booters; Colonels Halt Mules

Tomorrow the soccer team journeys to Williamsport, Pennsylvania to meet the Warriors of Lycoming College in a game commencing at 1:30 in the afternoon. The Ferrismen are eager to reverse a 4-0 defeat by the Warriors last season. Again this year, Lycoming is fielding a fast, strong squad.

Last Saturday's sparse Homecoming crowd saw the Colonel booters drop a 3-0 decision to Hofstra College. The Flying Dutchmen out-hustled the Wilkesmen throughout the contest and, as the score indicates, played a fine defensive game. Burt Weihl led the way to victory by kicking two goals.

This past Wednesday the soccer team defeated a rugged Muhlenberg College club, 2-1, in a bruising match. In the second quarter, Sebrinz took a pass from Ketler and slammed it into the net for the Mules' score and a 1-0 halftime lead.

Coach Ferris' charges stormed back in the second half. Early in the third period, outside right Frank Lepore worked the ball up-field and crossed it to the opposite wing position. Pete Eckert tapped the ball back and Clyde Roberts drove it home to tie the game. In the fourth quarter, after some spirited exchanges of offensive thrusts, left fullback "Gator" Guetig stole the ball, dribbled it past the midfield stripe, and boomed it over the heads of both Muhlenberg fullbacks. Pete Eckert then out-traced the defensive backs to score the decisive goal.

Goalie John Adams was credited with nineteen saves, as the Wilkes defense was again superb. The Muhlenberg eleven wasn't allowed a really good shot.

Colonelettes Tie Misericordia; Oppose G.A.R. Girls on Tuesday

Out of the seemingly dismal Fall sports scene came a bright ray of light on Tuesday as the Colonelettes field hockey team tied a strong Misericordia eleven, 1-1. The Colonelettes traveled to the Dallas college as "easy prey" for the much-heralded Misericordia squad but, when the dust had settled on the battle field, the Colonelettes had out-played and out-hustled their opponents to notch a moral victory in their initial outing.

The first half of play was scoreless with the defensive prowess of the Blue and Gold halfbacks keeping the hockey ball deep in Misericordia territory with the hard-driving line threatening to score many times.

Misericordia ended the scoreless deadlock midway in the second half when a defensive lapse in the Colonelette backfield put the ball in scoring position. Not to be outdone, the Colonelettes thundered back to tie the score minutes later when Jo Signorelli knocked the ball into the corner of the net with a hard shot. The remainder of the contest found both teams threatening but top defensive play by both backfields keeping the ball out of scoring position.

The Davis girls were standouts for the Colonelettes from their halfback posts. Marilyn Davis

sparked the whole Wilkes attack with her sharp passes and alert ball-hawking. Joan Davis and Heather Danielle proved to be just as effective from the wing halfback posts. The Colonelette line of Janet Ainsworth, Marion Linga, Judy Barger, Jo Signorelli, and Mary Lee Vannoy showed hustle and drive throughout the game as they kept the ball in scoring position most of the afternoon. Fullbacks Carol Plonner and Regina Ritzie and goalie Carol Rhines were stalwarts on defense.

The next outing for the Colonelettes will be on Tuesday when they travel to the Heights to meet the G.A.R. girls at 4 o'clock. The first home contest will be next Friday when the Blue and Gold hockey squad will face Misericordia in a return contest.

Cafeteria Manager Guarantees Best Food for Least Expense

by Gloria Zaludek

"The basic purpose of a college food service operation would be to provide the greatest quantity of the best quality at the least expense to the student." Mr. William Denion was speaking in his capacity as manager of the college cafeteria.

Graduated from Penn State in 1951 with a B.S. in hotel and restaurant administration, Mr. Denion is beginning his fourth year here as cafeteria manager and head of a staff of seventeen full time and twenty student employees. It is interesting to note that he is not actually an employee of the college, but rather that he works for M. W. Wood, Inc., the catering service in Allentown which is hired by the college to manage its food service.

Denion is responsible for the planning of both daily menus and special dinners. For last year's Christmas dinner, for example, he began one week in advance by purchasing the food and scheduling its preparation. He plans on one and a half times normal consumption for such an affair, which means that at that Cornish game hen dinner "everyone got a bird."

Items that can be pre-prepared are started days in advance by the entire staff of cafeteria employees. One of the difficulties which food services for schools and industries face, as Denion said, is the fact that "we are always compared to mother." Obviously the food can never quite reach this ideal, yet if mother tried to do the job which he and his staff must do she would probably find it an impossible task. How, for instance, would she supervise the preparation of three hundred pounds of turkey for this year's Thanksgiving dinner?

Prior to his coming to the college, Denion was manager of the Tavern Restaurant at State College for three years. He was assistant director of restaurant operations for the Williamsburg Restoration of Williamsburg, Va. and food manager at Syracuse University.

Scranton University's FM Radio Will Feature Local College Activities

WUSV-FM, the University of Scranton's Radio Voice, will begin a new program the first week of November. It is called "Inter-Collegiate" News and will feature all the important news and sports events of Lackawanna and Wyoming Valley colleges.

The program simultaneously offers the college a unique opportunity to receive free publicity and at the same time improve college-to-college relations.

