FROSH WEED PARK PERFORM IN GYM

Russin Resigns S.G; Bikel Concert Planned
by Vicki Tatz

At the Student Government meeting last Monday night, Simon S. Russin immaturely resigned his statement of resignation, he cited aca-

demic reason. Russin subsequently selected Don Ungemah to fill the vacant position. This move was necessary because, according to a fellow classmate, Cathy Angelia, a vice-president will be vital in the weeks ahead.

One representative from both the senior and junior classes will be elected October 2. Also at that time, a con-

tracted position, and the vice-president, will be filled.

Representatives to the Court of Appeals were also elected at the meeting. Dr. Michelon will represent the administration; Mr. Elliot, the faculty; and Molly MacIntyre, Edwin Paulsen, and Harvy S. Russian, the students.

The next few weeks will see the annual Boat and Band regatta which will be the October 10 concert fea-
turing Theodore Bikel. A noted folk-singer, Bikel's appearance will be purchased for two dollars from a Student Government fund. He will sing through the respective categories. Re-

ceptions are scheduled for three dollars from Millie Gittens at the local dance hall. Vice-president -
eral chairman and in charge of tickets; Marie Godfrey in charge of the regatta and gyn arrangements; Marie Shue-

ruck is distributing tickets through the "lady of the house." Mrs. Godfrey is handling campus and area publicity; and Al Santos is in charge of public-

ity in local schools.

Plans are also underway for Home-

coming Week. Last year the Homecoming Queen will be selected in a new way. The upper-
classmen will select the "most attractive young woman" and the lowerclassmen will select the "most attractive young man." The queen will be elected fromamong this group by the Student Government officers at the Homecoming Queen's Ball.

Van Dyck In Command Of Winning 'Connie'
by Helen Dugan

The United States once again re-

tained the America's Cup when it met the British Endeavor in a victorious struggle for the fourth con-

secutive time since September 15. With the Cup again in America, it is expected that the next major event will be a regatta in which the United States will participate.

The United States easily won the first race, but because the weather was not favorable enough, the second race was not sailed. In the third race, the United States again won, and the final race was sailed on September 15, with the United States winning.

The United States' victory was due to the excellent performance of the American Yacht Club and the American sailing team. The American Yacht Club performed excellently in both the first and third races, while the American sailing team excelled in the second race.

The victory was an important event in the history of American sailing, as it marked the first time that the United States had retained the America's Cup.

World Series of Sailing. The race

has changed a great deal since then. For example, in 1939 when the U.S. S. was defeated by the British Endeavor, both vessels were 135 foot

T-class sloops with a crew of 35, which included the wives of the cap-

tains. Now the boats are 65 feet with a crew of twelve highly trained, de-

termined men.

\textbf{TRADITION THREATENED}\

Often times the true meaning of a particular tradition is lost because those who have been exposed to it in the past fail to transmit its effects to others. Such is the case with regard to this year's hazing program.

The freshman class, 535 strong, is full of enthusiasm because college is, for them, an entirely new experience and they are determined to make their experience as enjoyable as possible. Hazing plays a vital role in determining whether this enthusiasm is to continue, or whether it is to diminish to the point of extinction. Through the hazing program, the freshmen as individuals are molded into the class unit through the necessity of joining forces against their common adversary, the upper classmen.

If the upper classmen do not follow through with the hazing of the freshmen, they leave the frosh without a common adversary and hence little reason for forming class unity. But this apathy on the part of the upper classmen can have more far-reaching repercussions than meet the eye.

When the current frosh enter the ranks of upper classmen next year, they will be without memories of their hazing program, and consequently, might be reluctant to take part as upper-classmen in the current hazing program.

Therefore through upperclass participation and freshmen cooperation, the tradition of hazing will not only be preserved, but also it will increase in importance as far as all involved are concerned.

