American Viewpoint President To Visit Wilkes; Will Speak At Student Assembly Tuesday Morning

By FRANCES PANZETTA

The three day visit of Dr. Herbert C. Mayer, President of American Viewpoint, Inc., to Wilkes College will be an important event for the students. Dr. Mayer will speak on the topic, "America, Be Yourself!"

Doctor Mayer holds degrees from Oberlin College, Boston University, and Harvard, and is listed in "Who's Who, World Biography," and "Who's Who in American Education." His pioneer work in recreation and youth education with American youth programs, and his books on church and community work, have won him recognition as one of the outstanding authorities in youth training. As director of youth work in Chicago, Minneapolis, and the state of Ohio for educational organizations, and as camp director for more than twenty years, he has had personal contacts with young people and their leaders.

A American Viewpoint of which Dr. Mayer is president sponsors these lectures, believing that the informa-

tional means of contacting people is important. American Viewpoint has been active in the last thirty years in combating forces which are seeking to destroy our liberties. In the last few years they have been working on the problems of communism.

Each year Dr. Mayer visits a small number of colleges for two or three days. His future plans are to cover about 100 colleges a year. He was well received at the colleges he has visited. President Carey Cronoul of Beloit College, Wisconsin, said of Dr. Mayer after his visit to the college, "His visit to Beloit was very successful. He brought a message and a point of view that ought to be available to a greater number of our students in the future."

During his visit, Dr. Mayer will speak to the following classes and student groups:

Tuesday, October 22:
11:00—General Assembly
1:15—Sociology Seminar
Wednesday, October 23:
10:00—Introduction to Sociology
11:45—Faculty Luncheon
1:15—Principles of Economics
Tuesday, October 22:
3:00—Psychology Club meeting today at 4:00 in Ashley Room.
Once again it's homecoming time. It is that time of the year when the old grads can look at their undergraduate days and hence honor by their presence. These homecomers are in turn honored by the student body which goes to extremes to make its predecessors feel at home.

This is as it should be and is very proper. Therefore, the BEACON wishes to add its welcome to the many being professed. We do not wish to be effusive or indulge in gushing sentimentality. We do, however, want to say sincerely "Welcome Home, Alumni. It's well to have you back."

THANK YOU

The BEACON wishes to thank the Student Council for its consideration of the budget request of 1250 dollars. We received 1250 dollars and are pleased. We look into the fact that reductions had to be made due to economy measures.

Again, many thanks.

STUDENT COUNCIL NEEDS CORRECTION

A most irritating incident occurred last Monday night at the Student Council budget appropriations meeting.

A little background: For most days prior to this meeting, campus conversation had it that the International Relations Club's appropriations request was to be shorn and shorn badly. As mentioned, this was one conversation, and as such was dismissed without much thought.

The appropriations meeting proved however that such a situation did exist. Mr. Art Hoover spoke on behalf of the I.R.C. and requested aid for a certain amount. During his closing his request, he mentioned that he would not plead excessively (which many clubs did) for I.R.C. funds as he was well aware of Student Council feeling about the I.R.C. He implied the futility of such a plea.

His implication was certainly justified, for after he made the above statement, a council member turned to another and said vehemently, "That's for sure."

A sad situation, indeed.

How badly the I.R.C. budget request was cut is a matter of record. This budget slash is of concern to the I.R.C. and not the BEACON. The BEACON is not, however, a member of a club, but rather in keeping with the student body. It is only fitting that they should have the welfare of those organizations foremost in their minds.

This is as it should be. However, by being "for" a certain club, a certain club, it doesn't follow that all other clubs, clubs be discriminated against. That is what "for" is all about.

The Student Council representatives represent the student body as a whole. No club should be discriminated against.

The BEACON hopes that Council president Wayne Maddren will take the necessary steps to remedy this deplorable situation.

Editor's Note: The class of '54 re-elected this year's class officers last spring. This was after the final meeting of the officers, which was never published. In order to clarify the situation following the above article is a letter from B. J. Flannery, Sports Editor.

