The freshmen, sophomore, junior and senior classes of the university were recently holding meetings regularly. Jay Ruckel presided at the junior class meeting held at the Fine Arts Center. The meeting included the Sophomore-Junior Hayride which will be held tomorrow at 8 p.m. for $4 per couple, the Junior-Senior Din- ner on the campus, and the Junior-Senior Din- ner in the Dorrin Room of the Host Motel on November 5, and two dances, one of which will be held during Spring Weekends.

Elephant for a junior Student Gover- nment representative is being held today. The students who are nom- inated are Bob Brown, Carroll Cor- r, Bob Giovanni, and Bob Thompson. Plans are being made to adopt a Vietnamese child under Parents Plan; it will cost $185 per year for the first two years of the child, and he will be provided for until he reaches the age of eighteen. During his first year, about graduate schools and industrial opportunities will be discussed for the students who desire to attend gradu- ate school in great demand, and there will be a discussion of them in the line of teaching and research fellowships. The student is to decide whether he will be accepted for advanced degrees in the behavioral sciences to be aware that the theoretical orientation at various col- leges and universities is vastly differ- ent. The senior class meeting was called to order by Harryh Riggs at the Christian Science Church. It was an- nounced that the blood drive will begin on October 18. Senior pictures will be taken by Lutzer department store. There will be uniform dresses for the pictures; the girls will wear black sweaters. A party has been tentatively planned for January 27. At the Jewish Community Center, Mike Clark, sophomore class presi- dent, called the meeting to order. Dr. Donald W. Tappa and Mr. Stanley S. H. Silver, the class advisors, were intro- duced. Mr. Gunther remarked on the orderly fashion in which subpoena was being conducted.

The newly elected Student Gover- nment executive body was introduced at the meeting of the National Council. Mike Clark, sophomore class presi- dent, called the meeting to order. Mr. Donald W. Tappa and Mr. Stanley S. H. Silver, the class advisors, were intro- duced. Mr. Gunther remarked on the orderly fashion in which subpoena was being conducted. The council adjourned.

Council of Presidents

In order to fulfill the needs of each block, Engle feels there must be a re- allocation of funds to help each block. He believes that the money should be used to help the students who need it the most.

In order for each block to have more money with which to work, each block would have to be given a certain amount of money. This amount would be determined by the block's needs and their ability to handle the money.

MATT FLISS

To increase student unity, an active campaign to increase club membership would be made by SG, the block heads, and the council of presidents.

In order for each block to have more money with which to work, each block would have to be given a certain amount of money. This amount would be determined by the block's needs and their ability to handle the money.

Blood and Money

Blood Donor Day co-chairmen Rich May and Paul Wender have set Tues- day, October 18 as blood day. To en- courage day-student participation on blood day, the circle K club will offer a free cruise to the club that donates the most blood.

On Circle K

Barry Miller, governor of the Circle K Club of Pennsylvania, spoke to the Kiwanian convention held in Wilkes Barre on Wednesday, September 28, 1966. Miller was elected governor of the Circle K Club of Pennsylvania on November 27, 1966.

The Kiwanian organization is in- cluded in the National Kiwanian organization. Its main purpose is to give to deserving students who need financial aid to attend college.

Miller's speech was well-received by the audience, and he spoke on the importance of giving back to the community. He also spoke on the importance of education and the need for more scholarships to be available.

The Wilkes Barre chapter of Circle K was started only five years ago, yet it has already become an important part of the community. Miller's speech was well-received by the audience, and he spoke on the importance of giving back to the community. He also spoke on the importance of education and the need for more scholarships to be available.
Will We Get Together?

Unite we stand, divided we fall, and heaven help us if it’s true. The gap has grown wider between the dormitory and commuting students for the sake of efficiency and modernity.

Granted, we needed a new cafeteria, but please note the we.

It is not our intention to condemn or censure the separation as being necessary and unavoidable, since we believe that enough people have spent enough time considering the division, and have reached their conclusions.

However, we would like to play campus oracle and attempt to predict the results of the separation. It is indeed optimistic to hope that the day and dorm students will seek one another out in other haunts, now that their main stamping ground has been restricted. But it is much more realistic to feel that the ever-present gap will widen a little, but we hope not a lot.

But again being optimistic, we sincerely hope that our student leaders will recognize the problem which has arisen, and will increase their efforts toward student unity.