\textbf{SEMESTER IS A-COMIN' IN}\

Realizing that lengthy commercials, besides appearing formal and look as phony as Holden Caulfield's sights, the BEACON would like to extend a newscast to all incoming freshmen and a welcome back to all upperclassmen. And, without preamble, this newspaper - despite all its dusty chamber in Pickering for aid in filing its pages with lusty prose and prosaic ramblings.

\begin{itemize}
  \item Again, the BEACON is open to comments, opinions, letters, et al., the only qualification being that the author sign his name. However, we will withhold your name upon request.
  \item Such columns as Viewpoint '64 and The Ballot Box are designed to handle any topic of collegiate interest from politics to education in Russia. Rants 'n Raves is another column devoted strictly to airing complaints of students, faculty, and, at times, angry editors. So, love, let us be true to another one. We will print if you will write.
\end{itemize}

Workshops are held every Tuesday night in the BEACON office. At this time, the BEACON is laid out, headed in, and with a hope and a prayer, sent to Llewellyn & McKane print shop. These workshops are open to students interested in learning how a newspaper is put together.

And now, we dedicate this issue; for you, our readers.

\textbf{WHAT \ WHERE \ WHEN}\

\begin{itemize}
  \item DANCE — Class of '66 — Tonight, 9:12 — Gym.
  \item FOOTBALL — Lebanon Valley — Away — Saturday, 2 p.m.
  \item SOCCER — Harpur — Home — Saturday, 2 p.m.
  \item Annual Hour off from HAZING — Sunday, 5-6 a.m.
  \item SOCCER — Moravian — Away — Tuesday, 3:30 p.m.
  \item Day of Retribution — FROSH TRIBUNAL — Tuesday.
  \item ASSEMBLY — Thursday, 11 a.m.
\end{itemize}
DeANGELO HEADS STUDENTS PLAN FOR YEAR ALREADY BEGUN

by Ruth Pantilla

Last spring for the first time in the history of the College, a member of the "wearer's" set was elected to the office of Student Government President. As the official leader of the student body, Cathy DeAngelis has already begun her duties as president.

When questioned recently about what Student Government has accomplished so far, Miss DeAngelis proudly stated, "The plans for the Theodore Biklen Concert, Parents' Day, and Homecoming are already well under way." In addition to the forthcoming events, Student Government has also cut the number of Friday night dances in half in order to employ better bands and to lessen the danger of financial losses. increased the number of performances following each dance, and helped to arrange "Wilkes Review," a five-minute radio program on WRAX that can be heard on Mondays and Thursdays from 5:35 to 6 p.m. Although Student Government has held only two meetings so far, every major committee has already selected.

As a whole, Student Government has already begun its work for the new year. It is hoped that the sprawling activities at Wilkes will assume ultimate responsibility for every major council, will appoint a committee chairman who will be directly responsible to her.

CHASERS

In regards to the permits which those students wishing to park in the student lots must acquire, Arthur Roioff, the assistant director of the government, who, along with these permits do not guarantee the student parking area, also reminds each person who avoids these permits and the cost of parking to the efforts of others and to extend his courtesy to his fellow drivers.

Mr. Hoover feels that responsibility for the parking permits and regulations and to agree to follow the regulations stated, otherwise, they should consider using the S. parking area or for off-campus parking or bus fare.

Of the present College parking area and the area to the north are the one at Parrish and the Student parking lot which can facilitate 175-250 cars. It has been praised daily and will continue to be as it was designed for students, the lot has been converted for faculty and staff parking.

If any upper classes are interested, there are some free books and calendars at the Chases and the books and calendars at Chase Hall.

The Young Republican College Council.

The Charleston Republican Club Organized On Campus

In order to provide college students with an opportunity to acquire experience in political affairs, the Republican Club of Pennsylvania has organized a Young Republican College Council. The Council is affiliated with the Young Republican National Federation.

The College Council of Pennsylvania has established campus units in Pennsylvania State College, Temple, and the University of Pennsylvania. The College Council of Pennsylvania and the Young Republican National Federation: to train college students to assume responsibilities in campaigning on behalf of the Republican Party; to encourage candidates to participate in the activities of the Young Republicans and the Republican National Party; and to encourage the beginning of national - all - graduation from college.

A short organizational meeting will be held Tuesday, September 29th, at a place to be announced. Any further information may be obtained from Paul Bachman, William Webb, or William Petersli.