By J. HAROLD FLANNERY, Jr.

For many years various colleges throughout the country have been apermated under student administered honor systems. These systems have taken many forms and have ran the gamut of application from examinations which, by every facet of campaign life. Despite the variations from system to system, each has veered off on the fundamental principle that, for any individual acting in an organization, physically mature enough for college work, should be morally mature enough for college work. This is the basis of the honor system. This is the basis for the honor system is the idea of those responsible. The backbone of any honor system rests with the individuals in the system. Any convivial organization system as the system is not even an actuality, will prove practicable, if the system rests with the individual as much as it is earnest in their desire to make it function for the ultimate benefit of all.

CLASS OF '54 REJECT HONOR SYSTEM

It is not the purpose of an honor system to frighten the pupils of the college into acting otherwise than they would. Low students are bound to report any rule infraction, but rather to fulfill the rule for each individual; that he or she is a separate, responsible, entity and not a means and maturities are unquenched.

Honor systems of this nature are not the mitre and long johns, nor Briarcliff Junior College, the "serv-"smen system—singly item termed "unorthodox." They are institutions. The question constantly asked is: "Should such a system be adopted here?"

In March of this year, Dr. Farley, director of student affairs at Briarcliff Junior College, the "serv-"smen system—singly item termed "unorthodox." They are institutions. The question constantly asked is: "Should such a system be adopted here?"

SECOND CHANCE FOR DAVID AGAINST GOLLITH
IMPROVED COLONELS TO MEET STRONG TEAM

By JACK CURTIS

Little Dave gets his second chance before the home folks tomorrow night, as he untangles his sling shot for another crack at Gollith, this time represented by Hofstra College's powerful grid machine.

In his first try against a small-college football monster, Dave de- veloped a reputation for hitting his target with a free shot, and that was all.

Once. That was when Eddie Davis was injured during the Colossus-kushed one and only six points in losing to Bloomsburg STC.

Tomorrow night, though, it will, of course, be an improved Wilkes model. The coach "Howdy"

David Hrozw at last night in downing the Colonels in the third quarter. Before that, he was Returned Quarterly Jackie Pickett and Pullback War, the pair that spotted down at the goal line.

The Flying Dutchmen have won two and lost one, a close one to

INTRAMURAL FOOTBALL STARS TODAY
THREE GAMES TO BE PLAYED AT KIRBY PARK

By DAVE HOEFSTRA

Come Friday, October 16 and football will be filling the air at Kirby field, where the small-schools intramural touch football league.

The teams entered to be one of the most interesting due to the fact that each team is composed with capsules of all the major sports teams entered.

The teams entered and their re- spectable captains are: Weewee Hall, Carl Van Dyk; Butler Hall, Jack Powell; Harris, Fred Erickson; Ralston, Ray Grin- sky; Nastor, Harry Heniz; Dregutt, Howard Upton; and others.

Entries for teams closed last Thursday.

Each team may have a ten man roster while six men are al- lowed off to take care of the many planned games.

There are a few openings on the rosters of some of the teams and anyone interested in playing should contact either one of the captains of the team or Art Hoover who was appointed by Mr. Parttridge to handle the league.

The fall season is the third season with the winners having their names inscribed on a trophy. The schedule calls for five games.

Touch football is a lightning fast sport played on a field 100-yard field—100 feet wide, which seems to be interesting and it is hoped that students will witness these games.

The tentative schedule for Fri- day's meeting is:

2:00—Chem Club vs. Rams

3:00—Weewee Hall

4:00—Racoon, Rams

Games are tentatively scheduled late at night due to classes and late

Booters Away Saturday
Meet Lafayette College

By DAVE HOEFSTRA

On Saturday, October 17, the Wilkes College soccer team will journey to Easton to play Lafayette Col- lege.

The booters, with their first victory already under their belts, are confident that they will upstage the Leopards, who may prove to be a formidable team.