Wilkes Nips Moravian To Notch Third Win

by George Pawlush

The Colonels notched their third victory of the season last Saturday by virtue of a hard-fought 10-7 victory over the Moravian Greyhounds. Lee Nanev did the bulk of the ball carrying for the Colonels, amassing a total of 102 yards.

The Colonels sprouted in for his first collegiate touchdown. Purta's placement was good and the Colonels held a 7-0 lead. The Colonel defense kept Moravian in new until late in the second quarter when Moravian quarter back Greg Serlet fired a 30-yard pass to backup fullback Bill Dry. The ball was partially deflected into Dry's hands by a Colonel defender. Dry was caught from behind on the six-yard line. Two plays later, Greyhound fullback H. Nelli crashed into punt returner from the three.

Neither team was able to move in the third quarter as the wet, muddy field seemed to hamper both squads.

Early in the fourth quarter an alert Paul Merrill pounced on a loose Moravian fumble on the opponents' 12-yard line. The fumble had been set up by a jarring tackle by Colonel defensive ace, Al Yatko. The Williams were only able to gather five yards in the next three plays. The stage was now set for the talented toe of Purta. With the elements against him, Purta split the uprights with a 23-yard field goal, which proved to be the decisive factor of the game. As the final gun sounded, the Colonels had again climbed a notch closer to their second MAC Championship.

Sparkling the Colonels' offensive punch was former Pennsylvania All-Star, Lee Nanev. Starting his first collegiate game, amassed 102 yards on 19 carries. This was highlighted by two break-away runs of 35 and 23 yards. Facing a tough Moravian Greyhound defensive unit, the Colonel offensive line showed great precision, opening up hope gaps in the Moravian forward wall.

Standing out on defense were Al Yatko, Joe Widner, Bill Layden, and Brin Varchol. In the contest Varchol intercepted his fourth pass of the season. The Colonel defense limited Moravian to 57 yards rushing while the Colonel offense racked up 173 yards.

The Colonels moved into the lead on a 70-yard punt return by Lee Nanev. The Colonels were unable to do anything on the next three plays, but they came out on the short end of a 3-2 score.

Joe Kiefer, leading scorer for the Colonels, opened up early in the first period, when he was able to score until Moravian broke through the Colonial defense just before the end of the first period.

During the third quarter Williams penetrated the Moravian backfield for another tally, making the score 2-1 in favor of Wilkes. Moravian bounced back to tie the score at 2-2 shortly after the Colonels' goal. With 8 minutes remaining until the end of the game the Moravian line broke through for the final goal of the game thus giving Moravian a 3-2 victory.

The Colonels traveled to Upsala, Saturday, October 1, but the game was postponed due to the weather. Last Tuesday the Colonels played Harper at home. Tomorrow the Colonels will take on Dickinson in an away contest at 11:30 a.m.

Kiefer Gains Laurels For Offensive Efforts

by Bill Bush

This week the Beacon congratulates a soccer player on being named Ath- lete of the Week. This outstanding athlete is Joe Kiefer, a junior from Bethlehem, Pennsylvania. Joe has played soccer for three years in his high school and college career.

Joe was an outstanding wrestler and soccer player for Bethlehem High School. Joe has demonstrated his fine athletic ability at the College for the past two years. He lettered in soccer his freshman year and wrestled on the Colonels' varsity squad.

Kiefer is a born leader on the soccer field and is a fine playmaker as well as scorer. This season he leads the Wilkes squad in goals and has many assists. He has been an asset to the Colonels' team and we hope he will continue his fine playing.

Boothers Drop Second To Moravian Squad

by Bob Thompson

Brinley Varchol, colonel linebacker, was named to the E.C.A.C. All-East team for the week of Sept. 26 for his outstanding defensive work against Lebanon Valley. In that game Varchol intercepted his third pass of the season ending a Dutchman scoring threat. He also made several key tackles in the contest.

The E.C.A.C. (Eastern Collegiate Athletic Conference) is an organization of nearly 100 eastern colleges. Although there is no league competition the E.C.A.C. selects weekly all star teams (University and College division) and an All-Star team for the year. The Colonels participate in the Middle Atlantic Conference Northern College Division of which they are champions.

The weekly all stars are selected in the following manner. The teams nominate three players from each team in a contest so why this person was selected. The names are then sent to the E.C.A.C. headquarters who select the final eleven from approximately 250 nominees.

Varchol is a junior Math major from Hanover Township. He participated in football and wrestling there. This is Varchol's third year on the football squad. Last year he landed an E.C.A.C. berth twice.