Malley Announces Law Exam Dates

Dr. Hugo Malley has announced that the School of Law Admission Test, required of candidates for admission to most American Law Schools, will have its annual session on four dates: November 14, 1964, January 13, 1965, April 10, 1965, and July 17, 1965.

Educational Testing Service, administrator of the Law School Admission Test, requests candidates to make separate applications to all law schools of their choice, and to indicate that they have taken the Law School Admission Test. Since many law schools select their freshman classes in the spring of the year, the applicants in the preceding school year are to be advised on the November forms. The Law School Admission Test is a comprehensive test of college achievement, and is designed to measure intellectual capacity, aptitude, and achievement.

Sample questions, registration information. and registration forms are included in a Bulletin of Information. It should be obtained six weeks in advance of the examination, from Educational Testing Service, Box 944, Educational Testing Service, Princeton, N.J. 08540. Registration forms must reach ETS two weeks before the desired test administration date.

Further information may be obtained from Dr. Malley at his office.
Students for Johnson Organize on Campus

Plans are in process to form a bi-partisan Students for Johnson organization at the College. Miss Jenelle Carey, a special pre-med student at Wellesley, is the Student Coordinator for this area. She will speak at the organizational meeting of the group in Nash 166, Tuesday, September 29 at 11:30.

Dr. John L. Dorris, Democratic leader in Luzerne County, has donated his time and influence to the Wellesley group to help defray expenses. Efforts are under way to obtain Sen. Richard B. Russell's (D-Ga.) delegate for the Democratic Vice-Presidential candidate, for a speaking engagement at the College.

Anyone interested in this bi-partisan group is invited to attend the organizational meeting.

FRESHMEN ORIENTATION

A standing-room only court witnessed justice in action at the Wilkes College Court of Common Pleas. The Honorable Judge Edward H. Pashin斯基 presiding. Much-deserved punishments were meted out to an indeterminate number of wayward frosh for gross misdeeds committed during their first semester. Held in contempt of court for proselytizing attorney representing the Grand Exalted Upperclassmen, and therefore, reluctantly consented to be defense attorney for the Lowly Freshman.

The Honorable Judge Pashin斯基 opened the session with a threat to said Lowly Freshman to return the bottom half of the stocks used for punishment to the County, and to the stocks. The majority of cases were tried on charges of immorality, the specific offenses being too gross and numerous to list.

The first case, that of Alan Herbert versus the Court, was speedily dispatched, with a verdict of guilty delivered by a jury of unperturbed perplexters. Herbert was ordered to roll an egg across the floor with his nose before the assembled Leigh Greenblat, sociology major.

One of the most serious offenses was committed by an unknown student, who did not know the Wilkes Drinking Water, but instead ordered two bottles of Sparkling Sprite for the proof of his sales, he was required to obtain the names and addresses of every one of his customers.

One of the most serious offenses was committed by an unknown student, who did not know the Wilkes Drinking Water, but instead ordered two bottles of Sparkling Sprite for the proof of his sales, he was required to obtain the names and addresses of every one of his customers.

On the morning of the first day of class, the dawn of the new term, the students of 2nd Year Social Sciences were called together to receive the annual ritual of the induction ceremony. The ceremony culminated with the formal presentation of the new students to the student body. The students were welcomed into the fold of the fraternity, and their introduction to the world of 2nd Year Social Sciences was begun.

The ceremony was conducted by the officers of the fraternity, who welcomed the new students and introduced them to the traditions and customs of the fraternity. The new students were then directed to the fraternity house, where they would spend the next four years.

The ceremony was followed by a reception, where the new students had the opportunity to meet the older students and learn more about the fraternity and its activities.

The ceremony concluded with a prayer, delivered by the chaplain of the fraternity, who blessed the students and wished them success in their studies and in their lives.

104 STUDENTS HIT WINNING PARLEY; SPRING DEANS LIST ANNOUNCED

by Mary Quinn

One hundred four students were named to the Wilkes Deans List for the 1963-64 terms by attaining 3.25 semester averages or better. Topping the list with perfect semester averages were Carl F. Ponselzak, a Chemistry major, and Larry D. Rhine, a Mathematics major.