In a letter sent to both the Public Relations Department and the Beacon, the following news requirements were listed:

A news item must be mailed so that it will reach WUSV-FM in the first mail on Thursday of each week. If important late news does not get in the mail it may be phoned in Thursday afternoon between 3 p.m. and 4 p.m. to Diamond 7-3321, Ext. 58.

The news to be sent should include such things as large dances, school improvements, lectures, administration announcements, human interest and features. Representatives of WUSV-FM will also visit the campus from time to time to tape interviews with visiting personages, the faculty, and students. Suggestions may be made as to when and who might be interviewed. Any and all items should be sent but WUSV-FM reserves the right to edit to meet time requirements.

The broadcasts will take place weekly on Thursday evenings at 6 p.m. WUSV transmits on a frequency of 89.9 megacycles on the FM band.

Come As You Are To Celebrate Friday Tonight at the Commons

"Thank Goodness It's Friday" is a familiar greeting that echoes throughout the campus on the fifth day of each week. This greeting has now taken on new meaning.

Tonight the Student Government will sponsor a T.G.I.F. Party on the second floor of the Commons. This informal get-together will be the first of its kind to be held at the college.

Admission, surprise entertainment, and refreshments are all free. "What an amazing development that is!" A genuine jam session and old fashion songfest will highlight the evening's activities, so bring your best set of vocal chords and any instrument you can make a sound on.

Gail Roberts, chairman of the affair, has emphasized that this party is informal and the dress will be "come as you are". Anything goes! The blast will last from 9:30 to 12.

All students are invited to attend, but student leaders are obligated to be there. Rumor has it that Dr. Reif and Mr. Hoover, chaperones for the affair, will dance with every girl.

Producer of "Amazing But True" Scheduled to Speak Next Thursday

"Doug Storer has been all over the world, in the true tradition of those genuinely interested in the amassment of the exotic, the unusual, the unaparalleled. That's why he and he alone has been able to produce **Amazing But True.**"

That is the way Bob Considine describes Doug Storer, the speaker scheduled for Thursday's assembly.

Mr. Storer, a native New Yorker, was graduated from Dartmouth College with a B.S. degree and also attended medical school for a year.

Douglas Storer

At the inception of commercial radio he became manager of the radio department for the Curtiss Advertising Agency, through which the "Man from Cooks" program of Thomas Cook and Son became a weekly visitor to the homes of radio listeners. Later, as vice-president and general manager of two radio stations, he was responsible for sixteen program hours every day.

In 1930, in his capacity as radio advertising director for the Blackman Co., he was in charge of radio programs for a number of large firms, such as the United States Rubber Company, and Proctor and Gamble.

Storer opened his present offices in Radio City in 1936 as an artist's representative and a creator and producer of radio programs. He was the exclusive representative of Robert L. Ripley and "Believe It Or Not, Inc."

Before and during World War II, he prepared a series of transcriptions of "Believe It Or Not" programs in Spanish and Portuguese for broadcasting in South America. At the same time he conducted "Believe It Or Not" program in the United States.

Storer has traveled extensively in North and South America, Europe, Africa, and the Orient. He has broadcast programs from such places as the bottom of the Grand Canyon, the Bahama Islands, and Hong Kong, China.

He also has a radio program entitled "Amazing But True" which is broadcast every week on NBC radio.

"Amazing But True" is also the title of a book by Mr. Storer. This book contains over two hundred photos with explanatory texts, which have been collected in his travels throughout the world.

In 1957 when Wilkes-Barre was celebrating its sesquicentennial, Storer featured the Wilkes-Barre observance in "Believe It Or Not".

While in Wilkes-Barre, Storer will be featured on two television programs. On Wednesday evening, he will appear on Franklin D. Coslett's news program, then, on Thursday at 8:45 a.m. he will be the guest of Nancy Berg on WNEP-TV. At that time he will show films of Mount Vesuvius, and the ruins of Pompeii.

National Teachers Exams Coming; New Requirements for Teaching

The National Teacher Examinations, prepared and administered annually by Educational Testing Service, will be given at more than 200 testing centers throughout the United States on Saturday, February 10, 1962.

At the one-day testing session a candidate may take the Common Examinations, which include tests in Professional Information, General Culture, English Expression, and Non-Verbal Reasoning; and one or two of thirteen Optional Examinations designed to demonstrate mastery of subject matter to be taught.

The college which a candidate is attending, or the school system in which he is seeking employment, will advise him whether he should take the National Teacher Examinations and which of the Optional Examinations to select.

A Bulletin of Information (in which an application is insterted) describing registration procedures may be obtained from college officials, school superintendents, or directly from the National Teacher Examinations, Educational Testing Service, Princeton, New Jersey.

Completed applications, accompanied by proper examination fees, will be accepted by the ETS office during November and December, and early in January so long as they are received before January 12, 1962.

Incomplete Class Rosters Cause United Fund Delay

The Campus United Fund Campaign will be extended for one week. Lou Coopey, chairman of this year's drive, has set the new deadline for November 4.

The reason for this extension stems from the fact that the class rosters were not completed before the beginning of the drive. Because of this, class chairmen were hampered in their efforts at personal solicitation.

Personal solicitation began in earnest this week. All students, except those who will contribute in their dormitories, will be asked to "Give their fair share" to the class chairman, who will accept donations in the cafeteria.