The Wilkes team is free of the in- juries which kept some of the football team's efforts. All will be at this game.

The game is scheduled to start in Easton at 12 o'clock. The game was moved up a few hours so the Wilkes team may get some rest and enjoy the festivities of homecom- ing.

Breznay Scores Twice
Wilkes 26, Ithaca 7

With Tailback Andy Brezny in the way with his tough blocking, the Colonels won their first football game for the year Friday night over Ithaca College at Itha- ca, 26-07.

Blocking Back Howie Gross toss- es the ball to Andy Brezny and Brezny sets up Extra Point.

But Gross to Grokna aerial put the visiting Wilkes forces ahead and they never fell behind, putting up a fine defensive showing the rest of the way and adding two more touchdowns.

The win was the third in four games with the York Yeaters.

ENNIS' CRASH CRAW CRASHES CUT-UP

ENNIS' CRASH CRAW CRASHES CUT-UP

Out of the past and into the present comes one of Wilkes Col- lege's favorite footballers, the man known as "Crash Crawler". The Crash Crawler seems to be the organization responsible for the excitement surrounding the Colonels home football games.

The Crash Crawler was started in 1948 under the direction of "Skinny" Ennis. For several seasons

it was extremely popular and was looked for at every home game. The Crash Crawler did not compete and merely went about its business, helping out and giving the fans something to watch.

Coach George Ralston has at the helm of the Colonels, with all the games not to mention being engaged in intercollegiate competition. Although they have not come off as highly as some of those long gone days of the ex-GL's, for the most part the Colonels have played well.

An eager host of people, including a bunch of guys who just liked to play football, Howie Tom Moran put in the Sunday Indepen- dent's little stunt of letting the fans have their way with the teams.

He said, "We all had our 'ups' briefly we're back to chewing gum, chicken wire and tape, and the other folks tomorrow."

We're second with a collected soccer Police with a solo six-pointer, which shouldn't by any means be his last.

MUCH IMPROVED

In registering their first win of the season against Ithaca College, the Rocers pulled impressive, making an upset in tomorrow even- ing's homecoming hassle look like a definite possibility. We, of course, have to be very careful about saying "upset" because of the impressive show of the Colonels.

Freshman Andy Brezny, proved that he can run well in football as well as in elections as he romped for two touchdowns on dashes of 63 and 73 yard lines and added the first actual play from scrimmage. Andy was recently elected vice president of his class.

Howie Gross, now firmly entrenched as the number one pigskin twirler after a sudden switch from the center seat, tossed his third and fourth touchdowns to the same target, Ralston, which seems to have been the year. Since then, the Colonels have played like three teams in the year and are currently leading the score of three with 18 points.

Breznay is second with a collected soccer Police with a solo six-pointer, which shouldn't by any means be his last.

Law School Test To Be Given 4 Times Throughout This Year

The Law School Admission Test, required of applicants for admission to a number of leading American law schools, will be given at 100 centers throughout the United States on the mornings of November 14, 1953, February 20, April 10, and August 7, 1954. During 1952-53, some 7400 applicants took this test, and their scores were sent to over 100 law schools.

A candidate must make separate application for admission to each law school of his choice and should inquire whether it wishes him to take the Law School Admission Test and when. Since many law schools select their freshman classes in the spring preceding their entrance, candidates for admission to next year's classes are advised ordinarily to take either the November or the February test, if possible.

The Law School Admission Test, prepared and administered by Educational Testing Service, features objective questions measuring verbal aptitudes and reasoning ability rather than acquired information. It cannot be "cramped" for. Sample questions and information regarding registration for and administration of the test are given in a Bulletin of Information.

Bulletins and applications for the test should be obtained four to six weeks in advance of the desired testing date from Law School Admission Test, Educational Testing Service, 3707 West State Road, Princeton, N. J. Completed applications must be received at least ten days before the desired testing date in order to allow ETS time to complete the necessary testing arrangements for each candidate.