Those students who earned a place on the Deans List are:

Malcolm B. Baird, 3.25; Chrysoula Bakridaki, 3.80; Ronald L. Baldwin, 3.35; Robert W. Bednar, 3.82; Maryann Berg, 3.57; Ralph J. Berkery, 3.33; Barbara A. Buckman, 3.57; William D. Carver, 3.50; John S. Cavillin, 3.53; Patricia Chapraczyk, 3.40; Rona Conace, 3.53; Freda Danzulis, 3.33; Marjorie Dietterick, 3.25; Lorraine Dyres, 3.49; Dennis Evans, 3.38; Joseph A. Gagnon, 3.47; Donald L. Fine, 3.31; Barbara Frank, 3.47; Barbara Gallager, 3.87; Stephen H. Goodman, 3.32; Charles Goral, 3.37; Barbara A. Graytow, 3.35; Gilbert A. Gregory, 3.74; Thurman L. Grove, 3.27; Leanne E. Guertler, 3.22; Rose M. Hapel, 3.40; James C. Hansen, 3.80; Jeremy A. Hartnell, 3.90; D. Mark Hlavata, 3.25; Clinton G. Hess, 3.60; Matthew Himlin, 3.40; Richard H. Hohn, 3.80; David Jones, 3.66; Marion R. Jepsen, 3.38; Michael J. Kornick, 3.49; Tina Kozlowski, 3.63; Robert A. Krntner, 3.65; Ronald Kasnida, 3.60; Marcus G. Larson, 3.45; Kohn, 3.52; Alan Kueffer, 3.25; Alan Kueffer, 3.25; Charles A. Krivzanek, 3.46; Jane E. Laytisky, 3.32; Sarah B. Leonard, 3.41; Kenneth W. Leyshon, 3.38; Josie Lerner, 3.10; Jonathan H. Lowery, 3.77; Kenneth W. Lloyd, 3.31; Scott R. Lowery, 3.56; George D. Longino, 3.90; Vincent A. McHale, 3.90; Mary E. Mcean, 3.88; William J. Green, 3.80; James A. Guertler, 3.80; Josephine Calaveras, 3.80; Carol J. Mccormick, 3.34; Carol J. Murrer, 3.29; Francis J. Menapace, 3.90; Carol D. Menapace, 3.79; Ann Marie Mella, 3.32; Patricia M. Mess, 3.67; William A. Moseley, 3.58; Marie H. Mott, 3.42; Mary E. Murdock, 3.45; Monica A. Mullan, 3.32; John A. Munro, 3.38; Linda A. Munro, 3.08; John A. Omdroy, 3.80; Stanislaw J. Orlowski, 3.90; Joan A. Olsen, 3.90; Stephen S. Paradige, 3.80; Rachael M. Phipkins, 3.29; Thomas S. Prenzler, 3.80; Carl F. Ponselzak, 3.50; Donald D. Reed, 3.32; Renee R. Reid, 3.75; John R. Robinson, 3.34; Margaret M. Rowland, 3.60; Paul B. Sabo, 3.80; Mary Jean E. Sayag, 3.80; Regina Sekel, 3.49; Carol D. Shelder, 3.31; Joan E. Tantillo, 3.45; John J. Sicler, 3.60; Barbara Simms, 3.48; Sharon E. Sin-Quinn, 3.80; Anthony J. Smirnov, 3.45; Diane S. Smith, 3.48; Charles J. Snyder, 3.10; Leona J. Sokols, 3.46; Anthony P. Suda, 3.56; Linda Tarnoff, 3.41; Windsor S. Thomas, 3.39; Ronald S. Tarczyk, 3.80; Elizabeth A. Vavasour, 3.80; Richard H. Vavasour, 3.80; Robert A. Wallace, 3.39; Suzzie F. Wacher, 3.50; Charlotte L. Wertz, 3.60; Ger-riana Whalen, 3.90; Regum R. Williams, 3.80; William T. Will, 3.80; John P. Willis, 3.40; David M. Witkowsky, 3.90; Barry J. Witting, 3.90; Josephine J. Zielinski, 3.38.

Colonels Display Impressive Attack In Scrimmages with Drexel and Johns-Hopkins

Power-Speed Combination Is Expected To Create Havoc Among Opponents

Coach Roland Schmidt will enter his 3rd season as head mentor of the Colonels football squad with hopes of a successful season. To date, the Colonels have shown some promise in two scrimmages, one with Drexel and the other with Johns-Hopkins.

In the Drexel scrimmage, Wilkes displayed a solid defense. At the corner linebacker position, Paul Miller executed some solid hitting. Wilkes was also successful in the backfield, scoring a little over 70 yards on the first touchdown. The Colonels scored a second team touchdown, but were held to one point in the 2nd quarter.

Drexel scored twice in the entire scrimmage, the first half coming in one of two 10-play series and the other in the second half of the scrimmage under game conditions. The Colonels defense indicated a need for some hard drilling by the Colonels on the pass defense.

Wilkes scored in the game-half of the scrimmage on a pass from quarterback Roger Beatty, but the Colonels running game also showed good results in speed and power in halfback Ed Constock and fullback Gary Popovich, both of whom are veteran seniors. Rich Roshong, a sophomore from Salfordville, Pa., handled Wilkes' second team well, showing some fine running and passing, and should be able to back up Trosko at quarterback quite well.

The Colonels also showed well in a scrimmage with Johns-Hopkins. The Wilkes team playing as a whole moved with precision, at the line opened up holes for the Colonels to use. One misfortune of the scrimmage was quarterback Tom Trosko's injury to his left hand, but he is hoped that the senior co-captain will not be seriously handicapped by the mishap which occurred on the first play of the contest.

Ed Constock and Gary Popovich exhibited a combination of speed and power which should help Wilkes. Better their 1963 log, Constock, a senior fullback, had one especially fine run of about 65 yards for a score, while Popovich displayed his usual power driving for valuable yardage. Rich Roshong, Trosko's understudy, once again ran and passed well enough to give the Colonels some relief at the quarterback slot.

The first team line is pretty solid, but depth is lacking especially at guard. A big loss was the transfer of center Steve Guyer to Shippensburg. It appears that Ralph Hendershot will take over at center and play most of his football from that position under called upon to return to the guard slot.

In other positions on the line, the ends are in fairly good shape with the likes of Bill Schneidler, Roger MacLauchlin, Ron Grohowski, and Rich Verhasselt. Co-captain Len Rishkofski, Wayne Lynn and Tom Palley are mainstays at tackle.

Rishkofski commented that the squad has drilled hard and is in top physical condition and should be strong this season. Barring any injuries, the Colonels should produce a winning season.

The first Olympic Games of which there is record occurred in 776 B.C.
Colonels to Open Season at Lebanon Valley

DUTCHMEN EXPECTED TO EXHIBIT STRONG ATTACK IN TOMORROW'S GAME

Coach Rollie Schmidt and his staff of Junior Goodies, Frank Spalding and new addition, John Rowland, lead the Colonels' football team to Lebanon Valley College tomorrow for the season's opener with the Flying Dutchmen. Game time is at 1:30 at the Lebanon High School Stadium in Lebanon.

Wilkes will be trying to turn the tables on Lebanon Valley who have given the Colonels seven seasons of frustration in a row. The last time the Colonels were able to come up with a victory in the series was in 1954 when they shot out the Dutchmen 19-0. Last season Wilkes was edged out 13-6 by the Blue and White and will be out for revenge.

The going will not be easy tomorrow afternoon, however, despite the promising outlook of the Wilkes squad. Lebanon Valley will field an experienced team. In spite of the fact that their big gun, Wes MacMillan, was lost through suspension. Coach William McHenry, starting his fourth season, has a team that is well-balanced in several years if some of the injured personnel return to form.

McHenry will be relying heavily on returning players Terry Herz and Glen Stech, the co-captains of the team and both of whom were injured last year. John Vasity will return as quarterback for the Dutchmen, and will play a protector for the Colonels defense. Backing up Vasity will be Dennis Gane, who will also see action at the tackle slot. Halfback Rich Spallone is also a promising freshman with the potential of developing into a fine halfback with his three seasons left to play.

On the line, Stech and Al Bullard will be at tackle; Bill Holbein, guard; and John Zimmerman, center. The line in '63 was considered one of the finest in the MAC. Zimmerman was a first team all-conference selection. Bill Howard and Dave Bland, both of whom have looked impressive in pre-season scrimmages. Wayne Lynn and Tom Palfey will help out up front, and Ralph Hendershot will be at center.

Collegiate Forecast

by David Degan

Some people never learn, and I am one of them. I am back again to try my luck at picking the winners of each week's top college games. I hope I can stay clear of Unsettled Guilt this year. My record last year was 89 right, and 33 wrong for a .730 average.

I am going to be bazed from the start and select the teams I feel will be in the Top Ten in December.

1. Auburn
2. Illinois
3. Oklahoma
4. Mississippi
5. Alabama
6. Southern California
7. Ohio State
8. Navy
9. Texas
10. Rice

Here are my predictions for this week:

U.S.C. over Oklahoma - The Trojans will gain revenge for last year's loss to the Sooners. Backfield Mike Garrett and end John Thomas will lead Southern Cal against quarterback Mike Binger, tackle Ralph Neely and All-American halfback Jim Graham. This pick is my longest shot for the week.

Illinois over California - Last year's Rose Bowl champs, Illinois, will continue their reign over western teams by stopping the Bears who upset Missouri last week. All-American center Dick Botulis and halfback Jim Grabowski will pace the Illini while quarterback Craig Morton leads the Bears.

Rice over L.S.U. - Rice has a deep, experienced line, a fine batch of strong runners, and a quarterback, Walt Regnier, who can be seen in the L.S.U. single handed. L.S.U. could have its best year since 1958 with 25 returning letterwinners.

Auburn over Tennessee - Auburn, featuring the running and passing of quarterback Jimmy Stidie, will run roughshod over the Volunteers. Auburn had a fine season last year and should reign supreme over college football this year.

Kansas over Syracuse - Syracuse was upset last week in the last 30 seconds by Boston College and may not be fully recovered. Kansas has a crushing ground attack featuring All-American halfback Galen Sayers.

Here are some additional picks:

Navy over William and Mary
Army over Boston College
Michigan over Air Force
Missouri over Utah
Duke over Virginia
Mississippi over Kentucky
North Carolina over Michigan State
Nebraska over Minnesota

BOOTERS TO VIE WITH HARPUR IN INITIAL CONTEST OF SEASON

ADDED STRENGTH FROM EXPERIENCED FRESHMEN MAY AFFECT OUTCOME

The Colonels soccer team opens to- morrow with Harpur at the Wilkes Athletic Field. Kickoff time is scheduled for 2 p.m. Wilkes has lost several capable players through graduation including co-cap- tains Walt Praskowski and Dick Morgan, as well as Alan Gubash. However, the Wilkes team is looking to keep their season's 3-1-1 log on the strength of its veteran returnees and new freshman candidates.

Jim Ferris has gained some freshmen who have had soccer ex- perience in high school, a welcome factor to a squad which has hereto- fore been comprised for the most part of players who had never seen a soccer ball prior so coming to Wilkes. Elizabethbowne showed the advantage of having such young experienced talent when they suddenly outmaneuvered the Colonels 1-0 last season.

Many of the team members have commented that coach Ferris has gotten tougher this year and has built his team hard in preparation for the season.

Returning to the squad this year are a number of seasoned veterans such as Larry Gubash and Bob Eshreich, who are the co-capitains this season. Dick Buck, Al Gilbert, John Karopski, Egybram Praskel, and Lonie Szabados was doing an excellent job as goalie last season before he was sidelined by an injury. Some of the prominent freshmen include the likes of Bill Beck, Joe Kiefer, Rick Harmon and Barry Harmon.

If the Colonels can keep from incurring too many injuries, their new strength and veteran talent should give them a good year in the Middle Atlantic Conference.
